

In the opinion of Bracewell & Giuliani LLP, assuming compliance with certain covenants and based on certain representations, (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, except with respect to interest on any Bond during any period while it is held by a “substantial user” of the Development (as defined below) or a “related person” of such a “substantial user” within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended, and (ii) interest on the Bonds is not subject to the alternative minimum tax imposed on individuals and corporations. See “TAX MATTERS” herein for a discussion of Bracewell & Giuliani LLP’s opinion.

**Texas Department of Housing and Community Affairs
Multifamily Housing Revenue Bonds
(Pine Haven Apartments), Series 2014**

INTRODUCTION

This Official Statement (this “Official Statement”), including the Appendices, has been prepared in connection with the issuance of the above-captioned Bonds (the “Bonds”) by the Texas Department of Housing and Community Affairs (the “Issuer”), a public body and official agency of the State of Texas (the “State”). The Governing Board of the Issuer has authorized the issuance of the Bonds by a resolution adopted May 8, 2014 (the “Resolution”) and the Bonds are issued pursuant to a Trust Indenture dated as of June 1, 2014 (the “Indenture”), by and between the Issuer and Wilmington Trust, National Association, as trustee (the “Trustee”). Certain capitalized terms that are used in this Official Statement and not otherwise defined shall have the definitions ascribed to them in “APPENDIX A – DEFINITIONS OF CERTAIN TERMS” hereto.

The Bonds are to be issued pursuant to the provisions of Chapter 2306, Texas Government Code, as amended and supplemented (the “Act”), for the purpose of providing funds to make a loan (the “Loan”) to DHI PH Housing, LP, a Texas limited partnership (the “Borrower”), to enable the Borrower to pay a portion of the cost of acquiring, rehabilitating and equipping a 64-unit multifamily residential rental facility located in Marshall, Texas, known as Pine Haven Apartments (the “Development”). See “PRIVATE PARTICIPANTS” and “THE DEVELOPMENT” herein.

The Loan will be made to the Borrower under a Loan Agreement dated as of June 1, 2014 (the “Loan Agreement”), by and between the Issuer and the Borrower. Pursuant to the Loan Agreement, the Borrower has agreed to make payments to the Issuer in amounts sufficient to pay the principal of and interest on the Bonds when due (the “Bond Service Charges”) to the extent that amounts otherwise available for such payment are insufficient therefor. The Loan will be evidenced by a promissory note in the principal amount of \$2,700,000 (the “Note”) from the Borrower to the Trustee.

The Indenture establishes certain funds (the “Special Funds”), including a fund for the receipt and disbursement of Bond proceeds (the “Project Fund”), a fund for the receipt of amounts required to be received in exchange for disbursement of Bond proceeds (the “Collateral Fund”) and a fund for the payment of the Bonds (the “Bond Fund”), and within the Bond Fund an account for the deposit of Eligible Funds (as defined in Appendix A) to pay interest on the Bonds (the “Negative Arbitrage Account”). An amount equal to the aggregate interest payments on the Bonds from the date of delivery of the Bonds to the Initial Mandatory Tender Date is required, pursuant to the Indenture, to be deposited on the date of delivery of the Bonds to the Negative Arbitrage Account by or on behalf of the Borrower. Amounts on deposit in the Special Funds are required to be invested in Eligible Investments (as defined in Appendix A). It is required that the aggregate funds on deposit in the Project Fund and the Collateral Fund will, at all times, equal the principal amount of Bonds Outstanding. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” herein.

The Bonds shall bear interest on the outstanding principal amount thereof at a rate equal to 0.35% per annum from their date, to but not including, July 1, 2015 (the “Initial Mandatory Tender Date”), payable on each January 1 and July 1, commencing January 1, 2015 (each an “Interest Payment Date”).

The Bonds are subject to mandatory tender for purchase, subject to satisfaction of the applicable terms and conditions of remarketing set forth in the Indenture, or mandatory redemption if the conditions to remarketing the Bonds are not met, on the Initial Mandatory Tender Date. All Bondholders must tender their Bonds for purchase on the Initial Mandatory Tender Date. The Bonds may be remarketed and a new interest rate for the Bonds may be determined on the Initial Mandatory Tender Date in accordance with the terms of the Indenture, or the Bonds may be redeemed and cancelled on the Initial Mandatory Tender Date. If the Bonds are remarketed on the Initial Mandatory Tender Date, the terms of the Bonds after such date may differ materially from the description provided

{CN000936.10}

in this Official Statement. Therefore, prospective purchasers of the Bonds on and after the Initial Mandatory Tender Date cannot rely on this Official Statement, but rather must rely upon any disclosure documents prepared in connection with such remarketing.

The Bonds are subject to optional and mandatory redemption prior to maturity as set forth herein under “THE BONDS.”

As is described under “PLAN OF FINANCING” below, the Borrower expects to obtain permanent financing for its acquisition, rehabilitation and equipping of the Development from (a) a mortgage loan (the “Mortgage Loan”) to be made by Pillar Capital Finance LLC, a Delaware limited liability company (the “Lender”), which Mortgage Loan will be insured by the Secretary of Housing and Urban Development acting by and through the Federal Housing Administration (“FHA”) under Section 221(d)(4) of the National Housing Act, as amended, and the regulations promulgated thereunder, and (b) proceeds from the capital contributions to be made to the Borrower from Boston Capital Corporate Tax Credit Fund XXXIX, A Limited Partnership, a Massachusetts limited partnership (the “Investor Limited Partner”).

To fund the Mortgage Loan, the Lender expects to issue and sell certain securities (the “GNMA Certificates”) which will be backed by the Mortgage Loan and guaranteed as provided therein by the Government National Mortgage Association (“GNMA”). Neither the Mortgage Loan nor any GNMA Certificates issued with respect to the Mortgage Loan will be pledged to secure the Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE BONDS” below. In connection with the Mortgage Loan, the Borrower will execute a note, security instrument, regulatory agreement and related documents (the “Mortgage Loan Documents”). In the event of conflict between the provisions of the Mortgage Loan Documents, the Note securing repayment of the Bonds, the Indenture, the Loan Agreement, the Note or the Regulatory Agreement, the Mortgage Loan Documents will control. Neither the Holders of the Bonds nor the Trustee will have rights under the Mortgage Loan Documents. The Lender will also hold escrows for taxes, insurance and mortgage insurance premiums which will **not** be pledged to secure the Bonds. Furthermore, neither the Holders of the Bonds nor the Trustee will have a lien on the real estate on which the Development is located or in any funds, accounts or reserves established, maintained and/or collected by the Lender.

Prior to the disbursement of amounts drawn from the Project Fund to pay costs of the Development, a like amount of Eligible Funds on behalf of the Borrower (the “Collateral Payments”) must be deposited to the Collateral Fund. It is anticipated that, over time, as each disbursement of Mortgage Loan proceeds is approved by FHA, the Lender will deliver funds that constitute Collateral Payments in an amount equal to all or a portion of such disbursement to the Trustee for deposit into the Collateral Fund as security for the Bonds in exchange for a like amount of Bond proceeds from the Project Fund, which is to be disbursed by the Trustee to or at the direction of the Lender for purposes of paying costs of the Development, all in accordance with the Loan Agreement, the Disbursement Agreement (as defined below) and the Indenture.

The Borrower, the Trustee, the Issuer and the Lender will enter into a Loan Disbursement Procedures Agreement dated as of June 1, 2014 (the “Disbursement Agreement”), pursuant to which the Borrower will direct the Lender to make, and the Lender will agree to make Collateral Payments to the Trustee in the amounts of, and as a condition to the release of, requested disbursements of Bond proceeds from the Project Fund to pay costs of the Development.

Notwithstanding any provision of the Loan Agreement, the Disbursement Agreement or the Indenture to the contrary, the Trustee will not disburse funds from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited in the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has determined that the sum of the amount then held in the Collateral Fund and the amount then on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund, is at least equal to the then outstanding principal amount of the Bonds. Upon receipt of a Collateral Payment, subject to the foregoing provisions, Trustee may disburse Bond proceeds to or at the direction of the Lender for use by the Borrower to pay costs of the Development, in accordance with the terms of the Loan Agreement.

The Development is subject to a Regulatory and Land Use Restriction Agreement (the “Regulatory Agreement”) dated as of June 1, 2014, by and among the Borrower, the Issuer and the Trustee. The Land Use {CN000936.10}

Restriction Agreement requires that at least 40% of completed units of the Development be occupied by persons or families having incomes at or below 60% of area median gross income during the longer of the Qualified Project Period or as long as any of the Bonds remain outstanding, in accordance with Section 142(d) of the Code. Failure to comply with these requirements could result in the loss of the federal tax exemption of the Bonds retroactive to their date of issuance. The Regulatory Agreement will also require that for the State Restrictive Period (as defined therein), 100% of the dwelling units in the Development (except for dwelling units reserved for a resident manager, security personnel and maintenance personnel) are reserved for tenants whose combined Annual Income (as defined therein) does not exceed 60% of the Multifamily Tax Subsidy Program Income Limit (as defined therein), which is adjusted for family size. See “TAX MATTERS” and “APPENDIX D – SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT.” In addition to the rental restrictions imposed upon the Development by the Regulatory Agreement, the Development will be further encumbered by a tax credit restrictive covenant (the “Tax Certificate”), to be executed by the Borrower in connection with the federal low income housing tax credits (the “Federal Tax Credits”) anticipated to be granted for the Development (and allocated to the Investor Limited Partner in its capacity as a partner of the Borrower) and in compliance with the requirements of Section 42 of the Code, and by the agreements entered into with regard to rental assistance payments applicable to the Development. See “THE DEVELOPMENT” and “THE PRIVATE PARTICIPANTS” herein.

Brief descriptions of the Issuer, the Borrower, the Lender, the Investor Limited Partner, the Mortgage Loan, the Development, the Bonds, the security for the Bonds, the Indenture, the Loan Agreement and the Regulatory Agreement are included in this Official Statement. The summaries herein do not purport to be complete and are qualified in their entireties by reference to such documents, agreements and programs as may be referred to herein, and the summaries herein of the Bonds are further qualified in their entireties by reference to the form of the Bonds included in the Indenture and the provisions with respect thereto included in the aforesaid documents.

THE ISSUER

General

The Issuer, a public and official governmental agency of the State and a body corporate and politic, was created pursuant to the Act, effective September 1, 1991. The Issuer is the successor agency to the Texas Housing Agency (the “Agency”) and the Texas Department of Community Affairs, both of which were abolished by the Act and their functions and obligations transferred to the Issuer. One of the purposes of the Issuer is to provide assistance to individuals and families of low and very low income and families of moderate income and persons with special needs to obtain decent, safe and sanitary housing. Pursuant to the Act, the Issuer may issue bonds, notes or other obligations to finance or refinance residential housing and to refund bonds previously issued by the Agency, the Issuer or certain other quasi-governmental issuers. The Act specifically provides that the revenue bonds of the Agency become revenue bonds of the Issuer.

The Issuer is subject to the Texas Sunset Act (Chapter 325, Texas Government Code, as amended, hereinafter referred to as the “Sunset Act”), and its continued existence is subject to a periodic review process that resulted in passage of legislation in the 2013 Texas legislative session which continues the Issuer in existence until September 1, 2025, at which time it will again be subject to review. The Sunset Act, however, recognizes the continuing obligation of the State to provide for the payment of bonded indebtedness incurred by a State agency abolished under the provisions thereof and provides that the Governor will designate an appropriate State agency to continue to carry out all covenants with respect to any bonds outstanding, including the payment of any bonds from the sources provided in the proceedings authorizing such bonds.

In the Act, the State also pledges and agrees with the holders of any bonds issued under the Act (such as the Bonds) that the State will not limit or alter the rights vested in the Issuer to fulfill the terms of any agreements made with the holders thereof that would in any way impair the rights and remedies of such holders until such bonds, together with the interest thereon, interest on any unpaid installments of interest and all costs and expenses incurred in connection with any action or proceeding by or on behalf of such holders are fully met and discharged.

Organization and Membership

Governing Board. The Issuer is governed by a governing board (the “Board”) consisting of seven public members appointed by the Governor, with the advice and consent of the State Senate. Board members hold office {CN000936.10}

for six-year staggered terms. Each member serves until his or her successor is appointed and qualified. Each member is eligible for reappointment. Members serve without compensation, but are entitled to reimbursement for actual expenses incurred in performing their duties of office. The Act requires the Governor to make appointments so that the places on the Board are occupied by persons who have a demonstrated interest in issues related to housing and support services and who broadly reflect the geographic, economic, cultural and social diversity of the State, including ethnic minorities, persons with disabilities, and women.

The Governor designates a member of the Board to serve as the presiding officer (the “Chair”) of the Board at the pleasure of the Governor. The Chair presides at all meetings and performs such other duties as may be prescribed from time to time by the Board and by the Act. In addition, the members of the Board elect one of its members as assistant presiding officer (the “Vice Chair”) to perform the duties of the Chair when the Chair is not present or is incapable of performing such duties. The Board also elects a Secretary and a Treasurer (which offices may be held by one individual, neither of which is required to be a Board member) to perform the duties prescribed by the Board.

One seat on the Board is currently vacant. The current members of the Board, their occupations and their terms of office are as follows:

J. PAUL OXER, PE, Chair and Board Member. Managing Director, McDaniell, Hunter & Prince, Inc., Sugar Land, Texas. His term expires on January 31, 2017.

DR. JUAN SANCHEZ MUÑOZ, Vice Chair and Board Member. Associate Professor of Education, Vice Provost for Undergraduate Education & Student Affairs and Vice President for Institutional Diversity, Equity & Community Engagement, Texas Tech University, Lubbock, Texas. His term expires January 31, 2017.

LESLIE BINGHAM ESCAREÑO, Board Member. Chief Executive Officer, Valley Baptist Medical Center-Brownsville. Her term expires January 31, 2019.

TOM H. GANN, Board Member. President, Gann Medford Real Estate Inc., Lufkin, Texas. His term expires January 31, 2015.

ROBERT D. THOMAS, Board Member, Attorney at Law, Austin, Texas. His term expires January 31, 2019.

J. MARK McWATTERS, Board Member. Director of Graduate Programs, Southern Methodist University Dedman School of Law, Dallas, Texas. His term expires January 31, 2015.

All of the above Board members have been appointed by the Governor and confirmed by the State Senate. Texas law requires that confirmations of any such appointment be considered at the next legislative session, whether regular or special. Pursuant to Article XVI, Section 17, of the Texas Constitution, any Board member whose term has expired continues to serve until his or her successor has been appointed.

Administrative Personnel. The Act provides that the Issuer is to be administered by an Executive Director to be employed by the Board with the approval of the Governor. The Executive Director serves at the pleasure of the Board, but may also be removed by a newly elected Governor who did not approve the Executive Director’s appointment by action taken within 90 days after such Governor takes office. The Executive Director is responsible for administering the Issuer and its personnel. The Executive Director may employ other employees necessary for the discharge of the duties of the Issuer, subject to the annual budget and the provisions of any resolution authorizing the issuance of the Issuer’s bonds.

Currently, the Issuer has 295 employees. The following is a biographical summary of certain of the Issuer’s senior staff members who have responsibility with respect to multi-family housing bond matters:

{CN000936.10}

EXPRESSLY AUTHORIZED IN THE INDENTURE. THE BONDS, TOGETHER WITH INTEREST THEREON, SHALL BE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER GIVING RISE TO NO CHARGE AGAINST THE ISSUER'S GENERAL CREDIT AND PAYABLE SOLELY FROM, AND CONSTITUTE CLAIMS OF THE HOLDERS THEREOF AGAINST ONLY, THE TRUST ESTATE. THE BOND SERVICE CHARGES SHALL NOT BE DEEMED TO CONSTITUTE DEBT OF THE ISSUER (EXCEPT TO THE EXTENT OF THE TRUST ESTATE). THE BONDS ARE NOT AND DO NOT CREATE OR CONSTITUTE IN ANY WAY AN OBLIGATION, A DEBT OR A LIABILITY OF THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF OR CREATE OR CONSTITUTE A PLEDGE, GIVING OR LENDING OF THE FAITH OR CREDIT OR TAXING POWER OF THE STATE OF TEXAS OR ANY POLITICAL SUBDIVISION THEREOF. THE ISSUER HAS NO TAXING POWER.

Optional Redemption

The Bonds are subject to optional redemption as a whole, but not in part, prior to the Initial Mandatory Tender Date at any time on or after January 1, 2015, at a redemption price equal to the principal amount of the Bonds, plus accrued interest to the redemption date.

Notice of Optional Redemption

Except for the notice of mandatory redemption conditioned upon certain events to be given as described herein under "Notice of Mandatory Tender or Mandatory Redemption on the Initial Mandatory Tender Date," notices of redemption are to be given as described herein. At least 30 days prior to the date fixed for redemption, the Trustee is to send official notice of redemption by first class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the register at the opening of business on the fifth day prior to such mailing. A second notice of redemption is to be given, as soon as practicable, by first class mail to the Holder of each Bond that has been so called for redemption but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption. So long as DTC is the registered owner of the Bonds, notice of any redemption with respect to Bonds will be given only to DTC or its nominee in the manner required by DTC. Any failure of DTC to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds. Failure to receive notice by mailing, or any defect in that notice regarding any Bond, shall not affect the validity of the proceedings for the redemption of any other Bond.

Mandatory Tender or Mandatory Redemption on Each Mandatory Tender Date

All Outstanding Bonds will be subject to mandatory tender by the Holders for purchase on each Mandatory Tender Date (including the Initial Mandatory Tender Date). Holders of Bonds subject to mandatory tender for purchase are to tender such Bonds to the Trustee by 11:00 a.m., Local Time, on each Mandatory Tender Date.

The Bonds are subject to mandatory redemption, as a whole, at a redemption price equal to the principal amount thereof, plus accrued interest, on each Mandatory Tender Date, as described below, if (i) the Borrower elects not to remarket the Bonds on the Mandatory Tender Date, (ii) the conditions precedent to the remarketing of the Bonds on the Mandatory Tender Date are not met or (iii) proceeds of the remarketing are insufficient to pay the principal amount of, plus accrued interest on, all of the Outstanding Bonds on the Mandatory Tender Date.

The purchase price or redemption price, as applicable, for each such Bond shall be payable in lawful money of the United States of America by check or draft, shall equal the principal amount to be purchased and accrued interest, and shall be paid in full on the applicable Mandatory Tender Date.

Notice of Mandatory Tender or Mandatory Redemption on Mandatory Tender Date

Notice of Mandatory Tender or Mandatory Redemption. Not fewer than 30 days preceding a Mandatory Tender Date, the Trustee is to give written notice of mandatory tender or mandatory redemption to the Holders of the Bonds then outstanding by first class mail, postage prepaid, stating:

(i) the Mandatory Tender Date and that (a) if certain conditions are met, all outstanding Bonds are subject to mandatory tender for purchase on the Mandatory Tender Date, (b) all outstanding Bonds must be tendered {CN000936.10}

for purchase no later than 12:00 noon Local Time on the Mandatory Tender Date and (c) Holders will not have the right to elect to retain their Bonds;

(ii) that if, in the event that the conditions to remarketing set forth in the Indenture are not met by the respective dates set forth therein, or, if proceeds from the remarketing are insufficient to pay the principal amount of, plus accrued interest on, the Bonds on the Mandatory Tender Date, all of the Bonds will be mandatorily redeemed on the Mandatory Tender Date;

(iii) the address of the designated office of the Trustee at which Holders should deliver their Bonds for purchase or redemption, as applicable, and the date of the required delivery;

(iv) that all outstanding Bonds will be purchased or redeemed, as applicable, on the Mandatory Tender Date at a price equal to the principal amount of the outstanding Bonds plus interest accrued to the Mandatory Tender Date; and

(v) any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

In the event that any Bond required to be delivered to the Trustee for payment of the purchase price or redemption price, as applicable, of such Bond shall not have been delivered to the Trustee within 30 days following a Mandatory Tender Date, the Trustee is to mail a second notice to the Holder of the Bond setting forth the requirements set forth in the Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of the Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price or redemption price applicable to the Bond. Neither failure to give or receive notice of mandatory tender, nor lack of timeliness of notice or defect in any notice, will affect the validity of the mandatory tender.

Notice of Mandatory Redemption. In the event the Borrower elects not to remarket the Bonds on the Initial Mandatory Tender Date, or the preliminary conditions to remarketing set forth in the Indenture are not met by the 15th day prior to the Initial Mandatory Tender Date, notice of mandatory redemption on the Initial Mandatory Tender Date is to be given as described in this paragraph. At least 30 days prior to the date fixed for redemption, the Trustee is to send an official notice of redemption by first class mail, postage prepaid, to the Holder of each Bond to be redeemed, at the address of such Holder shown on the Register at the opening of business on the fifth day prior to such mailing. A second notice of redemption is to be given, as soon as practicable, by first class mail to the Holder of each Bond that has been so called for redemption but has not been presented and surrendered to the Trustee within 30 days following the date fixed for redemption. So long as DTC is the registered owner of the Bonds, notice of any redemption with respect to Bonds is to be given only to DTC or its nominee. Any failure of DTC to notify the Beneficial Owners of any such notice and its contents or effect will not affect the validity of such notice of any proceedings for the redemption of such Bonds. Failure to receive notice by mailing, or any defect in that notice regarding any Bond, will not affect the validity of the proceedings for the redemption of any other Bond.

Bonds Deemed Tendered

Bonds will be deemed to have been tendered whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price (or redemption price, as applicable) of such Bonds to the Mandatory Tender Date, such Undelivered Bonds will be null and void. If such Undelivered Bonds are to be remarketed, the Trustee will authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

“Undelivered Bond” means any Bond that is required under the Indenture to be delivered to the Remarketing Agent or the Trustee for purchase or redemption on a Mandatory Tender Date or redemption date but that has not been received on the date such Bond is required to be delivered.

Purchase or Mandatory Redemption of Bonds

The Trustee is to use amounts representing proceeds of remarketed Bonds deposited in the Remarketing Proceeds Account established under the Indenture to pay the principal amount, plus accrued interest, of Bonds {CN000936.10}

tendered for purchase not later than 1:30 p.m. Local Time on the Mandatory Tender Date. If proceeds of remarketed Bonds are not sufficient to purchase all of the Bonds at the required time or if the conditions to remarketing have not been met as required by the Indenture, the remarketing is to be cancelled and the following sources of payment are to be used to redeem all outstanding Bonds on the Mandatory Tender Date in the following order of priority: (i) amounts on deposit in the Collateral Fund, (ii) amounts on deposit in the Negative Arbitrage Account of the Bond Fund only to pay the accrued interest, if any, on the Bonds, (iii) amounts on deposit in the Project Fund and (iv) any other Eligible Funds available or made available for such purpose at the direction of the Borrower.

No Additional Parity Bonds

The Indenture does not permit the Issuer to issue additional indebtedness prior to or on a parity with the Bonds.

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or its agent.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts

such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividends ("debt charges payments") on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Issuer or Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions or dividends ("debt charges") to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information above in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer and the Underwriter take no responsibility for the accuracy thereof. The Issuer has no role in the purchases, transfers or sales of book entry interests. The rights of Beneficial Owners to transfer or pledge their interests, and the manner of transferring or pledging those interests, may be subject to applicable state law. Beneficial Owners may want to discuss with their legal advisers the manner of transferring or pledging their book-entry interests. The Issuer has no responsibility or liability for any aspects of the records or notices relating to, or payments made on account of, beneficial ownership, or for maintaining, supervising or reviewing any records relating to that ownership. The Issuer cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute to the Beneficial Owners payments of debt charges on the Bonds made to DTC as the registered owner, or any redemption, if any, or other notices, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve or act in a manner described in this Official Statement.

Direct Participants and Indirect Participants may impose service charges on Beneficial Owners in certain cases. Purchasers of book-entry interests should discuss that possibility with their brokers.

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

General

The Indenture requires the Bonds to be secured at all times by Eligible Investments sufficient, without need for reinvestment, to pay all of the interest on the Bonds when due and to pay the principal of the Bonds at maturity or upon redemption, mandatory tender or acceleration, as further described herein.

To the extent provided in and except as otherwise permitted by the Indenture, the Bonds will be secured by all right, title and interest of the Issuer in the Trust Estate (as defined below), including, but not limited to (i) the Revenues, including, without limitation, all Loan Payments, Collateral Payments and other amounts receivable by or on behalf of the Issuer under the Loan Agreement in respect of repayment of the Loan, (ii) the Special Funds, including all accounts in those Funds and all money and securities deposited therein and (except for money required to be rebated to the United States of America under the Code) the investment earnings thereon and the proceeds derived therefrom, (iii) the proceeds derived from the sale of the Bonds (subject to the provisions of the Bond Resolution), (iv) the Loan Agreement, including all amendments, extensions or renewals, thereof, if any, (v) the Note, including all amendments, extensions and renewals thereof, if any, (vi) the Bond Mortgage, including all amendments, extensions and renewals thereof, if any, and (vii) any securities in which money in the Special Funds are invested, and any and all other real or personal property of every name and nature from time to time hereafter by delivery or by writing of any kind pledged, assigned or transferred, as and for additional security under the Indenture by the Issuer or by anyone in its behalf, or with its written consent, to the Trustee, which is authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms of the Indenture, except for the Reserved Rights (the foregoing collectively referred to as the "Trust Estate"). Revenues include the payments required to be made by the Borrower under the Loan Agreement and the Note; the Collateral Payments to be received by the Trustee as a prerequisite to the advance of Bond proceeds in the Project Fund; all other money received or to be received by the Issuer or the Trustee in respect of repayment of the Loan, including without limitation, all money and investments in the Bond Fund; any money and investments in the Project Fund and the Collateral Fund; and all income and profit from the investment of the foregoing money. The term "Revenues" does not include any money or investments in the Rebate Fund.

Repayment of Loan

The Loan Agreement and the Note obligate the Borrower to cause to be paid to the Trustee amounts which shall be sufficient to pay Bond Service Charges coming due on each Bond Payment Date, however, it is expected that Collateral Payments required to be deposited in the Collateral Fund, along with interest earnings thereon and amounts on deposit in the Negative Arbitrage Account of the Bond Fund and the Project Fund, will be sufficient to pay such Bond Service Charges and such amounts will be a credit against the Borrower's payment obligations under the Loan Agreement and the Note.

Bond Fund

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement shall be paid on or before each Bond Payment Date directly to the Trustee, and deposited in the Bond Fund, in at least the amount necessary to pay Bond Service Charges due on the Bonds on such Bond Payment Date.

The Bond Fund (and accounts therein) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges shall be payable, as they become due in the following order: (i) from money on deposit in the the Negative Arbitrage Account of the Bond Fund (but only to pay the interest portion of any Bond Service Charges), (ii) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account), (iii) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, (iv) from money on deposit in the Project Fund and transferred as necessary to the Bond Fund and (v) from money on deposit in the Negative Arbitrage Account to the Bond Fund (to pay all Bond Service Charges).

The amount of aggregate interest payments on the Bonds to the Initial Mandatory Tender Date is required, pursuant to the Indenture and the Loan Agreement, to be deposited on the Closing Date to the Negative Arbitrage Account of the Bond Fund from or on behalf of the Borrower. Such deposit shall consist of Eligible Funds.

Project Fund and Collateral Fund

The Project Fund will be funded with the proceeds of the Bonds on the Closing Date. Funds on deposit in the Project Fund will be disbursed to pay Development Costs in accordance with the Loan Agreement. To the extent money is not otherwise on deposit with the Trustee, including amounts on deposit in the Bond Fund and the Collateral Fund, then on each Interest Payment Date, the Trustee will transfer from the Project Fund to the Bond Fund, sufficient money to pay Bond Service Charges coming due on such date.

The Trustee shall deposit all Collateral Payments received pursuant to the Loan Agreement and any other Eligible Funds received by the Trustee to the Collateral Fund. Interest earnings on amounts in the Collateral Fund shall be transferred to the Bond Fund on each Interest Payment Date and used to pay interest due on the Bonds on such Interest Payment Date.

The Indenture provides that the amount of funds disbursed from the Project Fund on any given date for payment of Development Costs shall be equal to the corresponding amount deposited as a Collateral Payment to the Collateral Fund. Accordingly, the aggregate amount in the Collateral Fund and the Project Fund shall at all times equal 100% of the principal amount of the Bonds outstanding.

Notwithstanding any provision of the Loan Agreement, the Disbursement Agreement or the Indenture to the contrary, the Trustee will not act upon the delivery of a request for disbursement of funds from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until (i) an amount equal to or greater than the requested disbursement amount has been deposited in the Collateral Fund in accordance with the provisions of the Indenture and (ii) the Trustee has determined that the sum of the amount on deposit in the Collateral Fund and the amount on deposit in the Project Fund, less the anticipated amount of the disbursement from the Project Fund is at least equal to the then outstanding principal amount of the Bonds; provided, however, notwithstanding any provision to the contrary herein or in the Loan Agreement, the Disbursement Agreement or the Indenture, that upon receipt of a Collateral Payment from Lender, Trustee shall be obligated to either (i) disburse Bond proceeds in like amount, or, (ii) return the Collateral Payment to Lender within one Business Day after receipt of the Collateral Payment.

Investment of Special Funds; Eligible Investments

On the Closing Date, all amounts on deposit in the Special Funds will be invested in Eligible Investments at the written direction of the Authorized Borrower Representative. It is anticipated that Bond Service Charges will be paid from amounts on deposit in the Special Funds and any investment earnings thereon.

PRIVATE PARTICIPANTS

The following information concerning the private participants has been provided by representatives of the private participants and has not been independently confirmed or verified by either the Underwriter or the Issuer. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

The Borrower

The Borrower is DHI PH Housing, LP, a Texas limited partnership, a single asset entity formed for the specific purpose of acquiring, rehabilitating and owning the Development. The general partner of the Borrower is DHI PH Southwest Preservation LLC, a Texas limited liability company (the "General Partner"), which will have a 0.1% ownership interest in the Borrower. Boston Capital Corporate Tax Credit Fund XXXIX, A Limited Partnership, a Massachusetts limited partnership (the "Investor Limited Partner"), will own a 99.8% interest in the Borrower and BCC, Inc., a Massachusetts corporation (the "Special Limited Partner"), will own a 0.1% interest in the Borrower.

Investor Limited Partner

Prior to the issuance of the Bonds, the Borrower expects to enter into a commitment with the Investor Limited Partner to sell to it a 99.8% ownership interest in the Borrower. The equity funding arrangements for such ownership interest will require that equity contributions be paid in stages during and after rehabilitation of the Development. These funding levels and the timing of the funding are subject to numerous adjustments and conditions which could result in the amounts funded and/or the timing or even occurrence of the funding varying significantly from those initially anticipated and neither the Issuer nor the Underwriter makes any representation as to the availability of such funds.

Limited Assets and Obligation of Borrower, General Partner and Limited Partners

The Borrower has no substantial assets other than the Development and does not intend to acquire any other substantial assets or to engage in any substantial business activities other than those related to the ownership of the Development. However, the General Partner, the Investor Limited Partner and their affiliates are engaged in and will continue to engage in the acquisition, development, rehabilitation, ownership and management of similar types of housing developments. They may be financially interested in, as officers, partners or otherwise, and devote substantial time to, business and activities that may be inconsistent or competitive with the interests of the Development.

The obligations and liabilities of the Borrower under the Loan Agreement and the Note are of a non-recourse nature and are limited to the Development and money derived from the operation of the Development. Neither the Borrower nor its partners have any personal liability for payments on the Note to be applied to pay the principal of and interest on the Bonds. Furthermore, no representation is made that the Borrower has substantial funds available for the Development. Accordingly, neither the Borrower's financial statements nor those of its partners are included in this Official Statement.

The Managing Agent

The Development will be managed by Capstone Real Estate Services, Inc. (the "Managing Agent"). The Managing Agent currently manages more than 40,000 multifamily housing units throughout the United States. The Managing Agent is not affiliated with the Borrower. The Borrower has entered into a Management Agreement with the Managing Agent to engage the Managing Agent to manage the Development. Under the Management Agreement, the Managing Agent will manage the day-to-day operations of the Development.

The Lender

Pillar Capital Finance LLC, a Delaware limited liability company (the "Lender"), will upon satisfaction of certain conditions precedent make the Mortgage Loan to the Borrower. The Lender is a mortgage banking firm specializing in FHA-insured construction and permanent mortgage loans, Fannie Mae forward commitments and permanent mortgage loans, and both Fannie Mae and FHA bond credit enhancements for multifamily and seniors housing developments across the United States. The Lender has been approved by HUD as an eligible issuer and servicer of mortgage-based securities guaranteed by GNMA. To be approved by GNMA to issue GNMA guaranteed certificates with respect to long-term mortgages on multifamily developments, the Lender is required to have a net worth (based on audited financial statements) equal to at least \$500,000 plus 0.2% of any securities outstanding in excess of \$35 million.

THE DEVELOPMENT

The Development is comprised of 64 residential apartment units in 8 buildings on an approximately 9.9 acre site, located at 2500 Southeast End Boulevard, Marshall, Texas. The buildings were constructed in 1973. One of the buildings contains a laundry room, community room and office. Other Development amenities include a playground area.

The unit mix for the units of the Development will be as follows:

<u>Number Units</u>	<u>Living Area</u>	<u>Unit Composition</u>
16	651 SF	1 Bedroom/1 Bath
40	859 SF	2 Bedroom/1 Bath
8	1,012 SF	3 Bedroom/1.5 Bath

TOTAL 64

Rehabilitation of the Development is expected to commence promptly after the Closing Date and is expected to be completed within 12 months thereafter. Planned renovations include roof replacement, architectural upgrades, exterior window replacement, systems and appliance upgrades, site improvements, refurbishment of the community room and extensive energy system upgrades.

In unit renovations include minor drywall repairs, replacing entry doors and storage doors as well as hardware, replacing kitchen cabinets, countertops and appliances, tubs, surrounds, toilets, vanities, sinks, faucets, plumbing controls, exhaust fans and finishes.

Section 8 Assistance

The Project is the subject of an existing project-based Section 8 Housing Assistance Payments Basic Renewal Contract (the "HAP Contract") for all 64 of the units in the Project (the "Section 8 Units"). The HAP Contract, which has a current term expiring in June, 2024, will be assigned to the Borrower in conjunction with the closing of the Mortgage Loan. The HAP Contract provides for HUD to fund certain rental assistance payments on behalf of Eligible Tenants in the Section 8 Units based on certain rents determined by HUD ("Contract Rents"). Eligible Tenants are defined generally as those households whose income does not exceed 80% (on a scale weighted to reflect family size) of the median income for an area as determined by HUD. The HAP Contract will also require that preference be given to leasing to very low-income tenants (tenants having incomes that do not exceed 50%, on a weighted scale, of the median incomes for the area). Eligible Tenants pay a maximum of 1/3 of their monthly adjusted gross income as rent with the HAP Contract contributing the remaining difference between the tenant share and the HUD determined monthly rental rate. The HAP Contract is expected to have a term as described above, although the funds to make the assistance payments under the HAP Contract are subject to annual appropriations by Congress. Housing assistance payments are subject to abatement or termination if dwelling units are not properly maintained or occupied and the HAP Contract may be terminated in the event of a default thereunder by the Borrower.

Development Regulation

The Borrower intends to construct and operate the Development as a qualified residential rental project in accordance with the provisions of Section 142(d) of the Code. Concurrently with the issuance of the Bonds, the Borrower, the Issuer and the Trustee will enter into the Regulatory Agreement. Under the Regulatory Agreement, the Borrower will agree that, at all times during the Qualified Project Period, the Borrower will rent at least 40% of the units in the Development to persons whose adjusted family income (determined in accordance with the provisions of the Code) is less than 60% of the median area income (adjusted for family size). The Qualified Project Period commences on the later of the Closing Date or the first day on which at least 10% of the units are occupied and continues until the latest of (a) the date which is fifteen (15) years after the later of the Closing Date or the date on which at least ten percent (10%) of the units in the Development are first occupied, (b) the first date on which no tax-exempt private activity bonds with respect to the Development are outstanding, or (c) the date on which any assistance provided with respect to the Development under Section 8 of the United States Housing Act of 1937, as amended, terminates. The failure of the Borrower to comply with the Regulatory Agreement could cause interest on the Bonds to be included in gross income for federal income tax purposes. See "APPENDIX D - SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT".

The Development will also be encumbered by an Extended Use Agreement required by Section 42 of the Code relating to tax credits, which will (a) restrict the income levels of 100% of the units in the Development to amounts not greater than 60% of the area median income adjusted for family size, and (b) restrict the rents which may be charged for occupancy of units in the Development to not more than 30% of 60% of area median income, adjusted for family size.

{CN000936.10}

Additional restrictions are imposed on the Development pursuant to the HUD Regulatory Agreement entered into by the Borrower in connection with the Mortgage Loan and by the HAP Contract.

PLAN OF FINANCING

The total cost of the Development is estimated by the Borrower to be approximately \$5,570,488 not including interim sources or uses of funds or accrued interest on the Bonds. In addition to the proceeds of the Bonds, other sources of financing for the Development are expected to include a \$1,338,267 equity contribution by the Investor Limited Partner.

The estimated sources and uses of funds for the Development are projected to be approximately as follows:

Sources of Funds:	
Bond Proceeds	\$2,700,000
FHA Mortgage Loan	3,870,000
Investor Limited Partner Capital	1,338,267
Deferred Developer Fee	180,836
Interim Income	<u>181,386</u>
Total Sources	\$8,270,489
 Uses of Funds:	
Acquisition Costs	\$1,300,000
Improvements	2,413,898
Repayment of Bonds	2,700,000
Developer Fee	635,747
Other Costs, Fees, Reserves Etc.	<u>1,220,843</u>
Total Uses	\$8,270,489

The sources and uses of funds to be applied under the Indenture are projected to be approximately as follows:

Sources of Funds:	
Bond Proceeds	\$2,700,000
Underwriter Payment ¹	<u>10,000</u>
Total	\$2,710,000
 Uses of Funds:

Total	\$2,710,000

¹ Provided as an additional purchase price payment to make certain required deposits to the Negative Arbitrage Account and the Expense Fund.

² The deposit into the Negative Arbitrage Account has been calculated to be sufficient to provide for the payment of interest which will become due on the Bonds to the Initial Mandatory Tender Date.

CERTAIN BONDHOLDERS' RISKS

The following is a summary of certain risks associated with a purchase of the Bonds. There are other possible risks not discussed below. The Bonds are payable from the payments to be made by the Borrower under the Loan Agreement and the Note, and from amounts on deposit in the Special Funds and the interest earnings thereon. The Borrower's obligation to make payments pursuant to the Loan Agreement and the Note are nonrecourse obligations with respect to which the Borrower and its partners have no personal liability (except as otherwise provided in the Note) and as to which the Borrower and its partners have not pledged any of their respective assets.

General

Payment of the Bond Service Charges, and the Borrower's obligations with respect to the Bond Service Charges, will be primarily secured by and payable from Bond proceeds held in the Project Fund and money deposited into the Collateral Fund and the Bond Fund, including the Negative Arbitrage Account held in the Bond Fund. Although the Borrower will execute the Note to evidence its obligation to repay the Loan, it is not expected that any revenues from the Development or other amounts, except money in the Special Funds, will be available to satisfy that obligation. The Indenture requires the Trustee to verify, before any disbursement of funds from the Project Fund, that the sum of the funds on deposit in the Project Fund and the Collateral Fund is at least equal to the then outstanding principal amount of the Bonds. It is expected that funds on deposit in the Collateral Fund and Negative Arbitrage Account of the Bond Fund, and the interest earnings thereon will be sufficient to pay the debt service on the Bonds.

Limited Security for Bonds

The Bonds are special limited obligations of the Issuer payable solely from the Trust Estate, which includes certain funds pledged to and held by the Trustee pursuant to the Indenture.

The Bonds are offered solely on the basis of the amounts held under the Indenture and are not offered on the basis of the credit of the Borrower, the feasibility of the Development or any other security. As a consequence, limited information about the Development and no information about the financial condition or results of operations of the Borrower is included in this Official Statement. The Bonds are offered only to investors who, in making their investment decision, rely solely on the amounts held under the Indenture and not on the credit of the Borrower, the feasibility of the Development or any other security.

The principal of and interest on the Bonds are payable from and secured by certain revenues and funds pledged thereto under the Indenture. On the date of delivery of the Bonds, an amount equal to the principal amount of the Bonds is to be deposited in the Project Fund, and an amount equal to the aggregate interest payments on the Bonds from the date of delivery to the Initial Mandatory Tender Date is to be deposited in the Negative Arbitrage Account. Such amounts are to be invested in Eligible Investments pursuant to the Indenture.

The Trustee is required to invest amounts held in the Special Funds in Eligible Investments, as defined in the Indenture. See "THE INDENTURE—Investment of Funds." Debt Service on the Bonds has been scheduled assuming that the amounts held in the Special Funds earn no interest prior to the Initial Mandatory Tender Date. Failure to receive a return of the amounts so invested could affect the ability to pay the principal of and interest on the Bonds

The Bonds are not secured by the Mortgage Loan or any GNMA Certificate. The Bonds are secured by the Bond Mortgage, but any security provided by the Bond Mortgage is severely limited (see "Substantial Limitations on Bond Mortgage" below). Investors should look exclusively to amounts on deposit in the Special Funds under the Indenture and investment earnings on each as the source of payment of debt service on the Bonds.

Early Redemption of the Bonds

Any person who purchases a Bond should consider the fact that the Bonds are subject to redemption prior to their stated maturity date, upon the occurrence of certain events. See "THE BONDS – Optional Redemption."

Future Determination of Taxability of the Bonds

The Bonds would not be subject to redemption, and the rate of interest on the Bonds would not be subject to adjustment, if the interest on the Bonds were to become included in gross income for purposes of federal income taxation. Such event could occur if the Borrower (or any subsequent owner of the Development) does not comply with the provisions of the Regulatory Agreement and the Loan Agreement that are designed, if complied with, to satisfy the continuing compliance requirements of the Code in order for the interest on the Bonds to be excludable from gross income for purposes of federal income tax.

Substantial Limitations on Bond Mortgage

Although the Borrower will deliver the Bond Mortgage to the Issuer (to be assigned to the Trustee) in order to comply with the requirements of the Act, the Bond Mortgage is subordinate to the Mortgage Loan and the Trustee will have little or no practical means to realize any proceeds by foreclosing on the Bond Mortgage in the event of a default on the Bonds. Accordingly, prospective owners of the Bonds should not look at the value of the Development, but solely to the other security for the Bonds in making an investment decision with respect to the Bonds.

Enforceability of Remedies upon an Event of Default

The remedies available to the Trustee and the owners of the Bonds upon an Event of Default under the Indenture, the Loan Agreement, the Regulatory Agreement or any other document described herein are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing law and judicial decisions, the remedies provided for under such documents may not be readily available or may be limited, and the Borrower will have no personal liability for the satisfaction of any obligation of the Borrower under such agreements or of any claim against the Borrower arising out of such agreements or the Indenture.

If a default in the payment of the Loan occurs and is continuing, the Issuer has agreed with the Borrower and the Lender not to commence foreclosure proceedings with respect to the Development or exercise any other rights or remedies it may have under the Note or the Loan Agreement, including, but not limited to, accelerating the Loan, without the Lender's prior written consent.

The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally and by equitable remedies and proceedings generally.

Secondary Markets and Prices

No representation is made concerning the existence of any secondary market for the Bonds. The Underwriter will not be obligated to repurchase any of the Bonds, nor can any assurance be given that any secondary market will develop following the completion of the offering of the Bonds. Further, there can be no assurance that the initial offering prices for the Bonds will continue for any period of time. Furthermore, the Bonds should be purchased for their projected returns only and not for any resale potential, which may or may not exist.

Eligible Investments

Proceeds of the Bonds deposited into the Project Fund and money received by the Trustee for deposit into the Collateral Fund are required to be invested in Eligible Investments at the direction of the Borrower. See "APPENDIX A – Definitions of Certain Terms" hereto and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" herein for the definition of Eligible Investments. There can be no assurance that there will not be a loss resulting from any investment held for the credit of the Project Fund or the Collateral Fund.

Subordination to Mortgage Loan Documents

The Indenture, the Loan Agreement, the Note and the Regulatory Agreement contain provisions regarding subordination of such documents to the Mortgage Loan Documents and the Controlling HUD and GNMA Requirements. No assurance can be given that such provisions will not impair the excludability of interest on the Bonds from gross income for federal income tax purposes. See "HUD AND GNMA REQUIREMENTS TO CONTROL" herein.

Future Legislation; IRS Examination

The Development, its operation and the treatment of interest on the Bonds are subject to various laws, rules and regulations adopted by the local, State and federal governments and their agencies. There can be no assurance {CN000936.10}

that relevant local, State or federal laws, rules and regulations may not be amended or modified or interpreted in the future in a manner that could adversely affect the Bonds, the trust estate created under the Indenture, the Development, or the financial condition of or ability of the Borrower to comply with its obligations under the various transaction documents or the Bonds offered hereby.

In recent years, the Internal Revenue Service (“IRS”) has increased the frequency and scope of its examination and other enforcement activity regarding tax exempt bonds. Currently, the primary penalty available to the IRS under the Code is a determination that interest on tax exempt bonds is subject to federal income taxation. Such event could occur for a variety of reasons, including, without limitation, failure to comply with certain requirements imposed by the Code relating to investment restrictions, periodic payments of arbitrage profits to the United States of America, the timely and proper use of Bond proceeds and the facilities financed therewith and certain other matters. See “TAX MATTERS” herein. No assurance can be given that the IRS will not examine the Issuer, the Borrower, the Development or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability.

Summary

The foregoing is intended only as a summary of certain risk factors attendant to an investment in the Bonds. In order for potential investors to identify risk factors and make an informed investment decision, potential investors should be thoroughly familiar with this entire Official Statement and the Appendices hereto.

UNDERWRITING

Merchant Capital, L.L.C. (the “Underwriter”) has entered into a Bond Purchase Agreement to purchase all of the Bonds, if any of the Bonds are to be purchased, at a price equal to the principal amount thereof plus an additional purchase price payment to fund certain deposits required under the Indenture. The Bond Purchase Agreement provides that the Underwriter will receive compensation for its services from the Borrower in the amount of \$21,600 plus expenses and is required to be reimbursed for the additional purchase price payment paid for the Bonds. The obligations of the Underwriter to pay for the Bonds are subject to certain terms and conditions set forth in the Bond Purchase Agreement. The Borrower has agreed to indemnify the Underwriter and the Issuer as to certain matters in connection with the Bonds.

The Underwriter may offer and sell Bonds that it purchases to certain dealers including dealer banks and dealers depositing Bonds into investment trusts and others at prices lower than the public offering prices stated on the cover of this Official Statement. The initial public offering prices may be changed from time to time by the Underwriter.

The Underwriter does not guarantee a secondary market for the Bonds and is not obligated to make any such market in the Bonds. No assurance can be made that such a market will develop or continue. Consequently, investors may not be able to resell Bonds should they need or wish to do so for emergency or other purposes.

In addition to serving as Underwriter, Merchant Capital, L.L.C. has been designated to serve as Remarketing Agent and will receive a fee for its remarketing services in connection with the remarketing of the Bonds, if any, on the Initial Mandatory Tender Date.

FINANCIAL ADVISOR

George K. Baum & Company (the “Financial Advisor”) has served as financial advisor to the Issuer for purposes of assisting the Issuer with the development and implementation of the bond program in connection with the Bonds. The Financial Advisor has not been engaged by the Issuer to compile, create or interpret any information in this Official Statement relating to the Issuer, including (without limitation) any of the Issuer’s financial and operating data, whether historical or projected. Any information contained in this Official Statement concerning the Issuer, any of its affiliates or contractors and any outside parties has not been independently verified by the Financial Advisor, and inclusion of such information is not and should not be construed as a representation by the Financial Advisor as to its accuracy or completeness or otherwise. The Financial Advisor is not a public accounting firm and has not

been engaged by the Issuer to review or audit any information in this Official Statement in accordance with accounting standards.

The Financial Advisor does not assume any responsibility for the covenants and representations contained in any of the legal documents with respect to the federal income tax status of the Bonds, or the possible impact of any present, pending or future actions taken by any legislative or judicial bodies.

TAX MATTERS

Tax Exemption

In General

In the opinion of Bracewell & Giuliani LLP, assuming compliance with certain covenants and based on certain representations, (i) interest on the Bonds is excludable from gross income for federal income tax purposes under existing law, except with respect to interest on any Bond during any period while it is held by a “substantial user” of the Development or a “related person” of such a “substantial user” within the meaning of Section 147(a) of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Bonds is not subject to the alternative minimum tax imposed on individuals and corporations.

The Code imposes a number of requirements that must be satisfied for interest on state or local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include, among other things, limitations on the use of the bond-financed project, limitations on the use of bond proceeds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of bond proceeds be paid periodically to the United States, and a requirement that the Issuer file an information report with the Internal Revenue Service (the “Service”). The Issuer and the Borrower have covenanted in the Indenture, Loan Agreement and Regulatory Agreement that they will comply with these requirements.

Bracewell & Giuliani LLP’s opinion will assume continuing compliance with the covenants of the Indenture, Loan Agreement and Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and, in addition, will rely on representations by the Issuer, the Borrower and the Underwriter with respect to matters solely within the knowledge of the Issuer, the Borrower and the Underwriter, respectively, which Bracewell & Giuliani LLP has not independently verified. If the Issuer or the Borrower should fail to comply with the covenants in the Indenture, Loan Agreement and Regulatory Agreement or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Interest on the Bonds is not treated as an “item of tax preference” to be included in the computation of “alternative minimum taxable income” for an individual or a corporation. Furthermore, interest on the Bonds is not treated as includable in the “adjusted current earnings” of a corporation for purposes of computing its alternative minimum tax liability.

Except as stated above, Bracewell & Giuliani LLP will express no opinion as to any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Bonds. Certain actions may be taken or omitted subject to the terms and conditions set forth in the Indenture upon the advice or with the approving opinion of nationally-recognized bond counsel. Bracewell & Giuliani LLP will express no opinion with respect to Bracewell & Giuliani LLP’s ability to render an opinion that such actions, if taken or omitted, will not adversely affect the exclusion of interest of the Bonds from gross income for federal income tax purposes.

Bracewell & Giuliani LLP’s opinions are based on existing law, which is subject to change. Such opinions are further based on Bracewell & Giuliani LLP’s knowledge of facts as of the date thereof. Co-Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel’s attention or to reflect any changes in any law that may thereafter occur or become effective.

{CN000936.10}

Moreover, Bracewell & Giuliani LLP's opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent Bracewell & Giuliani LLP's legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer and the Holders may not have a right to participate in such audit. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit regardless of the ultimate outcome of the audit.

Operation of the Development

In the case of tax-exempt bonds used to provide "qualified residential rental projects," such as the Bonds, section 142 of the Code requires that such bonds also satisfy the tenant eligibility requirements applicable to "qualified residential rental projects" under Section 142(d) of the Code. Section 142(d) of the Code requires that, at all times during the "qualified project period," a certain percentage of the available units in the Development be occupied by individuals with income below certain levels pursuant to the Issuer's election made under Section 142(d)(1) of the Code. The "qualified project period" for the Development will commence on the first day on which 10 percent of the units in the Development are occupied and will end on the latest of the following: (1) the date that is 15 years after the date on which at least 50 percent of the units in the Development are first occupied; (2) the date on which no tax-exempt private activity bond (as defined in Section 141 of the Code) with respect to the Development remains outstanding; or (3) the date on which any assistance provided with respect to the Development under Section 8 of the United States Housing Act of 1937, as amended, terminates. Treasury Regulations (the "Regulations") setting forth requirements for compliance with a comparable provision of the predecessor of Section 142 of the Code require, among other things, that (1) the low-income set aside requirement must be met on a continuous basis during the "qualified project period," and (2) all of the units in the Development must be rented or available for rental to the general public on a continuous basis during such period. Under the Regulations, the failure to satisfy the foregoing requirements on a continuous basis or the failure to satisfy any of the other requirements of the Regulations, unless corrected within a reasonable period of not more than 60 days after such non-compliance is first discovered or would have been discovered by the exercise of reasonable diligence, will cause interest on the Bonds to be includable in gross income for federal income tax purposes as of the date of their original issue, irrespective of the date such non-compliance actually occurred.

The Issuer has established requirements, procedures and safeguards that it believes to be sufficient to ensure compliance with the requirements of the Code and the Regulations with respect to the Development. Such requirements, procedures and safeguards are incorporated into the Regulatory Agreement, the Loan Agreement and the Indenture. In addition, the Issuer and the Trustee have each covenanted in the Indenture to follow and enforce such procedures to ensure compliance with such requirements. However, no assurance can be given that in the event of a breach of any of the provisions or covenants described above, the remedies available to the Issuer and the Trustee can be judicially enforced in such manner as to assure compliance with the Code and therefore to prevent the loss of the exclusion from gross income for federal income tax purposes of the interest on the Bonds. Furthermore, if the Borrower fails to comply with the Regulatory Agreement or the Loan Agreement, the enforcement remedies available to the Issuer, the Trustee and the Owners are severely limited and may be inadequate to prevent the loss of the excludability from gross income for federal income tax purposes of the interest on the Bonds retroactive to the date of issuance of the Bonds. In such event, there is no provision for acceleration or redemption of the Bonds, and the holders of the Bonds may be required to hold the Bonds until maturity bearing interest that is includable in gross income for federal income tax purposes.

Bracewell & Giuliani LLP's opinions assume continuous compliance with all covenants and requirements set forth in the Regulatory Agreement pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Prospective purchasers should be aware that the United States Department of Housing and Urban Development ("HUD") has required the inclusion of a rider to the Regulatory Agreement (the "HUD Rider") that provides that any action taken under the Regulatory Agreement may not conflict with the Mortgage Loan Documents and the Program Obligations (as defined in the HUD Rider). The HUD Rider also provides that the Regulatory Agreement will terminate in the event of foreclosure of the Development. Bracewell & Giuliani LLP expresses no opinion as to whether any of the covenants and requirements set forth in the Regulatory Agreement conflict with the Mortgage Loan Documents and Program Obligations.

{CN000936.10}

Furthermore, Bracewell & Giuliani LLP expresses no opinion as to the initial and continuing exclusion of interest on the Bonds from gross income for federal income tax purposes in the event that (i) the provisions of the HUD Rider preclude compliance with any of the covenants or requirements of the Regulatory Agreement or (ii) the Regulatory Agreement terminates as the result of a foreclosure of the Development.

Tax Legislative Changes

Current law may change so as to directly or indirectly reduce or eliminate the benefit of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed, pending or future legislation.

Additional Federal Income Tax Considerations

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers qualifying for the health insurance premium assistance credit and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the new “branch profits tax” on their effectively-connected earnings and profits, including tax-exempt interest such as interest on the Bonds. These categories of prospective purchasers should consult their own tax advisors as to the applicability of these consequences. Under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Bonds, received or accrued during the taxable year.

RATING

The Bonds are expected to be assigned the rating set forth on the cover hereof by Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business (“S&P”).

The rating expected to be assigned to the Bonds described above reflects only the view of S&P at the time the rating was received, and an explanation of the significance of such rating may be obtained from S&P at 55 Water Street, 38th Floor, New York, New York 10041-0003. There is no assurance that the rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P if in the judgment of S&P circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Bonds.

The Underwriter and the Issuer have undertaken no responsibility after issuance of the Bonds to assure the maintenance of the rating or to oppose any such revision or withdrawal. A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

CONTINUING DISCLOSURE

Prior to the issuance of the Bonds, the Borrower will execute and deliver a Continuing Disclosure Agreement pursuant to which the Borrower will agree to provide ongoing disclosure pursuant to the requirements of Rule 15c2-12 of the Securities and Exchange Commission (the Rule). Financial statements and other operating data will be provided at least annually to the Municipal Securities Rulemaking Board (the MSRB) and notices of certain events will be issued pursuant to the Rule. Information will be filed with the MSRB through its Electronic Municipal Market Access (EMMA) system, unless otherwise directed by the MSRB. A form of the Continuing Disclosure Agreement is attached hereto as Appendix E.

A failure by the Borrower to comply with the Continuing Disclosure Agreement will not constitute an Event of Default under the Indenture. Nevertheless, such a failure must be reported in accordance with the Rule and must be considered by a broker or dealer before recommending the purchase or sale of the Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price and the ability of the Issuer to issue and sell bonds in the future.

{CN000936.10}

CERTAIN LEGAL MATTERS

Certain legal matters relating to the authorization and validity of the Bonds will be subject to the approval of legality by Bracewell & Giuliani LLP, Austin, Texas, and Bates & Coleman, P.C., Houston, Texas, Co-Bond Counsel, and by the Attorney General of the State of Texas. The forms of the opinions of Co-Bond Counsel are attached hereto as Appendix F. Certain legal matters will be passed upon for the Borrower by Coats Rose, A Professional Corporation, Austin, Texas, and for the Underwriter by Jones Walker LLP, Cincinnati, Ohio. Payment of the fees of certain counsel to the transaction is contingent upon the issuance and delivery of the Bonds as described herein.

ABSENCE OF LITIGATION

The Issuer

It is a condition to the Underwriter's acceptance of the Bonds on the date of delivery that the Issuer deliver a certificate to the effect that there is no litigation pending or, to the knowledge of the Issuer, threatened, against the Issuer that in any way questions or affects the validity of the Bonds or any proceedings or transactions relating to their issuance.

The Borrower

It is a condition to the Underwriter's acceptance of the Bonds on the date of delivery that the Borrower deliver a certificate to the effect that there are no legal proceedings pending or, to the Borrower's knowledge threatened, to restrain or enjoin the issuance, sale or delivery of the Bonds or the payment, collection or application of the proceeds thereof or of the revenues and other money and securities pledged or to be pledged under the Indenture or in any way contesting or affecting any authority for or the validity of the Bonds or the Indenture..

ESCROW VERIFICATION REPORT

Causey, Demgen & Moore P.C., certified public accountants (the "Verifier"), concurrently with the issuance of the Bonds, will deliver to the Underwriter its verification report indicating that it has verified the arithmetical accuracy of certain computations provided by the Underwriter relating to the computation of forecasted receipts of principal and interest on the obligations and certain cash deposited as security for the Bonds, and the forecasted payments of principal and interest to pay the Bonds at their redemption or maturity dates. All such computations have been based solely upon assumptions and information supplied by the Underwriter and reviewed and approved by the Borrower. The Verifier restricted its procedures to verifying the arithmetical accuracy of the computations described above and has not made any study or evaluation of the assumptions and information on which the computations are based, and the Verifier has not expressed any opinion on the data used, the reasonableness of the assumptions or the achievability of the forecasted outcomes.

HUD AND GNMA REQUIREMENTS AND MORTGAGE LOAN DOCUMENTS TO CONTROL

To the extent there is any conflict, inconsistency or ambiguity between or among the provisions of the Indenture, the Loan Agreement, the Regulatory Agreement and the Controlling HUD and GNMA Requirements or the Mortgage Loan Documents, then in such event the Controlling HUD and GNMA Requirements or Mortgage Loan documents will be deemed to be controlling and any such ambiguity or inconsistency will be resolved in favor of and pursuant to the Controlling HUD and GNMA Requirements or the provisions of the Mortgage Loan Documents.

Notwithstanding anything to the contrary contained in the Indenture, the Regulatory Agreement or the Loan Agreement, the enforcement of the Indenture, the Regulatory Agreement or the Loan Agreement shall not result in any claim against the Development, Mortgage Loan proceeds (other than the amounts deposited with the Trustee as provided in the Indenture), any reserve or deposit made with the Lender or with another Person or entity required by HUD in connection with the Mortgage Loan transactions, or against rents or other income from the Development other than available "surplus cash" as defined in the Mortgage Loan Documents available for distribution to the Borrower under the Mortgage Loan Documents. Nothing contained in the Indenture, the Regulatory Agreement or the Loan Agreement, however, shall prevent or preclude the Trustee from using funds on deposit in the Bond Fund {CN000936.10}

to make payments to Holders as and to the extent expressly permitted by the provisions of the Indenture or the Loan Agreement and/or to use funds on deposit in the Project Fund and Collateral Fund to make payment to or on behalf of the Lender.

If the Indenture, the Regulatory Agreement or the Loan Agreement contain any provision requiring the Issuer, the Borrower, the Trustee or any other party to the transaction to take any action necessary to preserve the tax exemption of interest on the Bonds, or prohibiting any such party to the transaction from taking any action that might jeopardize such tax exemption, such provision is qualified to except any actions required (or prohibited) by HUD or GNMA pursuant to Controlling HUD and GNMA Requirements and the Mortgage Loan documents.

Notwithstanding any provision of the Indenture, the Regulatory Agreement or the Loan Agreement to the contrary, the parties thereto acknowledge and agree that all of their respective rights and powers to any assets or properties of the Borrower are subordinate and subject to the liens created by the Mortgage, together with any and all amounts from time to time secured thereby, and interest thereon, and to all of the terms and provisions of the Mortgage, and any and all other documents executed by the Borrower as required by HUD or GNMA in connection therewith.

APPENDIX B

SUMMARY OF CERTAIN PROVISIONS OF THE TRUST INDENTURE

The following is a brief summary of certain provisions of the Indenture. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Indenture, copies of which are on file with the Issuer and the Trustee.

Establishment of Funds

The following funds are to be established and maintained by the Trustee under the Indenture:

the Bond Fund (including the Negative Arbitrage Account and the Remarketing Proceeds Account therein);
the Project Fund;
the Costs of Issuance Fund;
the Collateral Fund;
the Expense Fund; and
the Rebate Fund.

Amounts held in the Rebate Fund are not security for the Bonds and therefore are not available to pay the amounts due on the Bonds.

Bond Fund

On the date of delivery of the Bonds, there is to be deposited in the Negative Arbitrage Account of the Bond Fund an amount equal to the interest to be paid on the Bonds from the date of delivery to the Initial Mandatory Tender Date.

So long as there are any Outstanding Bonds, to the extent the Borrower has not received a credit against Loan Payments, all Loan Payments under the Loan Agreement are to be paid on or before each Bond Payment Date directly to the Trustee, and deposited in the Bond Fund, in at least the amount necessary to pay the interest and the principal due on the Bonds on such Bond Payment Date.

The Bond Fund (and accounts therein for which provision is made in the Indenture) and the money and Eligible Investments therein are to be used solely and exclusively for the payment of Bond Service Charges as they become due.

Bond Service Charges will be payable as they become due, in the following order: (i) from money on deposit in the the Negative Arbitrage Account of the Bond Fund (but only to pay the interest portion of any Bond Service Charges), (ii) from money on deposit in the Bond Fund (other than the Negative Arbitrage Account), (iii) from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund, (iv) from money on deposit in the Project Fund and transferred as necessary to the Bond Fund and (v) from money on deposit in the the Negative Arbitrage Account to the Bond Fund (to pay all Bond Service Charges).

Project Fund

Money in the Project Fund is to be disbursed in accordance with the provisions of the Indenture, the Disbursement Agreement, and the Loan Agreement, for use by the Borrower to pay costs of the Development. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee is to transfer from the Project Fund to the Bond Fund sufficient money to pay Bond Service Charges on each Bond Payment Date without further written direction.

Notwithstanding any provision of the Loan Agreement or the Disbursement Agreement or any other provision of the Indenture to the contrary, the Trustee is not to disburse money from the Project Fund, other than to pay Bond Service Charges on the Bonds, unless and until Collateral Payments or other Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited in the Collateral Fund. Prior to

{CN000936.10}

making any disbursement (except to pay Bond Service Charges), the Trustee shall determine that the aggregate amount that will be held in (a) the Collateral Fund and (b) the Project Fund, after the anticipated disbursement, is at least equal to the Outstanding principal amount of the Bonds.

On the earlier of the Maturity Date and any Mandatory Tender Date with respect to which the Bonds are not remarketed, the Trustee will transfer amounts then on deposit in the Project Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Upon the occurrence and continuance of an Event of Default under the Indenture because of which the principal amount of the Bonds has been declared to be due and immediately payable, any money remaining in the Project Fund is to be promptly transferred by the Trustee to the Bond Fund.

Any money in the Project Fund remaining after the completion of the Development and payment in full of the costs of the Development shall be promptly paid into the Bond Fund and used to redeem Bonds on the earliest date on which such Bonds are subject to optional redemption.

Costs of Issuance Fund

Amounts on deposit in the Costs of Issuance Fund are to be used by the Trustee to pay costs of issuance as directed by the Borrower. Any amounts remaining on deposit in the Costs of Issuance Fund thirty days after the delivery of the Bonds are to be returned to or at the direction of the Borrower.

Collateral Fund

The Trustee is to deposit in the Collateral Fund all Collateral Payments received pursuant to the Disbursement Agreement and the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. The Loan Agreement requires the Borrower to cause the Lender, pursuant to the terms of the Disbursement Agreement, to make Collateral Payments to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the disbursement of, the amount of Bond proceeds on deposit in the Project Fund to be disbursed by the Trustee to pay costs of the Development.

Each portion of Collateral Payments deposited into the Collateral Fund will be promptly invested by the Trustee in Eligible Investments, as directed by the Borrower pursuant to the Indenture. Each deposit into the Collateral Fund will constitute an irrevocable deposit solely for the benefit of the Holders, subject to the provisions of the Indenture.

The Trustee is to transfer money in the Collateral Fund as follows: (a) on each Bond Payment Date, to the Bond Fund, the amount necessary to pay Bond Service Charges due on such Bond Payment Date (to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund); (b) on any Mandatory Tender Date, to the Bond Fund, the amount necessary to pay the redemption price of the Bonds, if the Bonds are not remarketed on the Mandatory Tender Date; and (c) on the Maturity Date of the Bonds, to the Bond Fund, the amount necessary to pay all amounts due on the Bonds on such date.

On the earlier of the Maturity Date or any Mandatory Tender Date with respect to which the Bonds are not remarketed, the Trustee will transfer any amounts then on deposit in the Collateral Fund into the Bond Fund to pay Bond Service Charges on the Bonds.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay Bond Service Charges after payment in full of the Bonds may be transferred to the Project Fund and used to pay costs of the Development.

The Bonds shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of any of the Bonds, the principal component of the redemption price of any of the Bonds or the principal component of the redemption price of any of the Bonds, all as provided in the Indenture.

Expense Fund

On the date of delivery, there is to be deposited in the Expense Fund the initial deposit of funds provided by the Borrower to provide money to pay the amounts set forth below. The Trustee is to apply money on deposit in the Expense Fund solely for the following purposes, upon receipt of written instructions from the Borrower, in the following order of priority:

- (i) to transfer money to the Rebate Fund to the extent necessary to pay the Rebate Amount (if any);
- (ii) to pay the Ordinary Trustee's Fees and Expenses when due;
- (iii) to pay the Dissemination Agent Fee when due;
- (iv) to pay the Issuer's Fees when due; and
- (v) to pay the Issuer's Fees not previously paid.

To the extent money in the Expense Fund is not sufficient to pay the foregoing fees and expenses, such deficiency is to be paid by the Borrower pursuant to the Loan Agreement immediately upon written demand.

Investment of Funds

Money in the Special Funds and the Rebate Fund is to be invested and reinvested by the Trustee at the written direction of the Borrower. In the absence of instructions from the Borrower, the Trustee is to invest money in the Special Funds and Rebate Fund in Eligible Investments described in clause (b) of the definition of Eligible Investments. At no time is the Borrower to direct that any funds constituting gross proceeds of the Bonds be used in any manner that would constitute failure of compliance with Section 148 of the Code.

Investments of money in the Bond Fund and the Collateral Fund are to be made as directed by the Borrower only in Eligible Investments that mature or are redeemable at the option of the Trustee at the times and in the amounts necessary to provide money to pay Bond Service Charges on the Bonds as they become due on each Bond Payment Date.

Investment of money in the Project Fund is to be made as directed by the Borrower only in Eligible Investments that are described in clause (b) of the definition of Eligible Investments.

Any investments may be purchased from or sold to the Trustee, or any bank, trust company or savings and loan association which is an affiliate of the Trustee. The Trustee is to sell or redeem investments credited to the Bond Fund to produce sufficient money applicable to and at the times required for the purposes of paying Bond Service Charges when due as aforesaid, and is to do so without necessity for any order on behalf of the Issuer and without restriction by reason of any order.

Investments of money in the Bond Fund and the Collateral Fund shall mature or be redeemable at the times and in the amounts necessary to provide money to pay Bond Service Charges on the Bonds as they become due on each Bond Payment Date or at stated maturity or Mandatory Tender.

Ratings of Eligible Investments are to be determined at the time of purchase of such Eligible Investments and without regard to rating subcategories.

Final Balances

Except as provided in the Indenture, any amounts remaining in the Bond Fund (i) after all of the outstanding Bonds are deemed paid and discharged under the provisions of the Indenture, and (ii) after payment of all fees, charges and expenses of the Trustee, and of all other amounts required to be paid under the Indenture, the Loan Agreement, the Regulatory Agreement and the Note, are to be paid to the Borrower to the extent that those amounts are in excess of those necessary to effect the payment and discharge of the outstanding Bonds.

{CN000936.10}

Events of Default

Each of the following is an “Event of Default” under the Indenture:

- (a) Payment of any interest on any Bond is not made when and as that interest becomes due and payable;
- (b) Payment of the principal of any Bond is not made when and as that principal becomes due and payable, whether at stated maturity, upon mandatory redemption or acceleration or otherwise;
- (c) Failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part required to be observed or performed as set forth in the Indenture or in the Bonds, which failure has continued for a period of 30 days after notice of default in accordance with the Indenture specifying the failure and requiring that it be remedied; and
- (d) The occurrence and continuance of an Event of Default as defined in the Loan Agreement.

The Issuer and the Trustee agree that any cure of any Event of Default under the Indenture made or tendered by the Investor Limited Partner will be deemed to be a cure by the Borrower, and will be accepted or rejected on the same basis as if made or tendered by the Borrower.

The term “default” or “failure” as used above means (i) a default or failure by the Issuer in the observance or performance of any of the covenants, agreements or obligations on its part to be observed or performed contained in the Indenture or in the Bonds, or (ii) a default or failure by the Borrower under the Loan Agreement, exclusive of any period of grace or notice required to constitute an Event of Default, as provided in the Loan Agreement.

Acceleration

Upon the occurrence of an Event of Default described in (a) and (b) under “Events of Default” above, the Trustee may, and upon the written request of the Holders of not less than a majority in aggregate principal amount of the Bonds then outstanding must, subject to the terms of the Indenture, by a written notice in writing delivered to the Borrower and the Issuer, declare the principal of all Bonds then outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately; provided, however, that the Trustee is to make such declaration only if the Trustee has determined that it will have sufficient funds available to pay the full amount of principal and accrued but unpaid interest to the Holders as of the date of acceleration. If the Trustee is unable to determine that sufficient funds will be available, the Trustee nonetheless is to declare the principal of all of the Bonds immediately due and payable, but only upon the written direction of the Holders of all of the Bonds then outstanding. Upon the occurrence of any Event of Default other than those described in (a) and (b) above, the Trustee may, and upon the written request of all Holders of Bonds then outstanding, must, subject to the terms of the Indenture, declare by a notice in writing delivered to the Borrower, the principal of all Bonds then outstanding (if not then due and payable), and the interest thereon, to be due and payable immediately. Upon such declaration, principal and interest will become and be due and payable immediately. Interest on the Bonds will accrue to the date determined by the Trustee for the tender of payment to the Holders pursuant to that declaration; provided that interest on any unpaid principal of Bonds outstanding will continue to accrue from the date determined by the Trustee for the tender of payment to the Holders of those Bonds.

The provisions described in the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement under the Indenture (after an opportunity for hearing by the Issuer and the Borrower),

- (i) all sums payable under the Indenture (except the principal of and interest on Bonds that have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds in respect of which the default has occurred, have been duly paid or provision has been duly made therefor by deposit with the Trustee, and
- (ii) all existing Events of Default have been cured,

{CN000936.10}

then and in every case, the Trustee is to waive the Event of Default and its consequences and rescind and annul that declaration. No waiver or rescission and annulment will extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

Other Remedies; Rights of Holders

With or without taking action described under “—Acceleration” above, upon the occurrence and continuance of an Event of Default, the Trustee may pursue any available remedy, including without limitation actions at law or equity to enforce the payment of Bond Service Charges or the observance and performance of any other covenant, agreement or obligation under the Indenture, the Loan Agreement, the Regulatory Agreement or the Note or any other instrument providing security, directly or indirectly, for the Bonds.

If, upon the occurrence and continuance of an Event of Default, the Trustee is requested so to do by the Holders of at least a majority in aggregate principal amount of Bonds outstanding, the Trustee (subject to the provisions of the Indenture), is to exercise any rights and powers conferred by the Indenture.

No remedy conferred upon or reserved to the Trustee (or to the Holders) by the Indenture is intended to be exclusive of any other remedy. Each remedy is to be cumulative and in addition to every other remedy given under the Indenture or otherwise to the Trustee or to the Holders.

No delay in exercising or omission to exercise any remedy, right or power accruing upon any default or Event of Default is to impair that remedy, right or power or is to be construed to be a waiver of any default or Event of Default or acquiescence therein. Every remedy, right and power may be exercised from time to time and as often as may be deemed to be expedient.

No waiver of any default or Event of Default under the Indenture, whether by the Trustee or by the Holders, is to extend to or is to affect any subsequent default or Event of Default or is to impair any remedy, right or power consequent thereon.

Right of Holders to Direct Proceedings

The Holders of a majority in aggregate principal amount of Bonds then outstanding will have the right at any time to direct, by an instrument or document in writing executed and delivered to the Trustee, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Indenture or any other proceedings thereunder; provided, that (i) any direction is not to be other than in accordance with the provisions of law and of the Indenture, (ii) the Trustee is indemnified as provided in the Indenture, and (iii) the Trustee may take any other action that it deems to be proper and that is not inconsistent with the direction.

Application of Money

If at any time after the occurrence of an Event of Default, the money held by the Trustee under the Indenture (other than amounts in the Rebate Fund) is not sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of remedies in the Indenture or otherwise, is to be applied by the Trustee as described below. After payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all Ordinary Trustee Fees and Expenses and fees of the Trustee for Extraordinary Services and Extraordinary Expenses pursuant to any right given or action taken under the provisions of the Indenture, all money received by the Trustee is to be applied as follows, subject to the Indenture:

- (a) Unless the principal of all of the Bonds has become, or has been declared to be, due and payable, all of such money is to be deposited in the Bond Fund and applied:

First -- To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due

on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second -- To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds that has become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all of the Bonds has become due or has been declared to be due and payable pursuant to the Indenture, all of such money is to be deposited into the Bond Fund and applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds has been declared to be due and payable, and if that declaration thereafter has been rescinded and annulled, subject to the provisions of paragraph (b) above in the event that the principal of all of the Bonds becomes due and payable later, such money on deposit in the Special Funds is to remain in such funds and be applied in accordance with the provisions of the Indenture.

(d) Whenever money on deposit in the Special Funds is to be applied pursuant to the provisions described under this subcaption, such money is to be applied at such times, and from time to time, as the Trustee determines, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee directs the application of such money, it is to fix the date upon which the application is to be made, and upon that date, interest is to cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee is to give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of the Indenture for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee will not be required to make payment of principal of a Bond to the Holder thereof until the Bond is presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

Rights and Remedies of Holders

A Holder will not have any right to institute any suit, action or proceeding for the enforcement of the Indenture, for the execution of any trust under the Indenture, or for the exercise of any other remedy under the Indenture, unless:

(a) there has occurred and is continuing an Event of Default of which the Trustee has been notified, as provided in the Indenture, or of which it is deemed to have notice under the Indenture,

(b) the Holders of at least a majority in aggregate principal amount of Bonds then outstanding have made written request to the Trustee and have afforded the Trustee reasonable opportunity to proceed to exercise the remedies, rights and powers granted under the Indenture or to institute the suit, action or proceeding in its own name, and have offered indemnity to the Trustee as provided in the Indenture, and

(c) the Trustee thereafter has failed or refused to exercise the remedies, rights and powers granted under the Indenture or to institute the suit, action or proceeding in its own name.

At the option of the Trustee, that notification (or notice), request, opportunity and offer of indemnity are conditions precedent, in every case, to the institution of any suit, action or proceeding described above.

{CN000936.10}

No one or more Holders of the Bonds will have any right to affect, disturb or prejudice in any manner whatsoever the security or benefit of the Indenture by its or their action, or to enforce, except in the manner provided therein, any remedy, right or power under the Indenture. Any suit, action or proceedings are to be instituted, had and maintained in the manner provided in the Indenture for the benefit of the Holders of all Bonds then outstanding. Nothing in the Indenture is to affect or impair, however, the right of any Holder to enforce the payment of the Bond Service Charges on any Bond owned by that Holder at and after the maturity thereof, at the place, from the sources and in the manner expressed in that Bond.

Waivers of Events of Default

Except for those Events of Default described in (a) or (b) under “Events of Default” above, at any time, in its discretion, the Trustee may waive any Event of Default and its consequences and may rescind and annul any declaration of maturity of principal of or interest on the Bonds, and the Trustee must do so upon the written request of the Holders of at least a majority in aggregate principal amount of all Bonds then outstanding.

There is not to be so waived, however, any Event of Default described in (a) or (b) under “—Events of Default” above or any declaration of acceleration in connection therewith rescinded or annulled, unless, at the time of that waiver or rescission and annulment, payments of the amounts provided in the Indenture for waiver and rescission and annulment in connection with acceleration of maturity have been made or provision has been made therefor. In the case of the waiver or rescission and annulment, or in case any suit, action or proceedings taken by the Trustee on account of any Event of Default have been discontinued, abandoned or determined adversely to it, the Issuer, the Trustee and the Holders are to be restored to their former positions and rights under the Indenture, respectively. No waiver or rescission is to extend to any subsequent or other Event of Default or impair any right consequent thereon.

Supplemental Indentures

Without the consent of, or notice to, any of the Holders, the Issuer and the Trustee may enter into indentures supplemental to the Indenture that are not, in the opinion of the Issuer, inconsistent with the terms and provisions of the Indenture for any one or more of the following purposes:

- (a) to cure any ambiguity, inconsistency or formal defect or omission in the Indenture;
- (b) to grant to or confer upon the Trustee for the benefit of the Holders any additional rights, remedies, powers or authority that lawfully may be granted to or conferred upon the Holders or the Trustee;
- (c) to assign additional revenues under the Indenture;
- (d) to accept additional security and instruments and documents of further assurance with respect to the Development;
- (e) to add to the covenants, agreements, obligations and rights of the Issuer under the Indenture, other covenants, agreements and obligations to be observed or rights to be exercised for the protection of the Holders, or to surrender or limit any right, power or authority reserved to or conferred upon the Issuer in the Indenture;
- (f) to evidence any succession to the Issuer and the assumption by its successor of the covenants, agreements and obligations of the Issuer under the Indenture, the Loan Agreement and the Bonds;
- (g) to facilitate (i) the transfer of Bonds issued by the Issuer under the Indenture and held in Book Entry Form from one depository to another and the succession of depositories, or (ii) the withdrawal of Bonds issued by the Issuer under the Indenture and delivered to a depository for use in a Book Entry System and the issuance of replacement Bonds in fully registered form and in the form of physical certificates to others than a depository;
- (h) to permit the Trustee to comply with any obligations imposed upon it by law;

{CN000936.10}

- (i) to specify further the duties and responsibilities of the Trustee;
 - (j) to achieve compliance of the Indenture with any applicable federal securities or tax law;
- and
- (k) to make amendments to the provisions of the Indenture relating to arbitrage matters under Section 148 of the Code, if, in the opinion of Bond Counsel, those amendments would not adversely affect the Federal Tax Status (as defined below) of the Bonds, which amendments may, among other things, change the responsibility for making the relevant calculations, provided that in no event is such amendment to delegate to the Trustee, without its consent, in its sole discretion the obligation to make or perform the calculations required under Section 148 of the Code.

Supplemental Indentures Requiring Consent of Holders

Exclusive of Supplemental Indentures described above and subject to the terms, provisions and limitations described below, and not otherwise, with the consent of the Holders of not less than a majority of the aggregate principal amount of the Bonds outstanding, and with the consent of the Borrower (if required by the Indenture), the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of the Indenture or any Supplemental Indenture or restricting in any manner the rights of the Holders. Nothing in the Indenture is to permit, however, or be construed as permitting,

- (a) without the consent of the Holder of each Bond so affected: (i) an extension of the maturity of the principal of or the interest on any Bond, or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon;
- (b) without the consent of the Holders of all Bonds then outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer requests that the Trustee execute and deliver any Supplemental Indenture for any of the purposes described under this subcaption, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by the Indenture, receipt of the Borrower's consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee is to cause notice of the proposed execution and delivery of the Supplemental Indenture to be mailed by first-class mail, postage prepaid, to the Holders of Bonds at their addresses as they appear on the register at the close of business on the fifteenth day preceding that mailing.

The Trustee will not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice described above. Any failure of that nature will not affect the validity of the Supplemental Indenture when there has been consent thereto as described above. The notice is to set forth briefly the nature of the proposed Supplemental Indenture and state that copies thereof are on file at the designated office of the Trustee for inspection by all Holders.

If the Trustee receives, within a period prescribed by the Borrower, of not less than 60 days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then outstanding (which instrument or document or instruments or documents refer to the proposed Supplemental Indenture in the form described in the notice and specifically consent to the Supplemental Indenture in substantially that form), the Trustee is to execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder has consented thereto.

Any consent will be binding upon the Holder giving the consent and, anything in the Indenture to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). A consent may be revoked in writing, however, by the Holder who gave the consent or by a subsequent Holder of the Bond by a revocation of such consent received by the Trustee prior to the execution and delivery by the Trustee of the Supplemental Indenture. At any time after the Holders of the required percentage of Bonds have filed their consents

{CN000936.10}

to the Supplemental Indenture, the Trustee is to make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement will be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds outstanding have consented to the Supplemental Indenture, as described above, no Holder will have any right (a) to object to (i) the execution or delivery of the Supplemental Indenture, (ii) any of the terms and provisions contained therein, or (iii) the operation thereof, (b) to question the propriety of the execution and delivery thereof, or (c) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

Consent of Borrower

Anything contained in the Indenture to the contrary notwithstanding, a Supplemental Indenture that affects in any material respect any rights or obligations of the Borrower will not become effective unless and until the Borrower and Investor Limited Partner have consented in writing to the execution and delivery of that Supplemental Indenture.

The Trustee

Prior to the occurrence of a default or an Event of Default under the Indenture of which the Trustee has been notified (or is deemed to have notice) as provided in the Indenture and after the cure or waiver of any such Event of Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Indenture. In case an Event of Default has occurred that has not been cured (of which the Trustee has been notified or is deemed to have notice), the Trustee is to exercise such rights and powers vested in it by the Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

Before taking any action under the Indenture, the Trustee may require that a satisfactory indemnity bond be furnished to the Trustee for the reimbursement of all expenses that it may incur and to protect it against all liability by reason of any action so taken, except liability that is adjudicated to have resulted from its negligence or willful misconduct.

The Trustee may become the owner of the Bonds with the same rights it would have if it were not the Trustee.

The Trustee may at any time resign from the trusts created by the Indenture by giving 60 days prior written notice to the Issuer, the Borrower, the Remarketing Agent and to each registered owner of the Bonds then outstanding; provided that no such resignation will take effect until a successor has been appointed and has accepted such appointment as provided in the Indenture or an order of a court of competent jurisdiction allows the Trustee to resign.

Satisfaction and Discharge of the Indenture

The lien of the Indenture will be discharged if the Issuer pays or causes to be paid and discharged all the outstanding Bonds, or there are otherwise paid to the Holders of the outstanding Bonds all the Bond Service Charges due or to become due thereon, and provisions are also made for paying all other amounts payable under the Indenture by the Issuer, or under the Loan Agreement, the Regulatory Agreement and the Note.

All or any part of the outstanding Bonds will be deemed to have been paid and discharged within the meaning of the Indenture if the Trustee has received in trust and irrevocably committed for such payment, (a) sufficient money, or (b) noncallable Government Obligations certified by an independent public accounting firm of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest as will be sufficient, together with money referred to in (a) above, without further investment or reinvestment for the payment of Bond Service Charges on the Bonds to the date of maturity. Any money so held by the Trustee may be invested by the Trustee, but only in noncallable Government Obligations having maturities which, at the option of the holder, will not be later than the time or times at which such money will be required for the aforesaid purposes.

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE LOAN AGREEMENT

The following is a summary of certain provisions of the Loan Agreement. The summary does not purport to be complete or definitive and is qualified in its entirety by reference to the Loan Agreement, copies of which are on file with the Issuer and the Trustee.

Representations and Covenants of the Borrower

In the Loan Agreement, the Borrower makes the following representations and covenants (among others):

(a) It is a limited partnership duly formed and in full force and effect under the laws of the State of Texas, is in good standing and duly qualified to transact business in the State and not in violation of any provision of any applicable organizational documents, and is authorized to own and operate the Development in the State.

(b) It has full power and authority to execute, deliver and perform the Borrower Documents (as defined in the Indenture) and to enter into and carry out the transactions contemplated by those documents. The execution, delivery and performance of the Borrower Documents do not, and will not, violate any provision of law applicable to the Borrower and do not, and will not, conflict with or result in a default under any agreement or instrument to which the Borrower is a party or by which it is bound. The Borrower Documents have, by proper action, been duly authorized, executed and delivered by the Borrower and all steps necessary have been taken to constitute the Borrower Documents valid and binding obligations of the Borrower.

(c) The provision of financial assistance to be made available to it under the Loan Agreement and the commitments therefor made by the Issuer have induced the Borrower to undertake the transactions contemplated by the Loan Agreement.

(d) It will use or operate the Development in a manner consistent with the Act and in accordance with the Regulatory Agreement for so long as required by the Act and the Code and knows of no reason why the Development will not be so operated. If, in the future, there is a cessation of that operation, it will use its best efforts to resume that operation or accomplish an alternate use by the Borrower or others approved by the Issuer which will be consistent with the Act, the Code and the Regulatory Agreement.

(e) The Development will be completed in accordance with the Plans and Specifications (as defined in the Indenture) and the portion of the Development funded with the proceeds of the Bonds will constitute a "qualified residential rental project" within the meaning of Section 142(d) of the Code and will be operated and maintained in such manner as to conform in all material respects with all applicable zoning, planning, building, environmental and other applicable governmental regulations and as to be consistent with the Act.

(f) The Development will be located entirely within the jurisdiction of the Issuer.

(g) The proceeds of the Bonds will be used or deemed used exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the regulations under the Code) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code, and (ii) are made exclusively with respect to a "qualified residential rental project" within the meaning of Section 142(d) of the Code and that for the greatest number of buildings the proceeds of the Bonds will be deemed allocated on a pro rata basis to each building in the Development and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, such representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Trustee nor the Issuer will have any obligation to enforce this covenant nor will

they incur any liability to any person, including, without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the Holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with such representation, covenant and warranty will not constitute a default or Event of Default under the Loan Agreement or the Indenture.

The Borrower acknowledges that the representations and covenants in the Loan Agreement made by the Borrower have been expressly and specifically relied upon by the Issuer in determining to make the Loan to the Borrower, and the Loan would not have been made but for such representations and covenants.

General Terms of the Financing

To provide funds to make the Loan, the Issuer will issue, sell and deliver the Bonds to the Underwriter. The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest and will mature as set forth therein. Under the Loan Agreement, the Borrower approves the terms and conditions of the Indenture and the Bonds, and the terms and conditions under which the Bonds will be issued, sold and delivered.

Disbursements from the Project Fund

Subject to the provisions below and so long as no Event of Default under the Loan Agreement has occurred and is continuing for which the principal amount of the Bonds has been declared to be immediately due and payable pursuant to the Loan Agreement and the Indenture and no determination of taxability has occurred, disbursements from the Project Fund to pay Development costs will be made only upon the receipt by the Trustee of (a) a written disbursement request and (b) Collateral Payments in the amount of such disbursement request for deposit in the Collateral Fund as provided in the Loan Agreement.

Notwithstanding any provision of the Loan Agreement or the Indenture to the contrary, the Trustee is not to disburse funds from the Project Fund unless and until the Trustee confirms that amounts on deposit in the Collateral Fund plus amounts on deposit in the Project Fund, less the amount of the requested disbursement from the Project Fund, are at least equal to the then-outstanding principal amount of the Bonds.

Any money in the Project Fund remaining after the completion of the Development and payment in full of the costs of the Development shall be promptly paid into the Bond Fund and used to redeem Bonds on the earliest date on which such Bonds are subject to optional redemption.

Assignment of Agreement and Revenues

To secure the payment of Bond Service Charges, the Issuer will assign to the Trustee, by the Indenture, its rights under and interest in the Loan Agreement (except for the Reserved Rights) and the Note. In the Loan Agreement, the Borrower agrees and consents to those assignments. The Issuer has agreed in the Loan Agreement that it will not attempt to further assign, transfer or convey its interest in the Revenues or the Loan Agreement or create any pledge or lien of any form or nature with respect to the Revenues, Loan Payments or the Collateral Payments under the Loan Agreement.

Events of Default under the Loan Agreement

Each of the following is an “Event of Default” under the Loan Agreement:

(a) The Borrower fails to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable to the extent amounts on deposit in the Bond Fund, including amounts transferred from the Collateral Fund and the Project Fund, are insufficient to pay the Bond Service Charges due on the next Bond Payment Date;

(b) The Borrower fails to observe and perform any other agreement, term or condition contained in the Loan Agreement or any other Financing Document and the continuation of such failure for a period of 30 days after written notice thereof has been given to the Borrower and the Investor Limited Partner by the Issuer or the Trustee, or for such longer period as the Issuer and the Trustee may agree to in writing; provided, that if the failure {CN000936.10}

is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure will not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within 180 days after the aforementioned notice;

(c) The Borrower: (i) admits in writing its inability to pay its debts generally as they become due; (ii) has an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within 90 days; (iii) commences a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or has such a proceeding commenced against it and either has an order of insolvency or reorganization entered against it or has the proceeding remain undismissed and unstayed for 90 days; (iv) makes an assignment for the benefit of creditors; or (v) has a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of 90 days;

(d) Any representation or warranty made by the Borrower in the Loan Agreement or any statement in any report, certificate, financial statement or other instrument furnished in connection with the Loan Agreement or with the purchase of the Bonds at any time proves to have been false or misleading in any adverse material respect when made or given; and

(e) There occurs an “Event of Default” (as defined in the Indenture) by the Borrower or an event of default beyond applicable notice and cure periods under the Regulatory Agreement.

Borrower Not to Adversely Affect Tax-Exempt Status of Interest on the Bonds

The Borrower covenants in the Loan Agreement that it will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the Federal Tax Status of the Bonds.

Amendments, Changes and Modifications

Amendments Without Consent of Bondholders. Without the consent of or notice to the Holders, the Issuer, the Borrower, Investor Limited Partner and the Trustee may consent to any amendment, change or modification of the Loan Agreement, the Note, the Regulatory Agreement, or the Bond Mortgage, as may be required (a) by the provisions of the Note, the Loan Agreement, the Regulatory Agreement, or the Bond Mortgage, (b) for the purpose of curing any ambiguity, inconsistency or formal defect or omission in the Loan Agreement, the Note, the Regulatory Agreement, or the Bond Mortgage, (c) in connection with an amendment or to effect any purpose for which there could be an amendment of the Indenture without consent of Holders, or (d) in connection with any other change therein which is not to the prejudice of the Trustee or the Holders.

Amendments Requiring Consent of Bondholders. Except as set forth in the paragraph above, neither the Issuer nor the Trustee shall consent to:

(a) any amendment, change or modification of the Loan Agreement, the Note, or the Bond Mortgage which would change the amount or time as of which Loan Payments and Collateral Payments are required to be paid, without the giving of notice of the proposed amendment, change or modification and receipt of the written consent thereto of the Holders of all of the outstanding Bonds affected by such amendment, change or modification, or

(b) any other amendment, change or modification of the Loan Agreement, the Note, the Regulatory Agreement, or the Bond Mortgage without the giving of notice of the proposed amendment, change or modification and receipt of the written consent thereto of the Holders of not less than a majority in aggregate principal amount of the Bonds then outstanding affected by such amendment, change or modification.

If the Issuer or the Borrower requests at any time the consent of the Trustee to any proposed amendment, change or modification of the Loan Agreement, the Note, the Regulatory Agreement, or the Bond Mortgage described in (a) or (b) above, upon being indemnified satisfactorily with respect to expenses, the Trustee is to cause notice of the proposed amendment, change or modification to be provided in the manner which is required with respect to notice of Supplemental Indentures. The notice will set forth briefly the nature of the proposed

{CN000936.10}

amendment, change or modification and will state that copies of the instrument or document embodying it are on file at the designated office of the Trustee for inspection by all Holders.

Before the Issuer and the Trustee consent to any amendment, change or modification of any of the Loan Agreement, the Note, the Regulatory Agreement, or the Bond Mortgage, there is to be delivered to the Trustee an opinion of bond counsel to the effect that such amendment, change or modification will not adversely affect the Federal Tax Status of the Bonds.

APPENDIX D

SUMMARY OF CERTAIN PROVISIONS OF THE REGULATORY AGREEMENT

The following is a summary, which does not purport to be complete, of certain of the terms and provisions of the Regulatory Agreement; however, it is not a comprehensive description, and reference is made to the full text of the Regulatory Agreement for a complete recital of its terms.

Tax-Exempt Status of the Bonds

The Borrower will not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the excludability of interest on the Bonds from gross income, as defined in Section 61 of the Code, for federal income tax purposes (subject to the inclusion of any exceptions contained in the opinion delivered upon the original issuance of the Bonds). With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that prior to the final maturity of the Bonds, unless it has received and filed with the Issuer and Trustee an opinion of Bond Counsel to the effect that failure to comply with any such covenant or agreement, in whole or in part, will not adversely affect the exclusion from gross income for federal income tax purposes of interest paid or payable on the Bonds (other than interest on any Bond for a period during which such Bond is held by a “substantial user” of any facility financed with the proceeds of the Bonds or a “related person,” as such terms are used in Section 147(a) of the Code and except as a result of any minimum tax, preference tax or other similar tax):

(a) that the Development will be owned, managed and operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the Qualified Project Period, to the end that the interest on the Bonds will be excluded from gross income for federal income tax purposes. In particular, the Borrower has covenanted and agreed, among other things, at all times during the Qualified Project Period, as follows:

(i) that the Development will qualify as residential rental property and will be owned, managed and operated at all times during the Qualified Project Period as a “qualified residential rental project” comprised of residential Units and facilities functionally related and subordinate thereto, in accordance with Section 142(d) of the Code;

(ii) that the Development will consist of one building or structure or several proximate and interrelated buildings or structures, each of which will be a discrete edifice or other man-made construction consisting of an independent foundation, outer walls and a roof, and all of which (A) will be located on a single tract of land or two or more parcels of land that are contiguous (i.e., their boundaries meet at one or more points) except for the interposition of a road, street, stream or similar property, (B) are owned by the same person for federal income tax purposes, and (C) were financed pursuant to a common plan;

(iii) that substantially all of the Development will consist of similarly constructed dwelling units together with functionally related and subordinate facilities for use by Development tenants, such as swimming pools, other recreational facilities, parking areas, heating and cooling equipment, trash disposal equipment, units for resident managers, security personnel or maintenance personnel that are reasonably required for the Development and other facilities that are reasonably required for the Development;

(iv) that each Unit in the Development will contain complete facilities for living, sleeping, eating, cooking and sanitation, e.g., a living area, a sleeping area, bathing and sanitation facilities, and cooking facilities equipped with a cooking range, refrigerator and sink, all of which will be separate and distinct from other Units; provided that a Unit will not fail to meet these requirements merely because it is a single-room occupancy unit (within the meaning of Section 42 of the Code);

(v) that each Unit in the Development will be rented or available for rental on a continuous basis to Eligible Tenants (subject to the limitations contained in the Regulatory Agreement and the Financing Agreement) at all times during the Qualified Project Period (unless occupied by or reserved for a resident manager, security personnel or maintenance personnel pursuant to (iii) above), that the Borrower

will not give preference in renting Units to any particular class or group of persons, other than Low-Income Tenants, Persons with Special Needs and other Eligible Tenants as provided in the Regulatory Agreement, and that at no time will any portion of the Development be exclusively reserved for use by a limited number of nonexempt persons in their trades or businesses;

(vi) that at no time during the Qualified Project Period will any Unit in any building or structure in the Development which contains fewer than five units be occupied by the Borrower;

(vii) that at no time during the Qualified Project Period will any of the Units be utilized on a transient basis by being leased or rented for a period of less than thirty days or by being used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, hospital, sanitarium, nursing home, rest home, trailer park or trailer court; and

(viii) that the land and the facilities will be functionally related and subordinate to the dwelling units comprising the Development and will be of a size and character that is commensurate with the size and number of such Units.

(b) The Borrower has represented, covenanted and agreed, continuously during the Qualified Project Period, that

(i) at least 40% of the Units (except for Units occupied or reserved for a resident manager or security or maintenance personnel that are functionally related and subordinate to the Development and are reasonably required for the Development) (the "Set Aside") within the Development that are available for occupancy will be occupied or held vacant and available for occupancy at all times by Low-Income Tenants. A vacant Unit that was most recently occupied by a Low-Income Tenant is treated as rented and occupied by a Low-Income Tenant until reoccupied, at which time the character of such Unit will be redetermined; and

(ii) the Borrower will obtain income certifications from each Low-Income Tenant and maintain complete and accurate records pertaining to Low-Income Tenants and file and maintain all documents, reports and records required by Section 142(d) of the Code and the Regulatory Agreement, including tenant income certifications.

Housing Development During the State Restrictive Period

The Issuer and the Borrower have recognized and declared their understanding and intent that the Development is to be owned, managed and operated as a "housing development," as such term is defined in Section 2306.004(13) of the Act, and in compliance with applicable restrictions and limitations as provided in the Act and the rules of the Issuer, until the expiration of the State Restrictive Period.

To the same end, the Borrower has represented, covenanted and agreed, among other things, as follows during the State Restrictive Period:

(a) except for Units occupied or reserved for a resident manager and maintenance and security personnel that are reasonably required for the Development, to assure that 100% of the Units are reserved for Eligible Tenants;

(b) to comply with the provisions of Section 2306.269 of the Texas Government Code regarding tenant and manager selection;

(c) to maintain the property in compliance with HUD's Uniform Physical Condition Standards and provide regular maintenance to keep the Development sanitary, decent and safe and to comply with the requirements of Section 2306.186 of the Texas Government Code;

(d) to renew any available rental subsidies which are sufficient to maintain the economic viability of the Development, pursuant to Section 2306.185(c) of the Texas Government Code; and

{CN000936.10}

(e) the Borrower will provide social services chosen from the tenant supportive services listed in an exhibit to the Regulatory Agreement.

Repairs and Maintenance Required by State Law

The Borrower will maintain the Replacement Reserve created by the HUD Regulatory Agreement (as such term is defined in the Regulatory Agreement) or a similar account for the longer of: (a) the period of time required pursuant to the HUD Regulatory Agreement, or (b) the State Reserve Period (as such term is defined in the Regulatory Agreement) as required by Section 2306.186 of the Texas Government Code.

Persons With Special Needs

The Borrower had represented covenanted and warranted that (a) at least 5 percent of the Units within the Development will be made available for occupancy by Persons with Special Needs.

Sale or Transfer of the Development or Change in General Partner

The Borrower has covenanted and agreed not to sell, transfer or otherwise dispose of the Development, prior to the expiration of the Qualified Project Period (other than pursuant to the lease of Units to Eligible Tenants), without (a) complying with any applicable provisions of the Regulatory Agreement, Loan Agreement, the Borrower Tax Certificate (as such term is defined in the Regulatory Agreement) and the other Loan Documents and (b) obtaining the prior written consent of the Issuer. Such consent of the Issuer will not be unreasonably withheld and will be given if certain conditions to the sale or other disposition set forth in the Regulatory Agreement are met or waived in writing by the Issuer. Except as provided in the Regulatory Agreement, the Borrower may not change its general partner by transfer, sale or otherwise without the prior written consent of the Issuer. Notwithstanding the foregoing, the requirements set forth above will not apply to any transfer of limited partnership interests in the Borrower.

Term

The Regulatory Agreement and all and each of the provisions thereof will become effective upon its execution and delivery, will remain in full force and effect for the periods provided in the Regulatory Agreement and, except as otherwise provided in this section, will terminate in its entirety at the end of the State Restrictive Period, it being expressly agreed and understood that the provisions of the Regulatory Agreement are intended to survive the retirement of the Bonds, discharge of the Loan, termination of the Loan Agreement and defeasance or termination of the Indenture; provided, however, that the provisions related to the Qualified Project Period that are not incorporated into the State Restrictive Period will terminate in their entirety at the end of the Qualified Project Period.

The terms of the Regulatory Agreement to the contrary notwithstanding, the requirements set forth in the Regulatory Agreement will terminate, without the requirement of any consent by the Issuer or the Trustee, and be of no further force and effect in the event of involuntary noncompliance with the provisions of the Regulatory Agreement caused by fire, seizure, requisition, change in a federal or Texas law or an action of a federal agency after the Closing Date which prevents the Issuer or the Trustee from enforcing the provisions of the Regulatory Agreement, or foreclosure or transfer of title by deed in lieu of foreclosure or other similar involuntary transfer, condemnation or a similar event, but only if, within a reasonable period thereafter, either the Bonds are retired in full or amounts received as a consequence of such event are used to provide a qualified residential rental project which meets the requirements of the Code and Texas law, including, but not limited to, the provisions set forth in the Regulatory Agreement. The provisions of the preceding sentence will cease to apply and the requirements referred to therein will be reinstated if, at any time during the Qualified Project Period, after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any Related Person obtains an ownership interest in the Development for federal income tax purposes or for the purposes of Texas law.

Default; Enforcement by the Trustee and the Issuer

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower, as applicable, set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after written notice thereof will have been given by the Issuer or the Trustee to the Borrower and the Investor Limited Partner, then the Trustee, acting on behalf of the Issuer, will declare an “Event of Default” to have occurred under the Regulatory Agreement; provided, however, that, if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default will not constitute an Event of Default under the Regulatory Agreement and will not be declared an Event of Default so long as (a) the Borrower or Investor Limited Partner institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (b) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Following the declaration of an Event of Default under the Regulatory Agreement, the Trustee or the Issuer, may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants under the Regulatory Agreement or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee under the Regulatory Agreement;
- (b) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Development during regular business hours following reasonable notice; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower under the Regulatory Agreement.

All rights and remedies in the Regulatory Agreement given or granted are cumulative, nonexclusive and in addition to any and all rights and remedies that the parties may have or may be given by reason of any law, statute, ordinance, document or otherwise. Notwithstanding the availability of the remedy of specific performance provided for in this Section, promptly upon determining that a violation of the Regulatory Agreement has occurred, the Issuer will, to the extent that it has actual knowledge thereof, by notice in writing, use its reasonable efforts to inform the Trustee and the Borrower (provided that the failure to notify will not adversely affect the Issuer’s or the Trustee’s rights under the Regulatory Agreement) that a violation of the Regulatory Agreement has occurred.

Enforcement of Certain Provisions by Tenants and Other Private Parties

Following the declaration of an Event of Default under the Regulatory Agreement with respect to the provisions under subsections (b) and (c) of “Housing Development During the State Restrictive Period” above only, a tenant of the Development or any private party may, at its option by mandamus or other suit, including injunctive relief, require the Borrower to perform its obligations and covenants under the provisions under subsections (b) and (c) of “Housing Development During the State Restrictive Period.”

If the Issuer, a tenant of the Development, or any private party brings an action to enforce the obligations and covenants of the Borrower under the provisions under subsections (b) and (c) of “Housing Development During the State Restrictive Period,” such party will have the right to recover reasonable attorney’s fees directly from the Borrower, without recourse to the Development, if such party is successful in an action seeking enforcement of such obligations and covenants of the Borrower under the Regulatory Agreement. This is the only monetary relief a tenant of the Development or other private parties may receive under the Regulatory Agreement and any such recovery is subject to the provisions set forth under “Default; Enforcement by the Trustee and the Issuer” above.

Amendments

Subject to the provisions of the Regulatory Agreement, the Regulatory Agreement will be amended only by a written instrument executed by the parties thereto or their successors in title, and duly recorded in the real property records of Howard County, Texas, and only upon receipt by the Issuer of a Favorable Opinion of Bond Counsel and is not contrary to the provisions of the Act.

The fact that the Dissemination Agent or any affiliate thereof may have any fiduciary or banking relationship with the Borrower, apart from the relationship created by the Indenture or the Loan Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event or condition, including, but not limited to, the occurrence of an Extension, except as may be provided by written notice from the Borrower. The services provided under this Agreement solely relate to the execution of instructions received from the Borrower and do not constitute "advice" within the meaning of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Act"). Section 2. Disclosure of Information.

(A) General Provisions. This Agreement governs the Borrower's direction to the Dissemination Agent with respect to information to be made public. In its actions under this Agreement, the Dissemination Agent is acting not as Trustee but as the Borrower's agent; provided that the Dissemination Agent shall be entitled to the same protection in so acting under this Agreement as it has in acting as Trustee under the Indenture as fully as if the applicable provisions of the Indenture and the Loan Agreement were set forth herein. The Borrower and the Dissemination Agent acknowledge that the Issuer has undertaken no responsibility with respect to any reports, notices or disclosures provided or required under this Agreement, and has no liability to any Person, including any Bondholder, with respect to any such reports, notices or disclosures.

(B) Information Provided to the Public. Except to the extent this Agreement is modified or otherwise altered in accordance with Section 3 hereof, the Borrower shall make or cause to be made public the information set forth in subsections (1), (2) and (3) below:

(1) Annual Financial Information and Operating Data. Annual Financial Information and Operating Data at least annually not later than 180 days after the end of each fiscal year of the Borrower beginning with the fiscal year ending December 31, 2014, and continuing with each fiscal year thereafter for which the information is provided, taking into account the Turn Around Period.

(C) Information Provided by Dissemination Agent to Public.

(1) The Borrower directs the Dissemination Agent on its behalf to make public in accordance with subsection (D) of this Section 2 and within the time frame set forth in clause (3) below, and the Dissemination Agent agrees to act as the Borrower's agent in so making public, the following:

(a) the Annual Financial Information and Operating Data received from the Borrower;

(b) Event occurrences of which the Dissemination Agent receives notice from the Borrower;

(c) the notices of failure to provide information which the Borrower has agreed to make public pursuant to subsection (B)(3) of this Section 2 to the extent of the Dissemination Agent's actual knowledge thereof;

(d) such other information as the Borrower shall determine to make public through the Dissemination Agent at the Borrower's additional expense and shall provide to the Dissemination Agent in the form required by subsection (C)(2) of this Section 2. If the Borrower chooses to include any information in any Annual Financial Information report or in any notice of occurrence of an Event, in addition to that which is specifically required by this Agreement, the Borrower shall have no obligation under this Agreement to update such information or include it in any future Annual Financial Information report or notice of occurrence of an Event.

(2) The information which the Borrower has agreed to make public shall be delivered electronically to the Dissemination Agent pursuant to instructions delivered by the Dissemination Agent to the Borrower.

(3) The Dissemination Agent shall make public the Annual Financial Information and the Operating Data received from the Borrower, the Event occurrences and notice of the failure to provide the

Annual Financial Information and Operating Data of which the Dissemination Agent has actual knowledge within the applicable Turn Around Period. Notwithstanding the foregoing, Annual Financial Information, Operating Data and notice of Events shall be made public on the same day as notice thereof is given to the Bondholders of outstanding Bonds, if required in the Indenture, and in any event shall not be made public before the date of such notice. If on any such date, information required to be provided by the Borrower to the Dissemination Agent has not been provided on a timely basis, the Dissemination Agent shall make such information public as soon thereafter as it is provided to the Dissemination Agent.

(D) Means of Making Information Public.

(1) Information shall be deemed to be made public by the Borrower or the Dissemination Agent under this Agreement if it is transmitted as provided in subsection (D)(2) of this Section 2 to the MSRB in an electronic format as prescribed by the MSRB, accompanied by identifying information as prescribed by the MSRB (a description of such format and information as presently prescribed by the MSRB is included in Exhibit A hereto).

(2) Information shall be transmitted to the following:

(a) to the MSRB; and

(b) to the extent the Borrower is obligated to file any Annual Financial Information or Operating Data with the MSRB pursuant to this Agreement, such Annual Financial Information or Operating Data may be set forth in the document or set of documents transmitted to the MSRB, or may be included by specific reference to documents available to the public on the EMMA System or filed with the SEC.

Nothing in this subsection shall be construed to relieve the Dissemination Agent, as Trustee, of its obligation to provide notices to the holders of all Bonds if such notice is required by the Indenture.

With respect to requests for periodic or occurrence information from Bondholders, the Dissemination Agent may require that any such requests be in writing and may require payment by requesting of holders a reasonable charge for duplication and transmission of the information and for the Dissemination Agent's administrative expenses incurred in providing the information.

Nothing in this Agreement shall be construed to require the Dissemination Agent to interpret or provide an opinion concerning the information made public. If the Dissemination Agent receives a request for an interpretation or opinion, the Dissemination Agent may refer such request to the Borrower for response.

(E) Dissemination Agent Compensation. The Borrower shall pay or reimburse the Dissemination Agent for its fees and expenses for the Dissemination Agent's services rendered in accordance with this Agreement as provided in the Loan Agreement and the Indenture.

(F) Indemnification of Dissemination Agent. In addition to any and all rights of the Dissemination Agent or the Issuer to reimbursement, indemnification and other rights pursuant to the Indenture or the Loan Agreement or under law or equity, the Borrower shall indemnify and hold harmless the Dissemination Agent and the Issuer and their respective officers, directors, employees and agents from and against any and all actual claims, damages, losses, liabilities, reasonable costs and expenses whatsoever (including reasonable attorney fees actually incurred) which such indemnified party incurs by reason of or in connection with the Dissemination Agent's performance under this Agreement; provided that the Borrower shall not be required to indemnify the Dissemination Agent for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of the Issuer or the Dissemination Agent or any of their respective officers, directors, employees or agents in such disclosure of information hereunder. The obligations of the Borrower under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 3. Amendment or Waiver.

Notwithstanding any other provision of this Agreement, the Borrower and the Dissemination Agent may amend this Agreement (and the Dissemination Agent shall agree to any reasonable amendment requested by the Borrower) and any provision of this Agreement may be waived, if such amendment or waiver is supported by an opinion of nationally recognized bond counsel or counsel expert in federal securities laws acceptable to both the Borrower and the Dissemination Agent to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule as well as any change in circumstance.

Section 4. Miscellaneous.

(A) **Representations.** Each of the parties hereto represents and warrants to each other party that it has (i) duly authorized the execution and delivery of this Agreement by the officer of such party whose signature appears on the execution pages hereto, (ii) that it has all requisite power and authority to execute, deliver and perform this Agreement under its organizational documents and any corporate resolutions now in effect, (iii) that the execution and delivery of this Agreement, and performance of the terms hereof, does not and will not violate any law, regulation, ruling, decision, order, indenture, decree, agreement or instrument by which such party is bound, and (iv) such party is not aware of any litigation or proceeding pending, or, to the best of such party's knowledge, threatened, contesting or questioning its existence, or its power and authority to enter into this Agreement, or its due authorization, execution and delivery of this Agreement, or otherwise contesting or questioning the issuance of the Bonds.

(C) **Severability.** If any provision hereof shall be held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions hereof shall survive and continue in full force and effect.

(D) **Counterparts.** This Agreement may be executed in one or more counterparts, each and all of which shall constitute one and the same instrument.

(E) **Termination.** This Agreement may be terminated by any party to this Agreement upon thirty days' written notice of termination delivered to the other party or parties to this Agreement; provided the termination of this Agreement is not effective until (i) the Borrower, or its successor, enters into a new continuing disclosure agreement with a dissemination agent who agrees to continue to provide, to the MSRB and the Bondholders of the Bonds, all information required to be communicated pursuant to the rules promulgated by the SEC or the MSRB, (ii) nationally recognized bond counsel or counsel expert in federal securities law provides an opinion that the new continuing disclosure agreement is in compliance with all State and Federal Securities laws, (iii) notice of the termination of this Agreement is provided to the MSRB and (iv) the Borrower shall have paid to the Dissemination Agent its fees due hereunder to and including the effective date of such termination of this Agreement.

This Agreement shall terminate when all of the Bonds are or are deemed to be no longer outstanding by reason of redemption or legal defeasance or at maturity and the Borrower shall have paid to the Dissemination Agent its fees due hereunder to and including the effective date of such termination of this Agreement.

(F) **Defaults: Remedies.** A party shall be in default of its obligations hereunder if it fails to carry out or perform its obligations hereunder.

Agreement; provided, however, the sole remedy available in any proceeding to enforce this Agreement shall be an action in mandamus, for specific performance or similar remedy to compel performance.

The occurrence of any event of default as provided in this Agreement shall not constitute an event of default under the Indenture or the Loan Agreement.

(G) Beneficiaries. This Agreement is entered into by the parties hereof and shall inure solely to the benefit of the Issuer, the Borrower, the Trustee, the Dissemination Agent, the Participating Underwriter and Bondholders, and shall create no rights in any other Person.

MSRB Procedures for Submission of Continuing Disclosure Documents and Related Information

Securities and Exchange Commission Release No. 34-59061 (the "Release") approves an MSRB rule change establishing a continuing disclosure service of the MSRB's Electronic Municipal Market Access system ("EMMA"). The rule change establishes, as a component of EMMA, the continuing disclosure service for the receipt of, and for making available to the public, continuing disclosure documents and related information to be submitted by issuers, obligated persons and their agents pursuant to continuing disclosure undertakings entered into consistent with Rule 15c2-12 ("Rule 15c2-12") under the Securities Exchange Act of 1934. The following discussion summarizes procedures for filing continuing disclosure documents and related information with the MSRB as described in the Release.

All continuing disclosure documents and related information are to be submitted to the MSRB, free of charge, through an Internet-based electronic submitter interface or electronic computer-to-computer data connection, at the election of the submitter. The submitter is to provide, at the time of submission, information necessary to accurately identify: (i) the category of information being provided; (ii) the period covered by any annual financial information, financial statements or other financial information or operating data; (iii) the issues or specific securities to which such document is related or otherwise material (including CUSIP number, issuer name, state, issue description/securities name, dated date, maturity date, and/or coupon rate); (iv) the name of any obligated person other than the issuer; (v) the name and date of the document; and (vi) contact information for the submitter.

Submissions to the MSRB are to be made as portable document format (PDF) files configured to permit documents to be saved, viewed, printed and retransmitted by electronic means. If the submitted file is a reproduction of the original document, the submitted file must maintain the graphical and textual integrity of the original document. In addition, such PDF files must be word-searchable (that is, allowing the user to search for specific terms used within the document through a search or find function), provided that diagrams, images and other non-textual elements will not be required to be word-searchable.

All submissions to the MSRB's continuing disclosure service are to be made through password protected accounts on EMMA by (i) issuers, which may submit any documents with respect to their municipal securities; (ii) obligated persons, which may submit any documents with respect to any municipal securities for which they are obligated; and (iii) agents, designated by issuers and obligated persons to submit documents and information on their behalf. Such designated agents are required to register to obtain password-protected accounts on EMMA in order to make submissions on behalf of the designating issuers or obligated persons. Any party identified in a continuing disclosure undertaking as a dissemination agent or other party responsible for disseminating continuing disclosure documents on behalf of an issuer or obligated person will be permitted to act as a designated agent for such issuer or obligated person, without a designation being made by the issuer or obligated person as described above, if such party certifies through the EMMA on-line account management utility that it is authorized to disseminate continuing disclosure documents on behalf of the issuer or obligated person under the continuing disclosure undertaking. The issuer or obligated person, through the EMMA on-line account management utility, is able to revoke the authority of such party to act as a designated agent.

The MSRB's Internet-based electronic submitter interface (EMMA Dataport) is at www.emma.msrb.org.

FORMS OF BOND COUNSEL OPINIONS

The forms of the approving legal opinions of Bracewell & Giuliani, LLP and Bates & Coleman, P.C. co-bond counsel, are set forth below. The actual opinions will be delivered on the date of delivery of the bonds referred to therein and may vary from the form set forth below to reflect circumstances both factual and legal at the time of such delivery.

[Letterhead of Bracewell & Giuliani]

June ____, 2014

Texas Department of Housing and
Community Affairs
Austin, Texas

Wilmington Trust, National Association,
as Trustee
Dallas, Texas

Merchant Capital, L.L.C.
Montgomery, Alabama

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the “Issuer”) in connection with the issuance by the Issuer of its \$2,700,000 Multifamily Housing Revenue Bonds (Pine Haven Apartments), Series 2014 (the “Bonds”) pursuant to a resolution adopted by the Governing Board of the Issuer on May 8, 2014 (the “Bond Resolution”) and a Trust Indenture dated as of June 1, 2014 (the “Indenture”), by and between the Issuer and Wilmington Trust, National Association, as trustee (the “Trustee”). The Bonds bear interest, mature on the date, and are subject to mandatory and optional redemption prior to maturity as provided in the Indenture. Capitalized terms used herein and not otherwise defined are used with the meanings assigned to such terms in the Indenture, in the Loan Agreement dated as of June 1, 2014 (the “Loan Agreement”) among the Issuer and DHI PH Housing, LP, a Texas limited partnership (the “Borrower”), or in the Regulatory and Land Use Restriction Agreement dated as of June 1, 2014 (the “Regulatory Agreement”), among the Issuer, the Trustee, and the Borrower.

The Bonds are being issued for the purpose of obtaining funds to make a mortgage loan (the “Bond Mortgage Loan”) to the Borrower to finance the acquisition, construction and equipping of a multifamily residential rental development located within Harrison County, Texas (the “Development”), to be occupied by individuals and families of low, very low and extremely low income and families of moderate income, as determined by the Issuer, and persons with special needs, all as required by the Act, and to be occupied at least partially (at least forty percent of the Units) by Low-Income Tenants.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents (collectively, “documents”) submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the Indenture by the parties thereto, and the validity and binding effect of the Indenture on such parties; (iii) that all documents submitted to us as originals are accurate and complete; (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted to us and on which we have relied was accurate and complete.

The scope of our representation extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Bonds and the security therefor and with respect to the exclusion from gross income for federal income tax purposes of interest on the Bonds. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds and we express no opinion relating thereto (excepting only the matters set forth as our {CN000936.10})

supplemental opinion of Bond Counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Issuer or the Borrower, or the disclosure thereof. We have participated in the preparation of and have examined a transcript of certain materials pertaining to the Bonds, including certain certified proceedings of the Issuer, the State of Texas, the Trustee and the Borrower, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Issuer, the State of Texas, the Trustee, the Borrower and others. We have also examined such applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), court decisions, Treasury Regulations and published rulings of the Internal Revenue Service (the "Service") as we have deemed relevant. We have also examined the fully-executed Bond numbered R-1.

Based on said examination, and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that, under existing law:

1. The Issuer has duly authorized the issuance, execution and delivery of the Bonds. The Bonds constitute legal, valid and binding special limited obligations of the Issuer and are entitled to the benefit and security of the Indenture.

2. Interest on the Bonds is excludable from gross income for federal income tax purposes, except with respect to the interest on any Bond for any period during which such Bond is held by a "substantial user" of the Development or a "related person" of such a "substantial user," as those terms are defined for purposes of Section 147(a) of the Code.

3. Interest on the Bonds is not an item of tax preference includable in alternative minimum taxable income for purposes of calculating the alternative minimum tax on individuals and corporations.

In providing the opinions set forth in paragraphs 2 and 3 above, we have relied on, and assumed the accuracy and completeness of, representations made as of the date hereof by, among others, the Issuer, the Borrower and Merchant Capital, L.L.C., as underwriter, with respect to matters solely within the respective knowledge of such parties, which matters we have not independently verified. Furthermore, in providing the opinions set forth in paragraphs 2 and 3 above, we have also assumed that there will be continuing compliance with the procedures, safeguards and covenants in the Indenture, the Loan Agreement, the Regulatory Agreement and the Tax Certificate pertaining to those sections of the Code that affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer or the Borrower fails to comply with the foregoing procedures, safeguards and covenants, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Certain actions may be taken or omitted subject to the terms and conditions set forth in the Indenture and related documents, upon the advice or with an approving opinion of Bond Counsel. We hereby express no opinion with respect to our ability to render an opinion that such actions, if taken or omitted, will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on, or disposition of, the Bonds.

We express no opinion as to the priority or perfection of the security interest granted by the Issuer in the Trust Estate.

The enforceability of certain provisions of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Bonds may be limited by general principles of equity that permit the exercise of judicial discretion.

Prospective purchasers should be aware that the United States Department of Housing and Urban Development ("HUD") has required the inclusion of a rider to the Regulatory Agreement (the "HUD Rider") providing that the provisions of the Regulatory Agreement are subordinate to the Mortgage Loan Documents and the Program Obligations (as defined in the HUD Rider). The HUD Rider also provides that the Regulatory Agreement will terminate in the event of foreclosure of the development. We express no opinion as to whether any of the

covenants and requirements set forth in the Regulatory Agreement conflict with the Mortgage Loan Documents and the Program Obligations. Furthermore, we express no opinion as to the initial and continuing exclusion of interest on the Bonds from gross income for federal income tax purposes in the event that (i) the provisions of the HUD Rider preclude compliance with any of the covenants or requirements of the Regulatory Agreement or (ii) the Regulatory Agreement terminates as a result of a foreclosure of the Development.

Owners of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit and individuals otherwise qualifying for the earned income credit. In addition, certain foreign corporations doing business in the United States may be subject to the "branch profits" tax on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Bonds.

The opinions set forth above speak only as of their date and only in connection with the Bonds and may not be applied to any other transaction. Such opinions are specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the Issuer as the taxpayer. We observe that the Issuer and the Borrower have each covenanted in the Indenture and the Loan Agreement not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

Very truly yours,

Ladies and Gentlemen:

We have represented the Texas Department of Housing and Community Affairs (the "Issuer") in connection with the issuance by the Issuer of its \$2,700,000 Multifamily Housing Revenue Bonds (Pine Haven Apartments), Series 2014 (the "Bonds") pursuant to a resolution adopted by the Governing Board of the Issuer on May 8, 2014 (the "Bond Resolution") and a Trust Indenture dated as of June 1, 2014 (the "Indenture"), by and between the Issuer and Wilmington Trust, National Association, as trustee (the "Trustee"). The Bonds bear interest, mature on the date, and are subject to mandatory and optional redemption prior to maturity as provided in the Indenture. Capitalized terms used herein and not otherwise defined are used with the meanings assigned to such terms in the Indenture, in the Loan Agreement dated as of June 1, 2014 (the "Loan Agreement") among the Issuer and DHI PH Housing, LP, a Texas limited partnership (the "Borrower"), or in the Regulatory and Land Use Restriction Agreement dated as of June 1, 2014 (the "Regulatory Agreement"), among the Issuer, the Trustee, and the Borrower.

The Bonds are being issued for the purpose of obtaining funds to make a mortgage loan (the "Bond Mortgage Loan") to the Borrower to finance the acquisition, construction and equipping of a multifamily residential rental development located within Harrison County, Texas (the "Development"), to be occupied by individuals and families of low, very low and extremely low income and families of moderate income, as determined by the Issuer, and persons with special needs, all as required by the Act, and to be occupied at least partially (at least forty percent of the Units) by Low-Income Tenants.

We have assumed with your permission and without independent verification (i) the genuineness of certificates, records and other documents (collectively, "documents") submitted to us and the accuracy and completeness of the statements contained therein; (ii) the due authorization, execution and delivery of the Indenture by the parties thereto, and the validity and binding effect of the Indenture on such parties; (iii) that all documents submitted to us as originals are accurate and complete; (iv) that all documents submitted to us as copies are true and correct copies of the originals thereof; and (v) that all information submitted to us and on which we have relied was accurate and complete.

The scope of our representation extends solely to an examination of the facts and law incident to rendering an opinion with respect to the legality and validity of the Bonds and the security therefor. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds and we express no opinion relating thereto (excepting only the matters set forth as our supplemental opinion of Bond Counsel of even date herewith). We have not assumed any responsibility with respect to the financial condition or capability of the Issuer or the Borrower, or the disclosure thereof. We have participated in the preparation of and have examined a transcript of certain materials pertaining to the Bonds, including certain certified proceedings of the Issuer, the State of Texas, the Trustee and the Borrower, and customary certificates, opinions, affidavits and other documents executed by officers, agents and representatives of the Issuer, the State of Texas, the Trustee, the Borrower and others. We have also examined the fully-executed Bond numbered R-1.

Based on said examination, and subject to the assumptions, qualifications and limitations set forth herein, it is our opinion that, under existing law, the Issuer has duly authorized the issuance, execution and delivery of the Bonds. The Bonds constitute legal, valid and binding special limited obligations of the Issuer and are entitled to the benefit and security of the Indenture.

We express no opinion as to the priority or perfection of the security interest granted by the Issuer in the Trust Estate.

The enforceability of certain provisions of the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors. Furthermore, availability of equitable remedies under the Bonds may be limited by general principles of equity that permit the exercise of judicial discretion.

The opinions set forth above speak only as of their date and only in connection with the Bonds and may not be applied to any other transaction. Such opinions are specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement these opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective.

Very truly yours,
