The Grantee and HUD hereby enter into this Agreement as a condition to and in consideration of the Grantee's participation in the Section 811 Project Rental Assistance Demonstration Program ("PRA Demo") and receipt of the executed Grant. The PRA Demo is authorized by section 811 of the Cranston-Gonzalez National Affordable Housing Act ("NAHA"), 42 U.S.C. § 8013, as amended by the Frank Melville Supportive Housing

Investment Act of 2010, (Public Law 111-374). The PRA Demo Notice of Funding Availability (“NOFA”) was published on May 15, 2012, refer to Exhibit 2. The Grantee has been awarded and has accepted the Grant under the NOFA. The Grantee hereby takes full responsibility to administer, manage, and perform oversight of the PRA Demo in accordance with the terms and conditions of this Agreement and all applicable HUD requirements.

IV. STATUTORY AUTHORITY AND PURPOSE

On November 18, 2011, the President signed the Consolidated and Further Continuing Appropriations Act of 2012, Public Law 112-55. The PRA Demo is authorized under 42 U.S.C. § 8013(b)(3)(A). The purpose of the program is to provide project-based rental assistance in the development of supportive housing for Extremely Low-Income Persons with Disabilities.

V. INTERAGENCY PARTNERSHIP AGREEMENT

InterAgency Partnership Agreement between the Grantee and State Health and Human Services/Medicaid Agency(ies) provides evidence of a formal structure for collaboration to participate in the state’s Project Rental Assistance Demonstration Program to develop permanent supportive housing for extremely low-income persons with disabilities. The Agreement was a required component of the Grantee’s application for funding under the NOFA.

The InterAgency Partnership Agreement, as found in Exhibit 3, is acceptable to HUD and herein made part of this Agreement. Any substantive changes to the Agreement related to the target population or appropriate services made available to tenants shall require notice to HUD. Grantee must provide a copy of the InterAgency Agreement to HUD when it is revised or updated. The NOFA requirements for the InterAgency Partnership Agreement must be maintained through the contract term and Grantee shall notify HUD of any changes in the target population.

VI. GRANT AMOUNT AND TOTAL ASSISTED UNITS

A. Grant Amount. HUD shall provide the maximum amount of the Grant in Section I, Grantee Information and Exhibit 4. HUD will distribute the amount during the initial five (5) year period of the all Rental Assistance Contract (RACs) executed under this Agreement. Grantee will provide the Rental Assistance Payments to owners of Eligible Multifamily Properties consistent with this Agreement. After the initial five (5) year period, HUD shall provide the Grant, as may be amended, annually, or in any other frequency as determined by HUD, subject to appropriations.

1. Grant Funds Obligated. The funding authorized under this Agreement must be disbursed by September 30, 2025. If all funds are not disbursed by

HUD/Grantee to the Owner by the aforementioned time, the funds, even though obligated, will be cancelled and no further disbursements will be made.

- B. Grant Restrictions. PRA Demo Funds must only be used for: (1) Rental Assistance Payments and; (2) Administrative Costs of the Grantee.
- C. Total Assisted Units. While Grantee has committed to executing RACs and Use Agreements for the total number of Assisted Units listed in Exhibit 4, HUD acknowledges that market conditions and other factors will determine the final total number of Assisted Units and that number of Assisted Units may fluctuate over the five (5) year period of the award.

Within 30 days of the execution of the last RAC which results in Grantee fully encumbering funds provided under this Agreement, Grantee shall provide HUD with confirmation of the final number of Assisted Units. The final number of Assisted Units will be compared with the number of units listed on Exhibit 4 of this Agreement.

Under no circumstances shall the program funding for the initial five (5) year period of this program exceed the maximum amount of grant funds awarded in Exhibit 4 of this Agreement.

VII. PERIOD OF PERFORMANCE

- A. Period of Performance. The Agreement shall begin on the execution date of this Agreement and terminate on the expiration date of the very last RAC which results in Grantee fully encumbering funds provided under this Agreement.

Grantee will provide official notification of the expiration date of the very last RAC which results in Grantee fully encumbering funds provided under this Agreement within 30 days of execution of this RAC. Based on this date, HUD will establish a close-out date for this Agreement.

If funds are not fully encumbered by September 20, 2022, HUD may request a plan for remediation and reserves the right to reprogram the funds.

- B. Termination for Default. **This Agreement, in full or in part, including without limitation, any of the initiatives to be undertaken by Grantee, may be terminated by HUD prior to the end of the Agreement. HUD shall provide the Grantee with 90 days advance notice. In the event of termination of the Cooperative Agreement by HUD, the Grantee shall have no financial or legal recourse against HUD. Owners of Eligible Multifamily Properties shall have no financial or legal recourse against Grantee or HUD if the Cooperative Agreement is terminated for any reason. Grantee shall be paid for all amounts owed and that are not in dispute up to the time of termination.**

- C. Renewal Upon Expiration of the Cooperative Agreement. Subject to future appropriations, at the Agreement expiration, it may be renewed upon written approval by HUD. Should the Grantee desire to renew the Agreement, Grantee shall make a written request for renewal and provide the request to HUD at least 120 days prior to the expiration of the Agreement. Grantee's request must: (1) state the specific time frame of the proposed renewal, and (2) outline how Grant funds will be effectively spent within the proposed renewal period. Upon receipt of the written request, HUD may, by and through the PRA Demo or successor program, approve a renewal depending on the PRA Demo Program or successor program funding levels and Program Requirements that may be imposed at that time.
- D. Program Funding. **If Congress fails to appropriate funds adequate to meet the funding needs of the Agreement after the initial five (5) year funding period, HUD may terminate the Agreement.** In the event the Agreement is terminated, HUD will not require the Grantee to enforce the RAC or PRA Demo use agreement and Grantee may, at its discretion, continue to enforce or terminate such RACs and use agreements. For example, if Grantee can obtain other funding for the Assisted Units Grantee may continue to enforce the RAC and use agreement for these units.

Each budget must include a running total of Administrative Costs the Grantee has requested/received thus far and how much is remaining for the Period of Performance.
