AGREED FINAL ORDER

General Remarks and official action taken:

On this 25th day of June, 2020, the Governing Board (Board) of the Texas Department of Housing and Community Affairs (TDHCA or Department) considered the matter of whether enforcement action should be taken against **VILLA MAIN HOUSING ASSOCIATES, LTD.**, a Texas limited partnership (Respondent).

This Agreed Order is executed pursuant to the authority of the Administrative Procedure Act (APA), Tex. Gov't Code §2001.056, which authorizes the informal disposition of contested cases. In a desire to conclude this matter without further delay and expense, the Board and Respondent agree to resolve this matter by this Agreed Final Order. The Respondent agrees to this Order for the purpose of resolving this proceeding only and without admitting or denying the findings of fact and conclusions of law set out in this Order.

Upon recommendation of the Enforcement Committee, the Board makes the following findings of fact and conclusions of law and enters this Order:

WAIVER

Respondent acknowledges the existence of their right to request a hearing as provided by Tex. Gov't Code §2306.044, and to seek judicial review, in the District Court of Travis County, Texas, of any order as provided by Tex. Gov't Code §2306.047. Pursuant to this compromise and settlement, the Respondent waives those rights and acknowledges the jurisdiction of the Board over Respondent.

FINDINGS OF FACT (FOF)

Jurisdiction:

1. During 2006, Respondent was awarded an allocation of Low Income Housing Tax Credits by the Board, in an annual amount of \$440,440 to build and operate Villa Main Apartments (Property) (HTC file No. 60193 / CMTS No. 4403 / LDLD No. 898).

2. Respondent signed a land use restriction agreement (LURA) regarding the Property. The LURA was effective August 29, 2008, and filed of record at Document Number 2008042481 of the Official Public Records of Real Property of Jefferson County, Texas (Records), as amended by a First Amendment executed on August 6, 2010, and filed in the Records at Document Number 2010039596. In accordance with Section 2 of the LURA, the LURA is a restrictive covenant/deed restriction encumbering the Property and binding on all successors and assigns for the full term of the LURA.
3. Respondent is subject to the regulatory authority of TDHCA.

Compliance Violations¹:

4. A Uniform Physical Condition Standards (UPCS) inspection was conducted on October 17, 2018. Inspection reports showed numerous serious property condition violations, a violation of 10 TAC 10.621 (Property Inspection Standards). Notifications of noncompliance were sent and an April 8, 2019, corrective action deadline was set. Partial corrective action was timely received, but it was incomplete and the remaining findings were referred for an administrative penalty (see violation list at *Exhibit 1*). Multiple corrective submissions were made in response to an informal conference notice issued by the Enforcement Committee, and final corrective action was ultimately received on February 21, 2020, resolving the final violation.
5. A casualty loss claim was submitted to the Department on November 28, 2018. The claim included six of the units from the above 2018 UPCS inspection: units 109, 195, 107, 239, 173, and 213. It also included three additional units that were not part of the 2018 UPCS inspection: units 175, 233, and 211. Another claim for a casualty loss by fire was also submitted on November 28, 2020 and was accepted. However, the claim for the units noted above was rejected by the Department because the type of loss did not meet the classification requirement for a sudden loss. The damage was classified as a UPCS violation, notification of noncompliance was sent, and a May 1, 2019, corrective action deadline was set. Partial corrective documentation was received, but it was incomplete and the units were referred for an administrative penalty. Multiple corrective submissions were made in response to an informal conference notice issued by the Enforcement Committee, and final corrective action was ultimately received on February 21, 2020, resolving the final violation.
6. All violations listed above are considered resolved at the time of this Order.

¹ Within this Agreed Final Order, all references to violations of TDHCA Compliance Monitoring rules at 10 TAC Chapter 10 refers to the versions of the code in effect at the time of the compliance monitoring reviews and/or inspections that resulted in recording each violation. All past violations remain violations under the current code and all interim amendments.

CONCLUSIONS OF LAW

1. The Department has jurisdiction over this matter pursuant to Tex. Gov't Code §§2306.041-.0503, and 10 TAC §2.
2. Respondent is a "housing sponsor" as that term is defined in Tex. Gov't Code §2306.004(14).
3. Pursuant to IRC §42(m)(1)(B)(iii), housing credit agencies are required to monitor for noncompliance with all provisions of the IRC and to notify the Internal Revenue Service of such noncompliance.
4. Respondent violated 10 TAC §10.621 in 2018 and 2019, and I.R.C. §42, as amended, by failing to comply with HUD's Uniform Physical Condition Standards when major violations were discovered and not timely corrected.²
5. Because Respondent is a housing sponsor with respect to the Property, and has violated TDHCA rules, the Board has personal and subject matter jurisdiction over Respondent pursuant to Tex. Gov't Code §2306.041 and §2306.267.
6. Because Respondent is a housing sponsor, TDHCA may order Respondent to perform or refrain from performing certain acts in order to comply with the law, TDHCA rules, or the terms of a contract or agreement to which Respondent and TDHCA are parties, pursuant to Tex. Gov't Code §2306.267.
7. Because Respondent has violated rules promulgated pursuant to Tex. Gov't Code §2306.053 and has violated agreements with the Agency to which Respondent is a party, the Agency may impose an administrative penalty pursuant to Tex. Gov't Code §2306.041.
8. It is appropriate to assess no administrative penalty in accordance with the policies situated at 10 TAC Chapter 2.

² HUD's Uniform Physical Condition Standards are the standards adopted by TDHCA pursuant to 10 TAC 10.621(a)

Based upon the foregoing findings of fact and conclusions of law, and an assessment of the factors set forth in Tex. Gov't Code §2306.042 to be considered in assessing such penalties as applied specifically to the facts and circumstances present in this case, the Governing Board of the Texas Department of Housing and Community Affairs orders the following:

IT IS HEREBY ORDERED that Respondent not be assessed an administrative penalty.

IT IS FURTHER ORDERED that Respondent shall follow the requirements of 10 TAC §10.406, a copy of which is included at Exhibit 1, and obtain approval from the Department prior to consummating a sale of the property, if contemplated.

IT IS FURTHER ORDERED that the terms of this Agreed Final Order shall be published on the TDHCA website.

debarment of the entity and/or its Principals and Affiliates pursuant to the Department's debarment rule. In addition, a record of transfer involving Principals in new proposed awards will be reported and may be taken into consideration by the Executive Award and Review Committee, in accordance with Chapter 1, Subchapter C of this title (relating to Previous Participation and Executive Award Review and Advisory Committee), prior to recommending any new financing or allocation of credits.

(e) Transfers Prior to 8609 Issuance or Construction Completion. Prior to the issuance of IRS Form(s) 8609 (for Housing Tax Credits) or the completion of construction (for all Developments funded through other Department programs) an Applicant may request an amendment to its ownership structure to add Principals. The party(ies) reflected in the Application as having Control must remain in the ownership structure and retain Control, unless approved otherwise by the Executive Director. A development sponsor, General Partner or Development Owner may not sell the Development in whole or voluntarily end their Control prior to the issuance of 8609s.

(f) Nonprofit Organizations. If the ownership transfer request is to replace a nonprofit organization within the Development ownership entity, the replacement nonprofit entity must adhere to the requirements in paragraph (1) or (2) of this subsection.

(1) If the LURA requires ownership or material participation in ownership by a Qualified Nonprofit Organization, and the Development received Tax Credits pursuant to §42(h)(5) of the Code, the transferee must be a Qualified Nonprofit Organization that meets the requirements of §42(h)(5) of the Code and Tex. Gov't Code §2306.6706, if applicable, and can demonstrate planned participation in the operation of the Development on a regular, continuous, and substantial basis.

(2) If the LURA requires ownership or material participation in ownership by a nonprofit organization or CHDO, the Development Owner must show that the transferee is a nonprofit organization or CHDO, as applicable, that complies with the LURA.

(3) Exceptions to the above may be made on a case by case basis if the Development is past its Compliance Period/Federal Affordability Period, was not reported to the IRS as part of the Department's Nonprofit Set Aside in any HTC Award year, and follows the procedures outlined in §10.405(b)(1) - (5) of this chapter (relating to LURA Amendments that require Board Approval). The Board must find that:

(A) The selling nonprofit is acting of its own volition or is being removed as the result of a default under the organizational documents of the Development Owner;

(B) The participation by the nonprofit was substantive and meaningful during the full term of the Compliance Period but is no longer substantive or meaningful to the operations of the Development; and

(C) The proposed purchaser is an affiliate of the current Owner or otherwise meets the Department's standards for ownership transfers.

(g) Historically Underutilized Business (HUB) Organizations. If a HUB is the general partner or special limited partner of a Development Owner and it determines to sell its ownership interest, after the issuance of 8609's, the purchaser of that partnership interest or the general or special limited partner is not required to be a HUB as long as the procedure described in §10.405(b)(1) of this chapter (relating to Non-Material LURA Amendments) has been followed and approved.

(h) Documentation Required. A Development Owner must submit documentation requested by the Department to enable the Department to understand fully the facts and circumstances pertaining to the transfer and the effects of approval or denial. Documentation must be submitted as directed in the Post Award Activities Manual, which includes but is not limited to:

(1) A written explanation outlining the reason for the request;

(2) Ownership transfer information, including but not limited to the type of sale, amount of Development reserves to transfer in the event of a property sale, and the prospective closing date;

(3) Pre and post transfer organizational charts with TINs of each organization down to the level of natural persons in the ownership structure as described in §11.204(13)(A) of Subchapter C;

(4) A list of the names and contact information for transferees and Related Parties;

(5) Previous Participation information for any new Principal as described in §11.204(13)(B) of Subchapter C;

(6) Agreements among parties associated with the transfer;

(7) Owners Certifications with regard to materials submitted further described in the Post Award Activities Manual;

(8) Detailed information describing the organizational structure, experience, and financial capacity of any party holding a controlling interest in any Principal or Controlling entity of the prospective Development Owner;

(9) Evidence and certification that the tenants in the Development have been notified in writing of the proposed transfer at least 30 calendar days prior to the date the transfer is approved by the Department. The ownership transfer approval letter will not be issued until this 30 day period has expired;

(10) Any required exhibits and the list of exhibits related to specific circumstances of transfer or Ownership as detailed in the Post Award Activities Manual.

(i) Once the Department receives all necessary information under this section and as required under the Post Award Activities Manual, staff shall initiate a qualifications review of a transferee, in accordance with Chapter 1, Subchapter C of this title (relating to Previous Participation and Executive Award Review and Advisory Committee), to determine the transferee's past compliance with all aspects of the Department's programs, LURAs and eligibility under this chapter and §11.202 of Subchapter C (relating to Ineligible Applicants and Applications).

(j) Credit Limitation. As it relates to the Housing Tax Credit amount further described in §11.4(a) of this title (relating to Tax Credit Request and Award Limits), the credit amount will not be applied in circumstances described in paragraphs (1) and (2) of this subsection:

(1) In cases of transfers in which the syndicator, investor or limited partner is taking over ownership of the Development and not merely replacing the general partner; or

(2) In cases where the general partner is being replaced if the award of credits was made at least five years prior to the transfer request date.

(k) Penalties, Past Due Fees and Underfunded Reserves. The Development Owner must comply with any additional documentation requirements as stated in Subchapter F of this chapter (relating to Compliance Monitoring). The Development Owner, as on record with the Department, will be liable for any penalties or fees imposed by the Department even if such penalty can be attributable to the new Development Owner unless such ownership transfer is approved by the Department. In the event a transferring Development has a history of uncorrected UPCS violations, ongoing issues related to keeping housing sanitary, safe, and decent, an account balance below the annual reserve deposit amount as specified in §10.404(a) (relating to Replacement Reserve Accounts), or that appears insufficient to meet capital expenditure needs as indicated by the number or cost of repairs included in a PCA, the prospective Development Owner may be required to establish and maintain a replacement reserve account or increase the amount of regular deposits to the replacement reserve account by entering into a Reserve Agreement with the Department. The Department may also request a plan and timeline relating to needed repairs or renovations that will be completed by the departing and/or incoming Owner as a condition to approving the Transfer.

(l) Ownership Transfer Processing Fee. The ownership transfer request must be accompanied by the corresponding ownership transfer fee as outlined in §11.901 of this chapter (relating to Fee Schedule, Appeals, and other Provisions).
