Attachment A: Preamble, including required analysis, for the proposed repeal of 10 TAC Chapter 25, Colonia Self-Help Center Program

The Texas Department of Housing and Community Affairs (the Department) proposes the repeal of 10 TAC Chapter 25, §§25.1 – 25.9, Colonia Self-Help Center Program Rule. The purpose of the repeal is to eliminate an outdated rule while adopting a new updated rule under separate action.

The Department has analyzed this rulemaking and the analysis is described below for each category of analysis performed.

a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX. GOV’T CODE §2001.0221.
   Robert Wilkinson, Executive Director, has determined that, for the first five years the repeal will be in effect:
   1. The repeal does not create or eliminate a government program, but relates to the repeal, and simultaneous adoption making changes to the rule governing the Colonia Self-Help Center Program.
   2. The repeal does not require a change in work that will require the creation of new employee positions, nor will the repeal reduce workload to a degree that any existing employee positions are eliminated.
   3. The repeal does not require additional future legislative appropriations.
   4. The repeal does not result in an increase in fees paid to the Department nor in a decrease in fees paid to the Department.
   5. The repeal is not creating a new regulation, except that it is being replaced by a new rule simultaneously to provide for revisions.
   6. The action will repeal an existing regulation, but is associated with a simultaneous readoption making changes to the existing procedures for the Colonia Self-Help Center Program.
   7. The repeal will not increase nor decrease the number of individuals subject to the rule’s applicability.
   8. The repeal will not negatively nor positively affect the state’s economy.

b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX. GOV’T CODE §2006.002.
   The Department has evaluated this repeal and determined that the repeal will not create an economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX. GOV’T CODE §2007.043. The repeal does not contemplate nor authorize a taking by the Department, therefore no Takings Impact Assessment is required.

d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX. GOV’T CODE §2001.024(a)(6).
   The Department has evaluated the repeal as to its possible effects on local economies and has determined that for the first five years the repeal will be in effect there will be no economic effect on local employment; therefore no local employment impact statement is required to be prepared for the rule.
e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX. GOV’T CODE §2001.024(a)(5). Mr. Wilkinson has determined that, for each year of the first five years the repeal is in effect, the public benefit anticipated as a result of the repealed section would be an elimination of an outdated rule while adopting a new updated rule under separate action. There will be no economic costs to individuals required to comply with the repealed section.

f. FISCAL NOTE REQUIRED BY TEX. GOV’T CODE §2001.024(a)(4). Mr. Wilkinson also has determined that for each year of the first five years the repeal is in effect, enforcing or administering the repeal does not have any foreseeable implications related to costs or revenues of the state or local governments.

g. REQUEST FOR PUBLIC COMMENT. The public comment period will be held September 20, 2019, to October 21, 2019, to receive input on the repealed rule. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Raul Gonzales, Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941 or email htf@tdhca.state.tx.us. ALL COMMENTS MUST BE RECEIVED BY 5:00 p.m., Austin local time, October 21, 2019.

STATUTORY AUTHORITY. The repeal is proposed pursuant to TEX. GOV’T CODE §2306.053, which authorizes the Department to adopt rules.

Except as described, herein the proposed repealed rule affects no other code, article, or statute.

Attachment B: Preamble, including required analysis, for proposed new 10 TAC Chapter 25, Colonia Self-Help Center Program

The Texas Department of Housing and Community Affairs (the Department) proposes new 10 TAC Chapter 25, §§25.1 – 25.10, Colonia Self-Help Center Program Rule. The purpose of the new rule is to detail processes for addressing Administrator failure to meet Expenditure Thresholds; allow the Department to issue one-time contract extensions; remove the requirement that the Department impose liens upon certain participating households; increase the maximum assistance amounts for certain program activities; outline inspection requirements for all activity types; and improve readability and consistency throughout with the re-ordering of phrases and updating of terms.

Tex. Gov’t Code §2001.0045(b) does apply to the rule being adopted because no exceptions apply, however it should be noted that no costs are associated with this action that would have prompted a need to be offset.

The Department has analyzed this rulemaking and the analysis is described below for each category of analysis performed.

a. GOVERNMENT GROWTH IMPACT STATEMENT REQUIRED BY TEX. GOV’T CODE §2001.0221. Robert Wilkinson, Executive Director, has determined that, for the first five years the proposed rule will be in effect:
   1. The new rule does not create or eliminate a government program, but relates to the readoption of this rule which makes changes governing the Colonia Self-Help Center Program.
   2. The new rule does not require a change in work that will require the creation of new employee positions, nor will the new rule reduce workload to a degree that any existing employee positions are eliminated.
   3. The new rule does not require additional future legislative appropriations.
   4. The new rule does not result in an increase in fees paid to the Department nor in a decrease in fees paid to the Department.
   5. The new rule is not creating a new regulation, except that it is replacing a rule being repealed simultaneously to provide for revisions.
   6. The new rule will not limit, expand or repeal an existing regulation but merely revises a rule.
   7. The new rule will not increase nor decrease the number of individuals subject to the rule’s applicability.
   8. The new rule will not negatively nor positively affect the state’s economy.

b. ADVERSE ECONOMIC IMPACT ON SMALL OR MICRO-BUSINESSES OR RURAL COMMUNITIES AND REGULATORY FLEXIBILITY REQUIRED BY TEX. GOV’T CODE §2006.002. The Department has evaluated this new rule and determined that it will not create an economic effect on small or micro-businesses or rural communities.

c. TAKINGS IMPACT ASSESSMENT REQUIRED BY TEX. GOV’T CODE §2007.043. The new rule does not contemplate nor authorize a taking by the Department, therefore no Takings Impact Assessment is required.
d. LOCAL EMPLOYMENT IMPACT STATEMENTS REQUIRED BY TEX. GOV’T CODE §2001.024(a)(6).
The Department has evaluated the new rule as to its possible effects on local economies and has determined that for the first five years the new rule will be in effect there will be no economic effect on local employment; therefore no local employment impact statement is required to be prepared for the rule.

e. PUBLIC BENEFIT/COST NOTE REQUIRED BY TEX. GOV’T CODE §2001.024(a)(5). Mr. Wilkinson has determined that, for each year of the first five years the new rule is in effect, the public benefit anticipated as a result of the new rule would be to further clarify the Colonia Self-Help Center Program. The purpose of the new rule is to further clarify aspects of program administration and to improve readability. There will be no economic costs to individuals required to comply with the new rule.

f. FISCAL NOTE REQUIRED BY TEX. GOV’T CODE §2001.024(a)(4). Mr. Wilkinson also has determined that for each year of the first five years the new rule is in effect, enforcing or administering the rule does not have any foreseeable implications related to costs or revenues of the state or local governments.

g. REQUEST FOR PUBLIC COMMENT. The public comment period will be held September 20, 2019, to October 21, 2019, to receive input on the new rule. Written comments may be submitted to the Texas Department of Housing and Community Affairs, Attn: Raul Gonzales, Rule Comments, P.O. Box 13941, Austin, Texas 78711-3941 or email htf@tdhca.state.tx.us. ALL COMMENTS MUST BE RECEIVED BY 5:00 p.m., Austin local time, October 21, 2019.

STATUTORY AUTHORITY. The new rule is proposed pursuant to TEX. GOV’T CODE §2306.053, which authorizes the Department to adopt rules.

Except as described, herein the proposed new rule affects no other code, article, or statute. The agency certifies that legal counsel has reviewed the proposal and found it to be within the state agency’s legal authority to adopt.

from the CSHCs Colonia Self-Help Centers in consultation with the C-RAC and the appropriate unit of local government; and

The El Paso Colonia Self-Help Center shall establish a technology center to provide internet access to Colonia residents pursuant to the General Appropriations Act for the appropriate biennium. Any CSHC may also establish a technology center to provide internet access to Colonia residents.

§25.5 Allocation, Deobligation and Termination, and Reobligation and the Colonia Self-Help Center Application Requirements

(a) Allocation.

(1) The Department distributes CSHC Colonia Self-Help Center funds to UGLGs from the 2.5% percent set-aside appropriated to the Department from the annual CDBG allocation to the state of Texas.

(2) The Department shall allocate no more than $1 million per CSHC Colonia Self-Help Center award except as provided by this Chapter. If there are insufficient funds available from any specific program year to fully fund an Application, the awarded Administrator may accept the amount available at that time and wait for the remaining funds to be committed upon the Department's receipt of the CDBG set-aside allocation from the next program year.

(3) A baseline award will first be calculated for a CSHC beginning at $500,000 (or a lesser amount as provided for in paragraph (2)(b) of this subsection). The Department will add to the baseline award up to an additional $100,000 for each Expenditure Threshold that has been met on the current CSHC Contract expenditure threshold, as defined in §25.109 of this Chapter (relating to Expenditure Thresholds and Closeout Requirements). An additional amount up to $100,000 may be added for an accepted Application submitted by the deadline. An Administrator may request that the Board add additional funds to a baseline award, despite the failure to meet one or more Expenditure Thresholds. To add funds to a CSHC Contract being considered for award, the Board must find that the failure to meet each Expenditure Threshold requirement was principally related to factors beyond the control of the Administrator. If the Board decides to award these additional funds in whole or in part, it must also determine that the award of these funds to the Administrator does not create a substantial risk to the State of recapture of CDBG funds by HUD. If an Administrator can demonstrate that any violation of an Expenditure Threshold was beyond the control of the Administrator, it may request of the Board that an individual violation be waived for the purpose of future funding. The Governing Board, in its discretion and within the limits of federal and state law, may waive any one or more of the expenditure threshold requirements if it finds the waiver is appropriate to fulfill the purposes or policies of the Tex. Gov't Code, or for other good cause as determined by the Board.

(b) Deobligation and Termination.

(1) At any point in which an Administrator has missed one of the Expenditure Thresholds required in §25.10
of this Chapter, the Department will send a notification of possible deobligation. An Administrator will have the opportunity to submit a mitigation plan that outlines how it will bring the Contract back into compliance, and how it will ensure that subsequent Expenditure Thresholds can be achieved. If the Department approves the mitigation plan, it will take no further action on deobligation at that time. If the Department receives no response, or if the mitigation plan is insufficient to be approved by the Department, the Department will send notice to the Administrator and the UGLG official to announce the initiation of deobligation proceedings and to identify the Administrator’s rights under Tex. Gov’t Code, Chapter 2105 and 10 TAC §1.411 (relating to Administration of Block Grants under Chapter 2105 of the Tex. Gov’t Code). Approval of such action will be presented to the Department’s Board.

(2) At any point in which the Department has determined that a Contract should be terminated for violation of program requirements, the Department will send a notification of possible termination of Contract. A Subrecipient will have the opportunity to submit a mitigation plan that outlines how it will bring the Contract back into compliance. If the Department approves the mitigation plan, it will take no further action on termination at that time. If the Department receives no response, or if the mitigation plan is insufficient to be approved by the Department, the Department will send notice to the Administrator and the UGLG official to announce the initiation of deobligation proceedings and to identify the Administrator’s rights under Tex. Gov’t Code, Chapter 2105 and 10 TAC §1.411 (relating to Administration of Block Grants under Chapter 2105 of the Tex. Gov’t Code). Approval of such action will be presented to the Department’s Board.

(3) During the time that a deobligation or termination process is pending, the Department may reduce an Administrator’s Contract by up to 24.99% of the Contract and may publish a Request for Administrator’s (RFA) to identify another UGLG to implement the CSHC Program in the affected service area. No award to a respondent of an RFA will be made in an amount greater than 24.99% of the original Administrator’s Contract until the process provided by Tex. Gov’t Code, Chapter 2105 has been completed. Once that process is completed, an Administrator awarded a Contract through the RFA may receive up to the maximum award available, subject to funding availability.

(c) Reobligation.
(1) When funds become available from the proceedings of subsection (b) of this section, they will be held for a period of at least 90 days while an RFA for the service area is initiated. Unless debarred by HUD or the Department, a prior Administrator is not precluded from applying under an RFA for this service area.
(2) In all cases, funds for a given service area will continue to be allocated to that service area unless no acceptable respondents are identified. Only in such cases that no qualified provider can be identified for a given service area will funds available for that area be reissued to other CSHC Contracts for other service areas.

§25.6. Colonia Self-Help Center Application Requirements

(a) At least three months prior to the expiration of its current Contract, or when 90%ninety (90) percent of the funds under the current Contract have been expended, whichever comes first, the current Administrator may submit its Application to the Department.
(b) If an Application is received from a CSHC that is requesting additional funds, at approximately the same time that an application is received from a CSHC whose Contract is reaching expiration, the Department will prioritize funds first to ensure continuity to a CSHC whose Contract is reaching expiration. (c)(d) Request for Payments. The Administrator shall submit a properly completed request for reimbursement, as specified by the Department, at a minimum on a quarterly basis; however, the Department reserves the right to request more frequent reimbursement requests as it deems appropriate. The Department shall determine the reasonableness of each amount requested and shall not make disbursement of any such payment request until the Department has reviewed and approved such request. Payments under the Contract are contingent upon the Administrator's full and satisfactory performance of its obligations under the Contract. The Department may reduce a request for payment if documentation is insufficient or the performance is unsatisfactory.

(1) $2,500 is the minimum amount for a Draw to be processed, unless it is the final Draw request. If an Administrator fails to submit a draw for 12 consecutive months the Contract may be subject to termination for failure to meet the Contract obligations.

(3) The Department, at its discretion and in coordination with an Administrator, may increase a Contract Budget amount and the number of Activities and beneficiaries to be assisted based on the availability of
CSHCColonia Self-Help Center funds, the exemplary performance in the implementation of an Administrator's current Contract, and the time available in the four-year (4) year Contract period. Upon Board approval, the cap on the maximum Contract amount may be exceeded if the terms of this paragraph are met by the Administrator.

(g) New Construction, Reconstruction, or Rehabilitation Activity that is provided by the Colonia Self-Help Center Program to Households with annual incomes that are equal or exceed 50% of the area median family income shall have a recorded and enforceable lien placed on the property secured by a deferred Forgivable Loan not shorter than five (5) years or a repayable mortgage loan not to exceed thirty (30) years. Cesspools that have not been previously permitted are unacceptable and must be replaced by an appropriately sized on-site sewage facility or the home must be connected to a Department-approved source of potable water and wastewater disposal.

(j) New Construction, Reconstruction, and Rehabilitation activities under the CSHC Program must adhere to TDHCA's Minimum Energy Efficiency Requirements for Single Family Construction Activities under Chapter 21 of this Title.

(k) Inspections. A Qualified Inspector shall conduct all inspections with respect to applicable construction standards and documentation protocol prescribed by the Department.

(1) New Construction Requirements.

The work write-up and cost estimate shall address all substandard conditions in sufficient detail to justify the need for reconstruction.

(B) A Certificate of Occupancy is acceptable confirmation of meeting construction requirements. If the activity occurs in a jurisdiction that does not issue Certificates of Occupancy, a Qualified Inspector shall inspect the property applying all applicable construction standards and forms prescribed by the Department.

(C) Administrator must demonstrate compliance with § 2306.514 Tex. Gov't Code, “Construction Requirements for Single Family Affordable Housing”.

Any purchases of these items after twenty-four (24) months must be approved by the Department in writing prior to purchase.

§25.8 Administrative Thresholds

Administrative Draw request. Administrative Draw requests are funded out of the portion of the Contract budget specified for administrative cost (administration line item of the Contract budget). These costs are not directly associated with an Activity. The administration line item will be disbursed as described in paragraphs (1) - (8) of this section:

1. Threshold 1. The initial administrative Draw request allows up to 10% percent of the administration line item may to be drawn down prior to the start of any project Activity included in the Performance Statement of the Contract (provided that all Pre-Draw requirements, as described in the Contract, for administration have been met). Subsequent administrative funds will be reimbursed in proportion to the percentage of the work that has been completed as identified in paragraphs (2) - (8) of this section.

2. Threshold 2. The final administrative Draw request allows up to an additional 15% fifteen (15) percent (25% twenty-five (25) percent of the total) of the administration line item to be drawn down after a start of project Activity has been demonstrated. For the purposes of this threshold, if Davis-Bacon labor standards are required for a given Program Activity, the "start of project Activity" is evidenced by the submission of a start of construction form. If labor standards are not required on a given project Activity that has commenced (and for which reimbursement is being sought), the submission of a Draw request that includes sufficient back-up documentation for expenses of non-administrative project Activities evidences a start of project Activity. Direct Delivery Costs charges will not constitute a start of project Activity.
(3) Threshold 3. **Up** allows up to an additional **25%** twenty-five (25) percent (**50%** fifty (50) percent of the total) of the administration line item **may** to be drawn down after compliance with the **20%-**month threshold requirement has been demonstrated as described in §25.9 of this chapter (relating to Expenditure Thresholds and Closeout Requirements).

(4) Threshold 4. **Up** allows up to an additional **25%** twenty-five (25) percent (**75%** seventy-five (75) percent of the total) of the administration line item **may** to be drawn down after compliance with the **32%-**month threshold requirement has been demonstrated as described in §25.10 of this chapter.

(5) Threshold 5. **Up** allows up to an additional **15%** fifteen (15) percent (**90%** ninety (90) percent of the total) of the administration line item **may** to be drawn down after compliance with the **44%-**month threshold requirement has been demonstrated as described in §25.10 of this chapter (relating to Expenditure Thresholds and Closeout Requirements).

(6) Threshold 6. **Up to** allows an additional **5%** five (5) percent (**95%** ninety-five (95) percent of the total) of the administration line item **may** to be drawn down upon receipt of all required close-out documentation.

(7) Threshold 7. **The** allows the final **5%** five (5) percent (**100%** one-hundred (100) percent of the total), less any administrative funds reserved for audit costs as noted on the Project Completion Report of the administration line item, **may** to be drawn down following receipt of the programmatic close-out letter issued by Department.

(8) Threshold 8. Any funds reserved for audit costs will be released upon completion and submission of an acceptable audit. Only the portion of audit expenses reasonably attributable to the Contract is eligible.

§25.10§25.9 Expenditure Thresholds and Closeout Requirements

(a) Administrators must meet the expenditure threshold requirements described in paragraphs (1) - (4) of this subsection. If an Administrator fails to expend and submit expenditure documentation by the due date, the deobligation process outlined in §25.5 of this chapter may be initiated. A Contract may also be subject to termination for failure to meet the Contract obligations, and the Department may elect not to provide future funds to the Administrator. In such cases, the Administrator will be notified in writing of the processes described in Tex. Gov’t Code, Chapter 2105 and §1.411 of this Title (relating to Administration of Block Grants under Chapter 2105 of the Tex. Gov’t Code).

(1) Six-Month Threshold. An Environmental Assessment that meets the requirements outlined in the environmental clearance requirements of the Contract must be approved by submitted to the Department within six (6) months from the start date of the Contract;

(2) Twenty-Month Threshold. **The** to meet this requirement the Administrator must have expended and submitted for reimbursement to the Department at least **30%-** thirty (30) percent of the total **CSHCColonia Self-Help Center** funds awarded within **20** twenty (20) months from the start date of the Contract;

(3) Thirty-two-Month Threshold. **The** to meet this requirement the Administrator must have expended and submitted for reimbursement to the Department at least **60%-** sixty (60) percent of the total **CSHCColonia Self-Help Center** funds awarded within **32** thirty-two (32) months from the start date of the Contract; and

(4) Forty-four-Month Threshold. **The** to meet this requirement the Administrator must have expended and submitted for reimbursement to the Department at least **90%-** ninety (90) percent of the total **CSHCColonia Self-Help Center** funds awarded within **44** forty-four (44) months from the start date of the Contract.

(b) For purposes of meeting a threshold in this section, "expended and submitted" means that a Draw request was received by the Department, is complete, and all costs needed to meet a threshold are adequately supported. The Department will not be liable for a threshold violation if a Draw request is not received by the threshold date.

(c) The final Draw request and complete closeout documents must be submitted no later than **60** sixty (60) days after the Contract end date. If closeout documents are not received by this deadline, the remaining
Contract balance may be subject to Deobligation as the Department's liability for such costs will have expired. If an Administrator has reserved funds in the project completion report for a final Draw request, the Administrator has 90 ninety (90) days after the Contract end date to submit the final Draw request, with the exception of the Department’s portion of audit costs which may be reimbursed upon submission of the final Single Audit single audit.
