ACTION ITEMS

3)d) Request for Amended Site Plan for 02-073, Pleasant Valley Courtyards, Austin, Texas Under the 2002 Qualified Allocation Plan

Carlos Herrera, Austin, Texas

Mr. Herrera gave his time to Ms. Cynthia Bast.

Cynthia Bast, Attorney, Locke Liddell Sapp, Austin, Texas

Ms. Bast stated the Pleasant Valley Courtyards received tax credits in the 2002 application round. They have requested an amendment to their site plan and the QAP allows an amendment to an application. This site plan amendment did not change the number of affordable units, the incomes of the tenants being served, and does not request more tax credits, it just asks to use

more acreage for the development due to sensitive environmental features on this site. There have been letters of support for this revised plan from impacted parties, elected officials, Mayor Garcia and Senator Barrientos. TDHCA staff felt this site plan amendment would be a material change which does require Board action. The Board did not take action on this project site as staff felt it would have materially adversely affected the selection of Pleasant Valley Courtyards for tax credits. She felt that Pleasant Valley Courtyards would have been recommended for tax credits in 2002 even with the revised site plan. This project would have been in a tie with another project if they had lost the 15 pre-application points, but would have received the award as the other project was not recommended by underwriting.

Since she felt the revised site plan would not have materially adversely affected the selection of Pleasant Valley Courtyards she asked for consideration of the revised site plan. The applicant is prepared to close the construction loan needed on this project.

Ms. Carrington stated the Board did consider this amendment to the site plan at the April Board and staff's recommendation was that the amendment to the site plan be denied and the Board upheld that recommendation. The staff recommendation remains the same as it was in April and that is the amendment to the site plan be denied. Staff feels very strongly that the pre-application points stay with the development through the entire process. Another project was mentioned that was put on the waiting list in August, 2002. The construction loan on the project must be closed by the close of business on June 13th.

Ms. Boston stated the Board has allowed site changes in the past for an easement or a dedication with the city for possible park land. The difference is that there were no pre-application points in those years.

Mr. Jones stated that the Board will be logical when it interprets the QAP rules.

Motion made by Beth Anderson and seconded by Mayor Salinas to uphold the staff's recommendation to decline the site plan change request.

Motion passed with 5 ayes (Ms. Anderson, Mr. Salinas, Mr. Gonzalez, Mr. Bogany and Mr. Jones) and 1 no (Mr. Conine)

Mr. Jones recognized several guests in attendance and these were: Jennifer Wickman from Senator West's office; Don Jones from Rep. Mercer's office; and Eric Ophelia from the House Committee on Urban Affairs.

Du Terroil, ALT, San Antonio, Texas

Mr. Du Terroil spoke on ALT Affordable Housing Services, Inc. in San Antonio, Texas as this application was disqualified because it was delivered by the Postal Service on the Tuesday after the Saturday delivery deadline. He felt this disqualification was an error as it should have been treated in the same manner as all applications received after the Saturday delivery date. Some applications were late and they were accepted and others were not and he asked for equal treatment for all. The department staff had a similar situation two years ago and they accepted all those applications even though they were late also.

- 4)a)2) Appeals to the Board from HOME Program Applicants on Application Matters:**
20030375 ALT Affordable Housing Services, Inc. in San Antonio
20030377 Community Action Social Services and Education, (CASSE) in Eagle Pass
20030376 Housing Authority of the City of Bastrop in Bastrop
20030378 Neighbors in Need of Services – NINOS in San Benito

Ms. Carrington stated there are four appeals relating to the deadline for the applications for the HOME awards. The Department received about \$82 million in funds and have 379 applications applying for those funds. Four of the six who submitted late applications

have filed an appeal. She further stated this is the last year that the Board will have to consider these requests as there be one date for applications to be submitted by and if they are not received by that date, the applications will not be considered.

Mayor Salinas asked the Board to accept these applications from the postmark date and let them be ranked the way the other ones are and if they do not have a successful score, then they do not get funded.

Motion made by Mayor Salinas and seconded by Vidal Gonzalez to grant the appeals and an amendment to the motion to accept these four and also the two others that were disqualified.

Passed Unanimously

Ms. Anderson stated that with the change proposed by Ms. Carrington to have the applications submitted by one date and not accept any late filed applications, that the applicants should receive good service from their consultants and there should not be any applications filed late.

1) Presentation, Discussion and Possible Approval of Minutes of Board Meeting of May 15, 2003

Motion made by C. Kent Conine and seconded by Vidal Gonzalez to approve the minutes of the May 15, 2003 Board Meeting.

Passed Unanimously

**2)a)1) Presentation, Discussion and Possible Approval of Financial Items:
Multifamily Mortgage Revenue Bonds and 4% Tax Credits: Proposed Issuance of Multifamily Mortgage Revenue Bonds for Fountain Circle, Austin, Texas in an Amount not to Exceed \$11,500,000 and Issuance of Determination Notice in the Amount of \$746,637 for Low Income Housing Tax Credits for 03-404, Fountain Circle with TDHCA as the Issuer**

Ms. Carrington stated this is a private activity bond and 4% tax credit transaction for the construction of 208 units. There is a comment from the City of Austin from the Director of Neighborhood Housing which states that this application is consistent with the consolidated plan for the City of Austin. The development will be located in Travis County and does meet all of the requirements for financial feasibility and staff is recommending the approval of both the issuance of the tax exempt bonds and also the allocation of 4% credits.

Ms. Elizabeth Rippy, Attorney, Vinson & Elkins, Austin, Texas

Ms. Rippy stated these are variable rate bonds and credit enhanced by Fannie Mae. The credit facility on this transaction is a direct-pay credit facility. The documents contain options to convert the bonds to fixed-rate at future dates and the maximum maturity date for the bonds is 2036 and the project will have 23 buildings.

Ms. Carrington stated that there were concerns about this property being in a flood plain and it is not within the hundred-year flood plain. She further stated this is a good transaction for the Department to do and staff is recommending approval.

Motion made by C. Kent Conine and seconded by Vidal Gonzalez to approve the issuance of Multifamily Mortgage Revenue Bonds for Fountain Circle, Austin, Texas in an Amount not to Exceed \$11,500,000, Resolution No. 03-46 and Issuance of Determination Notice in the Amount of \$746,637 for Low Income Housing Tax Credits for 03-46, Fountain Circle with TDHCA as the Issuer.

Passed Unanimously

b)1) Investments: - Investment Policy and Resolution No. 03-45

Mr. Bill Dally, Chief of Agency Administration, stated the investment policy is presented to the Board for review and adoption each year. This policy has been reviewed by the Director of Bond Finance, Vinson & Elkins and Dain Rauscher. There is a new section and was read into the record:

"This investment policy does not apply to hedges, which include but are not limited to interest-rate swaps, caps, floors, futures, contracts, forward contracts, et cetera, that satisfy the eligibility requirements of a qualified hedge as assigned by Section 1.148 of the Internal Revenue Code."

Motion made by C. Kent Conine and seconded by Shad Bogany to approve the Investment Report and Resolution No. 03-45.

Passed Unanimously

c)1) Financial Activities: - Status of LIHTC Inspection Fees

Mr. Dally stated the LIHTC inspection fees are now being held by the Financial Services section and they are keeping up with the invoices, billings, etc. The billings have been sent on all that needed additional billings and also on ones that had credits to issue. The list of outstanding inspections due to TDHCA has been given to Compliance and Multi-Family sections. In this 2003 application round, there are 19 applications identified that have fees outstanding, representing 14 developers for a total of \$50,510 and they have been billed. The balance on those that do not have applications in at this time is \$79,000.

The Board asked that people who owe TDHCA money, that they be given a two week warning to pay the money due to TDHCA.

Motion made by Shad Bogany and seconded by Beth Anderson that the 19 tax credit applications, that every developer would have their money turned into TDHCA within two weeks or the deals will not go forward and will be disqualified according to the QAP rules.
Passed Unanimously

2) Status of TDHCA Current Budget

Mr. Dally stated the 2002-2003 budget original amount was \$20,572,094. That has been reduced to \$19,964,421 as the department went through reorganization and also had the 7% budget cut. Estimates show the expenditures this year will be around \$18,165,041 leaving extra funds and this will mean cash is in the bank at the end of this year to carry forward in case the market drops or TDHCA does not get as many of the appropriated receipts or housing fees.

Ms. Carrington acknowledged Bill Dally, David Cervantes and David Aldrich who work in the Financial area and who have been working on the budget and all other finances. TDHCA has restricted in-state travel and have not had any out-of-state travel, have not had any merits, any raises or capital purchases. The department has achieved the 7% budget cut without having to lay off any staff and this is significant as other state agencies have had to substantially reduce their staff. She also thanked the Directors who made have this happen.

Mr. Conine thanked Ms. Carrington for her leadership and abilities in reducing the budget and for the reorganization.

3) Presentation, Discussion and Possible Approval of Low Income Housing Tax Credit Items:

a) Issuance of Determination Notices to Tax-Exempt Bond Transactions with Local Bond Issuers:

02-485, Alameda Villas, Ft. Worth, Texas in amount of \$503,256, Tarrant County HFC is the Issuer

Ms. Carrington stated this is the issuance of a determination to a tax exempt bond transaction with a local issuer of Tarrant County Housing Finance Corporation and is called Alameda Village, Ft. Worth, Texas. It will have 192 units and staff is recommending a determination notice in the amount of \$503,256.

Motion made by C. Kent Conine and seconded by Shad Bogany to approve the issuance of a determination notice to Alameda Villas, No. 02-485, Ft. Worth, Texas in the amount of \$503,256.

Passed Unanimously

b) Extensions on Deadline for Construction Loan Closing for 2002 Allocations:

02-086 Refugio Street Apartments, San Antonio

02-046 Colony Park Apartments, Eastland

02-047 Walnut Hill Apartments, Baird

02-080 Fallbrook Ranch, Houston

02-099 Sunrise Village Apartments, Houston

02-174 Gateway Village Seniors, Beaumont

David Kelley

Mr. Kelley was in attendance to answer any questions the Board may have.

Jeff Fulencheck

Mr. Fulencheck was in attendance to answer any questions the Board may have.

Mr. Jones stated he received a call from the City of San Antonio and they were in favor of the extension for Refugio Street Apartments.

Ms. Carrington stated on The Gateway Village Seniors that the applicant has changed the ownership structure to admit a member with Section 42 experience.

Motion made by Shad Bogany and seconded by Beth Anderson to approve the extension of the deadline on construction loan closings for the allocations of:

02-086 Refugio Street Apartments, San Antonio

John Frost, Meridian Commercial, Austin, Texas

Mr. Frost stated they received the permits and contract from the owners of the property of Springdale Estates on 01-30-03 and during the site and utility work, there was about 22 rain days and it caused a delay. All the rough framing now is done and they anticipate completion around November 1st and asked that the extension to be approved so they can go forward.

c) Extension Request for Commencement of Substantial Construction for 01-027, Springdale Estates, Austin

Ms. Carrington stated staff is requesting approval of the extension request for Springdale Estates in Austin, Texas.

Motion made by Shad Bogany and seconded by Vidal Gonzalez to approve the extension request for Springdale Estates, Austin, Texas to June 12, 2003.

Passed Unanimously

4) Presentation, Discussion and Possible Approval of Programmatic Items:
a)1) HOME Program Homebuyer Assistance County Income Calculations

Ms. Carrington stated staff reviewed the income limits used to determine how much a family would be eligible to receive for the down payment assistance program. Staff found that if the assistance stayed as it is, families would not receive the maximum amount of \$10,000. This would penalize the lowest income families if the set amounts were not changed. Staff is recommending to change these figures on an annual basis based on changes in the HUD median incomes and allow for the greatest amount of assistance in the areas where the incomes are the lowest.

Motion made by Shad Bogany and seconded by C. Kent Conine to approve the HOME Program Homebuyer Assistance County Income calculations for this current round of HOME applications and then the Board will review the policy again. Staff will also monitor the program and advise the Board if less families are being served.
Passed Unanimously

b)1) Housing Trust Fund: Capacity Building Award Recommendations for:
03-917 Habitat for Humanity of Wichita Falls Inc., Wichita Falls, \$38,948
03-910 Denton Affordable Housing Corp., Denton, \$43,670

03-902 TVP Non-Profit Corporation, El Paso, \$40,549
03-903 Marvellous Light Corporation, El Paso, \$43,671

Ms. Carrington stated the Department issued a NOFA in March and the amount available for capacity building under that NOFA was \$567,729. There were 17 applications received by the deadline of April 23, 2003. There are 14 of the highest scoring applications being recommended by staff for the \$567,729. The amount on each is about \$43,600 and the various non-profit organizations hire staff and salaries associated with a particular project or to begin the preliminary work for housing developments. The staff person is required to attend at least two workshops sponsored by TDHCA and they must submit a final report verifying what the individual has done for the organization for that year in developing their capacity.

Mr. Bogany had questions on the accountability that these organizations are hiring people who can actually help them to achieve their goal and these are not people being on staff with no experience.

Ms. Brooke Boston stated the department did ask if they knew who they were going to hire and for the organizations to submit resumes.

Ms. Carrington stated that staff will include requirements that the resume reflecting experience is submitted before a contract is executed.

On the question of groups who received awards previously, Ms. Boston replied that each group is allowed up to two years and no longer but she will determine who has received awards in the past five years.

Mr. Jones advised the Board that he will ask that this item be on the agenda for the next Board Meeting and there will be no action taken on it at this meeting.

CALL TO ORDER, ROLL CALL
CERTIFICATION OF QUORUM

The Board Meeting of the Texas Department of Housing and Community Affairs of June 25, 2003 was called to order by Board Chair Michael Jones at 8:40 a.m. It was held at the State Capitol Extension Auditorium, 1100 Congress, Austin, Texas. Roll call certified a quorum was present.

Members present:

Michael Jones -- Chair
C. Kent Conine -- Vice-Chair
Beth Anderson -- Member
Shad Bogany -- Member
Vidal Gonzalez -- Member
Norberto Salinas -- Member

Staff of the Texas Department of Housing and Community Affairs was also present.

PUBLIC COMMENT

The Board will solicit Public Comment at the beginning of the meeting and will also provide for Public Comment on each agenda item after the presentation made by department staff and motions made by the Board.

Mr. Jones called for public comment and the following gave comments at this time.

The Honorable Gonzalo Barrientos, Senator, State of Texas, Austin, Texas

Senator Barrientos stated he supported the Villas on Sixth Street, a multifamily project of 160 units of which 85% will have rent ceilings. There will be additional economic development and retail establishment. This project will have after school programs, learning centers, etc. and he asked the Board to give consideration to this project.

The Honorable Mike Jackson, Senator, State of Texas, Austin, Texas

Senator Jackson stated he supported the Village at Morning Star in Texas City. There are more than 300 seniors on a waiting list for housing in Texas City and this project will add 78 units and the city has partnered with DNA Community Partners to build the complex and he felt this was a very deserving project.

Ms. Allison Brock, Rep. Turner's Office, Austin, Texas

Ms. Brock asked to read a letter from Rep. Sylvester Turner into the record which stated:

"I, along with several hundred members of the Acres Home citizen council, wish to offer our strong opposition to the proposed housing development, Little York Villas, to be located at Newman and West Little York. We are currently combating rampant crime and a housing project just across the street from this proposed development and feel certain that any further development would pose added risk to the children who play nearby in a park and the residents who strive every day to improve their lives. If this development is built, it becomes interwoven within the Acres Home community. Any problems that surface with this development become our problem. Any victim of crime as a result of this development is an individual we must counsel and offer guidance to. Any trash or hazardous debris left in the area at this development becomes debris we are responsible for.

Right now, if a citizen falls through the rotting wood porch of a housing project whose neglectful owner dismisses the complaints of rotting wood, this citizen is next on our list in need of housing repair. Right now any youth who walks by a housing project and is solicited to sell drugs at a nearby school on behalf of an older drug user, becomes the next youth we must visit in our county's juvenile facility. You all are here today to make a decision that will have a profound affect upon the quality of life for hundreds of children and residents in the Acres Home area. Once you all make this decision, it then becomes a property we are responsible for. We are proud of the Acres Home community and we will fight to maintain its integrity. We cannot serve our mission to protect our community if we are not given a vote in its development. Thank you for the opportunity to express on behalf of the Acres Home citizen council -- thank you for the opportunity to express their comments." Sylvester Turner.

The Honorable Eddie Rodriguez, Representative, State of Texas, Austin, Texas

Representative Rodriguez stated he supported Campbell Hogue and Associates and their project of Villas on Sixth Street. Affordable housing is very critical in his district in east Austin and this development is a good example of how to do affordable housing the right way. The Villas on Sixth Street has worked with the community and there is a neighborhood plan in place. This area is near the downtown area and this is critical.

Nycole Estrada, El Paso, Texas

Ms. Estrada was in favor of the Sun Crest Town Homes in El Paso, Texas.

Robert Jaime, El Paso, Texas

Mr. Jaime was in support of the Sun Crest Town Homes in El Paso, Texas. The tax credit program has helped his family and he asked for support for this project for other people in El Paso.

Lorina De La Rosa, El Paso, Texas

Ms. De La Rosa stated she lived in a tax credit project and this project is a benefit to the city and to the community. She asked for support for Sun Crest Town Homes.

Paul Hilgers, Community Development Officer, Austin, Texas

Mr. Hilgers asked for support for the tax credit project of Villas on Sixth Street.

Carlos Garza, Mayor, Texas City, Texas

Mayor Garza asked for support for the Village at Morning Star which is to be a senior housing project in Texas City. There is no opposition to the project.

Eduardo Hagert, Sen. Eliot Shapleigh's Chief of Staff, El Paso, Texas

Mr. Haggard read a letter into the record from Senator Shapleigh which stated:

"Dear Ladies and Gentlemen of the Board. This letter is in strong support of the Sun Crest Town Homes low income tax credit development, application number 03223, in El Paso. El Paso supports allocation of credits to Region Thirteen and specifically this application in support of the affordable housing needs of our community. I urge the board to give their full support to this application in accordance with the qualified application plan and the process adopted by the TDHCA board. Very truly yours, Eliot Shapleigh."

Terry Campbell, Campbell, Hogue & Associates, Austin, Texas

Mr. Campbell was in support of the Villas on Sixth Street and asked that the Board send this project to underwriting in the event that there are tax credits available from any returned credits or a 2004 carry forward.

Arthur Fierro, El Paso, Texas

Mr. Fierro read a resolution into the record from the Mayor Pro Tem Anthony Cobes of El Paso and of which the resolution was signed by Mayor Joe Wardy of El Paso which stated:

"The resolution that the City of El Paso expresses to the Texas Department of Housing and Community Affairs, its opposition of public-housing project known as Sun Crest Town Homes, project 03223. Where Sun Crest Town Homes is a partnership between the El Paso Housing Authority and Investment Builders, and whereas Sun Crest Town Homes, project 03223, is proposed to be located in District 8, which is represented by Anthony Cobes, mayor pro tem. And whereas this project is proposed to be located near five other public housing projects, which has created an over abundance of public housing in the general vicinity and over 591 units existing and another 200 planned by the El Paso Housing Authority by the end of this year. Nine hundred and eleven within a quarter mile of the proposed site.

Whereas Sun Crest Townhouse Homes will add another 160 public-housing units to the area which is reaching the point of discrimination by forcing poor families to live in one isolated area with little or no flexibility to live elsewhere. And whereas the model of creating clusters of hundreds of families into a mass public housing project in order to accommodate local housing authorities has been a failure nationwide and whereas this will help to assimilate disadvantaged poor families into the working class society." Signed by the mayor of El Paso, Joe Wardy.

Rudolph Montiel, Pres/CO, Housing Authority of El Paso, Texas

Mr. Montiel stated the Board members of the Housing Authority in El Paso are appointed by the Mayor and serve staggered two year terms. Sun Crest Apartments are zoned for multi family construction and this project was approved by the previous mayor's administration.

McKinnon Morton, Austin, Texas

Mr. Morton was in support of the Villas on Sixth Street.

Kalinda Howell, Austin, Texas

Ms. Howell was in support of the Villas on Sixth Street.

Isaach Kinungi, Selma, Texas

Mr. Kinungi stated he was appealing to the Board on the application 03-138 in Selma, Texas to reinstate 7 points that were denied by staff due to 2 threshold items in the application. He stated they did receive support letters and these were according to the rules of the QAP. They also were denied 2 points on the proof of delivery. The proof of delivery is in the form of a satisfied mail receipt from the US Post Office or the recipient. He asked the Board to restore these points.

Joseph Agumadee, Houston, Texas

Mr. Agumadee stated he was in favor of the Little York Villas, #03-246. They were informed that there was opposition to this project so they met with the citizens and talked through the issues and addressed concerns and asked the Board to approve this project for tax credits.

John Trevino, Austin, Texas

Mr. Trevino stated the Capital Metropolitan Transportation Authority unanimously adopted a resolution supporting the Villas on Sixth Street.

Frances Teran, Pres. Mexican American Unity Council, San Antonio, Texas

Ms. Teran stated she was in support of #03-207, Palacio Del Sol.

Paul Saldana, Austin, Texas

**TEXAS DEPARTMENT OF HOUSING AND COMMUNITY
AFFAIRS
BOARD MEETING
JULY 30, 2003**

PRESENTATION, DISCUSSION AND POSSIBLE APPROVAL OF
2002–2003 SINGLE FAMILY HOME INVESTMENT PARTNERSHIPS
PROGRAM (HOME) AWARD RECOMMENDATIONS

Staff is pleased to present the award recommendations for the 2002–2003 Single Family HOME Investment Partnerships Program Funding Cycle. The following activities are being recommended for funding: Homebuyer Assistance (HBA), Owner-Occupied (OCC), Tenant Based Rental Assistance (TBRA) and the Special Needs Set-Aside. An overview of the methodologies used to rank the projects is provided.

Funding Recommendation Methodology

The Single Family HOME funds allow for the application of three different types of activities – HBA, OCC and TBRA. A percentage estimate of each activity that would be made available to applicants during the 2002–2003 HOME Funding Cycle was projected in the 2003 Program Year HUD Consolidated Plan and the HOME Program Funding Plan. Recommendations are being made based on the highest scoring applicants serving non-participating jurisdictions. Award amounts may not exceed \$500,000 per application under each activity.

Compliance with the Regional Allocation Formula was maintained as a priority throughout the scoring process in the preparation of the funding recommendations. In regions where an insufficient number of applicants existed under an activity, recommendations are being made to fund applicants in the same region for the activity with the most eligible applications, in accordance with the 2003 Consolidated Plan and the 2002-2003 HOME Program Notice of Funding Availability (NOFA).

In addition to the three eligible activities in each region (HBA, OCC & TBRA), there is also a special needs set-aside for each region. The Department allocated a minimum of 20% of the annual HOME allocation to applicants serving persons with special needs. In regions where two applications are submitted from the same entity for the same activity, one for the general HBA, OCC, or TBRA activity and one for the same activity under the special needs set-aside, priority is given to the application serving the general HBA, OCC or TBRA activity. If the recommended award amount for this activity is \$500,000, the general application is recommended for funding. The special needs application is not recommended for funding because we cannot exceed the maximum award amount. Department staff felt that an applicant recommended for funding under a regional activity could serve special needs populations if they so desire without receiving funding through the special needs set-aside. If an applicant chooses to do so, additional special needs households will be served as a result.

If the recommended award amount for the general activity does not exceed the \$500,000 maximum award amount, the second application serving special needs for the same activity may be recommended for funding up to the maximum award amount per activity. In accordance with the 2003 State Low Income Housing Plan and Rider 3 to TDHCA's 2003-2004 appropriation, priority in the special needs set-aside is given to TBRA applicants, followed by OCC and HBA.

In accordance with Section 2306.111 of the Government Code, the Department may allocate no less than ninety-five percent (95%) of the HOME Program funds to applicants that serve households in a non-participating jurisdiction (non-PJ). Current state law requires the Department to allocate five percent (5%) of the HOME Program funds to applicants servicing persons with disabilities. HOME Program funds under the five percent (5%) set-aside may be used to serve households in participating jurisdictions (PJs) as long as one-hundred percent (100%) of the households served have a disabled member. A PJ application competes for funds under the five percent (5%) disability set-aside with preference given to applicants serving non-PJs. These funds are not subject to the Regional Allocation Formula. Non-PJ preference is ensured since PJ applicants do not receive an Affordable Housing Needs (AHN) score. Eligible activities under this set-aside include HBA, OCC & TBRA. Since funds can be awarded under this set-aside to applicants serving PJs, the set-aside is subject to the ninety-five percent (95%) rule.

A minimum of fifteen percent (15%) of the HOME allocation is reserved for Community Housing Development Organizations (CHDOs). CHDOs can apply for Single Family HBA funds if their organization is the owner, developer or sponsor of the single family housing project. Funds for this activity are distributed by the Single Family Finance Production Division. The CHDO rental funds are distributed by the Multifamily Finance Production Division.

In order to provide adequate funding per activity, CHDO funds are not subject to the Regional Allocation Formula. Prior to award, a percentage for each CHDO eligible activity (multifamily vs. single family) was determined by Department staff by the number of eligible applicants under each activity. It is important to note that any CHDO HBA awards recommended for funding serving one-hundred percent of the disability community will be awarded under the CHDO set-aside and not from the five percent (5%) disability set-aside. This will enable the Department to serve more households with disabilities and to utilize funds from the CHDO set-aside. Historically, the Department has not received sufficient fundable applications under the CHDO set-aside.

In some of the Uniform State Service Regions, tie scores occurred. In these instances, we used a pro-rata percentage to determine the recommended funding amount based on the dollar amount of funds requested.

Additional Considerations

The State HOME rules include a minimum score requirement based on 60% of the total score established for the respective activity (HBA, OCC, TBRA) to be considered for a funding recommendation. This requirement equates to 78 points based on an availability of 130 total points and is annotated by the bold line on the attached spreadsheets. Applicants that did not pass the minimum score requirement were not eligible for recommendations. Applications recommended for funding were submitted to the Portfolio Management and Compliance Division for review and approval and entry into the Developer Evaluation System.

Recommendation

Staff requests approval of the 2002–2003 HOME Program funding recommendations for the activities and program set-asides as detailed on the attached List of Recommendations and regional spreadsheets. Staff also recommends and requests approval of 4% administrative funds for all applicants, except for-profit organizations, based on the amount of project dollars recommended. For the CHDO applicants being recommended for funding, staff recommends 5% for operating expenses based on the amount of project dollars recommended.

**TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
BOARD MEETING
July 30, 2003**

**PRESENTATION, DISCUSSION AND POSSIBLE APPROVAL OF HOME
INVESTMENT PARTNERSHIPS PROGRAM
DISASTER RELIEF APPLICATION**

The Texas Department of Housing and Community Affairs (TDHCA) Board adopted a Deobligation Policy on January 17, 2002. In accordance with the policy, staff recommends the approval of a Disaster Relief award utilizing HOME deobligated funds.

The disaster occurred between June 28 - July 7, 2002 and was the result of excessive rain and flooding which affected thirty-five (35) counties in South Texas. Upon completion of damage assessments conducted by the Division of Emergency Management (DEM), the Federal Emergency Management Agency (FEMA) and several other state agencies, both State and Federal Declarations were made for all thirty-five (35) counties.

On May 15, 2003, TDHCA received an application for disaster relief assistance from the City of Mathis which is located in the thirty-five (35) county disaster area. The application was reviewed and scored by the appropriate Single Family Finance Production staff and a funding recommendation was made to program management.

It should be noted that when this disaster occurred, the HOME Program had established a one-year deadline for disaster relief applications from the date of the disaster. Since the recent TDHCA reorganization, many aspects of the Disaster Relief Program have been reviewed and modified in order to expedite assistance to those cities and counties affected. The application deadline is now defined as within 6 months from the actual disaster or 3 months from the Disaster Application Workshop, if one is requested. Additionally, the applications will be scored upon receipt (first-come, first-served) and then recommendations will be made at the next Board meeting if the applicant meets the minimum threshold and qualifies for assistance. The application form has also been placed on the TDHCA website.

Recommendation

Staff recommends that the Board approve the Disaster Relief funding for the City of Mathis in the amount of \$514,800.00, as outlined in the attached Disaster Application Summary.

For reconstruction projects, the set-up amount will not exceed Fifty-Five Thousand Dollars (\$55,000.00) and will not exceed the HUD 221(d)(3) limits at any time. Summary

In 2001, the Texas Legislature amended this program that requires the Owner Builder Loan Program, also known as the Texas Bootstrap Loan Program, to be funded \$3 million per year until 2010. The new legislation also removed the requirement that the owner-builder must reside with two other family members and increased the maximum loan amount to \$30,000. The total loan amount of all loans from the Texas Department of Housing and Community Affairs (the Department) and other entities cannot exceed \$60,000 per unit.

The Department is required to set aside at least two-thirds (2/3) \$2,000,000 of the available funds for owner-builders whose property is located in an Economically Distressed Area (EDA) county, as defined under Subchapter K, Chapter 17, Texas Water Code. The majority of the EDA counties are located along the Texas-Mexico border region. The remainder of the funding, one-third (1/3) \$1,000,000 will be available to Department certified nonprofit Owner-Builder Programs Statewide.

This program is required to provide \$3 million available for mortgage loans to very low-income families (60% Area Median Family Income) not to exceed \$30,000 per unit. This program is a self-help construction program, which is designed to assist very low-income families an opportunity to help themselves through the form of sweat equity. All participants under this program are required to provide at least 60 percent of labor that is necessary to construct or rehabilitate the home. All applicable building codes will be adhered to; under this program. In addition nonprofit organizations can combine these program lending funds with other sources such as private lending institutions, local governments, or any other sources. However, all combined loans can not exceed \$60,000 per unit.

On April 18, 2003, the Department announced the availability of \$3 million from the Texas Housing Trust Fund \$1.2 million and Taxable Junior Lien Single Family Mortgage Revenue Bond Program \$1.8 million to implement the FY 2003 Texas Bootstrap Loan Program. Deadline for submission of applications was at 5:00 p.m. on June 6, 2003. We received nine (9) applications requesting over \$4.4 million.

During the month of June 2003, the Department scored and reviewed all submitted applications.

RECOMMENDATION

Request approval of \$3 million in Texas Housing Trust Fund and Taxable Junior Lien Single Family Mortgage Revenue Bond Program funds to be awarded to the following organizations in order to implement the FY 2003 Texas Bootstrap Loan Program to construct and/or rehabilitate units for very low-income families. TITLE 10. COMMUNITY DEVELOPMENT
PART I. TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
CHAPTER 33. GUIDELINES FOR MULTIFAMILY HOUSING REVENUE BOND
10 TAC §§ 33.1-33.13

The Texas Department of Housing and Community Affairs (the Department) proposes the repeal of §§33.1-33.13, concerning the Guidelines for Multifamily Housing Revenue Bond rules. These sections are proposed for repeal in order to implement new legislation enacted by the 78th Legislative Session, including particularly Senate Bill 1664, Section 4, and Senate Bill 264, Section 15.

Edwina P. Carrington, Executive Director, has determined that for the first five-year period the repeal is in effect, there will be no fiscal implications for state or local government as a result of enforcing or administering the repeal.

Ms. Carrington also has determined that for each year of the first five years the repeal is in effect the public benefit anticipated as a result of enforcing the repeals will be to permit the adoption of new rules for multifamily housing revenue bonds within the State of Texas, thereby enhancing the State's ability to provide decent, safe and sanitary housing for Texans through the multifamily housing revenue bond program administered by the Department. There will be no effect on persons, small businesses or micro-businesses. There are no anticipated economic costs to any person, business or micro-business required to comply with the repeal as proposed. The proposed repeal will not have an impact on any local economy.

TITLE 10. COMMUNITY DEVELOPMENT
PART I. TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
CHAPTER 33. MULTIFAMILY HOUSING REVENUE BOND RULES
10 TAC §§ 33.1-33.10

The Texas Department of Housing and Community Affairs (the Department) adopts on an emergency basis new §§33.1-33.10, regarding Multifamily Housing Revenue Bond Rules. These new sections are simultaneously proposed for permanent adoption in the proposed section of this issue of the Texas Register.

The Department finds that new requirements of state law require adoption of the rules on fewer than 30 days' notice. The reasons for this finding are that statutes enacted by the 78th Legislature, including particularly SB 1664, Section 4, and SB 264, Section 15; the rules of the Bond Review Board; and the procedures and deadlines for Multifamily Housing Revenue Bonds require the immediate adoption of these new sections.

These new sections are adopted on an emergency basis pursuant to Chapter 2306, Texas Government Code, which provides the Governing Board of the Department with the authority to adopt rules necessary for the efficient administration of the Department's Multifamily Housing Revenue Finance Production.

§ 33.1. Introduction

The purpose of this Chapter 33 is to state the Texas Department of Housing and Community Affairs (the "Department") requirements for issuing Bonds, the procedures for applying for multifamily housing revenue Bond financing, and the regulatory and land use restrictions imposed upon Housing Developments financed with the issuance of Bonds. The rules and provisions contained in this Chapter 33 are separate from the rules relating to the Department's administration of the Low Income Housing Tax Credit Program. Applicants seeking a tax credit allocation should consult the Department's current Qualified Allocation Plan and Rules ("QAP") relating to the Low Income Housing Tax Credit Program, to be published in Title 10 Texas Administrative Code.

§ 33.2. Authority

The Department receives its authority to issue Bonds from Chapter 2306 of the Texas Government Code (the "Act"). All Bonds issued by the Department must conform to the requirements of the Act. Notwithstanding anything herein to the contrary, tax-exempt Bonds which are issued to finance the Housing Development of multifamily rental housing are specifically subject to the requirements of the laws of the State of Texas, including but not limited to the Act, Chapter 1372 of the Texas Government Code relating to Private Activity Bonds, and to the requirements of the Code (as defined in this chapter).

§ 33.3. Definitions

"Applicant" means any Person or Affiliate of a Person who files a Pre-Application or an Application with the Department requesting the Department issue Bonds to finance a Housing Development.

"Application" means an Application, in the form prescribed by the Department, filed with the Department by an Applicant, including any exhibits or other supporting material.

"Board" means the governing Board of the Department.

A Regulatory and Land Use Restriction Agreement or other similar instrument (the "LURA"), will be filed in the property records of the county in which the Housing Development is located for each Housing Development financed from the proceeds of Bonds issued by the Department. For Housing Developments involving new construction, the term of the LURA will be the longer of 30 years, or the period for which Bonds are outstanding. For the financing of an existing Housing Development, the term of the LURA will be the longer of the longest period which is economically feasible in accordance with the Act, or the period for which Bonds are outstanding.

(b) Housing Development Occupancy. The LURA will specify occupancy restrictions for each Housing Development based on the income of its tenants, and will restrict the rents that may be charged for Units occupied by tenants who satisfy the specified income requirements. Pursuant to Section 2306.269 of the Act, the LURA will prohibit a Housing Sponsor from excluding an individual or family from admission to the Housing Development because the individual or

family participates in the housing choice voucher program under Section 8, United States Housing Act of 1937 (the "Housing Act"), and from using a financial or minimum income standard for an individual or family participating in the voucher program that requires the individual or family to have a monthly income of more than two and one half (2.5) times the individual's or family's share of the total monthly rent payable to the Housing Sponsor of the Housing Development. Housing Development occupancy requirements must be met on or prior to the date on which Bonds are issued unless the Housing Development is under construction. Adequate substantiation that the occupancy requirements have been met, in the sole discretion of the Department, must be provided prior to closing. Occupancy requirements exclude units for managers and maintenance personnel that are reasonably required by the Housing Development.

(c) Set-Asides. Housing Developments which are financed from the proceeds of Private Activity Bonds or from the proceeds of Qualified 501(c)(3) Bonds must be restricted under one of the following two set-asides: (i) at least twenty percent (20%) of the Units within the Housing Development that are available for occupancy shall be occupied or held vacant and available for occupancy at all times by persons or families whose income does not exceed fifty percent (50%) of the area median income, or (ii) at least forty percent (40%) of the Units within the Housing Development that are available for occupancy shall be occupied or held vacant and available for occupancy at all times by persons or families whose income does not exceed sixty percent (60%) of the area median income. The Housing Sponsor must designate at the time of application which of the two set-asides will apply to the Housing Development and must also designate the selected priority for the Housing Development in accordance with Section 1372.0321, Texas Government Code. Units intended to satisfy set-aside requirements must be distributed evenly throughout the Housing Development, and must include a reasonably proportionate amount of each type of unit available in the Housing Development. No tenant qualifying under either of the set-asides shall be denied continued occupancy of a Unit in the Housing Development because, after commencement of such occupancy, such tenant's income increases to exceed the qualifying limit; provided, however, that, should a tenant's income, as of the most recent determination thereof, exceed 140% of the then applicable income limit and such tenant constitutes a portion of the set-aside requirement of this section, then such tenant shall only continue to qualify for so long as no Unit of comparable or smaller size is rented to a tenant that does not qualify as a Low-Income Tenant. (These are the federal set-aside requirements)

(d) Global Income Requirement. All of the Units that are available for occupancy in Housing Developments financed from the proceeds of Private Activity Bonds or from the proceeds of Qualified 501(c)(3) Bonds shall be occupied or held vacant (in the case of new construction) and available for occupancy at all times by persons or families whose income does not exceed one hundred and forty percent (140%) of the area median income for a four-person household.

(e) Qualified 501(c)(3) Bonds. Housing Developments which are financed from the proceeds of Qualified 501(c)(3) Bonds are further subject to the restriction that at least seventy-five percent (75%) of the Units within the Housing Development that are available for occupancy shall be occupied (or, in the case of new construction, held vacant and available for occupancy until such time as initial lease-up is complete) at all times by individuals and families of Low Income.

(f) Taxable Bonds. The requirements for Housing Developments financed from the issuance of taxable Bonds will be negotiated and considered on a case by case basis.

(g) Special Needs. At least five percent (5%) of the Units within each Housing Development must be designed to be accessible to Persons with Special Needs and hardware and cabinetry must be stored on site or provided to be installed on an as needed basis in such Units. The Housing Sponsor will use its best efforts (including giving preference to Persons with Special Needs) to: (i) make at least five percent (5%) of the Units within the Housing Development available for occupancy by Persons with Special Needs, (ii) make reasonable accommodations for such persons, and (iii) allow reasonable modifications at the tenant's sole expense pursuant to the Housing Act. During the term of the LURA, the Housing Sponsor shall maintain written policies regarding the Housing Sponsor's outreach and marketing program to Persons with Special Needs.

(h) Fair Housing. All Housing Developments financed by the Department must comply with the Fair Housing Act which prohibits discrimination in the sale, rental, and financing of dwellings based on race, color, religion, sex, national origin, familial status, and disability. The Fair Housing Act also mandates specific design and construction requirements for multifamily housing built for first occupancy after March 13, 1991, in order to provide accessible housing for individuals with disabilities.

(i) Tenant Services. The LURA will require that the Housing Sponsor offer a variety of services for residents of the Housing Development through a Tenant Services Program Plan which is subject to annual approval by the Department.

(j) The LURA will require the Housing Sponsor:

- 1) To obtain, complete and maintain on file Tenant Income Certifications from each Eligible Tenant, including (i) a Tenant Income Certification dated immediately prior to the initial occupancy of each new Eligible Tenant in the Housing Development and (ii) thereafter, annual Tenant Income Certifications which must be obtained on or before the anniversary of such Eligible Tenant's occupancy of the Unit, and in no event less than once in every 12-month period following each Eligible Tenant's occupancy of a Unit in the Housing Development. For administrative convenience, the Housing Sponsor may establish the first date that a Tenant Income Certification for the Housing Development is received as the annual recertification date for all tenants. The Housing Sponsor will obtain such additional information as may be required in the future by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are tax-exempt private activity bonds described in Section 142(d) of the Code. The Housing Sponsor shall make a diligent and good-faith effort to determine that the income information provided by an applicant in a Tenant Income Certification is accurate by taking steps required under Section 142(d) of the Code pursuant to provisions of the Housing Act. As part of the verification, such steps may include the following, provided

such action meets the requirements of Section 142(d): (1) obtain pay stubs for the most recent one-month period; (2) obtain income tax returns for the most recent two tax years; (3) conduct a consumer credit search; (4) obtain an income verification from the applicant's current employer; (5) obtain an income verification from the Social Security Administration, or (6) if the applicant is self-employed, unemployed, does not have income tax returns or is otherwise not reasonably able to provide other forms of verification as required above, obtain another form of independent verification as would, in the Housing Sponsor's reasonable commercial judgment, enable the Housing Sponsor to determine the accuracy of the applicant's income information. The Housing Sponsor shall retain all Tenant Income Certifications obtained in compliance with this subsection (b) until the date that is six years after the last Bond is retired;

TITLE 10. COMMUNITY DEVELOPMENT
PART I. TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
CHAPTER 33. MULTIFAMILY HOUSING REVENUE BOND RULES
10 TAC §§ 33.1-33.10

The Texas Department of Housing and Community Affairs (the Department) proposes new §§33.1-33.10, concerning the Multifamily Housing Revenue Bond Rules. The sections are proposed new in order to implement new legislation enacted by the 78th Legislative Session, including particularly Senate Bill 1664, Section 4, and Senate Bill 264, Section 15.

Edwina P. Carrington, Executive Director, has determined that for the first five-year period the new sections are in effect, there will be no fiscal implications for state or local government as a result of enforcing or administering the repeal.

Ms. Carrington also has determined that for each year of the first five years the new sections are in effect the public benefit anticipated as a result of enforcing the new sections will be to permit the adoption of new rules for multifamily housing revenue bonds within the State of Texas, thereby enhancing the State's ability to provide decent, safe and sanitary housing for Texans through the multifamily housing revenue bond program administered by the Department. There will be no effect on persons, small businesses or micro-businesses. There are no anticipated economic costs to any person, business or micro-business required to comply with the new sections as proposed. The proposed new sections will not have an impact on any local economy.

Comments may be submitted to Robbye Meyer, Multifamily Finance Production, Texas Department of Housing and Community Affairs, P. O. Box 13941, Austin, Texas, 78711-3941 or by e-mail at the following address: rmeyer@tdhca.state.tx.us.

The proposed new sections are proposed pursuant to the authority of the Texas Government Code, Chapter 2306.

The proposed new sections affect no other code, article or statute.

<new> PUT IN NEW RULE – Same as Emergency Rule as approved.

**Memorandum of Understanding between the
Texas Department of Housing and Community Affairs
AND
The Texas Commission on Human Rights**

BACKGROUND

Section 2306.257 (d) of the Texas Government Code requires the Department to notify the Texas Commission on Human Rights (TCHR) if the Department determines that a program participant may have failed to comply with state and federal fair housing laws.

To determine if developments comply with accessibility requirements of the Fair Housing Act, a limited inspection is performed by Department staff during the initial compliance review. If the results of the Department's review indicate possible accessibility violations of the Fair Housing Act, the development is referred to the Human Rights Commission for further inspection and investigation. In order for the TCHR to conduct an investigation, a formal complaint must be filed. Due to potential conflicts the Department was not able to act as the complainant. The TCHR was prohibited by their board to generate TCHR initiated complaints.

The combined efforts of the Department and TCHR produced a Memorandum of Understanding that will allow our referrals to be processed with the TCHR acting as the complainant. The MOU was recently approved by the TCHR board.

Highlights of the memorandum state:

The Department will refer information which indicates possible violations;

TCHR will initiate a complaint and conduct an investigation;

TCHR will investigate the complaint and conduct a full accessibility inspection of the development;

TCHR will notify the Department in writing of the outcome of the investigation and resolution of the complaint; and

TCHR will provide a copy of the conciliation agreement to the Department.

RECOMMENDATION:

Staff recommends the Board approve the MOU between the Texas Commission on Human Rights and the Texas Department of Housing and Community Affairs.

STATE OF TEXAS *
 *
COUNTY OF TRAVIS *

This Memorandum of Understanding is made and entered into by and between the Texas Department of Housing and Community Affairs ("TDHCA"), and the Texas Commission on Human Rights ("TCHR," and together with TDHCA, the "Parties"), both agencies of the State of Texas, pursuant to the authority granted and in compliance with the provisions of Chapter 2306, Texas Government Code, and Chapter 301, Texas Property Code.

If the development was built for first occupancy after March 13, 1991, and the monitor suspects that the development does not meet all legally mandated accessibility requirements, TDHCA will refer information which indicates possible violations to TCHR and request that TCHR initiate a complaint and conduct an investigation. TDHCA may also learn of and refer possible other violations of Fair Housing law. TDHCA's referral will be on the Fair Housing Referral form attached as Exhibit A.

Upon receipt of the referral from TDHCA, TCHR may initiate a complaint based on the referral. The complaint will be submitted to the United State Department of Housing and Urban Development ("HUD"). TO QUALIFIED MORTGAGE BONDS; AND CONTAINING OTHER
PROVISIONS RELATING TO THE SUBJECT

WHEREAS, the Texas Department of Housing and Community Affairs (the "Department") has been duly created and organized pursuant to and in accordance with the provisions of Chapter 2306, Texas Government Code, as amended (the "Act"), for the purpose, among others, of providing a means of financing the costs of residential ownership, development and rehabilitation that will provide decent, safe, and affordable living environments for persons and families of low and very low income (as defined in the Act) and families of moderate income (as described in the Act and determined by the Governing Board of the Department (the "Board") from time to time); and

WHEREAS, the Act authorizes the Department: (a) to make and acquire and finance, and to enter into advance commitments to make and acquire and finance, mortgage loans and participating interests therein, secured by mortgages on residential housing in the State of Texas (the "State"); (b) to issue its bonds, for the purpose, among others, of obtaining funds to acquire or finance such mortgage loans, to establish necessary reserve funds and to pay administrative and other costs incurred in connection with the issuance of such bonds; and (c) to pledge all or any part of the revenues, receipts or resources of the Department, including the revenues and receipts to be received by the Department from such single family mortgage loans or participating interests, and to mortgage, pledge or grant security interests in such mortgages or participating interests, mortgage loans or other property of the Department, to secure the payment of the principal or redemption price of and interest on such bonds; and

WHEREAS, Section 103 and Section 143 of the Internal Revenue Code of 1986, as amended (the "Code"), provide that the interest on obligations issued by or on behalf of a state or a political subdivision thereof the proceeds of which are to be used to finance owner-occupied residences shall be excludable from gross income of the owners thereof for federal income tax purposes if such issue meets certain requirements set forth in Section 143 of the Code; and

WHEREAS, Section 146(a) of the Code requires that certain "private activity bonds" (as defined in Section 141(a) of the Code) must come within the issuing authority's private activity bond limit for the applicable calendar year in order to be treated as obligations the interest on which is excludable from the gross income of the holders thereof for federal income tax purposes; and

WHEREAS, the private activity bond "State Ceiling" (as defined in Section 146(d) of the Code) applicable to the State for calendar year 2003 is subject to allocation, in the manner authorized by Section 146(e) of the Code, pursuant to Chapter 1372 Texas Government Code, as amended (the "Allocation Act"); and

“Bond Review Board”), stating the maximum amount of the bonds requiring an allocation, the purpose of the bonds and the section of the Code applicable to the bonds; and

WHEREAS, the Allocation Act and the rules promulgated thereunder by the Bond Review Board (the “Allocation Rules”) require that an Application for Reservation be accompanied by a copy of the certified resolution of the issuer authorizing the filing of the Application for Reservation; and

Action Item

Expansion and Extension of TDHCA's Single Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes Program to include Volume Cap Authority Warehousing.

Required Action

The Board approve the attached resolution authorizing both the expansion of TDHCA's CP Notes Program to include volume cap authority warehousing and authorizing the extension of the CP Notes Program to December 31, 2007.

Background

TDHCA uses the CP Notes Program to recycle prepayments on mortgages financed with proceeds from single family bonds and to recycle unexpended bond proceeds. Staff recommends expanding the CP Notes Program's authorized uses to include the warehousing of volume cap authority and extending the expiration date of the CP Notes Program to December 31, 2007.

Expanding the CP Notes Program's authorized uses to include the warehousing of volume cap authority will eliminate the need for the use of Convertible Option Bonds ("COBs"), thereby saving TDHCA at least \$200,000 per potential COB issuance. The use of the CP Notes Program will also afford TDHCA more flexibility when converting warehoused volume cap authority into long-term mortgages.

Texas Department of Housing and Community Affairs
BOARD OF DIRECTORS MEETING
JULY 30, 2003

**RESOLUTION AUTHORIZING THE EXPANSION AND EXTENSION OF
TDHCA'S SINGLE FAMILY MORTGAGE REVENUE REFUNDING TAX-
EXEMPT COMMERCIAL PAPER NOTES PROGRAM TO INCLUDE VOLUME
CAP AUTHORITY WAREHOUSING**

TDHCA's Single Family Mortgage Revenue Refunding Tax-Exempt Commercial Paper Notes Program ("CP Notes Program") was developed in order to provide more money for new below market rate mortgages. Currently, TDHCA uses the CP Notes Program primarily to recycle prepayments on mortgages financed with proceeds from single family bonds issued by TDHCA in prior years.

Two purposes are authorized for use of the CP Notes Program, recycling of mortgage prepayments and recycling of unexpended bond proceeds. Bond Finance recommends expanding the CP Notes Program's authorized uses to include the warehousing of volume cap authority.

Expanding the CP Notes Program's authorized uses to include the warehousing of volume cap authority will eliminate the need for the use of Convertible Option Bonds ("COBs"), thereby saving TDHCA at least \$200,000 per potential COB issuance. The use of the CP Notes Program will also afford TDHCA more flexibility when converting warehoused volume cap authority into long-term mortgages.

Also, the maximum maturity for the CP Notes Program is December 31, 2004. Bond Finance recommends extending the CP Notes Program's expiration date to December 31, 2007.

RECOMMENDATION

The Board approve the attached resolution authorizing both the expansion of TDHCA's CP Notes Program to include volume cap authority warehousing and authorizing the extension of the CP Notes Program to December 31, 2007.

Action Items

Request for Qualifications for Co-Managing Underwriters for TDHCA's Single Family Mortgage Revenue Bonds.

Required Action

The Board approve the addition of A.G. Edwards & Sons, Inc., Bank of America Securities LLC, Merrill Lynch & Co., and Morgan Stanley to TDHCA's single family mortgage revenue bond co-managing investment banking pool.

Background

In January 2003, TDHCA's Board approved issuing a request for qualifications ("RFQ") from qualified institutions to serve as co-manager for TDHCA's single family bond issues and/or refundings. Staff has completed its review of the responses.

**TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
BOARD OF DIRECTORS MEETING
JULY 30, 2003**

**FIRMS RECOMMENDED TO PROVIDE CO-MANAGING INVESTMENT
BANKING SERVICES FOR THE SALE OF THE DEPARTMENT'S SINGLE
FAMILY MORTGAGE REVENUE AND REFUNDING BONDS**

In 2001 the Board selected twelve investment banking firms to provide single family bond underwriting services for the TDHCA. Six firms were designated as senior managers and six firms were designated as co-managers.

In January 2003 and April 2003, TDHCA's Board approved issuing requests for qualifications ("RFQ") from qualified institutions to serve as co-manager for TDHCA's single family bond issues and/or refundings. TDHCA issued the most recent RFQ on Friday, May 9, 2003. Responses to the RFQ were due Friday, June 6, 2003. Ten responses were received.

Bond Finance recommends the Board approve adding the following firms to TDHCA's co-manager pool for TDHCA's single family bond issues:

Firm Name	Corporate Headquarters	TDHCA Contact Location
A.G. Edwards & Sons, Inc.	St. Louis, MO	St. Louis, MO
Bank of America Securities LLC	Charlotte, NC	New York, NY
Merrill Lynch & Co.	New York, NY	New York, NY
Morgan Stanley	New York, NY	Austin, Texas

The addition of the above four investment banks will increase TDHCA's co-manager pool to a total of twelve firms and will greatly enhance TDHCA's ability to sell single family housing bonds to potential retail municipal bond purchasers. Retail investors usually purchase municipal bonds at lower yields than institutional investors at comparable maturities. This should help TDHCA realize a lower debt service on its bond issues and consequently, lower mortgage rates for Texas first time home buyers.

Bond Finance will assign firms to co-manager teams as noted in the following table.

Estrada Hinojosa & Company, Inc.	A.G. Edwards & Sons, Inc.	Bank of America Securities LLC
Lehman Brothers	First Southwest Company	Loop Capital Markets, LLC
M.R. Beal & Company	Goldman, Sachs & Co.	Merrill Lynch & Co.
Morgan Stanley	Samuel A. Ramirez & Co.	Morgan Keegan & Company, Inc.

Each co-manager team will rotate as transactions occur. Bond Finance may adjust the co-manager teams from time-to-time as warranted by transaction structures, market conditions, industry consolidation and individual firm performance.

Overall, Bond Finance is taking a *long-term* approach to the management of TDHCA's investment banking pools. Bond Finance seeks to obtain the lowest financing costs achievable,

resulting in lower mortgage rates for Texas first time home buyers while promoting competition and innovativeness along with enhancing bond and program structuring continuity.

With over \$160 million in annual volume cap authority, Bond Finance recommends migrating away from issuing one bond transaction per year to issuing at least two or three transactions per year, contingent upon market conditions. The objective of such a strategy encompasses hedging TDHCA's exposure to interest rate fluctuations thereby providing a continuous stream of funds with below-market, competitive mortgage rates.

RECOMMENDATION

The Board approve adding A.G. Edwards & Sons, Inc., Bank of America Securities LLC, Merrill Lynch & Co., and Morgan Stanley to TDHCA's co-manager pool for TDHCA's single family bond issues.
