HUD-approved amendment to the 2021 Action Plan for the HOME-ARP Allocation Plan.
<https://www.tdhca.state.tx.us/HARP.htm>

- (2) **HOME-ARP Background.** TDHCA was allocated \$132,969,147 of funds from the U.S. Department of Housing and Urban Development (HUD) under Section 3205 of the American Rescue Plan Act, which HUD has called the HOME-ARP Program. HUD issued waivers and new activities from HOME annual funds for HUD-ARP per CPD Notice 21-10

and Appendix: Waivers and Alternative Requirements for Implementation of the HOME-ARP Program (<https://www.hudexchange.info/resource/6479/notice-cpd-2110-requirements-for-the-use-of-funds-in-the-home-arp-program/>).

In its approved HOME-ARP Allocation Plan, TDHCA programmed funds into affordable rental housing including Capitalized Operating Cost Assistance Reserves (COCA); non-congregate shelter; nonprofit capacity building/nonprofit operating cost assistance (NCO); and administration/planning for TDHCA.

TDHCA programmed \$56,511,887 for affordable rental housing, which is 42.5% of the total HOME-ARP funds. Within the rental housing activity is a \$10,000,000 set-aside for direct awards to qualifying National Housing Trust Fund (NHTF) Developments. This set-aside was created to preserve existing Department investments in NHTF-funded developments that may otherwise be at risk of not financially feasible. If the set-aside is not fully used prior to the opening of the HOME-ARP Rental NOFA, funds from the set-aside may amended into the HOME-ARP Rental NOFA.

TDHCA also programmed \$6,648,458 of HOME-ARP funding for NCO, which is 5% of the total HOME-ARP funds. Approximately \$3.3 million is programmed to support non-congregate shelter development and approximately \$3.3 million is programmed to support rental development. The \$3.3 million in NCO for rental development is being released in this affordable rental housing NOFA. However, should the total requests for HOME-ARP rental capital/COCA requests be greater than the amount released in this NOFA, TDHCA reserves the right to not award NCO within its NOFA and convert the NCO funds to rental capital/COCA funds, or to award the highest scoring eligible HOME-ARP rental award(s).

One of the reasons HOME-ARP was created was to serve specific populations called qualifying populations (QPs). These include:

- Households that are experiencing homelessness, per 24 CFR §91.5;
- Households at-risk of homelessness with incomes below 30% Area Median Income (AMI), per 24 CFR §91.5;
- Households with at-risk of homelessness criteria and incomes up to 50% AMI, per HUD CPD Notice 21-10;
- Households fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, or human trafficking, per HUD 24 CFR §5.2003;
- Households with 30% AMI with severe housing cost burden defined as paying more than 50% of monthly household income toward housing costs, per HUD CPD Notice 21-10;
- Households who have qualified as homeless previously, are currently housed with temporary/emergency assistance, and who need additional housing assistance or supportive services to avoid a return to homelessness, per HUD CPD Notice 21-10; or
- Veterans (and their families) that meet one of the above definitions.

At least 70% of the HOME-ARP Units must be for households that are QP. QP households pay

no more than 30% of their income toward rent, and will be underwritten at zero rent, unless paired with project based assistance. In order to support zero rent Units, HOME-ARP has several flexibilities such as:

- No maximum unit subsidy
- COCA for up to 15 years
- Possibility to adopt the Public Housing Authority utility allowance which may better pair with project-based assistance (not available for Developments with HOME, Neighborhood Stabilization Program (NSP), Tax Credit Assistance Program Repayment Funds (TCAP-RF), a property containing HOME Match Units, or NHTF , unless the Development is all-bills paid)
- Up to 30% of the Units may be for low-income households (60% or 80% AMI) at high HOME rent

More information about HOME-ARP QPs, flexibilities and financial layering possibilities may be found online at <https://www.tdhca.state.tx.us/home-arp/index.htm>.

(3) Applicant Eligibility.

- a. The first Application Acceptance period will be for Developments that are only requesting HOME-ARP from TDHCA, or are requesting HOME-ARP layered with 2022 or 2023 4% HTCs, 2022 9% HTC, HOME annual, or National Housing Trust Fund (NHTF). NHTF Applicants are only eligible in the event that the per unit subsidy limit for NHTF would be exceeded with additional NHTF. Applications layered with 2020 or 2021 4% or 9% HTCs or 2023 9% HTCs are ineligible to apply during the first Application Acceptance Period.
- b. The second Application Acceptance period will be only for 2023 9% HTC Supportive Housing Applicants, if funding is available.
- c. A choice-limiting action may not have occurred, except for site acquisition that was completed before the contemplation of federal funds, or except where the Application had prior environmental clearance prior to the choice limiting action under 24 CFR Part 50 or Part 58, and where the prior 24 CFR 50 or 58 "Responsible Entity" agrees in writing by the Application Acceptance Date, to make a determination of supplemental funding or perform a re-evaluation of the original review.

(4) Minimum and Maximum Amounts. The minimum request amount is \$500,000. The maximum request amount for the first Application Acceptance Date is \$15 million, up to 100% of the HOME-ARP eligible costs, and is inclusive of COCA and NCO. The maximum request amount for the second Application Acceptance Date is \$7 million, up to 100% of the HOME-ARP eligible costs, and is inclusive of COCA and NCO.

(5) Set-Asides. HOME-ARP funds are not subject to the Regional Allocation Formula, per waiver of Tex Gov't Code §2306.111. As a special purpose NOFA, the HOME-ARP Rental Development NOFA will not have set-asides.

(6) Activity Suspended for Applications with Federal Housing Administration (FHA) Insured Senior Debt. Applicants proposing to layer Federal Housing Administration (FHA)-insured senior

debt with a HOME-ARP Loan will not receive an Application Acceptance Date, until such time as the Department reaches agreement with FHA regarding its HOME-ARP forms of Subordination Agreement and Rider (FHA Agreements). The Department will amend the NOFA if and when agreement is reached and advertise the amendment via the Homelessness Issues, Programs, and Policies list serve and by posting a notice here: <https://www.tdhca.state.tx.us/multifamily/special-initiatives.htm>.

An example of mitigation includes a process such as one described at 10 TAC §11.2(b)(126)(B)(v)(II) regarding criminal screening

mitigation. (3 points)

b. **Project Commitments.** HOME-ARP rental application scoring takes into consideration commitments to reserve Units for persons who are experiencing or have experienced homelessness, and to have ongoing rental assistance available. A Development is eligible for a maximum of 15 commitment points (cumulative) from i – iv of this subparagraph. An Applicant may only apply for a maximum of 15 points. An example of mitigation includes a process such as one described at 10 TAC §11.2(b)(126)(B)(v)(II) regarding criminal screening mitigation. Applicant will be eligible for up to eleven (11) points total under Resident Services.

(8) **Tie breaker criteria.** If more than one application is received with the same score and the Department cannot fund both applications, the Development with the lowest HOME-ARP capital cost per unit will be awarded HOME-ARP funds, subject to the application review process. If a tie exists after the first tie breaker, the Department will use a random draw to determine recommendation for funding.

(9) **Nonprofit Capacity Building and Nonprofit Operating Cost Assistance (NCO).** NCO is limited to \$50,000 if applying for either nonprofit capacity building or nonprofit operating cost assistance, or \$75,000 if applying for both. The time period for NCO is one to three years. If the HOME-ARP rental NOFA receives more funding requests than funds available, the Department reserves the right to award no NCO or to award the highest scoring eligible HOME-ARP rental award(s). NCO will be awarded based on threshold items, and not be scored.

- i.**
- j.** For the post year 15 affordability period (which follows the federal affordability period), at least 20% of the Units must be for households at 60% or below AMI, and all Units must be for households at 80% or below AMI. All post-year 15 rents for HOME-ARP units must be rent levels for a multifamily program that exists in the Department (e.g. HOME annual, NHTF, HTC 4% or 9%, etc.).
- k.** The minimum amount for the COCA request is \$250,000. The maximum requests for COCA is dependent on the amount of net cash flow for the Development in year one. Projects with 80 or fewer Units that have net cash flow in the first year of \$250,000 or more and that are also requesting Capitalized Operating Cost Assistance (COCA) will have their COCA request reduced so that the net cash flow in year one will be no more than \$250,000. In this case, the COCA may be reduced to zero, if the net cash flow is still \$250,000 or more. Projects with 81 or more Units or Supportive Housing Developments that have net cash flow in the first year of \$500,000 or more and that are also requesting Capitalized Operating Cost Assistance (COCA) will have their COCA request reduced so that the net cash flow in year one will be no more than \$500,000. In this case, the COCA may be reduced to zero, if the net cash flow still exceeds \$500,000. Interest on Sponsor Loans will be considered net cash flow for this purpose.
- l.** If the Department deems an Application to be better suited for another Department multifamily NOFA or funding opportunity, the Department will provide the Applicant a fourteen calendar day period (which may be extended another fourteen days for information required from third parties) to provide the supplemental information needed to evaluate the Application under that fund source without impact to the Application Acceptance Date. However, in this case the Applicant will not be provided an earlier Application Acceptance Date than could have achieved under the other NOFA.
- m.** Waivers of any substantive or procedural provision of this NOFA, if available, will be treated in accordance with 10 TAC §13.1(c). 10 TAC §13.1(c) may not be waived.

Appendix A – Applicable Rules and Waivers
Texas Administrative Code Rental Waivers and Alternative Requirements for
HOME American Rescue Plan Rental Notice of Funding Availability

The waivers and alternative requirements listed in this document are meant to support the Texas Department of Housing and Community Affairs' (TDHCA) HOME American Rescue Plan's (ARP) Rental 2022 Notice of Funding Availability (NOFA). The additional flexibilities are needed to align state rules with the alternative waivers and alternative requirements for HOME-ARP issued in the U.S. Department of Housing and Urban Development's Community Planning and Development (CPD) Notice 21-10 and Appendix: Waivers and Alternative Requirements for Implementation of the HOME-ARP Program.

Background

The Texas Department of Housing and Community Affairs (TDHCA) was allocated approximately \$132 million in HOME American Rescue Plan (ARP) funds in a one-time allocation from the U.S. Department of Housing and Urban Development (HUD). HOME-ARP is based on HUD's HOME Investment Partnerships Program annual funding infrastructure. HOME-ARP also has significant differences compared to the HOME annual program.

TDHCA has programmed up to \$56,511,887 in HOME-ARP funding for rental development. The HOME-ARP Allocation Plan set-aside \$10,000,000 of these funds for National Housing Trust Fund (NHTF)-funded Developments that may otherwise be at risk of not financially feasible. If the set-aside is not fully utilized, the remaining balance will be available for the HOME-ARP funding for rental development.

In addition, the HOME-ARP Allocation Plan programmed \$6,648,458 in nonprofit operating and nonprofit capacity building (NCO) funds. Of this amount, \$3,324,229 is expected to be available for application within the HOME-ARP Rental NOFA.

Several chapters of Texas Administrative Code (TAC) apply to HOME-ARP, with waivers and alternate requirements to conform to the HUD CPD Notice 21-10 and the HOME-ARP Allocation Plan. These are:

- 10 TAC Chapter 1 (Administration)
- 10 TAC Chapter 2 (Enforcement)
- 10 TAC Chapter 10 (Uniform Multifamily Rules)
- 10 TAC Chapter 11 (Qualified Allocation Plan)
- 10 TAC Chapter 12 (Multifamily Housing Revenue Bond Rules)
- 10 TAC Chapter 13 (Multifamily Direct Loan Rule)

The 10 TAC above that apply to Multifamily Direct Loan or the HOME annual Program will also apply to HOME-ARP, unless specifically waived or provided alternative requirements below. This document may be updated from time to time, as HUD guidance is released and the applications are processed for HOME-ARP.

Certain waivers are not available to Developments with other funding sources, unless a waiver is received by the Department from HUD.

The items listed below are waived or have alternative requirements:

10 TAC Chapter 10

1. 10 TAC §10.614(d) and §10.614(k)(3) relating to utility allowance calculations. HOME-ARP is able to use the Public Housing Authority utility allowance. HOME-ARP will not be mandated to establish the Utility Allowance per 10 TAC §10.614(d). HOME-ARP may be able to establish the Utility Allowance per 10 TAC §10.614(k)(3). This waiver is not available to Developments with HOME, Neighborhood Stabilization Program (NSP), Tax Credit Assistance Program Repayment Funds (TCAP-RF), a property containing HOME Match Units, or NHTF, unless the Development is all utility bills paid.

10 TAC Chapter 11 for Developments that already received TDHCA funding or credits, and require gap financing

1. 10 TAC §11.101(a)(2) related to Undesirable Risk Features, waived only to the extent that the undesirable feature was already disclosed at original Application;
2. 10 TAC §11.01(a)(3)(B)(iii) related to schools, including disclosure requirements, waived only to the extent that the risk factor was already disclosed at original Application;
3. 10 TAC §11.203 regarding public notification have already been met for the scope of work for these HOME-ARP Applications.
4. 10 TAC §11.205 related to Required Third Party Reports, are waived except for environmental clearance, demonstration of current market demand for the proposed project for the HOME-ARP qualified population, and scope and cost review (if applicable). In spite of the waiver, the Department may request updates to any Report deemed necessary to evaluate an Application under this NOFA.

10 TAC Chapter 13

1. For Applications during the first Application Acceptance period, 10 TAC §13.1(c)(1) related to Waivers for Layered Developments is waived. Instead Applicants may request Waivers under 10 TAC §13.1(c)(2).
2. 10 TAC §13.3(e)(12) regarding reserve accounts (other than initial operating reserve accounts) as ineligible costs. HOME-ARP allows for a capitalized operating cost assistance reserve per HUD Notice 21-10.
3. 10 TAC §13.4 regarding set-asides, regional allocation and NOFA priorities do not apply to HOME-ARP. HOME-ARP is currently not subject to Tex. Gov't Code Section 2306.111, which requires regional allocation. HOME-ARP's set-asides priorities as outlined in the HOME-ARP Allocation Plan and in the NOFA.
4. 10 TAC §13.5(c) related to Market Analysis for Units reserved for Qualified Populations.
5. 10 TAC §13.5(h)(2) and (3)(A)-(C) related to eligibility determinations for Applicants.

Requirements, and 10 TAC §11.101(7) Resident Supportive Services.

7. 10 TAC §13.6, Scoring Criteria, for the Multifamily Direct Loan Rule is waived; the NOFA describes the alternative scoring criteria.
8. 10 TAC §13.7(b) and (c) regarding maximum new construction, reconstruction, rehabilitation per-unit subsidy limits will not apply for the HOME-ARP Units. The section of 10 TAC §13.7(d) regarding the per unit subsidy limits will not apply, though the required number of units determined by cost allocation analysis will apply.
9. 10 TAC §13.10(c) regarding unit match for the HOME annual program will not apply for the HOME-ARP Rental Development funding.
10. 10 TAC §13.11(c)(11), for the HOME-ARP Rental Development funding, as the requirements for marketing in HUD Notice 21-10 will also apply for the HOME-ARP Units.
11. 10 TAC §13.11(c)(12) regarding repayment of funds for Units that are not rented. HOME-ARP Units will have an alternative requirement of repayment if not rented in 12 months, instead of 18 months.
