The prohibition must be prospective and may not apply to a mobile home previously legally permitted by and used as a dwelling in the municipality. If a mobile home is replaced by a HUD-code manufactured home in the municipality, the municipality shall grant a permit for use of the manufactured home as a dwelling in the municipality.
- (b) On application, the municipality shall permit the installation of a HUD-code manufactured home for use as a dwelling in any area determined appropriate by the municipality, including a subdivision, planned unit development, single lot, and rental community or park. An application to install a new HUD-code manufactured home for use as a dwelling is considered to be granted unless the municipality in writing denies the application and states the reason for the denial not later than the 45th day after the date the application is received.
- (c) Subsections (a) and (b) do not affect the validity of an otherwise valid deed restriction.
- (d) Except as approved by the department, a local governmental unit may not require a permit, a fee, a bond, or insurance for the transportation and installation of manufactured housing by a licensed retailer or installer. This subsection does not

prohibit the collection of actual costs incurred by a local governmental unit that result from the transportation of a manufactured home.

- (e) Notwithstanding any zoning or other law, in the event that a manufactured home occupies a lot in a municipality, the owner of the manufactured home may remove the manufactured home from its location and place another manufactured home on the same property that the replacement is a newer manufactured home and is at least as large in living space as the prior manufactured home.
- (f) An owner's ability to replace the home as a result of a fire or natural disaster cannot be restricted. Other than in the case of a fire or natural disaster, a general rule or home-rule municipality by an ordinance or chapter may limit the ability of the owner to replace his home to a single replacement.

- (b) If a surety files for liquidation or reorganization in bankruptcy or is placed in receivership, the license holder shall obtain other security not later than the 60th day after the date that notice of the filing or receivership is received.

Sec. 1201.111. Exceptions to Security and Instruction Requirements.

- (a) Notwithstanding any other provision of this chapter, a state or national bank, state or federal savings and loan association, federal savings bank, or state or federal credit union engaged in the business of selling or exchanging, or offering for sale or exchange, manufactured homes that the institution has acquired through repossession of collateral is not required to attend a course of instruction or file a bond or other security to be licensed as a retailer.

- (b) A licensed retailer is not required to file a bond or other security to be licensed as a broker or installer.

 - (3) the application for a statement of ownership; and
 - (4) the issuance of an initial or revised statement of ownership.
- (b) The board shall adopt rules for the documenting of the ownership of a manufactured home that has been previously owned in this state or another state. The rules must protect a lienholder recorded with the department.

Sec. 1201.204. Manufacturer's Certificate.

- (a) A manufacturer's certificate must show:
 - (1) on a form prescribed by the director, the original transfer of a manufactured home from the manufacturer to the retailer; and
 - (2) on a form prescribed by the director, each subsequent transfer of a manufactured home between retailers and from retailer to owner, if the transfer from retailer to owner involves a completed application for the issuance of a statement of ownership.
- (b) At the first retail sale of a manufactured home, a manufacturer's certificate automatically converts to a document that does not evidence any ownership interest in the manufactured home described in the document. A security interest in inventory evidenced by a properly recorded inventory finance lien automatically converts to a security interest in proceeds and cash proceeds.
- (c) After the first retail sale of a manufactured home, the retailer must submit the original manufacturer's certificate for that home to the department. If an application for an initial statement of ownership is made without the required manufacturer's certificate and the retailer does not provide it as required, the department shall, on or before the issuance of the requested statement of ownership, send written notice to each party currently reflected on the department's records as having a recorded lien on the inventory of the retailer with respect to that home. Failure to include the original manufacturer's certificate with such an application does not impair a consumer's ability to obtain, on submittal of an otherwise complete application, a statement of ownership free and clear of any liens other than liens created by or consented to by the consumer.

Sec. 1201.205. Statement of Ownership Form.

A statement of ownership must be evidenced by a board-approved form issued by the department setting forth:

- (1) the name and address of the seller and the name and, if it is different from the location of the home, the mailing address of the new owner;
- (2) the manufacturer's name and address and any model designation, if available;
- (3) in accordance with the board's rules:

- (A) the outside dimensions of the manufactured home when installed for occupancy, as measured to the nearest one-half foot at the base of the home, exclusive of the tongue or other towing device; and

 - (6) in chronological order of recordation, the date of each lien, other than a tax lien, on the home and the name and address of each lienholder, or, if a lien is not recorded, a statement of that fact;
 - (7) a statement regarding tax liens as follows:

“On January 1st of each year, a new tax lien comes into existence on a manufactured home in favor of each taxing unit having jurisdiction where the home is actually located on January 1st. In order to be enforced, any such lien must be recorded with the Texas Department of Housing and Community Affairs, Manufactured Housing Division as provided by law. You may check that division’s records through its website or contact that division to learn any recorded tax liens. To find out about the amount of any unpaid tax liabilities, contact the tax office for the county where the home was actually located on January 1st of that year.”
 - (8) a statement that if two or more eligible persons, as determined by Section 1201.213, file with the application for the issuance of a statement of ownership an agreement signed by all the persons providing that the home is to be held jointly with a right of survivorship, the director shall issue the statement of ownership in all the names;
 - (9) the location of the home;
 - (10) a statement of whether the owner has elected to treat the home as real property;
 - (11) statements of whether the home is a salvaged manufactured home and whether the home is reserved for business use only or for another nonresidential use; and
 - (12) any other information the board requires.

Sec. 1201.2055. Election by Owner.

- (a) In completing an application for the issuance of a statement of ownership, an owner of a manufactured home shall indicate whether the owner elects to treat the home as real property. An owner may elect to treat a manufactured home as real property only if the home is attached to:
 - (1) real property that is owned by the owner of the home; or
 - (2) land leased to the owner of the home under a long-term lease, as defined by department rule.
- (b) *Repealed by Acts 2009, 81st Leg, HB 2238, Sec. 15.*
- (c) If the department issues a statement of ownership to an owner of a manufactured home treated as personal property, the statement of ownership on file with the department is evidence of ownership of the home. A lien, charge, or other encumbrance on a home treated as personal property may be made only by filing the appropriate document with the department.
- (d) If an owner elects to treat a manufactured home as real property, the department shall issue to the owner a copy of the statement of ownership that on its face reflects that the owner has elected to treat the manufactured home as real property at the location listed on the statement. Not later than the 60th day after the date the department issues a copy of the statement of ownership to the owner, the owner must:
 - (1) file the copy in the real property records of the county in which the home is located; and
 - (2) notify the department and the chief appraiser of the applicable appraisal district that the copy has been filed.
- (e) A real property election for a manufactured home is not considered to be perfected until a copy of the statement of ownership has been filed and the department and the chief appraiser of the applicable appraisal district have been notified of the filing as provided by Subsection (d).
- (f) *Repealed by Acts 2011, 82nd Leg., HB 1510, Sec. 8, eff. September 1, 2011.*
- (g) After a real property election is perfected under Subsection (e):
 - (1) the home is considered to be real property for all purposes; and
 - (2) no additional issuance of a statement of ownership is required with respect to the manufactured home, unless:
 - (A) the home is moved from the location specified on the statement of ownership;
 - (B) the real property election is changed; or

- (C) the use of the property is changed as described by Section 1201.216.
- (h) The provisions of this chapter relating to the construction or installation of a manufactured home or to warranties for a manufactured home apply to a home regardless of whether the home is considered to be real or personal property.
- (i) Notwithstanding the 60-day deadline specified in Subsection (d), if the closing of a mortgage loan to be secured by real property including the manufactured home is held, the loan is funded, and a deed of trust covering the real property and all improvements on the property is recorded and the licensed title company or attorney who closed the loan failed to complete the conversion to real property in accordance with this chapter, the holder or servicer of the loan may apply for a statement of ownership electing real property status, obtain a copy of the statement of ownership, and make the necessary filings and notifications to complete such conversion at any time provided that:
 - (1) the record owner of the home, as reflected on the department's records, has been given at least 60 days' prior written notice at:
 - (A) the location of the home and, if it is different, the mailing address of the owner as specified in the department records; and
 - (B) any other location the holder or servicer knows or believes, after a reasonable inquiry, to be an address where the owner may have been or is receiving mail or is an address of record;
 - (2) such notification shall be given by certified mail; and
 - (3) the department by rule shall require evidence that the holder or servicer requesting such after-the-fact completion of a real property election has complied with the requirements of this subsection.

Sec. 1201.206. Application for Issuance of Statement of Ownership.

- (a) At the first retail sale of a manufactured home, the retailer shall provide for the installation of the home and ensure that the application for the issuance of a statement of ownership is properly completed. The consumer shall return the completed application to the retailer. In accordance with Section 1201.204, the retailer shall surrender to the department the original manufacturer's statement of origin at the same time the retailer applies for the first statement of ownership.
- (b) Not later than the 60th day after the date of the retail sale, the retailer shall provide to the department the completed application for the issuance of a statement of

ownership. If for any reason the retailer does not timely comply with the requirements of this subsection, the consumer may apply for the issuance of the statement.

- (c) Not later than the 60th day after the date of each subsequent sale or transfer of a home that is considered to be personal property, the seller or transferor shall provide to the department a completed application for the issuance of a new statement of ownership. If for any reason the seller or transferor does not timely comply with the requirements of this subsection, the consumer may apply for the issuance of the statement.
- (d) *Repealed by Acts 2011, 82nd Leg., HB 1510, Sec. 8, eff. September 1, 2011.*
- (e) Ownership of a manufactured home does not pass or vest at a sale or transfer of the home until a completed application for the issuance of a statement of ownership is filed with the department.
- (f) If the owner of a manufactured home relocates the home, the owner shall apply for the issuance of a new statement of ownership not later than the 60th day after the date the home is relocated. The department shall require that the owner submit evidence that the home was relocated in accordance with the requirements of the Texas Department of Transportation.
- (g) When an application is filed for the issuance of a statement of ownership for a used manufactured home that is not in a retailer's inventory or is being converted from personal property to real property in accordance with Section 1201.2075, a statement from the tax assessor-collector for the taxing unit having power to tax the manufactured home shall also be filed with the department. The statement from the tax assessor-collector must indicate that, with respect to each January 1 occurring in the 18-month period preceding the date of the sale, there are no perfected and enforceable tax liens on the manufactured home that have not been extinguished and canceled in accordance with Section 32.015, Tax Code, or personal property taxes due on the manufactured home.
- (h) If a person selling a manufactured home to a consumer for residential use fails to file with the department the application for the issuance of a statement of ownership and the appropriate filing fee before the 61st day after the date of the sale, the department may assess a fee of at least \$100 against the seller. The department shall have the authority to enforce the collection of any fee from the seller through judicial means. The department shall place on the application for the issuance of a statement of ownership the following legend in a clear and conspicuous manner:

“THE FILING OF AN APPLICATION FOR THE ISSUANCE OF A STATEMENT OF OWNERSHIP LATER THAN SIXTY (60) DAYS AFTER THE DATE OF A SALE TO A CONSUMER FOR RESIDENTIAL USE MAY RESULT IN A FEE OF UP TO ONE HUNDRED DOLLARS (100.00). ANY SUCH APPLICATION THAT IS SUBMITTED LATE MAY BE DELAYED UNTIL THE FEE IS PAID IN FULL.”

- (i) *Repealed by Acts 2017, 85th Leg., HB 2019, Sec. 85, eff. September 1, 2017.*

- (j) *Repealed by Acts 2017, 85th Leg., HB 2019, Sec. 85, eff. September 1, 2017.*
- (k) Notwithstanding any provision in this chapter to the contrary, if a person has acquired a manufactured home and the owner of record or any intervening owners of liens or equitable interests cannot be located to assist in documenting the chain of title, the department may issue a statement of ownership to the person claiming ownership if the person can provide a supporting affidavit describing the chain of title and such reasonable supporting proof as the director may require.

Sec. 1201.207. Issuance of Statement of Ownership.

- (a) Except as provided for in Subsection (a-1), the department shall process any completed application for the issuance of a statement of ownership not later than the 15th working day after the date the application is received by the department. If the department rejects an application, the department shall provide a clear and complete explanation of the reason for the rejection and instructions on how to cure any defects, if possible.
- (a-1) For the period immediately following June 30 of each year, the department shall, except for applications relating to new manufactured homes and applications accompanied by a tax certificate, cease issuing statements of ownership until all tax liens filed with the department before June 30 have been processed and either recorded or rejected. - (b) If the department issues a statement of ownership for a manufactured home, the department shall maintain a record of the issuance in its electronic records and shall mail a copy to the owner and each lienholder. The department shall make available to the public on the department's Internet website in a searchable and downloadable format all ownership and lienholder information contained on the statement of ownership.
- (c) Except with respect to any change in use servicing of a loan on a manufactured home, release of a lien on a manufactured home by an authorized lienholder, or change in ownership of a lien on a manufactured home, but subject to Section 1201.2075, if the department has issued a statement of ownership for a manufactured home, the department may issue a subsequent statement of ownership for the home

- (d) Notwithstanding any other provision of this chapter, if the consumer purchases a new manufactured home from a licensed retailer in the ordinary course of business, whether or not a statement of ownership has been issued for the manufactured home, the consumer is a bona fide purchaser for value without notice and is entitled to ownership of the manufactured home free and clear of all liens and to a statement of ownership reflecting the same on payment by the consumer of the purchase price to the retailer. If there is an existing lien on the new manufactured home perfected with the department, the owner of the lien is entitled to recover the value of the lien from the retailer.
- (e) Notwithstanding any other provision of this chapter, if the consumer purchases a used manufactured home from a retailer in the ordinary course of business, the consumer takes the manufactured home free and clear of any liens created by the selling retailer even if they are recorded.

The department remains subject to the other requirements of Subsection (a).

- (a) If the owner of a manufactured home notifies the department that the owner intends to treat the home as real property or intends to treat the home as a salvaged manufactured home or reserve the home for a business use or another nonresidential use, the department shall indicate on the statement of ownership for the home that:

Sec. 1201.217. Manufactured Home Abandoned.

- (a) The owner of real property on which a manufactured home owned by another is located may declare the home abandoned as provided by this section if:
 - (1) the home has been continuously unoccupied for at least four months; and
 - (2) any indebtedness secured by the home or related to a lease agreement between the owner of the real property and the owner of the home is considered delinquent.
- (b) Before declaring a manufactured home abandoned, the owner of real property on which the home is located must send a notice of intent to declare the home abandoned to the record owner of the home, all lienholders at the addresses listed on the home's statement of ownership on file with the department, the tax collector for each taxing unit that imposes ad valorem taxes on the real property where the home is located, and any intervening owners of liens or equitable interests. The notice must include the address where the home is currently located. If the person giving such notice knows that a person to whom the notice is being given no longer resides and is no longer receiving mail at a known address, a reasonable effort shall be made to locate the person and give the person notice at an address where the person is receiving mail. Mailing of the notice by certified mail, return receipt requested, postage prepaid, to the persons required to be notified by this subsection constitutes conclusive proof of compliance with this subsection.
- (c) On receipt of a notice of intent to declare a manufactured home abandoned, the record owner of the home, a lienholder, a tax assessor-collector for a taxing unit that imposes ad valorem taxes on the real property on which the home is located, or an intervening owner of a lien or equitable interest may enter the real property on which the home is located to remove the home. The real property owner must disclose to the record owner, lienholder, tax assessor-collector, or intervening owner seeking to remove the home the location of the home and grant the person reasonable access to the home. A person removing a home is responsible to the real property owner for any damage to the real property resulting from the removal of the home.
- (d) If the manufactured home remains on the real property for at least 45 days after the date the notice is postmarked:
 - (1) all liens on the home are extinguished; and
 - (2) the real property owner may declare the home abandoned and may apply to the department for a statement of ownership listing the real property owner as the owner of the manufactured home.
- (d-1) When applying for a statement of ownership under this section, the real property owner shall include with the application an affidavit stating that:
 - (1) the person owns the real property where the manufactured home is located; and

- (2) the name of the person to whom title to the home will be transferred under this section is the same name that is listed in the real property or tax records indicating the current ownership of the real property.
- (e) A new statement of ownership issued by the department under this section transfers, free of any liens, if there is evidence of United States Postal Service return receipt from all lienholders, title to the manufactured home to the real property owner.
- (f) This section does not apply if the person who owns the real property on which the manufactured home is located and who is declaring that the home is abandoned, or any person who is related to or affiliated with that person, has now, or has ever owned, an interest in the manufactured home.
- (g) Notwithstanding Subsection (f), an owner of real property on which a manufactured home has been abandoned may apply for a new statement of ownership with respect to a home that was previously declared abandoned and then resold and abandoned again.

Sec. 1201.219. Perfection, Effect, and Release of Liens.

- (a) A lien on manufactured homes in inventory is perfected only by filing the lien with the department on the required form. Once perfected, the lien applies to the manufactured homes in the inventory as well as to any proceeds from the sale of those homes. The department may suspend or revoke the license of a retailer who fails to satisfy a perfected inventory lien.
- (b) Except as provided by Subsection (a) and subject to Subsection (d), a lien on a manufactured home is perfected only by filing with the department the notice of lien on a form provided by the department. The department shall disclose on its website the date of each lien filing. A lien recorded with the department has priority, according to the chronological order of recordation, over another lien or claim against the manufactured home.
- (b-1) Notwithstanding any other law, a lien perfected with the department may be released only by filing a request for the release with the department on the form provided by the department or by following the department's procedures for electronic lien release on the department's Internet website. This subsection does not apply to the release of a tax lien perfected with the department.
- (c) Notwithstanding any other provision of this section or any other law, the filing of a lien security agreement on the inventory of a retailer does not prevent a buyer in the ordinary course of business, as defined by Section 1.201, Business & Commerce Code, from acquiring good and marketable title free of that lien, and the department may not consider that lien for the purpose of title issuance.

- (d) A tax lien on a manufactured home not held in a retailer's inventory is perfected only by filing with the department the notice of the tax lien on a form provided by the department in accordance with the requirements of Chapter 32, Tax Code. The form must require the disclosure of the original dollar amount of the tax lien and the name and address of the person in whose name the manufactured home is listed on the tax roll. The department shall disclose on its Internet website the date of each tax lien filing, the original amount of the tax lien claimed by each filing, and the fact that the amount shown does not include additional sums, including interest, penalties, and attorney's fees. The statement required by Section 1201.205(7) is notice to all persons that the tax lien exists. A tax lien recorded with the department has priority over another lien or claim against the manufactured home. Tax liens shall be filed by the tax collector for any taxing unit having the power to tax the manufactured home. A single filing by a tax collector is a filing for all the taxing units for which the tax collector is empowered to collect.
- (e) A tax lien perfected with the department may be released only by;
- (1) filing with the department a tax certificate or tax paid receipt in accordance with Section 32.015, Tax Code;
 - (2) filing a request for the release with the department on the form provided by the department;
 - (3) following the department's procedures for electronic tax lien release on the department's Internet website;
 - (4) a tax collector filing a tax lien release with the department as provided by Subsection (f); or
 - (5) the department in the manner provided by Subsection (h).
- (f) On request by any person, a tax collector shall file a tax lien release with the department if the four-year statute of limitations to file a suit for collection of personal property taxes in Section 33.05(a)(1), Tax Code, has expired.
- (g) The department may request that a tax collector confirm that no tax suit has been timely filed on any manufactured home tax lien more than four years in delinquency. The department may make a request under this subsection electronically, and a taxing authority may provide notice of the existence or absence of a timely filed tax suit electronically.
- (h) The department shall remove from a manufactured home's statement of ownership a reference to any tax lien delinquent more than four years for which no suit has been timely filed in accordance with Section 33.05(a)(1), Tax Code, if:
- (1) a tax collector confirms no suit has been filed; or
 - (2) the department:

- (A) has submitted to a tax collector two requests under Subsection (g) sent not fewer than 15 days apart; and
- (B) has not received any response from the tax collector before the 60th day after the tax collector's receipt of the second request.

 - (3) the model designation of the home, if available;
 - (4) the identification number of each section or module of the home;

Sec. 1201.353. Notice of Need for Warranty Service.

- (a) The consumer shall give written notice to the manufacturer, retailer, or installer, as applicable, of a need for warranty service or repairs.
- (b) Written notice to the department is deemed to be notice to the manufacturer, retailer, or installer commencing three business days after receipt and forwarding of the notice by the department to the licensee by regular mail or electronic mail of a scanned copy of the notice.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 2, eff. June 1, 2003. Amended by Acts 2007, 80th Leg., HB 1460, Sec. 41, eff. January 1, 2008.

Sec. 1201.354. Corrective Action Required.

The manufacturer, retailer, or installer, as applicable, shall take appropriate corrective action within a reasonable period as required by department rules to fulfill the written warranty obligation.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 2, eff. June 1, 2003. Amended by Acts 2007, 80th Leg., HB 1460, Sec. 41, eff. January 1, 2008.

Sec. 1201.355. Consumer Complaint Home Inspection.

- (a) If the manufacturer, retailer, or installer does not provide the consumer with proper warranty service, the consumer may, at any time, request the department to perform a consumer complaint home inspection. The department may not charge a fee for the inspection.
- (b) On payment of the required inspection fee, the manufacturer, retailer, or installer may request the department to perform a consumer complaint home inspection if the manufacturer, retailer, or installer:
 - (1) believes the consumer's complaints are not covered by the warranty of the manufacturer, retailer, or installer, as applicable;
 - (2) believes that the warranty service was properly provided; or
 - (3) disputes responsibility concerning the warranty obligation.
- (c) The department shall perform a consumer complaint home inspection not later than the 30th day after the date of receipt of a request for the inspection.
- (d) Notwithstanding any other provision of this section, the department may make an inspection at any time if it believes that there is a reasonable possibility that a condition exists that would present an imminent threat to health or safety.

Added by Acts 2001, 77th Leg., ch. 1421, Sec. 2, eff. June 1, 2003. Amended by Acts 2007, 80th Leg., HB 1460, Sec. 41, eff. January 1, 2008.

Sec. 1201.356. Report and Order; Amendment; Compliance.

- (a) Not later than the 10th day after the date of a consumer complaint home inspection, the department shall send a written report and any order to the consumer, manufacturer, retailer, and installer by certified mail, return receipt requested.
- (b) The report shall specify:
 - (1) each of the consumer's complaints; and
 - (2) whether the complaint is covered by the manufacturer's retailer's, or installer's warranty and, if so, which of those warranties.
- (c) The director shall issue to the manufacturer, retailer, or installer an appropriate order for corrective action by the manufacturer, retailer, or installer specifying a reasonable period for completion of the corrective action. With regard to new manufactured homes, both the installer and the retailer are responsible for the warranty of installation. If the department determines that a complaint is covered by the installation warranty, the director shall issue the order to the installer for the corrective action. If the installer fails to perform the corrective action, the installer shall be subject to the provisions of Section 1201.357. In that instance, the director shall issue the same order for corrective action to the retailer with a new time frame not to exceed 10 days unless additional time is needed for compliance upon a showing of good cause. If the retailer is compelled to perform corrective action because of the failure of the installer to comply with the director's order, the retailer may seek reimbursement from the installer. The period for the performance of any required warranty work may be shortened by the director as much as is feasible if the warranty work is believed necessary to address a possible imminent threat to health or safety.
- (d) The department may issue an amended report and order if all parties receive notice of and are given an opportunity to respond to that report and order. The amended report and order supersede the initial report and order.
- (e) The manufacturer, retailer, or installer shall comply with the report and order of the director.

- (b) If the manufacturer, retailer, or installer, as applicable, fails or refuses to provide warranty service in accordance with the department order under Section 1201.356, the director shall hold an informal meeting at which the manufacturer, retailer, or installer must show cause as to why the manufacturer's, retailer's, or installer's license should not be suspended or revoked and at which the consumer may express the person's views. Following the meeting, the director shall either resolve the matter by agreed order, dismiss the matter if no violation is found to have occurred, or institute an administrative action, which may include license suspension or revocation, the assessment of administrative penalties, or a combination of such actions.
- (b-1) As authorized by Section 1201.6041, the director may order a manufacturer, retailer, or installer, as applicable, to pay a refund directly to a consumer as part of an agreed order described by Subsection (b) instead of or in addition to instituting an administrative action under this chapter.
- (c) If the manufacturer, retailer, or installer is unable to provide warranty service in accordance with the department order under Section 1201.356 as a result of an action of the consumer, the manufacturer, retailer, or installer must make that allegation in the written statement required by Subsection (a). The department shall investigate the allegation, and if the department determines that the allegation is credible, the department shall issue a new order specifying the date and time of the proposed corrective action. The department shall send the order to the consumer and the manufacturer, retailer, or installer, as applicable, by certified mail, return receipt requested. If the consumer refuses to comply with the department's new order, the manufacturer, retailer, or installer, as applicable:
 - (1) is discharged from the obligations imposed by the relevant department orders;
 - (2) has no liability to the consumer with regard to that warranty; and
 - (3) is not subject to an action by the department for failure to provide warranty service.

Sec. 1201.358. Failure to Show Good Cause; Hearing Results.

- (a) Failure by the manufacturer, retailer, or installer to show good cause under Section 1201.357(a) is a sufficient basis for suspension or revocation of the manufacturer's, retailer's, or installer's license.
- (b) If the director determines that an order was incorrect regarding a warranty obligation, the director shall issue a final order stating the correct warranty obligation and the right of the manufacturer, retailer or installer to indemnification from one of the other parties.
- (c) The director may issue an order:

- (1) directing a manufacturer, retailer, or installer whose license is not revoked, suspended, or subject to an administrative sanction under Section 1201.357(b) and who is not out of business to perform the warranty obligation of a manufacturer, retailer, or installer whose license is revoked, suspended, or subject to an administrative sanction under Section 1201.357(b) or who is out of business; and
 - (2) giving the manufacturer, retailer, or installer performing the obligation the right of indemnification against another party.

Sec. 1201.359. Application of Warranties if HUD-Code Manufactured Home Moved.

- (a) The manufacturer's and retailer's warranties do not apply to any defect or damage caused by moving a new HUD-code manufactured home from the initial installation site.
- (b) Conspicuous notice of the warranty exception under Subsection (a) must be given to the consumer at the time of sale.
- (c) The warrantor has the burden of proof to show that the defect or damage is caused by the move.

- (a) The seller of real property to which a new HUD-code manufactured home is permanently attached may give the initial purchaser a written warranty that combines the manufacturer's warranty and the retailer's warranty required by this subchapter if:
 - (1) the statement of ownership reflects that the owner has elected to treat the home as real property;
 - (2) the home is actually located where the statement of ownership reflects that it is located; and
 - (3) a copy of the statement of ownership has been filed in the real property records for the county in which the home is located.

Sec. 1201.361. Installer's Warranty.

- (a) For all installations, the installer shall give the manufactured home owner a written warranty that the installation of the home was performed in accordance with all department standards, rules, orders, and requirements. The warranty for the installation of a new HUD-code manufactured home is to be given by the retailer, who is responsible for installation. If the retailer subcontracts this function to a licensed installer, the retailer and installer are jointly and severally responsible for performance of the warranty.
- (b) The warranty must conspicuously disclose the requirement that the consumer notify the installer of any claim in writing in accordance with the terms of the warranty. Unless the warranty provides for a longer period, the installer or retailer has no obligation or liability under the person's warranty for any defect described in a written notice received from the consumer more than two years after the later of the date of purchase or the date of installation.

The reasonableness of the insurer's judgment that the cost of repairing the home would exceed the full insured value of the home does not affect whether the home is salvaged.
- (b) A person who owns a used manufactured home that is salvaged shall apply to the director for the issuance of a new statement of ownership that indicates that the home is salvaged.
- (c) If a new manufactured home is salvaged, the retailer shall remove the label and surrender the label and the manufacturer's certificate under Section 1201.204 to the director for issuance of a statement of ownership that indicates that the home is salvaged.

For purposes of this subsection, "refurbish" means any general repairs, improvements, or aesthetic changes to a manufactured home that do not constitute the rebuilding of a salvaged manufactured home.
- (f) If a salvaged manufactured home is rebuilt in accordance with this chapter and the rules of the director, the director shall, on application, issue a new statement of ownership that indicates that the home is no longer salvaged.
- (g) A county or other unit of local government that identifies a manufactured home within its jurisdiction that has been declared salvage may impose on that home such inspection, correction, and other requirements as it could apply if the home were not a manufactured home.
- (h) A licensee may not participate in the sale, exchange, or installation for use as a dwelling of a manufactured home that is salvage and that has not been repaired in accordance with this chapter and the department's rules. An act that is prohibited by this subsection is deemed to be a practice that constitutes an imminent threat to

health or safety and is subject to the imposition of penalties and other sanctions provided for by this chapter. A violation of this subsection is a Class B misdemeanor.

- (b) The director may request or issue subpoenas for a licensee's report.
- (c) The department may carry out "sting" or undercover investigations in accordance with board-adopted rules if the director believes such action to be appropriate in order to detect and address suspected violations of this chapter.

Sec. 1201.610. Cease and Desist.

- (a) The director may issue without notice and hearing an order to cease and desist from continuing a particular action or an order to take affirmative action, or both, to enforce compliance with this chapter if the director has reasonable cause to believe that a person has violated or is about to violate any provision of this chapter or a rule adopted under this chapter.
- (b) The director may issue an order to any person to cease and desist from violating any law, rule, or written agreement or to take corrective action with respect to any such violations if the violations in any way are related to the sale, financing, or installation of a manufactured home or the providing of goods or services in connection with the sale, financing, or installation of a manufactured home unless the matter that is the basis of such violation is expressly subject to inspection and regulation by another state agency; provided, however, that if any matter involves a law that is subject to any other administration or interpretation by another agency, the director shall consult with the person in charge of the day-to-day administration of that agency before issuing an order.
- (c) An order issued under Subsection (a) or (b) must contain a reasonably detailed statement of the facts on which the order is based. If a person against whom the order is issued requests a hearing before the 31st day after the date the order is issued, the director shall set and give notice of a hearing. The hearing shall be governed by Chapter 2001, Government Code. Based on the findings of fact, conclusions of law, and recommendations of the hearings officer, the board by order may find that a violation has occurred or has not occurred.
- (d) If a hearing is not requested under Subsection (c) before the 31st day after the date an order is issued, the order is considered final and not appealable.
- (e) The director, after giving notice, may impose against a person who violates a cease and desist order an administrative penalty in an amount not to exceed \$1,000 for each day of the violation. In addition to any other remedy provided by law, the director may institute in district court a suit for injunctive relief and for the collection of the administrative penalty. A bond is not required of the director with respect to injunctive relief granted under this subsection.
- (f) If a person licensed under this chapter fails to pay an administrative penalty that has become final or fails to comply with an order of the director that has become final, in addition to any other remedy provided by law, the director, after not less than 10 days' notice to the person, may without a prior hearing suspend the person's license. The suspension shall continue until the person has complied with the cease and desist order or paid the administrative penalty. During the period of suspension, the person may not perform any act requiring a license under this chapter, and all compensation received by the person during the period of suspension is subject to forfeiture to the person from whom it was received.

- (g) An order of suspension under Subsection (f) may be appealed. An appeal is a contested case governed by Chapter 2001, Government Code. A hearing of an appeal of an order of suspension issued under Subsection (f) shall be held not later than the 15th day after the date of receipt of the notice of appeal. The appellant shall be provided at least three days' notice of the time and place of the hearing.
- (h) An order revoking the license of a retailer, broker, installer, or salesperson may provide that the person is prohibited, without obtaining prior written consent of the director, from being a related person of a licensee.

- (b) If a person charged with the violation accepts the determination of the director, the director shall issue an order approving the determination and ordering that the person pay the recommended penalty.
- (c) Not later than the 30th day after the date on which the decision is final, the person charged shall:
 - (1) pay the penalty in full; or
 - (2) if the person files a petition for judicial review contesting the fact of the violation, the amount of the penalty, or both the fact of the violation and the amount of the penalty:
 - (A) forward the amount assessed to the department for deposit in an escrow account;
 - (B) in lieu of payment into escrow, post with the department a supersedeas bond for the amount of the penalty, in a form approved by the director and effective until judicial review of the decision is final; or
 - (C) without paying the amount of the penalty or posting the supersedeas bond, pursue judicial review.
- (d) A person charged with a penalty who is financially unable to comply with Subsection (c)(2) is entitled to judicial review if the person files with the court, as part of the person's petition for judicial review, a sworn statement that the person is unable to meet the requirements of that subsection.

- (e) If the person charged does not pay the penalty and does not pursue judicial review, the department or the attorney general may bring an action for the collection of the penalty.
- (f) Judicial review of the order of the director assessing the penalty is subject to the substantial evidence rule and shall be instituted by filing a petition with a district court in Travis County.
- (g) If, after judicial review, the penalty is reduced or not assessed, the director shall remit to the person charged the appropriate amount, plus accrued interest if the penalty has been paid, or shall execute a release of the bond if a supersedease bond has been posted. The accrued interest on amounts remitted by the director under this subsection shall be paid at a rate equal to the rate charged on loans to depository institutions by the New York Federal Reserve Bank and shall be paid for the period beginning on the date the assessed penalty is paid to the director and ending on the date the penalty is remitted.
- (h) *Repealed by Acts 2017, 85th Leg., HB 2019, Sec. 85, eff. September 1, 2017.*
- (i) All proceedings conducted under this section and any review or appeal of those proceedings are subject to Chapter 2001, Government Code.
- (j) If it appears that a person is in violation of, or is threatening to violate, any provision of this chapter or a rule or order related to the administration and enforcement of the manufactured housing program, the attorney general, on behalf of the director, may institute an action for injunctive relief to restrain the person from continuing the violation and for civil penalties not to exceed \$1,000 for each violation and not exceeding \$250,000 in the aggregate. A civil action filed under this subsection shall be filed in district court in Travis County. The attorney general and the director may recover reasonable expenses incurred in obtaining injunctive relief under this subsection, including court costs, reasonable attorney's fees, investigative costs, witness fees, and deposition expenses.
