The Texas Department of Housing and Community Affairs (TDHCA or Department) issued a competitive Notice of Funds Availability pursuant to which it has awarded funding to eligible subgrantees, LifeWorks in Austin and Community Development Corporation of Brownsville in Brownsville. The census tracts where awards will be used are 48453000801 in Travis County, Texas and 48061014100 in Cameron County, Texas. MARKET ANALYSIS

Ensuring Continued Affordability:

The Texas NSP will adopt the HOME program standards for continued affordability for rental housing at 24 CFR 92.252 and homeownership at 24 CFR 92.254. The Texas NSP will follow the Single Family Mortgage limits under Section 203(b) of the National Housing Act which are allowable under HOME program standards. The ability of TDHCA to enforce this requirement for the full affordability period will be secured with a recapture provision in the loan documents.

Definition of Blighted Structure:

If there is no local definition, blighted structure shall mean that a structure exhibits objectively determinable signs of deterioration sufficient to constitute, in the Departments sole and reasonable judgment a likely threat to human health, safety, or the public welfare.
