## **§50.1.Purpose and Authority; Program Statement; Allocation Goals.**

(a) **Purpose and Authority.** The Rules in this chapter apply to the allocation by the Texas Department of Housing and Community Affairs (the Department) of Housing Tax Credits authorized by applicable federal income tax laws. The Internal Revenue Code of 1986, §42, (the "Code") as amended, provides for credits against federal income taxes for owners of qualified low-income rental housing Developments. That section provides for the allocation of the available tax credit amount by state housing credit agencies. Pursuant to Chapter 2306, Subchapter DD, Texas Government Code, the Department is authorized to make Housing Credit Allocations for the State of Texas. As required by the Internal Revenue Code, §42(m)(1), the Department developed this Qualified Allocation Plan (QAP) which is set forth in §§50.1 - 50.23 of this title. Sections in this chapter establish procedures for applying for and obtaining an allocation of Housing Tax Credits, along with ensuring that the proper threshold criteria, selection criteria, priorities and preferences are followed in making such allocations.

(b) **Program Statement.** The Department shall administer the program to encourage the development and preservation of appropriate types of rental housing for households that have difficulty finding suitable, accessible, affordable rental housing in the private marketplace; maximize the number of suitable, accessible, affordable residential rental units added to the state's housing supply; prevent losses for any reason to the state's supply of suitable, accessible, affordable residential rental units by enabling the Rehabilitation of rental housing or by providing other preventive financial support; and provide for the participation of for-profit organizations and provide for and encourage the participation of nonprofit organizations in the acquisition, development and operation of accessible affordable housing developments in rural and urban communities. (§2306.6701)

(c) **Allocation Goals.** It shall be the goal of this Department and the Board, through these provisions, to encourage diversity through broad geographic allocation of tax credits within the state, and in accordance with the regional allocation formula; to promote maximum utilization of the available tax credit amount; and to allocate credits among as many different entities as practicable without diminishing the quality of the housing that is being built. The processes and criteria utilized to realize this goal are described in §§50.7, 50.8 and 50.9 of this title, without in any way limiting the effect or applicability of all other provisions of this title. (General Appropriation Act, Article VII, Rider 8(e))

## **§50.2.Coordination with Rural Agencies.**

To ensure maximum utilization and optimum geographic distribution of tax credits in rural areas, and to provide for sharing of information, efficient procedures, and fulfillment of Development requirements in rural areas, the Department will coordinate on existing, Rehabilitation, and New Construction housing Developments financed by TRDO-USDA; and will administer the Rural Regional Allocation with the Texas Office of Rural Community Affairs (ORCA). Through participation in hearings and meetings, ORCA will assist in developing all Threshold, Selection and Underwriting Criteria applied to Applications eligible for the Rural Regional Allocation. The Criteria will be approved by that Agency. To ensure that the Rural Regional Allocation receives a sufficient volume of eligible Applications, the Department and ORCA shall jointly implement outreach, training, and rural area capacity building efforts. (§2306.6723)

**§50.6.Site and Development Restrictions: Floodplain; Ineligible Building Types; Scattered Site Limitations; Credit Amount; Limitations on the Size of Developments; Limitations on Rehabilitation**

**Costs; Unacceptable Sites; Appeals and Administrative Deficiencies for Site and Development Restrictions.**

(a) **Floodplain.** Any Development proposing New Construction or Reconstruction and located within the 100 year floodplain as identified by the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps must develop the site so that all finished ground floor elevations are at least one foot above the flood plain and parking and drive areas are no lower than six inches below the floodplain, subject to more stringent local requirements. If no FEMA Flood Insurance Rate Maps are available for the proposed Development, flood zone documentation must be provided from the local government with jurisdiction identifying the 100 year floodplain. No buildings or roads that are part of a Development proposing Rehabilitation or Adaptive Reuse, with the exception of Developments with federal funding assistance from HUD or TX USDA-RHS, will be permitted in the 100 year floodplain unless they already meet the requirements established in this subsection for New Construction.

(b) **Ineligible Building Types.** Applications involving Ineligible Building Types as defined in §50.3(56) of this title will not be considered for allocation of tax credits.

(c) **Scattered Site Limitations.** Consistent with §50.3(32) of this title, a Development must be financed under a common plan, be owned by the same Person for federal tax purposes, and the buildings may be either located on a single site or contiguous site, or be located on scattered sites and contain only rent-restricted units. Tax-Exempt Bond Developments are permitted to be located on multiple sites consistent with Chapter 1372, Texas Government Code and as further clarified by the Texas Bond Review Board.

(d) **Credit Amount.** The Department shall issue tax credits only in the amount needed for the financial feasibility and viability of a Development throughout the affordability period. The issuance of tax credits or the determination of any allocation amount in no way represents or purports to warrant the feasibility or viability of the Development by the Department, or that the Development will qualify for and be able to claim Housing Tax Credits. The Department will limit the allocation of tax credits to no more than \$1.2 million per Development, adjusted annually for CPI (consumer price index) and published once each year in the Application Reference Manual prior to the Application Round. The Department shall not allocate more than \$2 million of tax credits in any given Application Round to any Applicant, Developer, Related Party or Guarantor; Competitive Housing Tax Credits approved by the Board during the 2008 calendar year, including commitments from the 2008 Credit Ceiling and forward commitments from the 2009 Credit Ceiling, are applied to the credit cap limitation for the 2008 Application Round. In order to evaluate this \$2 million limitation, Nonprofit entities, public housing authorities, publicly traded corporations, individual board members, and executive directors must provide the documentation required in the Application with regard to this requirement. In order to encourage the capacity enhancement of inexperienced Developers, the Department will prorate the credit amount allocated in situations where an Application is submitted in the either the Rural Regional Allocation or the Urban Regional Allocation. The Department will prorate the credits based on the percentage ownership, if there is an ownership interest, or the proportional percentage of the Developer fee received, if this applies to a Developer without an ownership interest. To be considered for this provision, a copy of a Joint Venture Agreement and narrative on how this builds the capacity of the inexperienced Developers is required. Tax-Exempt Bond Development Applications are not subject to these Housing Tax Credit limitations, and Tax-Exempt Bond Development Applications will not count towards the total limit on tax credits per Applicant. The limitation does not apply (§2306.6711(b)):

(1) To an entity which raises or provides equity for one or more Developments, solely with respect to its actions in raising or providing equity for such Developments (including syndication related activities as agent on behalf of investors);

(2) To the provision by an entity of "qualified commercial financing" within the meaning of the Code (without regard to the 80% limitation thereof);

(3) To a Qualified Nonprofit Organization or other not-for-profit entity, to the extent that the participation in a Development by such organization consists only of the provision of loan funds, grants or social services; and

(4) To a Development Consultant with respect to the provision of consulting services, provided the Development Consultant fee received for such services does not exceed 10% of the fee to be paid to the Developer (or 20% for Qualified Nonprofit Developments), or \$150,000, whichever is greater.

**(e) Limitations on the Size of Developments.**

(1) The minimum Development size will be 16 Units if the Development involves Housing Tax Credits. The minimum Development size will be 4 Units if the funding source only involves the Housing Trust Fund or HOME Program.

(2) Rural Developments involving any New Construction or Adaptive Reuse (excluding New Construction of non-residential buildings) will be limited to 80 Units (this includes individual Tax-Exempt Bond Developments). Rural Developments involving only Rehabilitation (excluding reconstruction) do not have a size limitation.

(3) Urban Developments involving any New Construction or Adaptive Reuse (excluding New Construction of non-residential buildings), in the Competitive Housing Tax Credit Application Round will be limited to 252 total Units, wherein the maximum Department administered Units will be limited to 200 Units. Tax-Exempt Bond Developments will be limited to 252 restricted and total Units. These maximum Unit limitations also apply to those Developments which involve a combination of Rehabilitation, Reconstruction, and New Construction. Only Developments that consist solely of acquisition/Rehabilitation or Rehabilitation may exceed the maximum Unit restrictions.

(4) For Applications that are proposing an additional phase to an existing tax credit Development or that are otherwise adjacent to an existing tax credit Development, the combined Unit total for the existing and proposed Developments may not exceed the maximum allowable Development size set forth in this subsection unless:

(A) the first phase of the Development has been completed and has attained Sustaining Occupancy (as defined in §1.31 of this title) for at least six months; or

(B) a resolution from the governing body of the city or county in which the proposed Development is located, dated on or before the date the Application is submitted, is submitted with the Application. Such resolution must state that there is a need for additional Units and that the governing body has reviewed a market study, the conclusion of which supports the need for additional Units; or

(C) the proposed Development is intended to provide replacement of previously existing affordable Units on the Development Site or that were originally located within a one mile radius from the Development Site; provided, however, the combined number of Units in the proposed Development may not exceed the number of Units being replaced. Documentation of such replacement units must be provided.

**(f) Limitations on the Location of Developments.** Staff will only recommend, and the Board may only allocate, Housing Tax Credits from the State Housing Credit Ceiling to more than one Development from the State Housing Credit Ceiling in the same calendar year if the Developments are, or will be, located more than one linear mile apart as determined by the Department. If the Board forward commits credits from the following year's State Housing Credit Ceiling, the Development is considered to be in the calendar year in which the Board votes, not in the year of the State Housing Credit Ceiling. This limitation applies only to communities contained within counties with populations exceeding one million (which for calendar year 2008 are Harris, Dallas, Tarrant and Bexar Counties). For purposes of this rule, any two sites not more than one linear mile apart are deemed to be "in a single community." (§2306.6711(f)) This restriction does not apply to the allocation of Housing Tax Credits to Developments financed through the Tax-Exempt Bond program, including the Tax-Exempt Bond Development Applications under review and existing Tax-Exempt Bond Developments in the Department's portfolio. (§2306.67021)

**(g) Limitations of Development in Certain Census Tracts.** Staff will not recommend and the Board will not allocate Housing Tax Credits for a Competitive Housing Tax Credit or Tax-Exempt Bond Development located in a census tract that has more than 30% Housing Tax Credit Units per total

households in the census tract as established by the U.S. Census Bureau for the most recent Decennial Census unless the Applicant:

- (1) In an Area whose population is less than 100,000;
- (2) Proposes only reconstruction or Rehabilitation (excluding New Construction of non-residential buildings); or,
- (3) Submits to the Department an approval of the Development referencing this rule in the form of a resolution from the governing body of the appropriate municipality or county containing the Development. For purposes of this paragraph, evidence of the local government approval must be received by the Department no later than April 1, 2008 for Competitive Housing Tax Credit Applications (or for Tax-Exempt Bond Development Applications no later than 14 days before the Board meeting where the credits will be committed). These ineligible census tracts are outlined in the 2008 Housing Tax Credit Site Demographic Characteristics Report.

**(h) Limitations on Developments Proposing to Qualify for a 30% increase in Eligible Basis.** Staff will only recommend a 30% increase in Eligible Basis:

- (1) If the Development proposing to build in a Hurricane Rita Gulf Opportunity Zone (Rita GO Zone), which was designated as a Difficult to Develop Area as determined by HB 4440, is able to be placed in service by December 31, 2010 (or date as revised by the Internal Revenue Service) as certified in the Application; or,
- (2) The Development is located in a Qualified Census Tract that has less than 40% Housing Tax Credit Units per households in the tract as established by the U.S. Census Bureau for the most recent Decennial Census. Developments located in a Qualified Census Tract that has in excess of 40% Housing Tax Credit Units per households in the tract are not eligible to qualify for a 30% increase in Eligible Basis, which would otherwise be available for the Development Site pursuant to the Code, §42(d)(5)(C), unless the Development is proposing only Reconstruction or Rehabilitation (excluding New Construction of non-residential buildings). These ineligible Qualified Census Tracts are outlined in the 2008 Housing Tax Credit Site Demographic Characteristics Report.

**(i) Rehabilitation Costs.** Developments involving Rehabilitation must establish that the Rehabilitation will substantially improve the condition of the housing and will involve at least \$12,000 per Unit in direct hard costs (including site work, contingency, contractor profit, overhead and general requirements) unless financed with TRDO-USDA in which case the minimum is \$6,000.

**(j) Unacceptable Sites.** Developments will be ineligible if the Development is located on a site that is determined to be unacceptable by the Department.

**(k) Appeals and Administrative Deficiencies for Site and Development Restrictions.** An Application or Development found to be in violation under subsections (a) - (kj) of this section will be notified in accordance with the Administrative Deficiency process described in §50.9(d)(4) of this title. They may also utilize the appeals process described in §50.17(b) of this title.

#### **§50.7. Regional Allocation Formula; Set-Asides; Redistribution of Credits.**

**(a) Regional Allocation Formula.** §2306.1115 as required by §2306.111(d), Texas Government Code, the Department uses a regional distribution formula developed by the Department and commented on by the public to distribute credits from the State Housing Credit Ceiling to all Urban Areas and Rural Areas. This formula establishes separate targeted tax credit amounts for Rural Areas and Urban Areas within each of the Uniform State Service Regions. Each Uniform State Service Region's targeted tax credit amount will be published on the Department's web site. The regional allocation for Rural Areas is referred to as the Rural Regional Allocation and the regional allocation for Urban Areas is referred to as the Urban Regional Allocation. Developments qualifying for the Rural Regional Allocation must meet the Rural Development definition. The Regional Allocation target will reflect that at least 20% of the State Housing Credit Ceiling for each calendar year shall be allocated to Developments in Rural Areas with a minimum of \$500,000 for each Uniform State Service Region. (§2306.111(d)(3))

(b) **Set-Asides.** An Applicant may elect to compete in as many of the following Set-Asides for which the proposed Development qualifies: (§2306.111(d))

(1) At least 10% of the State Housing Credit Ceiling for each calendar year shall be allocated to Qualified Nonprofit Developments which meet the requirements of the Code, §42(h)(5). Qualified Nonprofit Organizations must have the Controlling interest in the Qualified Nonprofit Development applying for this Set-Aside. If the Application is filed on behalf of a limited partnership, the Qualified Nonprofit Organization must be the controlling managing General Partner. If the Application is filed on behalf of a limited liability company, the Qualified Nonprofit Organization must be the controlling Managing Member. Additionally, a Qualified Nonprofit Development submitting an Application in the nonprofit Set-Aside must have the nonprofit entity or its nonprofit Affiliate or subsidiary be the Developer or a co-Developer as evidenced in the development agreement. (§2306.6729 and §2306.6706(b))

(2) At least 5% of the State Housing Credit Ceiling for each calendar year shall be allocated to Developments which are financed through TRDO-USDA, that meet the definition of a Rural Development, do not exceed 80 Units if proposing any New Construction (excluding New Construction of non-residential buildings), and have filed an "Intent to Request 2008 Housing Tax Credits" form by the Pre-Application submission deadline. (§2306.111(d)(2)) If an Application in this Set-Aside involves Rehabilitation it will be attributed to, and come from the, At-Risk Development Set-Aside; if an Application in this Set-Aside involves New Construction it will be attributed to and come from the applicable Uniform State Service Region. Developments financed through TRDO-USDA's 538 Guaranteed Rural Rental Housing Program, in whole or in part, will not be considered under this Set-Aside. Any Rehabilitation or Reconstruction of an existing 515 Development that retains the 515 loan and restrictions will be considered under the At-Risk Development and TRDO-USDA Set-Asides, unless such Commitment is also financed through TRDO-USDA's 538 Guaranteed Rural Rental Housing Program. Commitments of 2008 Competitive Housing Tax Credits issued by the Board in 2008 will be applied to each Set-Aside, Rural Regional Allocation, Urban Regional Allocation and/or TRDO-USDA Set-Aside for the 2008 Application Round as appropriate.

(3) At least 15% of the State Housing Credit Ceiling for each calendar year will be allocated under the At-Risk Development Set-Aside and will be deducted from the State Housing Credit Ceiling prior to the application of the regional formula required under subsection (a) of this section. Through this Set-Aside, the Department, to the extent possible, shall allocate credits to Applications involving the preservation of Developments designated as At-Risk Developments as defined in §50.3(14) of this title. (§2306.6714). To qualify as an At-Risk Development, the Applicant must provide evidence that it either is not eligible to renew, retain or preserve any portion of the financial benefit described in §50.3(14)(A) of this title, or provide evidence that it will renew, retain or preserve the financial benefit described in §50.3(14)(A) of this title; and must have filed an "Intent to Request 2008 Housing Tax Credits" form by the Pre-Application submission deadline. Up to 5% of the State Credit Ceiling associated with this Set-Aside may be given priority to Rehabilitation Developments funded with TRDO.

(c) **Redistribution of Credits.** (§2306.111(d)) If any amount of Housing Tax Credits remain after the initial commitment of Housing Tax Credits among the Set-Asides, Rural Regional Allocation and Urban Regional Allocation, the Department may redistribute the credits amongst the different regions and Set-Asides depending on the quality of Applications submitted as evaluated under the factors described in §50.9(d) of this title, the need to most closely achieve regional allocation goals and then the level of demand exhibited in the Uniform State Service Regions during the Application Round, except that, if there are any tax credits set aside for Developments in a Rural Area in a specific Uniform State Service Region that remain after the allocation under §50.9(d)(5)(C), those tax credits shall be made available in any other Rural Area in the state, first, and then to Developments in Urban areas of any uniform state service region.(2306.111(d)(3)) As described in subsection (b)(1) and (2) of this section, no more than 90% of the State's Housing Credit Ceiling for the calendar year may go to Developments which are not Qualified Nonprofit Developments. If credits will be transferred from a Uniform State Service Region which does not have enough qualified Applications to meet its regional

credit distribution amount, then those credits will be apportioned to the other Uniform State Service Regions.

**§50.8.Pre-Applications for Competitive Housing Tax Credits: Submission; Communication with Departments Staff; Evaluation Process; Threshold Criteria and Review; Results (§2306.6704).**

(a) **Pre-Application Submission.** Any Applicant requesting a Housing Credit Allocation may submit a Pre-Application to the Department during the Pre-Application Acceptance Period along with the required Pre-Application Fee as described in §50.20 of this title. Only one Pre-Application may be submitted by an Applicant for each site under the State Housing Credit Ceiling. The Pre-Application submission is a voluntary process. While the Pre-Application Acceptance Period is open, Applicants may withdraw their Pre-Application and subsequently file a new Pre-Application utilizing the original Pre-Application Fee that was paid as long as no evaluation was performed by the Department. The Department is authorized though not required to request the Applicant to provide additional information it deems relevant to clarify information contained in the Pre-Application or to submit documentation for items it considers to be Administrative Deficiencies. The rejection of a Pre-Application shall not preclude an Applicant from submitting an Application with respect to a particular Development or site at the appropriate time.

(b) **Communication with the Department.** Applicants that submit a Pre-Application are restricted from communication with Department staff as provided in §50.9(b) of this title. (§2306.1113)

(c) **Pre-Application Evaluation Process.** Eligible Pre-Applications will be evaluated for Pre-Application Threshold Criteria. Applications that are associated with a TRDO-USDA Development are not exempt from Pre-Application and are eligible to compete for the Pre-Application points further outlined in §50.9(i)(14) of this title. Pre-Applications that are found to have Administrative Deficiencies will be handled in accordance with §50.9(d)(4) of this title. Department review at this stage is limited and not all issues of eligibility and threshold are reviewed at Pre-Application. Acceptance by staff of a Pre-Application does not ensure that an Applicant satisfies all Application eligibility, Threshold or documentation requirements. The Department is not responsible for notifying an Applicant of potential areas of ineligibility or threshold deficiencies at the time of Pre-Application.

(d) **Pre-Application Threshold Criteria and Review.** Applicants submitting a Pre-Application will be required to submit information demonstrating their satisfaction of the Pre-Application Threshold Criteria. The Pre-Applications not meeting the Pre-Application Threshold Criteria will be terminated and the Applicant will receive a written notice to the effect that the Pre-Application Threshold Criteria have not been met. The Department shall not be responsible for the Applicant's failure to meet the Pre-Application Threshold Criteria and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Pre-Application Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled. The Pre-Application Threshold Criteria include:

(1) Submission of a "Pre-Application Submission Form" and "Certification of Pre-Application Itemized Self-Score". The Applicant may not change the Self-Score unless requested by the Department in a Deficiency Notice;

(2) Evidence of property control through February 29, 2008 as evidenced by the documentation required under §50.9(h)(7)(A) of this title; and

(3) Evidence in the form of a certification that all of the notifications required under this paragraph have been made. Requests for Neighborhood Organizations under subparagraph (A) of this paragraph must be made by the deadlines described in that clause; notifications under subparagraph (C) of this paragraph must be made prior to the close of the Pre-Application Acceptance Period. (§2306.6704) Evidence of notification must meet the requirements identified in subparagraph (B) of this paragraph to all of the individuals and entities identified in subparagraph (B) of this paragraph. (§2306.6704)

(A) The Applicant must request a list of Neighborhood Organizations on record with the county and state whose boundaries include the proposed Development Site as follows:

(i) No later than December 7, 2007, the Applicant must e-mail, fax or mail with registered receipt a completed "Neighborhood Organization Request" letter as provided in the Pre-Application to the local elected official for the city and county where the Development is proposed to be located. If the Development is located in an Area that has district based local elected officials, or both at-large and district based local elected officials, the request must be made to the city council member or county commissioner representing that district; if the Development is located an Area that has only at-large local elected officials, the request must be made to the mayor or county judge for the jurisdiction. If the Development is not located within a city or is located in the Extra Territorial Jurisdiction (ETJ) of a city, the county local elected official must be contacted. In the event that local elected officials refer the Applicant to another source, the Applicant must request Neighborhood Organizations from that source in the same format.

(ii) If no reply letter is received from the local elected officials by January 1, 2008, then the Applicant must certify to that fact in the "Pre-Application Notification Certification Form" provided in the Pre-Application.

(iii) The Applicant must list all Neighborhood Organizations on record with the county or state whose boundaries include the proposed Development Site as provided by the local elected officials, or that the Applicant has knowledge of as of Pre-Application Submission in the "Pre-Application Notification Certification Form" provided in the Pre-Application.

(B) Not later than the date the Pre-Application is submitted, notification must be sent to all of the following individuals and entities by e-mail, fax or mail with registered receipt return or similar tracking mechanism in the format required in the "Pre-Application Notification Template" provided in the Pre-Application. Developments located in an Extra Territorial Jurisdiction (ETJ) of a city are not required to notify city officials. Evidence of Notification is required in the form of a certification in the "Pre-Application Notification Certification Form" provided in the Pre-Application, although it is encouraged that Applicants retain proof of notifications in the event that the Department requires proof of Notification. Officials to be notified are those officials in office at the time the Pre-Application is submitted.

(i) Neighborhood Organizations on record with the city, state or county whose boundaries include the proposed Development Site as identified in subparagraph (A)(iii) of this paragraph;

(ii) Superintendent of the school district containing the Development;

(iii) Presiding officer of the board of trustees of the school district containing the Development;

(iv) Mayor of any municipality containing the Development;

(v) All elected members of the governing body of any municipality containing the Development;

(vi) Presiding officer of the governing body of the county containing the Development;

(vii) All elected members of the governing body of the county containing the Development;

(viii) State senator of the district containing the Development; and

(ix) State representative of the district containing the Development.

(C) Each such notice must include, at a minimum, all of the following:

(i) The Applicant's name, address, individual contact name and phone number;

(ii) The Development name, address, city and county;

(iii) A statement informing the entity or individual being notified that the Applicant is submitting a request for Housing Tax Credits with the Texas Department of Housing and Community Affairs;

(iv) Statement of whether the Development proposes New Construction, reconstruction, Adaptive Reuse or Rehabilitation;

(v) The type of Development being proposed (single family homes, duplex, apartments, townhomes, highrise etc.) and population being served (family, Intergenerational Housing, or elderly);

(vi) The approximate total number of Units and approximate total number of low-income Units;

(vii) The approximate percentage of Units serving each level of AMGI (e.g. 20% at 50% of AMGI, etc.) and the approximate percentage of Units that are market rate;

(viii) The number of Units and proposed rents (less utility allowances) for the low-income Units and the number of Units and the proposed rents for any market rate Units. Rents to be provided are those that are effective at the time of the Pre-Application, which are subject to change as annual changes in the area median income occur; and

(ix) The expected completion date if credits are awarded.

(e) **Pre-Application Results.** Only Pre-Applications which have satisfied all of the Pre-Application Threshold Criteria requirements set forth in subsection (d) of this section and §50.9(i)(14) of this title, will be eligible for Pre-Application points. The order and scores of those Developments released on the Pre-Application Submission Log do not represent a commitment on the part of the Department or the Board to allocate tax credits to any Development and the Department bears no liability for decisions made by Applicants based on the results of the Pre-Application Submission Log. Inclusion of a Development on the Pre-Application Submission Log does not ensure that an Applicant will receive points for a Pre-Application.

**§50.9.Application: Submission; Ex Parte Communications; Adherence to Obligations; Evaluation Process for Competitive Applications Under the State Housing Credit Ceiling; Evaluation Process for Tax-Exempt Bond Development Applications; Evaluation Process for Rural Rescue Applications Under the 2009 Credit Ceiling; Experience Pre-Certification Procedures; Threshold Criteria; Selection Criteria; Tiebreaker Factors; Staff Recommendations.**

(a) **Application Submission.** Any Applicant requesting a Housing Credit Allocation or a Determination Notice must submit an Application, and the required Application fee as described in §50.20 of this title, to the Department during the Application Acceptance Period. Only complete Applications will be accepted. All required volumes must be appropriately bound as required by the Application Submission Procedures Manual and fully complete for submission with all required copies and received by the Department not later than 5:00 p.m. on the date the Application is due. A searchable electronic copy of all required volumes and exhibits, unless otherwise indicated in the Application Submission Procedures Manual, must be submitted in the format of a single file presented in the order they appear in the hard copy of the complete Application on a CD-R clearly labeled with the report type, Development name, and Development location is required for submission and must be received by the Department not later than 5:00 p.m. on the date the Application is due. Only one Application may be submitted for a site in an Application Round. While the Application Acceptance Period is open, an Applicant may withdraw a Application and subsequently file a new Application utilizing the original Pre-Application Fee that was paid as long as no evaluation was performed by the Department. The Department is authorized, but not required, to request the Applicant to provide additional information it deems relevant to clarify information contained in the Application or to submit documentation for items it considers to be an Administrative Deficiency, including ineligibility criteria, site and development restrictions, and threshold and selection criteria documentation. (§2306.6708) An Applicant may not change or supplement any part of an Application in any manner after the filing deadline, and may not add any Set-Asides, increase the requested credit amount, or revise the Unit mix (both income levels and bedroom mixes), except in response to a direct request from the Department to remedy an Administrative Deficiency as further described in §50.3(2) of this title or by amendment of an Application after a commitment or allocation of tax credits as further described in §50.17(d) of this title.

(b) **Ex Parte Communications.**

(1) During the period beginning on the first date of the Application Acceptance Period and ending on the date the Board makes a final decision with respect to the approval of any Application in that Application Round, a member of the Board may not communicate with the following Persons:

- (A) an Applicant or Related Party; and
  - (B) any Person who is:
    - (i) active in the construction, rehabilitation, ownership, or Control of the proposed Development, including:
      - (I) a General Contractor; and
      - (II) a Developer; and
      - (II) a General Partner, Principal or Affiliate of a General Partner or General Contractor; or
    - (ii) employed as a consultant, lobbyist, or attorney by an Applicant or a Related Party.
- (2) During the period beginning on the first date of the Application Acceptance Period and ending on the date the Board makes a final decision with respect to the approval of any Application in that Application Round, an employee of the Department may communicate about any Application with the following Persons:
- (A) the Applicant or a Related Party; and
  - (B) any Person who is:
    - (i) active in the construction, rehabilitation, ownership, or Control of the proposed Development, including:
      - (I) a General Partner or General Contractor; and
      - (II) a Developer; and
      - (II) a Principal or Affiliate of a General Partner or General Contractor; or
    - (ii) employed as a consultant, lobbyist or attorney by the Applicant or a Related Party.
- (3) A communication under paragraph (2) of this subsection may be oral or in any written form, including electronic communication through the Internet, and must satisfy the following conditions:
- (A) the communication must be restricted to technical or administrative matters directly affecting the Application;
  - (B) the communication must occur or be received on the premises of the Department during established business hours; and
  - (C) a record of the communication must be maintained and included with the Application for purposes of Board review and must contain the following information:
    - (i) the date, time, and means of communication;
    - (ii) the names and position titles of the Persons involved in the communication and, if applicable, the Person's relationship to the Applicant;
    - (iii) the subject matter of the communication; and
    - (iv) a summary of any action taken as a result of the communication.
- (4) Notwithstanding paragraphs (1) or (2) of this subsection, a Board member or Department employee may communicate without restriction with a Person listed in paragraphs (1) or (2) during any Board meeting or public hearing held with respect to the Application, but not during a recess or other non-record portion of the meeting or hearing.
- (5) Paragraph (1) of this subsection does not prohibit the Board from participating in social events at which a Person with whom communications are prohibited may or will be present, provided that all matters related to Applications to be considered by the Board will not be discussed.

(c) **Adherence to Obligations.** (§2306.6720, General Appropriation Act, Article VII, Rider 8(a)) All representations, undertakings and commitments made by an Applicant in the Application process for a Development, whether with respect to Threshold Criteria, Selection Criteria or otherwise, shall be deemed to be a condition to any Commitment Notice, Determination Notice, or Carryover Allocation for such Development, the violation of which shall be cause for cancellation of such Commitment Notice, Determination Notice, or Carryover Allocation by the Department, and if concerning the ongoing features or operation of the Development, shall be enforceable even if not reflected in the LURA. All such representations are enforceable by the Department and the tenants of the Development, including enforcement by administrative penalties for failure to perform, as stated in the representations and in accordance with the LURA. If a Development Owner does not produce the Development as represented in the Application ; does not receive approval for an amendment to the

Application by the Department prior to implementation of such amendment; or does not provide the necessary evidence for any points received by the required deadline:

(1) The Development Owner must provide a plan to the Department, for approval and subsequent implementation, that incorporates additional amenities to compensate for the non-conforming components; and

(2) The Board will opt either to terminate the Application and rescind the Commitment Notice, Determination Notice or Carryover Allocation Agreement as applicable or the Department must:

(A) Reduce the score for Applications for Competitive Housing Tax Credits that are submitted by an Applicant or Affiliate related to the Development Owner of the non-conforming Development by up to ten points for the two Application Rounds concurrent to, or following, the date that the non-conforming aspect, or lack of financing, was recognized by the Department of the need for the amendment; the placed in service date; or the date the amendment is accepted by the Board.

(B) Prohibit eligibility to apply for Housing Tax Credits for a Tax-Exempt Bond Development that are submitted by an Applicant or Affiliate related to the Development Owner of the non-conforming Development for up to 24 months from the date that the non-conforming aspect, or lack of financing, was recognized by the Department of the need for the amendment; the placed in service date; or the date the amendment is accepted by the Board, less any time delay caused by the Department.

(C) In addition to, or in lieu of, the penalty in subparagraph A or B of this paragraph, the Board may assess a penalty fee of up to \$1,000 per day for each violation.

(3) For amendments approved administratively by the Executive Director, the penalties in paragraph (2) of this subsection will not be imposed.

**(d) Evaluation Process for Competitive Applications Under the State Housing Credit Ceiling.** Applications submitted for competitive consideration under the State Housing Credit Ceiling will be reviewed according to the process outlined in this subsection. An Application, during any of these stages of review, may be determined to be ineligible as further described in §50.5 of this chapter; Applicants will be promptly notified in these instances.

(1) Set-Aside and Selection Criteria Review. All Applications will first be reviewed as described in this paragraph. Applications will be confirmed for eligibility for Set-Asides. Then, each Application will be preliminarily scored according to the Selection Criteria listed in subsection (i) of this section. When a particular scoring criterion involves multiple points, the Department will award points to the proportionate degree, in its determination, to which a proposed Development complied with that criterion. As necessary to complete this process only, Administrative Deficiencies may be issued to the Applicant. This process will generate a preliminary Department score for every Application.

(2) Application Review Assessment. Each Application will be assessed based on either the Applicant's self-score or the Department's preliminary score, region, and any Set-Asides that the Application indicates it is eligible for, consistent with paragraph (5) of this subsection. Those Applications that appear to be most competitive will be reviewed in detail for Eligibility and Threshold Criteria during the Application Round.

(3) Eligibility and Threshold Criteria Review. Applications that appear to be most competitive will be evaluated for eligibility under §50.5(a)(7) - (9), (b) - (f), and 50.6 of this title. The remaining portions of the Eligibility Review under §50.5 of this chapter will be performed in the Compliance Evaluation and Eligibility Review as described under paragraph (7) of this subsection. The most competitive Applications will also be evaluated against the Threshold Criteria under subsection (h) of this section. The same portions of the Threshold Criteria review may be performed in the Underwriting Evaluation and Criteria review for financial feasibility by the Department's Real Estate Analysis Division as described under paragraph (6) of this subsection. Applications not meeting Threshold Criteria will be notified of any Administrative Deficiencies, in each event the Applicant will be given an opportunity to correct such deficiencies. Applications not meeting Threshold Criteria after receipt and review of the Administrative Deficiency response will be terminated and the Applicant will be provided a written notice to that effect. The Department shall not be responsible for the Applicant's failure to meet the Threshold Criteria, and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Threshold Criteria shall not confer upon the Applicant any rights to which

it would not otherwise be entitled. Not all Applications will be reviewed in detail for Threshold Criteria. To the extent that the review of Threshold Criteria documentation, or submission of Administrative Deficiency documentation, alters the score assigned to the Application, an Applicant will be notified of its final score.

(4) Administrative Deficiencies. If an Application contains Administrative Deficiencies pursuant to §50.3(2) of this title which, in the determination of the Department staff, require clarification or correction of information submitted at the time of the Application, the Department staff may request clarification or correction of such Administrative Deficiencies. Because the review for Eligibility, Selection, Threshold Criteria, and review for financial feasibility by the Department's Real Estate Analysis Division may occur separately, Administrative Deficiency requests may be made several times. The Department staff will request clarification or correction in a deficiency notice in the form of an email, or if an e-mail address is not provided in the Application, by facsimile, and a telephone call to the Applicant and one other party identified by the Applicant in the Application advising that such a request has been transmitted. If Administrative Deficiencies are not clarified or corrected to the satisfaction of the Department by 5:00 p.m. on the fifth business day following the date of the deficiency notice, then for competitive Applications under the State Housing Credit Ceiling, five points shall be deducted from the Selection Criteria score for each additional day the deficiency remains unresolved. If Administrative Deficiencies are not clarified or corrected by 5:00 p.m. on the seventh business day following the date of the deficiency notice, then the Application shall be terminated. The time period for responding to a deficiency notice begins at the start of the business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the Application Acceptance Period. This Administrative Deficiency process applies to requests for information made by the Real Estate Analysis Division review.

(5) Subsequent Evaluation of Applications and Methodology for Award Recommendations to the Board. The Department will assign, as herein described, Developments for review for financial feasibility by the Department's Real Estate Analysis Division--in general these will be those Applications identified as most competitive and that meet the requirements of Eligibility and Threshold. This procedure will also be used in making recommendations to the Board as follows:

(A) Assignments will be determined by separately selecting the Applications with the highest scores in the At-Risk Set-Aside Statewide until the minimum requirements stated in §50.7(b) of this title are attained.

(B) Assignments will then be determined by selecting the Applications with the highest scores in the TRDO-USDA Allocation until the minimum requirements stated in §50.7(b) of this title are attained. If an Application in this Set-Aside involves Rehabilitation it will be attributed to, and come from the, At-Risk Set-Aside; if an Application in this Set-Aside involves New Construction it will be attributed to and come from the applicable Uniform State Service Region.

(C) Remaining funds within each Uniform State Service Region will then be selected based on the highest scoring Developments in each of the 26 sub-regions, regardless of Set-Aside, in accordance with the requirements under §50.7(a) of this title, without exceeding the credit amounts available for a Rural Regional Allocation and Urban Regional Allocation in each region. To the extent that Applications in the At-Risk and TRDO-USDA Set-Asides are not competitive enough within their respective Set-Asides, they will also be able to compete, with no Set-Aside preference, within their appropriate sub-region.

(D) If there are any tax credits set-aside for Developments in a Rural Area in a specific Uniform State Service Region that remain after allocation under subparagraph (C) of this paragraph those tax credits shall then be made available in any other Rural Area in the state to the Application in the most underserved Rural sub-region as compared to the Region's Rural Allocation. (§2306.111(d)(3)). This will be referred to as the Rural collapse.

(E) If there are any tax credits remaining in any sub-region after the Rural collapse, in the Rural Regional Allocation or Urban Regional Allocation, they then will be combined and made available to the Application in the most underserved sub-region as compared to the sub-region's allocation. This will be referred to as the statewide collapse.

(F) Staff will ensure that at least 10% of the State Housing Credit Ceiling is allocated to Qualified Nonprofit Organizations to satisfy the Nonprofit Set-Aside. If 10% is not met, then the Department will add the highest scoring Application by a Qualified Nonprofit Organization statewide

until the 10% Nonprofit Set-Aside is met. Staff will ensure that at least 20% of the State Housing Credit Ceiling is allocated to Rural Developments. If this 20% minimum is not met, then the Department will add the highest scoring Rural Development Application statewide until the 20% Rural Development Set-Aside is met. Selection for each of the Set-Asides will take precedence over selection for the Rural Regional Allocation and Urban Regional Allocation. Funds for the Rural Regional Allocation or Urban Regional Allocation within a region, for which there are no eligible feasible Applications, will be redistributed as provided in §50.7(c) of this title, Redistribution of Credits. If the Department determines that an allocation recommendation would cause a violation of the \$2 million limit described in §50.6(d) of this title, the Department will make its recommendation by selecting the Development(s) that most effectively satisfies(y) the Department's goals in meeting Set-Aside and regional allocation goals. Based on Application rankings, the Department shall continue to underwrite Applications until the Department has processed enough Applications satisfying the Department's underwriting criteria to enable the allocation of all available Housing Tax Credits according to regional allocation goals and Set-Aside categories. To enable the Board to establish a Waiting List, the Department shall underwrite as many additional Applications as necessary to ensure that all available Competitive Housing Tax Credits are allocated within the period required by law. (§2306.6710(a)- (f); §2306.111)

(6) Underwriting Evaluation and Criteria. The Department shall underwrite an Application to determine the financial feasibility of the Development and an appropriate level of Housing Tax Credits. In determining an appropriate level of Housing Tax Credits, the Department shall, at a minimum, evaluate the cost of the Development based on acceptable cost parameters as adjusted for inflation and as established by historical final cost certifications of all previous Housing Tax Credit allocations for the county in which the Development is to be located; if certifications are unavailable for the county, then the metropolitan statistical area in which the Development is to be located; or if certifications are unavailable under the county or the metropolitan statistical area, then the Uniform State Service Region in which the Development is to be located. Underwriting of a Development will include a determination by the Department, pursuant to the Code §42, that the amount of Housing Tax Credits recommended for commitment to a Development is necessary for the financial feasibility of the Development and its long-term viability as a qualified rent restricted housing property. In making this determination, the Department will use the Underwriting Rules and Guidelines, §1.32 of this title. An Applicant may not change or supplement any part of an Application in any manner after the filing deadline, and may not add any set-asides, increase their credit amount, or revise their unit mix (both income levels and bedroom mixes), except in response to a direct request from the Real Estate Analysis Division to remedy an Administrative Deficiency as further described in §50.3(2) of this title or by amendment of an Application after a commitment or allocation of tax credits as further described in §50.17(d) of this title. To the extent that the review of Administrative Deficiency documentation during this review alters the score assigned to the Application, Applicants will be re-notified of their final score. Receipt of feasibility points under §50.9(i)(1) of this title does not ensure that an Application will be considered feasible during the feasibility evaluation by the Real Estate Analysis Division and conversely, a Development may be found feasible during the feasibility evaluation by the Real Estate Analysis Division even if it did not receive points under subsection (i)(1) of this section. (§2306.6710 and §2306.11)

(A) The Department may have an external party perform the underwriting evaluation to the extent it determines appropriate. The expense of any external underwriting evaluation shall be paid by the Applicant prior to the commencement of the aforementioned evaluation.

(B) The Department will reduce the Applicant's estimate of Developer's and/or General Contractor fees in instances where these exceed the fee limits determined by the Department. In the instance where the General Contractor is an Affiliate of the Development Owner and both parties are claiming fees, General Contractor's overhead, profit, and general requirements, the Department shall be authorized to reduce the total fees estimated to a level that it determines to be reasonable under the circumstances. Further, the Department shall deny or reduce the amount of Housing Tax Credits allocated with respect to any portion of costs which it deems excessive or unreasonable. Excessive or unreasonable costs may include Developer fee attributable to Related Party acquisition costs. The Department also may require bids or Third Party estimates in support of the costs proposed by any Applicant. The Developer's fee limits will be calculated as follows:

(i) New construction pursuant to §42(b)(1)(A) U.S.C, the Developer fee cannot exceed 15% of the project's Total Eligible Basis, less Developer fees, or 20% of the project's Total Eligible Basis, less Developer fees if the Development proposes 49 total Units or less; and

(ii) Acquisition/rehabilitation Developments that are eligible for acquisition credits pursuant to §42(b)(1)(B) U.S.C, the acquisition portion of the Developer fee cannot exceed 15% of the existing structures acquisition basis, less Developer fee if the Development proposes 50 total Units or more, or 20% of the project's Total Eligible Basis, less Developer fees if the Development proposes 49 total Units or less, and will be limited to 4% credits. The rehabilitation portion of the Developer fee cannot exceed 15% of the total rehabilitation basis, less Developer fee if the Development proposes 50 total Units or more, or 20% of the project's Total Eligible Basis, less Developer fees if the Development proposes 49 total Units or less.

(7) Compliance Evaluation and Eligibility Review. After the Department has determined which Developments will be reviewed for financial feasibility, those same Developments will be reviewed for evaluation of the compliance status by the Department's Portfolio Management and Compliance Division, in accordance with §60 of this title, and will be evaluated in detail for eligibility under §50.5(a)- (f) of this title.

(8) Site Evaluation. Site conditions shall be evaluated through a physical site inspection by the Department or its assigns. Such inspection will evaluate the Development Site based upon the criteria set forth in the Site Evaluation form provided in the Application and the inspector shall provide a written report of such site evaluation. The evaluations shall be based on the condition of the surrounding neighborhood, including appropriate environmental and aesthetic conditions and proximity to retail, medical, recreational, and educational facilities, and employment centers. The site's appearance to prospective tenants and its accessibility via the existing transportation infrastructure and public transportation systems shall be considered. "Unacceptable" sites include, without limitation, those containing a non-mitigable environmental factor that may adversely affect the health and safety of the residents. For Developments applying under the TRDO-USDA Set-Aside, the Department may rely on the physical site inspection performed by TRDO-USDA.

**(e) Evaluation Process for Tax-Exempt Bond Development Applications.** Applications submitted for consideration as Tax-Exempt Bond Developments will be reviewed according to the process outlined in this subsection. An Application, during any of these stages of review, may be determined to be ineligible as further described in §50.5 of this title; Applicants will be promptly notified in these instances.

(1) Eligibility and Threshold Criteria Review. All Tax-Exempt Bond Development Applications will first be reviewed as described in this paragraph. Tax-Exempt Bond Development Applications will be confirmed for eligibility under §50.5 and §50.6 of this title and Applications will be evaluated in detail against the Threshold Criteria. Tax-Exempt Bond Development Applications found to be ineligible and/or not meeting Threshold Criteria will be notified of any Administrative Deficiencies, in each event the Applicant will be given an opportunity to correct such deficiencies. Applications not meeting the Threshold Criteria after receipt and review of the Administrative Deficiency response will be terminated and the Applicant will be provided a written notice to that effect. The Department shall not be responsible for the Applicant's failure to meet the Threshold Criteria, and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled.

(2) Administrative Deficiencies. If an Application contains deficiencies which, in the determination of the Department staff, require clarification or correction of information submitted at the time of the Application, the Department staff may request clarification or correction of such Administrative Deficiencies. Because the review for Eligibility, Threshold Criteria, and review for financial feasibility by the Department's Real Estate Analysis Division may occur separately, Administrative Deficiency requests may be made several times. The Department staff will request clarification or correction in a deficiency notice in the form of an e-mail, or if an e-mail address is not provided in the Application, by facsimile, and a telephone call to the Applicant and one other party identified by the Applicant in the Application advising that such a request has been transmitted. All Administrative Deficiencies shall be clarified or corrected to the satisfaction of the Department within five business days. Failure to resolve all outstanding deficiencies by 5:00 p.m. on the fifth business day

following the date of the deficiency notice will result in a penalty fee of \$500 for each business day the deficiency remains unresolved. Applications with unresolved deficiencies after 5:00 p.m. on the tenth day following the date of the deficiency notice will be terminated. The Applicant will be responsible for the payment of fees accrued pursuant to this section regardless of any termination pursuant to §50.5(b)(4) of this title. The time period for responding to a deficiency notice begins at the start of the business day following the deficiency notice date. Deficiency notices may be sent to an Applicant prior to or after the end of the Application Acceptance Period. The Application will not be presented to the Board for consideration until all outstanding fees have been paid. This Administrative Deficiency process applies equally to the Real Estate Analysis Division review and feasibility evaluation and the same penalty and termination will be assessed.

(3) Underwriting and Compliance Evaluation and Criteria. The Department will assign all eligible Tax-Exempt Bond Development Applications meeting the eligibility and threshold requirements for review for financial feasibility by the Department's Real Estate Analysis Division, or the Department may have an external party perform the underwriting evaluation to the extent it determines appropriate. The expense of any external underwriting evaluation shall be paid by the Applicant prior to the commencement of the aforementioned evaluation. The Department or external party shall underwrite an Application to determine the financial feasibility of the Development and an appropriate level of Housing Tax Credits as further described in subsection (d)(6) of this section. Tax-Exempt Bond Development Applications will also be reviewed for evaluation of the compliance status by the Department's Portfolio Management and Compliance Division in accordance with Chapter 60, Subchapter A of this title.

(4) Site Evaluation. Site conditions shall be evaluated through a physical site inspection by the Department or its assigns as further described in subsection (d)(8) of this section.

(f) **Evaluation Process for Rural Rescue Applications Under the 2009 Credit Ceiling.** Applications submitted for consideration as Rural Rescue Applications pursuant to §50.10(c) of this title under the 2009 Credit Ceiling will be reviewed according to the process outlined in this subsection. A Rural Rescue Application, during any of these stages of review, may be determined to be ineligible as further described in §50.5 of this title; Applicants will be promptly notified in these instances.

(1) Procedures for Intake and Review.

(A) Applications for Rural Rescue deals may be submitted between March 2, 2008 and November 15, 2008 and must be submitted in accordance with §50.21 of this title. A complete Application must be submitted at least 40 days prior to the date of the Board meeting at which the Applicant would like the Board to act on the proposed Development. Applications must include the full Application Fee as further described in §50.20(c) of this title. Applicants must submit documents in accordance with the procedures set out in the 2008 Application Submission Procedures Manual for Volumes I, II, III and IV. Volume IV, evidencing Selection Criteria, **MUST** be submitted.

(B) Applicants do not need to participate in the Pre-Application process outlined in §50.8 of this title, nor will they need to submit pre-certification documents identified in §50.9(g) of this title.

(C) Applications will be processed on a first-come, first-served basis. Applications unable to meet all deficiency and underwriting requirements within 30 days of the request by the Department, will remain under consideration, but will lose their submission status and the next Application in line will be moved ahead in order to expedite those Applications most able to proceed. Applications for Rural Rescue will be processed and evaluated as described in this paragraph. Applications will be reviewed to ensure that the Application is eligible as a rural "rescue" Development as described in paragraph (2) of this subsection.

(D) Prior to the Development being recommended to the Board, TRDO-USDA must provide the Department with a copy of the physical site inspection report performed by TRDO-USDA, as provided in §50.9(d)(8) of this title.

(2) Eligibility Review. All Rural Rescue Applications will first be reviewed as described in this paragraph and eligibility will be confirmed pursuant to §50.5 and §50.6 of this title and the criteria listed in subparagraphs (A-C) of this paragraph. Applications found to be ineligible will be notified.

(A) Applications must be funded through TRDO-USDA;

- (B) Applications must be able to provide evidence that the loan:
- (i) has been foreclosed and is in the TRDO-USDA inventory; or
  - (ii) is being foreclosed; or
  - (iii) is being accelerated; or
  - (iv) is in imminent danger of foreclosure or acceleration; or
  - (v) is for an Application in which two adjacent parcels are involved, of which at least one parcel qualifies under clauses (i) through (iv) of this subparagraph and for which the Application is submitted under one ownership structure, one financing plan and for which there are no market rate units. and

(C) Applicants must be identified as in compliance with TRDO-USDA regulations.

(3) Threshold Review. Applications will be evaluated in detail against the Threshold Criteria. Applications found to be ineligible and/or not meeting Threshold Criteria will be notified of any Administrative Deficiencies, in which event the Applicant is given an opportunity to correct such deficiencies. Applications not meeting Threshold Criteria after receipt and review of the Administrative Deficiency response will be terminated and the Applicant will be provided a written notice to that effect. The Department shall not be responsible for the Applicant's failure to meet the Threshold Criteria, and any failure of the Department's staff to notify the Applicant of such inability to satisfy the Threshold Criteria shall not confer upon the Applicant any rights to which it would not otherwise be entitled. Not all Applications will be reviewed in detail for Threshold Criteria.

(4) Selection Criteria Review. All Rural Rescue Applications will be evaluated against the Selection Criteria and a score will be assigned to the Application. The minimum score for Selection Criteria is not required to be achieved to be eligible.

(5) Administrative Deficiencies. If an Application contains deficiencies which, in the determination of the Department staff, require clarification or correction of information submitted at the time of the Application, the Department staff may request clarification or correction of such Administrative Deficiencies as further described in subsection (d)(4) of this section.

(6) Underwriting and Compliance Evaluation and Criteria. The Department will assign all eligible Rural Rescue Applications meeting the eligibility and threshold requirements for review for financial feasibility by the Department's Real Estate Analysis Division, or the Department may have an external party perform the underwriting evaluation to the extent it determines appropriate. The expense of any external underwriting evaluation shall be paid by the Applicant prior to the commencement of the aforementioned evaluation. The Department or external party shall underwrite an Application to determine the financial feasibility of the Development and an appropriate level of Housing Tax Credits as further described in subsection (d)(6) of this section. Rural Rescue Development Applications will also be reviewed for evaluation of the previous participation by the Department's Portfolio Management and Compliance Division in accordance with Chapter 60 of this title.

(7) Site Evaluation. Site conditions shall be evaluated through a physical site inspection by the Department or its assigns as further described in subsection (d)(8) of this section.

(8) Credit Ceiling and Applicability of this title. All Rural Rescue Applicants will receive their credit allocation out of the 2009 Credit Ceiling and therefore, will be required to follow the rules and guidelines identified in the 2009 Qualified Allocation Plan and Rules (QAP). However, because the 2009 QAP will not be in effect during the time period that the Rural Rescue Applications can be submitted, Applications submitted and eligible under the Rural Rescue Set-Aside will be considered by the Board to have satisfied the requirements of the 2009 QAP and are waived from 2009 QAP requirements that are changes from the 2008 QAP, to the extent permitted by statute.

(9) Procedures for Recommendation to the Board. Consistent with subsection (k) of this section, staff will make its recommendation to the Committee. The Committee will make commitment recommendations to the Board. Staff will provide the Board with a written, documented recommendation which will address at a minimum the financial and programmatic viability of each Application and a breakdown of which Selection Criteria were met by the Applicant. The Board will make its decision based on §50.10(a) of this title. Any award made to a Rural Rescue Development will be credited against the TRDO-USDA Set-Aside for the 2009 Application Round, as required under §50.9(d)(5).

(10) Limitation on Allocation. No more than \$350,000 in credits will be forward committed from the 2009 State Housing Credit Ceiling. To the extent Applications are received that exceed the

maximum limitation, staff will prepare the award for Board consideration noting for the Board that the award would require a waiver of this limitation.

(g) **Experience Pre-Certification Procedures.** No later than 14 days prior to the close of the Application Acceptance Period for Competitive Housing Tax Credit Applications, an Applicant must submit the documents required in this subsection to obtain the required pre-certification. For Applications submitted for Tax-Exempt Bond Applications or Applications not applying for Competitive Housing Tax Credits, but applying only under other Multifamily Programs (HOME, Housing Trust Fund, etc.) all of the documents in this section must be submitted with the Application. Upon receipt of the evidence required under this section, a certification from the Department will be provided to the Applicant for inclusion in its Application(s). Evidence must show that one of the Development Owner's General Partners, the Developer or their Principals have a record of successfully constructing or developing residential units (single family or multifamily) in the capacity of owner, General Partner or Developer. If a Public Housing Authority organized an entity for the purpose of developing residential units the Public Housing Authority shall be considered a Principal for the purpose of this requirement. If the individual requesting the certification was not the Development Owner, General Partner or Developer, but was the individual within one of those entities doing the work associated with the development of the Units (responsibility for work associated with the development of Units includes, but is not limited to, application submission, third-party engagement, post award activities, construction, cost certification, etc.), the individual must show that the units were successfully developed as required in paragraphs (1) and (2) of this subsection, and also provide written confirmation from the entity involved stating that the individual was the person responsible for the development. If rehabilitation experience is being claimed to qualify for an Application involving New Construction, then the rehabilitation must have been substantial and involved at least \$12,000 of direct hard cost per unit.

(1) The term "successfully" is defined as acting in a capacity as the owner, General Partner, or Developer of:

(A) At least 100 residential units or, if less than 100 residential units, 80 % of the total number of Units the Applicant is applying to build (e.g. you must have 40 units successfully built to apply for 50 Units); or

(B) At least 36 residential units if the Development is a Rural Development; or

(C) At least 25 residential units if the Development has 36 or fewer total Units.

(2) One or more of the following documents must be submitted: American Institute of Architects (AIA) Document A111 - Standard Form of Agreement Between Owner & Contractor, AIA Document G704 - Certificate of Substantial Completion, IRS Form 8609, HUD Form 9822, development agreements, partnership agreements, or other documentation satisfactory to the Department verifying that the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals have the required experience. If submitting the IRS Form 8609, only one form per Development is required. The evidence must clearly indicate:

(A) That the Development has been completed (i.e. Development Agreements, Partnership Agreements, etc. must be accompanied by certificates of completion);

(B) That the names on the forms and agreements tie back to the Development Owner's General Partner, partner (or if Applicant is to be a limited liability company, the managing member), Developer or their Principals as listed in the Application; and

(C) The number of units completed or substantially completed.

(h) **Threshold Criteria.** The following Threshold Criteria listed in this subsection are mandatory requirements that must be submitted at the time of Application submission unless specifically indicated otherwise:

(4) Certifications. The "Certification Form" provided in the Application confirming the following items:

(A) A certification of the basic amenities selected for the Development. All Developments must meet at least the minimum threshold of points. These points are not associated with the selection criteria points in subsection (i) of this section. The amenities selected must be made available for the benefit of all tenants. If fees in addition to rent are charged for amenities reserved for an individual tenant's use, then the amenity may not be included among those provided to satisfy this requirement. Developments must provide a minimum number of common amenities in relation to the Development size being proposed. The amenities selected must be selected from clause (ii) of this subparagraph and made available for the benefit of all tenants. Developments proposing Rehabilitation (excluding Reconstruction) or proposing Single Room Occupancy will receive 1.5 points for each point item. Applications for non-contiguous scattered site housing, including New Construction, reconstruction, Adaptive Reuse Rehabilitation, and single-family design, will have the threshold test applied based on the number of Units per individual site, and must submit a separate certification for each individual site under control by the Applicant. Any future changes in these amenities, or substitution of these amenities, must be approved by the Department in accordance with §50.17(d) of this title and may result in a decrease in awarded credits if the substitution or change includes a decrease in cost, or in the cancellation of a Commitment Notice or Carryover Allocation if all of the Common Amenities claimed are no longer met.

(i) Applications must meet a minimum threshold of points (based on the total number of Units in the Development) as follows:

Both Developments designed for families and Qualified Elderly Developments can earn points for providing each identified amenity unless the item is specifically restricted to one type of Development. All amenities must meet accessibility standards as further described in subparagraphs (D) and (F) of this paragraph. An Application can only count an amenity once, therefore combined functions (a library which is part of a community room) only count under one category. Spaces for activities must be sized appropriately to serve the anticipated population.

(F) All Applicants acknowledge by virtue of filing an Application that the Department is not bound by any opinion expressed in the report. The Department may determine from time to time that information not required in the Department's Rules and Guidelines will be relevant to the Department's evaluation of the need for the Development and the allocation of the requested Housing

In addition to the submission of the engagement letter with the Application, a map must be provided that reflects the Qualified Market Analyst's intended market area. Subsequently, the entire exhibit must be submitted on or before 5:00 p.m. CST, April 1, 2008. If the entire exhibit is not received by that time, the Application will be terminated and will be removed from consideration.

(iii) A single hard copy of the report and a searchable soft copy in the format of a single file containing all information and exhibits in the hard copy report, presented in the order they appear in the hard copy report on a CD-R clearly labeled with the report type, Development name, and Development location are required.

(15) Self-Scoring. Applicant's self-score must be completed on the "Application Self-Scoring Form." An Applicant may not adjust the Application Self Scoring Form without a request from the Department as a result of an Administrative Deficiency.

(i) **Selection Criteria.** All Applications will be scored and ranked using the point system identified in this subsection. Unless otherwise stated, use normal rounding. Points other than paragraphs (2) and (6) of this subsection will not be awarded unless requested in the Self Scoring Form. All Applications, with the exception of TRDO-USDA Applications, must receive a final score totaling a minimum of 111, not including any points awarded or deducted pursuant to paragraphs (2) and (6) of this subsection to be eligible for an allocation of Housing Tax Credits. Maximum Total Points: 228.

(1) **Financial Feasibility of the Development.** Financial Feasibility of the Development based on the supporting financial data required in the Application that will include a Development underwriting pro forma from the permanent or construction lender. (§2306.6710(b)(1)(A)) Applications may qualify to receive 28 points for this item. No partial points will be awarded. Evidence will include the documentation required for this exhibit, as reflected in the Application submitted, in addition to the commitment letter required under subsection (h)(7)(C) of this section. The supporting financial data shall include:

(A) A fifteen year pro forma prepared by the permanent or construction lender:

(i) Specifically identifying each of the first five years and every fifth year thereafter;

(ii) Specifically identifying underlying assumptions including, but not limited to general growth factor applied to income and expense; and

(iii) Indicating that the Development maintains a minimum 1.15 debt coverage ratio throughout the initial fifteen years proposed for all third party lenders that require scheduled repayment; and

(B) A statement in the commitment letter, or other form deemed acceptable by the Department, indicating that the lender's assessment finds that the Development will be feasible for fifteen years.

(C) For Developments receiving financing from TRDO-USDA, the form entitled "Sources and Uses Comprehensive Evaluation for Multi-Family Housing Loans" or other form deemed acceptable by the Department shall meet the requirements of this section.

(2) **Quantifiable Community Participation from Neighborhood Organizations on Record with the State or County and Whose Boundaries Contain the Proposed Development Site.** Points will be awarded based on written statements of support or opposition from Neighborhood Organizations on record with the state or county in which the Development is to be located and whose boundaries contain the proposed Development site. (§2306.6710(b)(1)(B); §2306.6725(a)(2)). It is possible for

points to be awarded or deducted based on written statements from organizations that were not identified by the process utilized for notification purposes under subsection (h)(8)(A)(ii) of this section if the organization provides the information and documentation required in subparagraphs (A) - (C) of this paragraph. It is also possible that neighborhood organizations that were initially identified as appropriate organizations for purposes of the notification requirements will subsequently be determined by the Department not to meet the requirements for scoring.

(A) Basic Submission Requirements for Scoring. Each Neighborhood Organization may submit one letter (and enclosures) that represents the organization's input. In order to receive a point score, the letter (and enclosures) must be received or postmarked (or similar tracking system) by the Department no later than February 29, 2008, for letters relating to Applications that submitted a Pre-Application, or April 1, 2008 if a Pre-Application was not submitted. Letters should be addressed to the Texas Department of Housing and Community Affairs, "Attention: Executive Director (Neighborhood Input)." Letters received after the applicable deadline will be summarized for the Board's information and consideration, but will not affect the score for the Application. The organization's letter (and enclosures) must:

- (i) State the name and location of the proposed single Development;
- (ii) Certify that the letter is signed by the person with the authority to sign on behalf of the neighborhood organization, and provide:
  - (I) the street and/or mailing addresses;
  - (II) day and evening phone numbers;
  - (III) and e-mail addresses and/or facsimile numbers for the signer of the letter; and
  - (IV) for one additional contact including their contact information for the organization;
- (iii) Certify that the organization has boundaries, and that the boundaries in effect February 29, 2008 contain the proposed Development Site;
- (iv) Certify that the organization meets the definition of "Neighborhood Organization as defined in §50.3(63) of this title." For the purposes of this section, a "Neighborhood Organization" is defined as an organization of persons living near one another within the organization's defined boundaries in effect February 29, 2008 that contain the proposed Development site and that has a primary purpose of working to maintain or improve the general welfare of the neighborhood. "Neighborhood Organizations" include homeowners associations, property owners associations, and resident councils in which the council is commenting on the Rehabilitation or reconstruction of the property occupied by the residents. "Neighborhood Organizations" do not include broader based "community" organizations.
- (v) Include documentation showing that the organization is on record as of February 29, 2008 with the state or county in which the Development is proposed to be located. The receipt of a QCP letter, by the Department on or before February 29, 2008, that meets the requirements outlined in the QCP neighborhood information packet and the 2008 QAP, will constitute being on record with the State.

The Neighborhood Organization must include in its letter, a contact name with a mailing address and phone number; and a written description and map of the organization's geographical boundaries, as well as proof that the boundaries described were in effect as of February 29, 2008. This request must be received no later than February 29, 2008. Acceptance of this documentation will be subject to Department approval. The Department is permitted to issue a deficiency notice for this registration process and if satisfied, the organization will still be deemed to be timely placed on record with the state.

(vi) Accurately certify that the Neighborhood Organization was not formed by any Applicant, Developer, or any employee or agent of any Applicant (the seller of land is not considered, with the exception of an identity of interest, to be an agent of the Application) in the 2008 Competitive Housing Tax Credit Application Round, that the organization and any member did not accept money or a gift to cause the Neighborhood Organization to take its position of support or opposition, and has not provided any assistance other than education and information sharing to the Neighborhood Organization to meet the requirements of this subparagraph for any Application in the

Application Round (i.e. hosting a public meeting, providing the "TDHCA Information Packet for Neighborhoods" to the Neighborhood Organization, or referring the Neighborhood Organization to TDHCA staff for guidance). Applicants may not provide any "production" assistance to meet these requirements for any Application in the Application Round (i.e. use of fax machines owned by the Applicant, use of legal counsel related to the Applicant, or assistance drafting a letter for the purposes of this subparagraph).

(vii) While not required, the organization is encouraged to hold a meeting to which all the members of the organization are invited to consider whether the organization should support, oppose, or be neutral on the proposed Development, and to have the membership vote on whether the organization should support, oppose, or be neutral on the proposed Development. The organization is also encouraged to invite the Developer or Applicant to this meeting.

(viii) Letters from Neighborhood Organizations, and subsequent correspondence from Neighborhood Organizations, may not be provided via the Applicant which includes facsimile and email communication.

(B) Scoring of Letters (and Enclosures). The input must clearly and concisely state each reason for the Neighborhood Organization's support for or opposition to the proposed Development.

(i) The score awarded for each letter for this exhibit will range from a maximum of +24 for the position support to +12 for the neutral position to 0 for a position of opposition. The number of points to be allocated to each organization's letter will be based on the organization's letter and evidence enclosed with the letter. The final score will be determined by the Executive Director. The Department may investigate a matter and contact the Applicant and Neighborhood Organizations for more information. The Department may consider any relevant information specified in letters from other Neighborhood Organizations regarding a Development in determining a score.

(ii) The Department highly values quality public input addressed to the merits of a Development. Input that points out matters that are specific to the neighborhood, the proposed site, the proposed Development, or Developer are valued. If a proposed Development is permitted by the existing or pending zoning or absence of zoning, concerns addressed by the allowable land use that are related to any multifamily development may generally be considered to have been addressed at the local level through the land use planning process. Input concerning positive efforts or the lack of efforts by the Applicant to inform and communicate with the neighborhood about the proposed Development is highly valued. If the Neighborhood Organization refuses to communicate with the Applicant the efforts of the Applicant will not be considered negative. Input that evidences unlawful discrimination against classes of persons protected by Fair Housing law or the scoring of which the Department determines to be contrary to the Department's efforts to affirmatively further fair housing will not be considered.

(iii) In general, letters that meet the requirements of this paragraph and:

(I) Establish at least one reason for support or opposition will be scored the maximum points for either support (+24 points) or opposition (zero);

(II) That do not establish a reason for support or opposition or that are unclear will be considered ineligible and scored as neutral (+12 points).

(iv) If an Application receives multiple eligible letters, the average score of all eligible letters will be applied to the Application.

(v) Applications for which no letters from Neighborhood Organizations are scored will receive a neutral score of +12 points.

(C) Basic Submission Deficiencies. The Department is authorized but not required to request that the Neighborhood Organization provide additional information or documentation the Department deems relevant to clarify information contained in the organization's letter (and enclosures). If the Department determines to request additional information from an organization, it will do so by e-mail or facsimile to the e-mail address or facsimile number provided with the organization's letter. If the deficiencies are not clarified or corrected in the Department's determination within seven business days from the date the e-mail or facsimile is sent to the organization, the organization's letter will not be considered further for scoring and the organization will be so advised. This potential deficiency process does not extend any deadline required above for

the "Quantifiable Community Participation" process. An organization may not submit additional information or documentation after the applicable deadlines except in response to an e-mail or facsimile from the Department specifically requesting additional information.

(3) The Income Levels of Tenants of the Development. Applications may qualify to receive up to 22 points for qualifying under only one of subparagraphs (A) - (F) of this paragraph. To qualify for these points, the household incomes must not be higher than permitted by the AMGI level The Development Owner, upon making selections for this exhibit, will set aside Units at the levels of AMGI and will maintain the percentage of such Units continuously over the compliance and extended use period as specified in the LURA. These income levels require corresponding rent levels that do not exceed 30% of the income limitation in accordance with §42(g), Internal Revenue Code. (§2306.6710(b)(1)(C); §2306.111(g)(3)(B); §2306.6710(e); §42(m)(1)(B)(ii)(I); §2306.111(g)(3)(E))

(C) 20 points if at least 60% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI; or

(D) 18 points if at least 10% of the Total Units in the Development are set-aside with incomes at or below 30% of AMGI; or

(E) 16 points if at least 40% of the Total Units in the Development are set-aside with incomes at or below 50% of AMGI; or

(4) The Size and Quality of the Units (Development Characteristics). Applications may qualify to receive up to 20 points. Applications may qualify for points under both subparagraphs (A) and (B) of this paragraph. (§2306.6710(b)(1)(D); §42(m)(1)(C)(iii))

(A) Size of the Units. Applications may qualify to receive 6 points. The Development must meet the minimum requirements identified in this subparagraph to qualify for points. Six points for this item will be automatically granted for Applications involving Rehabilitation (excluding Reconstruction), Developments receiving funding from TRDO-USDA, or Developments proposing single room occupancy without meeting these square footage minimums if requested in the Self Scoring Form. The square feet of all of the Units in the Development, for each type of Unit, must be at least the minimum noted in clauses (i) - (v) of this subparagraph. Changes to an Application during any phase of the review process that decreases the square footage below the minimums noted in clause (i) - (v) of this subparagraph, will be re-evaluated and may result in a reduction of the Application score.

(i) 500 square feet for an efficiency Unit;

(ii) 650 square feet for a non-elderly one Bedroom Unit; 550 square feet for an elderly one Bedroom Unit;

Applications involving scattered site Developments must have all of the Units located with a specific amenity to count for points. Applications involving Rehabilitation (excluding reconstruction) or single room occupancy may receive 1.5 points for each point item, not to exceed 14 points in total.

(5) The Commitment of Development Funding by Local Political Subdivisions. Applications may qualify to receive up to 18 points for qualifying under this paragraph provided for under Development Funding. (§2306.6710(b)(1)(E))

(A) Basic Submission Requirements for Scoring. Evidence of the following must be submitted in accordance with the Application Submission Procedures Manual (ASPM).

- (i) The loans, grant(s) or in-kind contribution(s) must be attributed to the Total Housing Development Costs, as defined in this title, unless otherwise stipulated in this section.
- (ii) An Applicant may only submit enough sources to substantiate the point request, and all sources must be included in the Sources and Uses form. For example, if an Applicant is requesting 18 points, five sources may be submitted if each is for an amount equal to 1% of the Total Housing Development Cost. However, five sources may not be submitted if each source is for an amount equal to 5% of the Total Housing Development Cost.
- (iii) An Applicant may substitute any source in response to a Deficiency Notice or after the Application has been submitted to the Department.
- (iv) A loan does not qualify as an eligible source unless it has a minimum term of the later of 1-year or the Placed in Service date, and the interest rate must be at the Applicable Federal Rate (AFR) or below (at the time of loan closing)
- (v) In-kind contributions such as donation of land, tax exemptions, or waivers of fees such as building permits, water and sewer tap fees, or similar contributions are only eligible for points if the in-kind contribution provides a tangible economic benefit that results in a quantifiable Total Housing Development Cost reduction to benefit the Development will be acceptable to qualify for these points. The quantified value of the Total Housing Development Cost reduction may only include the value during the period the contribution or waiver is received and/or assessed. Donations of land must be under the control of the Applicant, pursuant to §50.9(h)(7) of this title to qualify. The value of in-kind contributions may only include the time period between award, or August 1, 2008 and the

Development's Placed in Service date, with the exception of contributions of land. The full value of land contributions, as established by the appraisal required pursuant to clause (viii) of this subparagraph. Contributions in the form of tax exemptions or abatements may only count for points if the contribution is in addition to any tax exemption or abatement required under statute.

(vi) To the extent that a Notice of Funding Availability (NOFA) is released and funds are available, funds from TDHCA's HOME Investment Partnerships (HOME) Program will qualify if a resolution, dated on or before the date the Application Acceptance Period ends, is submitted with the Application from the Local Political Subdivision authorizing the Applicant to act on behalf of the Local Political Subdivision in applying for HOME Funds from TDHCA for the particular Application. TDHCA's HOME funds may be substituted for a source originally submitted with the Application, provided the HOME funds substituted are from a NOFA released after the Application Acceptance Period ends and a resolution is submitted with the substitution documentation from the Local Political Subdivision authorizing the Applicant to act on behalf of the Local Political Subdivision in applying for HOME Funds from TDHCA for the particular Application.

(vii) Development based rental subsidies may qualify under this section if evidence of the remaining value of the contract is submitted from the Local Political Subdivision. The value of the contract does not include past subsidies.

(viii) Evidence to be submitted with the Application must include a copy of the commitment of funds; a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received; or a certification of intent to apply for funding that indicates the funding entity and program to which the application will be submitted, the loan amount to be applied for and the specific proposed terms. For in-kind contributions, evidence must be submitted in the Application from Local Political Subdivision substantiating the value of the in-kind contributions. For in-kind contributions of land, evidence of the value of the contribution must be in the form of an appraisal.

(ix) If not already provided, at the time the executed Commitment Notice is required to be submitted, the Applicant or Development Owner must provide evidence of a commitment approved by the governing body of the Local Political Subdivision for the Development Funding to the Department. If the funding commitment from the Local Political Subdivision has not been received by the date the Department's Commitment Notice is to be submitted, the Application will be evaluated to determine if the loss of these points would have resulted in the Department's not committing the tax credits. If the loss of points would have made the Application noncompetitive, the Commitment Notice will be rescinded and the credits reallocated. If the Application would still be competitive even with the loss of points and the loss would not have impacted the recommendation for an award, the Application will be reevaluated for financial feasibility. If the Application is infeasible without the Local Political Subdivision's Development Funding, the Commitment Notice will be rescinded and the credits reallocated.

(x) Funding commitments from a Local Political Subdivision will not be considered final unless the Local Political Subdivision attests to the fact that any funds committed were not first provided to the Local Political Subdivision by the Applicant, the Developer, Consultant, Related Party or any individual or entity acting on behalf of the proposed Application, unless the Applicant itself is a Local Political Subdivision or subsidiary.

(B) Scoring. Points will be determined on a sliding scale based on the percentage of the Total Housing Development Costs of the Development, as reflected in the in the Development Cost Schedule. If a revised Development Cost Schedule is submitted to the Department in response to a deficiency notice at anytime during the review process, the Revised Development Cost Schedule will be utilized for this calculation, and Applicants will be notified of the revised score, consistent with §50.9(e) of this title. Do not round for the following calculations. The "total contribution" is the total combined value of qualifying loan(s), grants or in-kind contributions from a Local Political Subdivision pursuant to subparagraph (A) of this subsection.

(i) A total contribution equal to or greater than 1% of the Total Housing Development Cost of the Development receives 6 points; or

(ii) A total contribution equal to or greater than 2.5% of the Total Housing Development Cost of the Development receives 12 points; or

(iii) A total contribution equal to or greater than 5% of the Total Housing Development Cost of the Development receives 18 points.

(6) The Level of Community Support from State Representative or State Senator. The level of community support for the Application, evaluated on the basis of written statements received from the State Representative or State Senator that represents the district containing the proposed Development Site. (§2306.6710(b)(1)(F) and (f); §2306.6725(a)(2)) Applications may qualify to receive 14 points for this item. Letters of support must identify the specific Development and must clearly state support for or opposition to the specific Development. This documentation will be accepted with the Application or through delivery to the Department from the Applicant or the State Representative or Senator by April 1, 2008. State Representatives or Senators to be considered are those State Representatives or Senators in office at the time the Application is submitted. Letters of support from State Representatives or Senators that do not represent the district containing the proposed Development Site will not qualify for points under this Exhibit. Neutral letters, or letters that do not specifically refer to the Development, will receive neither positive nor negative points. Letters from State of Texas Representative or Senator: support letters are +14 points; opposition letters are -14 points for a maximum of either 14 or -14 points. If one letter is received in support and one letter is received in opposition the score would be 0 points.

(7) The Rent Levels of the Units. Applications may qualify to receive up to 12 points for qualifying under this exhibit. (§2306.6710(b)(1)(G)) If 80% or fewer of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 7 points. If between 81% and 85% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 8 points. If between 86% and 90% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 9 points. If between 91% and 95% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 10 points. If greater than 95% of the Units in the Development (excluding any Units reserved for a manager) are restricted to having rents plus the allowance for utilities equal to or below the maximum tax credit rent, then the Development shall be awarded 12 points.

(8) The Cost of the Development by Square Foot (Development Characteristics). Applications may qualify to receive 10 points for this item. (§2306.6710(b)(1)(H); §42(m)(1)(C)(iii)) For this exhibit, costs shall be defined as construction costs, including site work, direct hard costs, contingency, contractor profit, overhead and general requirements, as represented in the Development Cost Schedule. This calculation does not include indirect construction costs. The calculation will be costs per square foot of net rentable area (NRA). For the purposes of this subparagraph only, if the proposed Development is an elevator building serving elderly, a single room occupancy Development, or a high rise building serving any population, the NRA may include elevator served interior corridors. The calculations will be based on the cost listed in the Development Cost Schedule and NRA shown in the Rent Schedule of the Application. Developments qualify for 10 points if their costs do not exceed \$85 per square foot for Qualified Elderly, single family design, transitional, and single room occupancy Developments (transitional housing for the homeless and single room occupancy units as provided in the Code, §42(i)(3)(B)(iii) and (iv)), unless located in a "First Tier County" in which case their costs do not exceed \$87 per square foot; and \$75 for all other Developments, unless designated as "First Tier" by the Texas Department of Insurance, in which case their costs do not exceed \$77 per square foot. For 2007, the First Tier counties are Aransas, Brazoria, Calhoun, Chambers, Galveston, Jefferson, Kenedy, Kleberg, Matagorda, Nueces, San Patricio, and Willacy. There are also specifically designated First Tier communities in Harris County that are east of State Highway 146, and evidence in the Application must include a map with the Development site designated clearly within the community. These communities are Pasadena, Morgan's Point, Shoreacres, Seabrook and La Porte. Intergenerational Developments will receive 10 points if costs described above do not exceed the square footage limit for elderly and non-elderly units as determined by using the NRA attributable to the respective elderly and non-elderly units. The Department will determine if points will be awarded by multiplying the NRA for elderly units

by the applicable square footage limit for the elderly units and adding that total to the result of the multiplication of the NRA for family units by the applicable non-elderly square footage limit. If this maximum cost amount is equal to, or greater than the total of the costs identified above for the Application, points will be awarded(10 points).

(9) The Services to be Provided to Tenants of the Development. Applications may qualify to receive up to 8 points. (§2306.6710(b)(1)(I); §2306.6725(a)(1); General Appropriation Act, Article VII, Rider 7)

(A) The Applicant must certify that the Development will provide a combination of special supportive services appropriate for the proposed tenants. The provision of supportive services will be included in the LURA as selected from the list of services identified in this paragraph. No fees may be charged to the tenants for any of the services. Services must be provided on-site or transportation to off-site services must be provided (maximum of 6 points).

(i) Applications will be awarded points for selecting services listed in clause (ii) of this subparagraph based on the following scoring range:

- (I) Two points will be awarded for providing two of the services; or
- (II) Four points will be awarded for providing four of the services; or
- (III) Seven points will be awarded for providing six of the services.

(ii) Service options include child care; transportation; basic adult education; legal assistance; counseling services; GED preparation; English as a second language classes; vocational training; home buyer education; credit counseling; financial planning assistance or courses; health screening services; health and nutritional courses; organized team sports programs or youth programs; scholastic tutoring; any other programs described under Title IV-A of the Social Security Act (§42 (42 U.S.C. §§601 et seq.) which enables children to be cared for in their homes or the homes of relatives; ends the dependence of needy families on government benefits by promoting job preparation, work and marriage; prevents and reduces the incidence of out-of wedlock pregnancies; and encourages the formation and maintenance of two-parent families; or any other services approved in writing by the Department.

(B) In addition, Applications will receive 1 point for providing Notary Public Services to tenants at no cost to the tenant. This will be included in the LURA.

(10) Declared Disaster Areas. Applications may receive 7 points, if at time the complete Application is submitted or at any time within the two-year period preceding the date of submission, the proposed Development site is located in a Disaster Area as defined in §50.3 of this chapter.

(11) Rehabilitation, (which includes reconstruction) or Adaptive Reuse. Applications may qualify to receive 6 points. Applications proposing to build solely Rehabilitation (excluding New Construction of non-residential buildings), solely reconstruction (excluding New Construction of non-residential buildings), or solely Adaptive Reuse qualify for points.

(12) Housing Needs Characteristics. (§42(m)(1)(C)(ii)) Applications may qualify to receive up to 6 points. Each Application may receive a score if correctly requested in the self score form based on objective measures of housing need in the Area where the Development is located. This Affordable Housing Need Score for each Area will be published in a Site Demographic Characteristics table in the Reference Manual.

(13) Development Includes the Use of Existing Housing as part of a Community Revitalization Plan (Development Characteristics). Applications may qualify to receive 6 points for this item. (§42(m)(1)(C)(iii)) The Development is an Existing Residential Development and proposed any Rehabilitation or any Reconstruction that is part of a Community Revitalization Plan. Evidence of the Community Revitalization Plan and a letter from the governing body stating that the Development Site is located within the targeted development areas outlined in the Community Revitalization Plan must be submitted.

(14) Pre-Application Participation Incentive Points. (§2306.6704) Applications that submitted a Pre-Application during the Pre-Application Acceptance Period and meet the requirements of this paragraph will qualify to receive 6 points for this item. To be eligible for these points, the Application must:

(A) Be for the identical Development Site, or reduced portion of the Development Site as the proposed Development Site under control in the Pre-Application;

(B) Have met the Pre-Application Threshold Criteria;  
(C) Be serving the same target population (family, Intergenerational Housing, or elderly) as in the Pre-Application;

(D) Be serving the same target Set-Asides as indicated in the Pre-Application (Set-Asides can be dropped between Pre-Application and Application, but no Set-Asides can be added); and

(E) Be awarded by the Department an Application score that is not more than 5% greater or less than the number of points awarded by the Department at Pre-Application, with the exclusion of points for support and opposition under paragraphs (2), (6), and (18) of this subsection. The Application score used to determine whether the Application score is 5% greater or less than the number of points awarded at Pre-Application will also include all point losses under subsection 50.9(d)(4) of this section. An Applicant must choose, at the time of Application either clause (i) or (ii) of this subparagraph:

(i) To request the Pre-Application points and have the Department cap the Application score at no greater than the 5% increase regardless of the total points accumulated in the scoring evaluation. This allows an Applicant to avoid penalty for increasing the point structure outside the 5% range from Pre-Application to Application; or

(ii) To request that the Pre-Application points be forfeited and that the Department evaluate the Application as requested in the self-scoring sheet.

(15) Economic Development Initiatives. A Development that is located in one of the following two areas may qualify to receive 4 points. For the purpose of this paragraph, "area" shall mean the boundaries of any zone or community in subparagraph (A) or the area in which funds in subparagraph (B) must be used:

(A) a Designated State or Federal Empowerment/Enterprise Zone, Urban Enterprise Community, or Urban Enhanced Enterprise Community. To be eligible for these points, Applicants must submit a letter and a map from a city/county official stating that the proposed Development is located within such a designated zone or area; is eligible to receive the state or federal economic development grants or loans; and the city/county still has available funds. The letter should be no older than 6 months from the first day of the Application Acceptance Period. (VII, Rider 6; §2306.127); or

(B) an area that has received an award as of November 1, 2007, within the past three years from the Texas Capital Fund, Texas or Federal Enterprise Zone Fund, Texas Leverage Fund, Industrial Revenue Bond Program, Emerging Technologies, Skills Development, Rural Business Enterprise Grants, Certified Development Company Loans, or Micro Loan Program. Grants that qualify in these areas are included in the Application Reference Manual. (C) Points under subparagraphs (A) and (B) of this subparagraph will not be granted if more than 3 tax credit Developments have been awarded in that area in the last 7 years. The Applicant must provide evidence of the boundaries of the area, as required in the Application and Application Submission Procedures Manual.

(16) Development Location. (§2306.6725(a)(4)); §42(m)(1)(C)(i)) Applications may qualify to receive 4 points. Evidence, not more than 6 months old from the first day of the Application Acceptance Period, that the Development Site is located within one of the geographical areas described in subparagraphs (A) - (E) of this paragraph. Areas qualifying under any one of the subparagraphs (A) - (E) of this paragraph will receive 4 points. An Application may only receive points under one of the subparagraphs (A) - (E) of this paragraph.

(A) A geographical Area which is an Economically Distressed Area; a Colonia; or a Difficult Development Area (DDA) as specifically designated by the Secretary of HUD at the time of Application submission (§2306.127).

(B) The Development is located in a county that has received an award as of November 1, 2007, within the past three years, from the Texas Department of Agriculture's Rural Municipal Finance Program or Real Estate Development and Infrastructure Program. Cities which have received one of these awards are categorized as awards to the county as a whole so Developments located in a different city than the city awarded, but in the same county, will still be eligible for these points.

(C) The Development is located in a census tract which has a median family income (MFI), as published by the United States Bureau of the Census (U.S. Census), that is higher than the median family income for the county in which the census tract is located. This comparison shall be

made using the most recent data available as of the date the Application Round opens the year preceding the applicable program year. Developments eligible for these points must submit evidence documenting the median income for both the census tract and the county. These Census Tracts are outlined in the 2007 Housing Tax Credit Site Demographic Characteristics Report.

(D) The proposed Development will serve families with children (at least 70% of the Units must have an eligible bedroom mix of two bedrooms or more) and is proposed to be located in an elementary school attendance zone of an elementary school that has an academic rating of "Exemplary" or "Recognized," or comparable rating if the rating system changes. The date for consideration of the attendance zone is that in existence as of the opening date of the Application Round and the academic rating is the most current rating determined by the Texas Education Agency as of that same date. (§42(m)(1)(C)(vii))

(E) The proposed Development will expand affordable housing opportunities for low-income families with children outside of poverty areas. This must be demonstrated by showing that the Development will serve families with children (at least 70% of the Units must have an eligible bedroom mix of two bedrooms or more) and that the census tract in which the Development is proposed to be located has no greater than 10% poverty population according to the most recent census data. Intergenerational Developments may qualify for points if 70% of the non-elderly Units in the Development have an eligible bedroom mix of two bedrooms or more. (§42(m)(1)(C)(vii)) These Census Tracts are outlined in the 2008 Housing Tax Credit Site Demographic Characteristics Report.

(17) Development Location in non-urban Areas. §42(m)(1)(C)(i) Applications may qualify to receive 6 points if the Development is not located in a Rural Area and has a population less than 100,000 based on the most current Decennial Census.

(18) Demonstration of Community Support other than Quantifiable Community Participation: If an Applicant requests these points on the self scoring form and correctly certifies to the Department that there are no Neighborhood Organizations that meet the Department's definition of Neighborhood Organization pursuant to §50.3(63) of this title and 12 points were awarded under paragraph (2) of this subsection, then that Applicant may receive two points for each letter of support submitted from a community or civic organization that serves the community in which the site is located. Letters of support must identify the specific Development and must state support of the specific Development at the proposed location. The community or civic organization must provide some documentation of its existence in the community in which the Development is located to include, but not be limited to, listing of services and/or members, brochures, annual reports, etc. Letters of support from organizations that are not active in the area that includes the location of the Development will not be counted. For purposes of this item, community and civic organizations do not include neighborhood organizations, governmental entities, taxing entities or educational activities. Organizations that were created by a governmental entity or derive their source of creation from a governmental entity do not qualify under this item. For purposes of this item, educational activities include school districts, trade and vocational schools, charter schools and depending on how characterized could include day care centers; it would not include a PTA or PTO as that is a service organization even though it supports an educational activity. Letters of support received after February 29, 2008, will not be accepted for this item. Two points will be awarded for each letter of support submitted in the Application, not to exceed 6 points. Should an Applicant elect this option and the Application receives letters in opposition by February 29, 2008, then two points will be subtracted from the score for each letter in opposition, provided that the letter is from an organization serving the community. At no time will the Application, however, receive a score lower than zero for this item.

(19) Developments in Census Tracts with No Other Existing Same Type Developments Supported by Tax Credits: The Application may receive 6 points if the proposed Development is located in a census tract in which there are no other existing Developments supported by Housing Tax Credits that serve the same type of household, regardless of whether the development serves families, or elderly individuals (Intergenerational Housing is not a type of household as it relates to this paragraph). Applicant must provide evidence of the census tract in which the Development is located. (§2306.6725(b)(2)) These Census Tracts are outlined in the 2008 Housing Tax Credit Site Demographic Characteristics Report.

(20) Tenant Populations with Special Housing Needs. Applications may qualify to receive 4 points for this item. (§42(m)(1)(C)(v)) The Department will award these points to Applications in which

at least 10% of the Units are set aside for Persons with Special Needs. Throughout the Compliance Period, unless otherwise permitted by the Department, the Development Owner agrees to affirmatively market Units to Persons with Special Needs. In addition, the Department will require a minimum 12 month period during which Units must either be occupied by Persons with Special Needs or held vacant. The 12 month period will begin on the date each building receives its certificate of occupancy. For buildings that do not receive a Certificate of Occupancy, the 12 month period will begin on the placed in service date as provided in the Cost Certification manual. After the 12 month period, the owner will no longer be required to hold Units vacant for households with special needs, but will be required to continue to affirmatively market Units to household with special needs.

(21) Length of Affordability Period. Applications may qualify to receive up to 4 points. (§2306.6725(a)(5); §2306.111(g)(3)(C); §2306.185(a)(1) and (c); §2306.6710(e)(2); §42(m)(1)(B)(ii)(II)) In accordance with the Code, each Development is required to maintain its affordability for a 15-year compliance period and, subject to certain exceptions, an additional 15-year extended use period. Development Owners that are willing to extend the affordability period for a Development beyond the 30 years required in the Code may receive points as follows:

(A) Add 5 years of affordability after the extended use period for a total affordability period of 35 years (2 points); or

(B) Add 10 years of affordability after the extended use period for a total affordability period of 40 years (4 points)

(22) Site Characteristics. Development Sites, including scattered sites, will be evaluated based on proximity to amenities, the presence of positive site features and the absence of negative site features. Sites will be rated based on the criteria in subparagraphs (A) and (B) of this paragraph.

(A) Proximity of site to amenities. Developments Sites located within a one mile radius (two-mile radius for Developments competing for a Rural Regional Allocation) of at least three services appropriate to the target population will receive four points. A site located within one-quarter mile of public transportation that is accessible to all residents including Persons With Disabilities and/or located within a community that has "on demand" transportation, special transit service, or specialized elderly transportation for Qualified Elderly Developments, will receive full points regardless of the proximity to amenities, as long as the Applicant provides appropriate evidence of the transportation services used to satisfy this requirement. If a Development is providing its own specialized van or on demand service, then this will be a requirement of the LURA. Only one service of each type listed in clauses (i) - (xiv) of this subparagraph will count towards the points. A map must be included identifying the Development Site and the location of the services. The services must be identified by name on the map. If the services are not identified by name, points will not be awarded. All services must exist or, if under construction, must be at least 50% complete by the date the Application is submitted. (4 points)

(i) Full service grocery store or supermarket.

(ii) Pharmacy.

(iii) Convenience Store/Mini-market.

(iv) Department or Retail Merchandise Store.

(v) Bank/Credit Union.

(vi) Restaurant (including fast food).

(vii) Indoor public recreation facilities, such as civic centers, community centers, and libraries.

(viii) Outdoor public recreation facilities such as parks, golf courses, and swimming pools.

(ix) Hospital/medical clinic.

(x) Medical offices (physician, dentistry, optometry).

(xi) Public Schools (only eligible for Developments that are not Qualified Elderly Developments).

(xii) Senior Center.

(xiii) Dry cleaners.

(xiv) Family video rental (Blockbuster, Hollywood Video, Movie Gallery).

(B) Negative Site Features. Development Sites with the following negative characteristics will have points deducted from their score. For purpose of this exhibit, the term

'adjacent' is interpreted as sharing a boundary with the Development Site. The distances are to be measured from all boundaries of the Development Site to all boundaries of the property containing the negative site feature. If an Applicant negligently fails to note a negative feature, double points will be deducted from the score or the Application may be terminated. If none of these negative features exist, the Applicant must sign a certification to that effect. (-5 points)

(i) Developments located adjacent to or within 300 feet of junkyards will have 1 point deducted from their score.

(ii) Developments located adjacent to or within 300 feet of active railroad tracks will have 1 point deducted from their score, unless the Applicant provides evidence that the city/community has adopted a Railroad Quiet Zone or the railroad in question is commuter or light rail. Rural Developments funded through TRDO-USDA are exempt from this point deduction.

(iii) Developments located adjacent to or within 300 feet of heavy industrial uses such as manufacturing plants will have 1 point deducted from their score.

(iv) Developments located adjacent to or within 300 feet of a solid waste or sanitary landfills will have 1 point deducted from their score.

(v) Developments where the buildings are located within the "fall line" of high voltage transmission power lines will have 1 point deducted from their score.

(vi) Developments where the buildings are located adjacent to or within 300 feet of a sexually oriented business will have 1 point deducted from their score. For the purpose of this clause, sexually oriented business shall be defined as stated in §243.002 of the Texas Government Code.

(vii) Developments where the buildings are located within the accident zones or clear zones for commercial or military airports will have 1 point deducted from their score.

(23) Development Size. The Development consists of not more than 36 Units (3 points).

(24) Qualified Census Tracts with Revitalization. Applications may qualify to receive 1 point for this item. (§42(m)(1)(B)(ii)(III)) Applications will receive the points for this item if the Development is located within a Qualified Census Tract and contributes to a concerted Community Revitalization Plan. Evidence of the Community Revitalization Plan and a letter from the governing body stating that the Development Site is located within the targeted development areas outlined in the Community Revitalization Plan must be submitted.

(25) Sponsor Characteristics. Applications may qualify to receive a maximum of 2 points for this item for qualifying under either subparagraph (A) or (B) of this paragraph. (§42(m)(1)(C)(iv))

(A) An Application will receive these two points for submitting a plan to use Historically Underutilized Businesses in the development process consistent with the Historically Underutilized Business Guidelines for contracting with the State of Texas. The Applicant will be required to submit a report of the success of the plan as part of the cost certification documentation, in order to receive IRS Forms 8609. (B) An Application will receive these points if there is evidence that a HUB that does not meet the experience requirements under subsection (g) of this section, as certified by the Texas Facilities Commission, has at least 51% ownership interest in the General Partner and materially participates in the Development and operation of the Development throughout the Compliance Period. To qualify for these points, the Applicant must submit a certification from the Texas Facilities Commission that the Person is a HUB at the close of the Application Acceptance Period. The HUB will be disqualified from receiving these points if any Principal of the HUB has developed, and received 8609's for, more than two Developments involving tax credits. Additionally, to qualify for these points, the HUB must partner with an experienced Developer (as defined by §50.9 of this title); the experienced Developer, as an Affiliate, will not be subject to the credit limit described under §50.6(d) of this title for one Application per Application Round. For purposes of this section the experienced Developer may not be a Related Party to the HUB.

(26) Developments Intended for Eventual Tenant Ownership - Right of First Refusal. Applications may qualify to receive 1 point for this item. (§2306.6725(b)(1)) (§42(m)(1)(C)(viii)) Evidence that Development Owner agrees to provide a right of first refusal to purchase the Development upon or following the end of the Compliance Period for the minimum purchase price provided in, and in accordance with the requirements of, §42(i)(7) of the Code (the "Minimum Purchase Price"), to a Qualified Nonprofit Organization, the Department, or either an individual tenant with respect to a single family building, or a tenant cooperative, a resident management corporation in the

Development or other association of tenants in the Development with respect to multifamily developments (together, in all such cases, including the tenants of a single family building, a "Tenant Organization"). Development Owner may qualify for these points by providing the right of first refusal in the following terms.

(A) Upon the earlier to occur of:

(i) The Development Owner's determination to sell the Development; or

(ii) The Development Owner's request to the Department, pursuant to §42(h)(6)(E)(II) of the Code, to find a buyer who will purchase the Development pursuant to a "qualified contract" within the meaning of §42(h)(6)(F) of the Code, the Development Owner shall provide a notice of intent to sell the Development ("Notice of Intent") to the Department and to such other parties as the Department may direct at that time. If the Development Owner determines that it will sell the Development at the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to expiration of the Compliance Period. If the Development Owner determines that it will sell the Development at some point later than the end of the Compliance Period, the Notice of Intent shall be given no later than two years prior to date upon which the Development Owner intends to sell the Development.

(B) During the two years following the giving of Notice of Intent, the Sponsor may enter into an agreement to sell the Development only in accordance with a right of first refusal for sale at the Minimum Purchase Price with parties in the following order of priority:

(i) During the first six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization that is also a community housing development organization, as defined for purposes of the federal HOME Investment Partnerships Program at 24 C.F.R. §92.1 (a "CHDO") and is approved by the Department,

(ii) During the second six-month period after the Notice of Intent, only with a Qualified Nonprofit Organization or a Tenant Organization; and

(iii) During the second year after the Notice of Intent, only with the Department or with a Qualified Nonprofit Organization approved by the Department or a Tenant Organization approved by the Department.

(iv) If, during such two-year period, the Development Owner shall receive an offer to purchase the Development at the Minimum Purchase Price from one of the organizations designated in clauses (i) - (iii) of this subparagraph (within the period(s) appropriate to such organization), the Development Owner shall sell the Development at the Minimum Purchase Price to such organization. If, during such period, the Development Owner shall receive more than one offer to purchase the Development at the Minimum Purchase Price from one or more of the organizations designated in clauses (i) - (iii) of this subparagraph (within the period(s) appropriate to such organizations), the Development Owner shall sell the Development at the Minimum Purchase Price to whichever of such organizations it shall choose.

(C) After whichever occurs the later of:

(i) The end of the Compliance Period; or

(ii) Two years from delivery of a Notice of Intent, the Development Owner may sell the Development without regard to any right of first refusal established by the LURA if no offer to purchase the Development at or above the Minimum Purchase Price has been made by a Qualified Nonprofit Organization, a Tenant Organization or the Department, or a period of 120 days has expired from the date of acceptance of all such offers as shall have been received without the sale having occurred, provided that the failure(s) to close within any such 120-day period shall not have been caused by the Development Owner or matters related to the title for the Development.

(D) At any time prior to the giving of the Notice of Intent, the Development Owner may enter into an agreement with one or more specific Qualified Nonprofit Organizations and/or Tenant Organizations to provide a right of first refusal to purchase the Development for the Minimum Purchase Price, but any such agreement shall only permit purchase of the Development by such organization in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(E) The Department shall, at the request of the Development Owner, identify in the LURA a Qualified Nonprofit Organization or Tenant Organization which shall hold a limited priority in

exercising a right of first refusal to purchase the Development at the Minimum Purchase Price, in accordance with and subject to the priorities set forth in subparagraph (B) of this paragraph.

(F) The Department shall have the right to enforce the Development Owner's obligation to sell the Development as herein contemplated by obtaining a power-of-attorney from the Development Owner to execute such a sale or by obtaining an order for specific performance of such obligation or by such other means or remedy as shall be, in the Department's discretion, appropriate.

(27) Leveraging of Private, State, and Federal Resources. Applications may qualify to receive 1 point for this item. (§2306.6725(a)(3)) Funding sources used for points under subsection (i)(5) of this section, may not be used for this point item.

(A) Evidence must be submitted in the Application that the proposed Development has received or will receive loan(s), grant(s) or in-kind contributions from a private, state or federal resource, which include Capital Grant Funds and HOPE VI funds, that is equal to or greater than 2% (not using normal rounding) of the Total Housing Development Costs reflected in the Application.

(B) For in-kind contributions, evidence must be submitted in the Application from a private, state or federal resource which substantiates the value of the in-kind contributions. Development based rental subsidies from private, state or federal resource may qualify under this section if evidence of the remaining value of the contract is submitted from the source. The value of the contract does not include past subsidies.

(C) Qualifying funds awarded through local entities may qualify for points if the original source of the funds is from a private, state or federal source. If qualifying funds awarded through local entities are used for this item, a statement from the local entity must be provided that identifies the original source of funds.

(D) Applicants may only submit enough sources to substantiate the point request, and all sources must be included in the Sources and Uses form. For example, two sources may be submitted if each is for an amount equal to 1% of the Total Housing Development Cost. However, two sources may not be submitted if each source is for an amount equal to 2% of the Total Housing Development Cost.

(E) The funding must be in addition to the primary funding (construction and permanent loans) that is proposed to be utilized and cannot be issued from the same primary funding source or an affiliated source. The provider of the funds must attest to the fact that they are not the Applicant, the Developer, Consultant, Related Party or any individual or entity acting on behalf of the proposed Application and attest that none of the funds committed were first provided to the entity by the Applicant, the Developer, Consultant, Related Party or any individual or entity acting on behalf of the proposed Application, unless the Applicant itself is a Local Political Subdivision.

(F) The Development must have already applied for funding from the funding entity. Evidence to be submitted with the Application must include a copy of the commitment of funds or a copy of the application to the funding entity and a letter from the funding entity indicating that the application was received. At the time the executed Commitment Notice is required to be submitted, the Applicant or Development Owner must provide evidence of a commitment approved by the governing body of the entity for the sufficient financing to the Department. If the funding commitment from the private, state or federal source, or qualifying substitute source, has not been received by the date the Department's Commitment Notice is to be submitted, the Application will be evaluated to determine if the loss of these points would have resulted in the Department's not committing the tax credits. If the loss of points would have made the Application noncompetitive, the Commitment Notice will be rescinded and the credits reallocated. If the Application would still be competitive even with the loss of points and the loss would not have impacted the recommendation for an award, the Application will be reevaluated for financial feasibility. If the Application is infeasible without the commitment from the private, state or federal source, the Commitment Notice will be rescinded and the credits reallocated. Funds from the Department's HOME and Housing Trust Fund sources will only qualify under this category if there is a Notice of Funding Availability (NOFA) out for available funds and the Applicant is eligible under that NOFA.

(G) To qualify for this point, the Rent Schedule must show that at least 3% (not using normal rounding) of all low-income Units are designated to serve individuals or families with incomes at or below 30% of AMGI.

(28) Third-Party Funding Commitment Outside of Qualified Census Tracts. Applications may qualify to receive 1 point for this item. (§2306.6710(e)(1)) Evidence that the proposed Development

has documented and committed Third-Party funding sources and the Development is located outside of a Qualified Census Tract. The provider of the funds must attest to the fact that they are not the Applicant, the Developer, Consultant, Related Party or any individual or entity acting on behalf of the proposed Application and attest that none of the funds committed were first provided to the entity by the Applicant, the Developer, Consultant, Related Party or any individual or entity acting on behalf of the proposed Application. The commitment of funds (an application alone will not suffice) must already have been received from the Third-Party funding source and must be equal to or greater than 2% (not using normal rounding) of the Total Development Costs reflected in the Application. Funds from the Department's HOME and Housing Trust Fund sources will not qualify under this category. The Third-Party funding source cannot be a loan from a commercial lender.

(29) Scoring Criteria Imposing Penalties. (§2306.6710(b)(2))

(A) Penalties will be imposed on an Application if the Applicant has requested an extension of the Carryover or 10% Test deadline, and did not meet the original submission deadline, relating to Developments receiving a Housing Tax Credit commitment made in the Application Round preceding the current round. For each extension request made, the Applicant will receive a 5 point deduction. No penalty points or fees will be deducted for extensions that were requested on Developments that involved Rehabilitation when the Department is the primary lender, or for Developments that involve TRDO-USDA as a lender if TRDO-USDA or the Department is the cause for the Applicant not meeting the deadline.

(B) Penalties will be imposed on an Application if the Developer or Principal of the Applicant has been removed by the lender, equity provider, or limited partners in the past five years for failure to perform its obligations under the loan documents or limited partnership agreement. An affidavit will be provided by the Applicant and the Developer certifying that they have not been removed as described, or requiring that they disclose each instance of removal with a detailed description of the situation. If an Applicant or Developer submits the affidavit, and the Department learns at a later date that a removal did take place as described, then the Application will be terminated and any Allocation made will be rescinded. The Applicant, Developers or Principals of the Applicant that are in court proceedings at the time of Application must disclose this information and the situation will be evaluated on a case-by-case basis. 3 points will be deducted for each instance of removal.

(C) Penalties will be imposed on an Application if Developer or Principal of the Applicant violates the Adherence to Obligations pursuant to subsection (c) of this section.

**(j) Tie Breaker Factors.**

(1) In the event that two or more Applications receive the same number of points in any given Set-Aside category, Rural Regional Allocation or Urban Regional Allocation, or Uniform State Service Region, and are both practicable and economically feasible, the Department will utilize the factors in this paragraph, in the order they are presented, to determine which Development will receive a preference in consideration for a tax credit commitment.

(A) Applications involving any Rehabilitation or Reconstruction of existing Units will win this first tier tie breaker over Applications involving solely New Construction or Adaptive Reuse.

(B) The Application located in the municipality or, if located outside a municipality, the county that has the lowest state average of units per capita supported by Housing Tax Credits or private activity bonds at the time the Application Round begins as reflected in the Reference Manual will win this second tier tie breaker.

(C) The amount of requested tax credits per net rentable square foot (the lower credits per square foot has preference).

(D) Projects that are intended for eventual tenant ownership. Such Developments must utilize a detached single family site plan and building design and have a business plan describing how the project will convert to tenant ownership at the end of the 15-year compliance period.

(2) This paragraph identifies how ties will be handled when dealing with the restrictions on location identified in §50.5(a)(8) of this title, and in dealing with any issues relating to capture rate calculation. When two Tax-Exempt Bond Developments would violate one of these restrictions, and only one Development can be selected, the Department will utilize the reservation docket number issued by the Texas Bond Review Board in making its determination. When two Competitive Housing

Tax Credits Applications in the Application Round would violate one of these restrictions, and only one Development can be selected, the Department will utilize the tie breakers identified in paragraph (1) of this subsection. When a Tax-Exempt Bond Development and a Competitive Housing Tax Credit Application in the Application Round would both violate a restriction, the following determination will be used:

(A) Tax-Exempt Bond Developments that receive their reservation from the Bond Review Board on or before April 30, 2008 will take precedence over the Housing Tax Credit Applications in the 2008 Application Round;

(B) Housing Tax Credit Applications approved by the Board for tax credits in July 2008 will take precedence over the Tax-Exempt Bond Developments that received their reservation from the Bond Review Board on or between May 1, 2008 and July 31, 2008; and

(C) After July 31, 2008, a Tax-Exempt Bond Development with a reservation from the Bond Review Board will take precedence over any Housing Tax Credit Application from the 2008 Application Round on the Waiting List. However, if no reservation has been issued by the date the Board approves an allocation to a Development from the Waiting List of Applications in the 2008 Application Round or a forward commitment, then the Waiting List Application or forward commitment will be eligible for its allocation.

(k) **Staff Recommendations.** (§2306.1112 and §2306.6731) After eligible Applications have been evaluated, ranked and underwritten in accordance with the QAP and the Rules, the Department staff shall make its recommendations to the Executive Award and Review Advisory Committee. The Committee will develop funding priorities and shall make commitment recommendations to the Board. Such recommendations and supporting documentation shall be made in advance of the meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. The Committee will provide written, documented recommendations to the Board which will address at a minimum the financial or programmatic viability of each Application and a list of all submitted Applications which enumerates the reason(s) for the Development's proposed selection or denial, including all factors provided in subsection §50.10(a) of this chapter that were used in making this determination.

#### **§50.10.Board Decisions; Waiting List; Forward Commitments**

(a) **Board Decisions.** The Board's decisions shall be based upon the Department's and the Board's evaluation of the proposed Developments' consistency with the criteria and requirements set forth in this QAP and Rules.

(1) On awarding tax credits, the Board shall document the reasons for each Application's selection, including any discretionary factors used in making its determination, and the reasons for any decision that conflicts with the recommendations made by Department staff. The Board may not make, without good cause, a commitment decision that conflicts with the recommendations of Department staff. Good cause includes the Board's decision to apply discretionary factors. (§2306.6725(c); §42(m)(1)(A)(iv); §2306.6731)

(2) In making a determination to allocate tax credits, the Board shall be authorized to not rely solely on the number of points scored by an Application. It shall in addition, be entitled to take into account, as it deems appropriate, the discretionary factors listed in this paragraph. The Board may also apply these discretionary factors to its consideration of Tax-Exempt Bond Developments. If the Board disapproves or fails to act upon an Application, the Department shall issue to the Applicant a written notice stating the reason(s) for the Board's disapproval or failure to act. In making tax credit decisions (including those related to Tax-Exempt Bond Developments), the Board, in its discretion, may evaluate, consider and apply any one or more of the following discretionary factors: (§2306.111(g)(3))

(A) The Developer market study;

(B) The location;

(C) The compliance history of the Developer;

(D) The financial feasibility;

(E) The appropriateness of the Development's size and configuration in relation to the housing needs of the community in which the Development is located;

(F) The Development's proximity to other low-income housing Developments;  
(G) The availability of adequate public facilities and services;  
(H) The anticipated impact on local school districts;  
(I) Zoning and other land use considerations;  
(J) Any matter considered by the Board to be relevant to the approval decision and in furtherance of the Department's purposes; and  
(K) Other good cause as determined by the Board.

(3) Before the Board approves any Application, the Department shall assess the compliance history of the Applicant with respect to all applicable requirements; and the compliance issues associated with the proposed Development, including compliance information provided by the Texas State Affordable Housing Corporation. The Committee shall provide to the Board a written report regarding the results of the assessments. The written report will be included in the appropriate Development file for Board and Department review. The Board shall fully document and disclose any instances in which the Board approves a Development Application despite any noncompliance associated with the Development or Applicant. (§2306.057)

(b) **Waiting List.** (§2306.6711(c) and (d)) If the entire State Housing Credit Ceiling for the applicable calendar year has been committed or allocated in accordance with this chapter, the Board shall generate, concurrently with the issuance of commitments, a waiting list of additional Applications ranked by score in descending order of priority based on Set-Aside categories and regional allocation goals. The Board may also apply discretionary factors in determining the Waiting List. If at any time prior to the end of the Application Round, one or more Commitment Notices expire and a sufficient amount of the State Housing Credit Ceiling becomes available, the Board shall issue a Commitment Notice to Applications on the waiting list subject to the amount of returned credits, the regional allocation goals and the Set-Aside categories, including the 10% Nonprofit Set-Aside allocation and 15% At-Risk Set-Aside allocation and 5% TRDO-USDA Set-Aside required under the Code, §42(h)(5). At the end of each calendar year, all Applications which have not received a Commitment Notice shall be deemed terminated. The Applicant may re-apply to the Department during the next Application Acceptance Period.

(c) **Forward Commitments.** The Board may determine to issue commitments of tax credit authority with respect to Applications from the State Housing Credit Ceiling for the calendar year following the year of issuance (each a "forward commitment") to Applications submitted in accordance with the rules and timelines required under this rule and the Application Submission Procedures Manual. The Board will utilize its discretion in determining the amount of credits to be allocated as forward commitments and the reasons for those commitments considering score and discretionary factors. The Board may utilize the forward commitment authority to allocate credits to TRDO-USDA Developments which are experiencing foreclosure or loan acceleration at any time during the 2008 calendar year, also referred to as Rural Rescue Developments. Applications that are submitted under the 2008 QAP and granted a Forward Commitment of 2009 Housing Tax Credits are considered by the Board to comply with the 2009 QAP by having satisfied the requirements of this 2008 QAP, except for statutorily required QAP changes.

(1) Unless otherwise provided in the Commitment Notice with respect to a Development selected to receive a forward commitment, actions which are required to be performed under this chapter by a particular date within a calendar year shall be performed by such date in the calendar year of the Credit Ceiling from which the credits are allocated.

(2) Any forward commitment made pursuant to this section shall be made subject to the availability of State Housing Credit Ceiling in the calendar year with respect to which the forward commitment is made. If a forward commitment shall be made with respect to a Development placed in service in the year of such commitment, the forward commitment shall be a "binding commitment" to allocate the applicable credit dollar amount within the meaning of the Code, §42(h)(1)(C).

(3) If tax credit authority shall become available to the Department in a calendar year in which forward commitments have been awarded, the Department may allocate such tax credit authority to any eligible Development which received a forward commitment, in which event the forward commitment shall be canceled with respect to such Development.

(§2306.6717(b))

(6) Approximately forty days prior to the date of the July Board meeting at which the issuance of Commitment Notices shall be discussed, the Department will notify each Applicant of the receipt of any opposition received by the Department relating to his or her Development at that time.

(7) Not later than the third working day after the date of completion of each stage of the Application process, including the results of the Application scoring and underwriting phases and the commitment phase, the results will be posted to the Department's web site. (§2306.6717(a)(3))

(§2306.6717(a)(1) and (2))

(9) A summary of comments received by the Department on specific Applications shall be part of the documents required to be reviewed by the Board under this subsection if it is received 30 business days prior to the date of the Board Meeting at which the issuance of Commitment Notices or Determination Notices shall be discussed. Comments received after this deadline will not be part of the documentation submitted to the Board. However, a public comment period will be available prior to the Board's decision, at the Board meeting where tax credit commitment decisions will be made.

(10) Not later than the 120th day after the date of the initial issuance of Commitment Notices for Housing Tax Credits, the Department shall provide an Applicant who did not receive a commitment for Housing Tax Credits with an opportunity to meet and discuss with the Department the Application's deficiencies, scoring and underwriting. (§2306.6711(e))

The content of Personal Financial Statements may still be made available for public disclosure upon request if the Attorney General's office deems it is not protected from disclosure by the Texas Public Information Act.

(c) **Confidential Information.** The Department may treat the financial statements of any Applicant as confidential and may elect not to disclose those statements to the public. A request for such information shall be processed in accordance with §552.305 of the Government Code. (§2306.6717(d))

**§50.12. Tax-Exempt Bond Developments: Filing of Applications; Applicability of Rules; Supportive Services; Financial Feasibility Evaluation; Satisfaction of Requirements.**

(a) **Filing of Applications for Tax-Exempt Bond Developments.** Applications for a Tax-Exempt Bond Development may be submitted to the Department as described in paragraphs (1) and (2) of this subsection:

(1) Applicants which receive advance notice of a Program Year 2008 reservation as a result of the Texas Bond Review Board's (TBRB) lottery for the private activity volume cap must file a complete Application not later than 12:00 p.m. on December 28, 2007. Such filing must be accompanied by the Application fee described in §50.20 of this title.

(2) Applicants which receive advance notice of a Program Year 2008 reservation after being placed on the waiting list as a result of the TBRB lottery for private activity volume cap must submit Volume 1 and Volume 2 of the Application and the Application fee described in §50.20 of this title prior to the Applicant's bond reservation date as assigned by the TBRB. Those Applications designated as Priority 3 by the TBRB must submit Volumes I and II within 14 days of the bond reservation date if the Applicant intends to apply for tax credits regardless of the Issuer. Any outstanding documentation required under this section regardless of Priority must be submitted to the Department at least 60 days prior to the Board meeting at which the decision to issue a Determination Notice would be made unless a waiver is requested by the Applicant. The Department staff will have limited discretion to recommend an Application with appropriate justification of the late submission.

(3) Applications involving multiple sites must submit the required information as outlined in the Application Submission Procedures Manual. The Application will be considered to be one Application as identified in Chapter 1372, Texas Government Code.

(b) **Applicability of Rules for Tax-Exempt Bond Developments.** Tax-Exempt Bond Development Applications are subject to all rules in this title, with the only exceptions being the following sections: §50.4 of this title (regarding State Housing Credit Ceiling), §50.7 of this title (regarding Regional Allocation and Set-Asides), §50.8 of this title (regarding Pre-Application), §50.9(d) and (f) of this title (regarding Evaluation Processes for Competitive Applications and Rural Rescue Applications), §50.9(i) of this title (regarding Selection Criteria), §50.10(b) and (c) of this title (regarding Waiting List and Forward Commitments), and §50.14(a) and (b) of this title (regarding Carryover and 10% Test). Such Developments requesting a Determination Notice in the current calendar year must meet all Threshold Criteria requirements stipulated in §50.9(h) of this title. Such Developments which received a Determination Notice in a prior calendar year must meet all Threshold Criteria requirements stipulated in the QAP and Rules in effect for the calendar year in which the Determination Notice was issued; provided, however, that such Developments shall comply with all procedural requirements for obtaining Department action in the current QAP and Rules; and such other requirements of the QAP and Rules as the Department determines applicable. This documentation must be submitted no later than 14 days before the Board meeting where the credits will be considered. Applicants will be required to meet all conditions of the Determination Notice by the time the construction loan is closed unless otherwise specified in the Determination Notice. Applicants must meet the requirements identified in §50.15 of this title. No later than 60 days following closing of the bonds, the Development Owner must also submit a Management Plan and an Affirmative Marketing Plan

( as further described in the Carryover Allocation Procedures Manual), and evidence must be provided at this time of attendance of the Development Owner or management company at Department-approved Fair Housing training relating to leasing and management issues for at least five hours and the Development architect at Department-approved Fair Housing training relating to design issues for at least five hours. Certifications must not be older than two years. Applications that receive a reservation from the Bond Review Board on or before December 31, 2007 will be required to satisfy the requirements of the 2007 QAP; Applications that receive a reservation from the Bond Review Board on or after January 1, 2008 will be required to satisfy the requirements of the 2008 QAP.

**(c) Supportive Services for Tax-Exempt Bond Developments.** Tax-Exempt Bond Development Applications must provide an executed agreement with a qualified service provider for the provision of special supportive services that would otherwise not be available for the tenants. No fees may be charged to the tenants for any of the services. Services must be provided on-site or transportation to off-site services must be provided. The provision of these services will be included in the LURA. Acceptable services as described in paragraphs (1) - (3) of this subsection include:

(1) The services must be in at least one of the following categories: child care, transportation, notary public service, basic adult education, legal assistance, counseling services, GED preparation, English as a second language classes, vocational training, home buyer education, credit counseling, financial planning assistance or courses, health screening services, health and nutritional courses, organized team sports programs, youth programs, scholastic tutoring, social events and activities, community gardens or computer facilities;

(2) Any other program described under Title IV-A of the Social Security Act (§42 U.S.C. §§601 et seq.) which enables children to be cared for in their homes or the homes of relatives; ends the dependence of needy families on government benefits by promoting job preparation, work and marriage; prevents and reduces the incidence of out-of wedlock pregnancies; and encourages the formation and maintenance of two-parent families, or

(3) Any other services approved in writing by the Issuer. The plan for tenant supportive services submitted for review and approval of the Issuer must contain a plan for coordination of services with state workforce development and welfare programs. The coordinated effort will vary depending upon the needs of the tenant profile at any given time as outlined in the plan.

**(d) Financial Feasibility Evaluation for Tax-Exempt Bond Developments.** Code §42(m)(2)(D) requires the bond issuer (if other than the Department) to ensure that a Tax-Exempt Bond Development does not receive more tax credits than the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. Treasury Regulations prescribe the occasions upon which this determination must be made. In light of the requirement, issuers may either elect to underwrite the Development for this purpose in accordance with the QAP and the Underwriting Rules and Guidelines, §1.32 of this title or request that the Department perform the function. If the issuer underwrites the Development, the Department will, nonetheless, review the underwriting report and may make such changes in the amount of credits which the Development may be allowed as are appropriate under the Department's guidelines. The Determination Notice issued by the Department and any subsequent IRS Form(s) 8609 will reflect the amount of tax credits for which the Development is determined to be eligible in accordance with this subsection, and the amount of tax credits reflected in the IRS Form 8609 may be greater or less than the amount set forth in the Determination Notice, based upon the Department's and the bond issuer's determination as of each building's placement in service. Any increase of tax credits, from the amount specified in the Determination Notice, at the time of each building's placement in service will only be permitted if it is determined by the Department, as required by Code §42(m)(2)(D), that the Tax-Exempt Bond Development does not receive more tax credits than the amount needed for the financial feasibility and viability of a Development throughout the Compliance Period. Increases to the amount of tax credits that exceed 110% of the amount of credits reflected in the Determination Notice are contingent upon approval by the Board. Increases to the amount of tax credits that do not exceed 110% of the amount of credits reflected in the Determination Notice may be approved administratively by the Executive Director.

**(e) Satisfaction of Requirements for Tax-Exempt Bond Developments.** If the Department staff determines that all requirements of this QAP and Rules have been met, the Department will

recommend that the Board authorize the issuance of a Determination Notice. The Board, however, may utilize the discretionary factors identified in §50.10(a) of this title in determining if they will authorize the Department to issue a Determination Notice to the Development Owner. The Determination Notice, if authorized by the Board, will confirm that the Development satisfies the requirements of the OAP and Rules in accordance with the Code, §42(m)(1)(D).

(f) **Certification of Tax Exempt Applications with New Docket Numbers.** Applications that are processed through the Department review and evaluation process and receive an affirmative Board Determination, but do not close the bonds prior to the bond reservation expiration date, and subsequently have that docket number withdrawn from the Bond Review Board, may have their Determination Notice reinstated. The Applicant would need to receive a new docket number from the Texas Bond Review Board. One of the following must apply:

(1) The new docket number must be issued in the same program year as the original docket number and must not be more than four months from the date the original application was withdrawn from the BRB. The application must remain unchanged. This means that at a minimum, the following can not have changed: site control, total number of units, unit mix (bedroom sizes and income restrictions), design/site plan documents, financial structure including bond and Housing Tax Credit amounts, development costs, rent schedule, operating expenses, sources and uses, ad valorem tax exemption status, target population, scoring criteria (TDHCA issues) or BRB priority status including the effect on the inclusive capture rate. Note that the entities involved in the Applicant entity and Developer can not change; however, the certification can be submitted even if the lender, syndicator or issuer changes, as long as the financing structure and terms remain unchanged. Notifications under §50.9(h)(8) of this title are not required to be reissued. In the event that the Department's Board has already approved the Application for tax credits, the Application is not required to be presented to the Board again (unless there is public opposition) and a revised Determination Notice will be issued once notice of the assignment of a new docket number has been provided to the Department and the Department has confirmed that the capture rate and market demand remain acceptable. This certification must be submitted no later than thirty days after the date the Bond Review Board issues the new docket number and no later than thirty days before the anticipated closing. In the event that the Department's Board has not yet approved the Application, the Application will continue to be processed and ultimately provided to the Board for consideration. This certification must be submitted no later than thirty days after the date the Bond Review Board issues the new docket number and no later than forty-five days before the anticipated Department's Board meeting date.

(2) If there are changing to the Application as referenced in paragraph (1) of this subsection, the Application will be required to submit a new Application in full, along with the applicable fees, to be reviewed and evaluated in its entirety for a new determination notice to be issued.

### **§50.13. Commitment and Determination Notices; Agreement and Election Statement; Documentation Submission Requirements.**

(a) **Commitment and Determination Notices.** If the Board approves an Application the Department will:

(1) If the Application is for a commitment from the State Housing Credit Ceiling, issue a Commitment Notice to the Development Owner which shall:

(A) Confirm that the Board has approved the Application; and

(B) State the Department's commitment to make a Housing Credit Allocation to the Development Owner in a specified amount, subject to the feasibility determination described in §50.16 of this title, and compliance by the Development Owner with the remaining requirements of this chapter and any other terms and conditions set forth therein by the Department. This commitment shall expire on the date specified therein unless the Development Owner indicates acceptance of the commitment by executing the Commitment Notice or Determination Notice, pays the required fee specified in §50.20 of this title, and satisfies any other conditions set forth therein by the Department. The Commitment Notice expiration date may not be extended.

(2) If the Application regards a Tax-Exempt Bond Development, issue a Determination Notice to the Development Owner which shall:

(A) Confirm the Board's determination that the Development satisfies the requirements of this QAP; and

(B) State the Department's commitment to issue IRS Form(s) 8609 to the Development Owner in a specified amount, subject to the requirements set forth in §50.12 of this title and compliance by the Development Owner with all applicable requirements of this title and any other terms and conditions set forth therein by the Department. The Determination Notice shall expire on the date specified therein unless the Development Owner indicates acceptance by executing the Determination Notice and paying the required fee specified in §50.20 of this title. The Determination Notice shall also expire unless the Development Owner satisfies any conditions set forth therein by the Department within the applicable time period.

(3) Notify, in writing, the mayor or other equivalent chief executive officer of the municipality in which the Property is located informing him/her of the Board's issuance of a Commitment Notice or Determination Notice, as applicable.

(4) A Commitment or Determination Notice shall not be issued with respect to any Development for an unnecessary amount or where the cost for the total development, acquisition, construction or Rehabilitation exceeds the limitations established from time to time by the Department and the Board, unless the Department staff make a recommendation to the Board based on the need to fulfill the goals of the Housing Tax Credit Program as expressed in this QAP and Rules, and the Board accepts the recommendation. The Department's recommendation to the Board shall be clearly documented.

(5) A Commitment or Determination Notice shall not be issued with respect to the Applicant, the Development Owner, the General Contractor, or any Affiliate of the General Contractor that is active in the ownership or Control of one or more other low-income rental housing properties in the state of Texas administered by the Department that is in Material Noncompliance with the LURA (or any other document containing an Extended Low-income Housing Commitment) or the program rules in effect for such property, as described in §60 of this title.

(6) The executed Commitment or Determination Notice must be returned to the Department on the date specified with the Commitment Notice or Determination Notice, which shall be no earlier than ten days of the effective date of the Notice.

**(b) Agreement and Election Statement.** Together with the Development Owner's acceptance of the Carryover Allocation, the Development Owner may execute an Agreement and Election Statement, in the form prescribed by the Department, for the purpose of fixing the Applicable Percentage for the Development as that for the month in which the Carryover Allocation was accepted (or the month the bonds were issued for Tax-Exempt Bond Developments), as provided in the Code, §42(b)(2). Current Treasury Regulations, §1.42-8(a)(1)(v), suggest that in order to permit a Development Owner to make an effective election to fix the Applicable Percentage for a Development, the Carryover Allocation Document must be executed by the Department and the Development Owner within the same month. The Department staff will cooperate with a Development Owner, as possible or reasonable, to assure that the Carryover Allocation Document can be so executed.

**(c) Documentation Submission Requirements at Commitment of Funds.** No later than the date the Commitment Notice or Determination Notice is executed by the Applicant and returned to the Department with the appropriate Commitment Fee as further described in §50.20(f) of this title, the following documents must also be provided to the Department. Failure to provide these documents may cause the Commitment to be rescinded. For each Applicant all of the following must be provided:

(1) Evidence that the entity has the authority to do business in Texas;

(2) A Certificate of Account Status from the Texas Comptroller of Public Accounts or, if such a Certificate is not available because the entity is newly formed, a statement to such effect; and a Certificate of Organization from the Secretary of State;

(3) Copies of the entity's governing documents, including, but not limited to, its Articles of Incorporation, Articles of Organization, Certificate of Limited Partnership, Bylaws, Regulations and/or Partnership Agreement; and

(4) Evidence that the signer(s) of the Application have the authority to sign on behalf of the Applicant in the form of a corporate resolution or by-laws which indicate same from the sub-entity in Control and that those Persons signing the Application constitute all Persons required to sign or submit such documents.

#### **§50.14.Carryover; 10% Test; Commencement of Substantial Construction.**

(a) **Carryover.** All Developments which received a Commitment Notice, and will not be placed in service and receive IRS Form 8609 in the year the Commitment Notice was issued, must submit the Carryover documentation to the Department no later than November 1 of the year in which the Commitment Notice is issued pursuant to §42(h)(1)(c) IRC. Commitments for credits will be terminated if the Carryover documentation, or an approved extension, has not been received by this deadline. In the event that a Development Owner intends to submit the Carryover documentation in any month preceding November of the year in which the Commitment Notice is issued, in order to fix the Applicable Percentage for the Development in that month, it must be submitted no later than the first Friday in the preceding month. If the financing structure, syndication rate, amount of debt or syndication proceeds are revised at the time of Carryover from what was proposed in the original Application, applicable documentation of such changes must be provided and the Development may be reevaluated by the Department. The Carryover Allocation format must be properly completed and delivered to the Department as prescribed by the Carryover Allocation Procedures Manual. All Carryover Allocations will be contingent upon the following, in addition to all other conditions placed upon the Application in the Commitment Notice:

(1) The Development Owner for all New Construction and Adaptive Reuse Developments must have purchased the Development Site.

(2) A current original plat or survey of the land, prepared by a duly licensed Texas Registered Professional Land Surveyor. Such survey shall conform to standards prescribed in the Manual of Practice for Land Surveying in Texas as promulgated and amended from time to time by the Texas Surveyors Association as more fully described in the Carryover Procedures Manual.

(3) For all Developments involving New Construction or Adaptive Reuse, evidence of the availability of all necessary utilities/services to the Development site must be provided. Necessary utilities include natural gas (if applicable), electric, trash, water, and sewer. Such evidence must be a letter or a monthly utility bill from the appropriate municipal/local service provider. If utilities are not already accessible, then the letter must clearly state: an estimated time frame for provision of the utilities, an estimate of the infrastructure cost, and an estimate of any portion of that cost that will be borne by the Development Owner. Letters must be from an authorized individual representing the organization which actually provides the services. Such documentation should clearly indicate the Development property. If utilities are not already accessible (undeveloped areas), then the letter should not be older than three months from the first day of the Application Acceptance Period.

(4) The Department will not execute a Carryover Allocation Agreement with any Owner in Material Noncompliance on October 1, 2008.

(b) **10% Test.** No later than six months from the date the Carryover Allocation Document is executed by the Department and the Development Owner, more than 10% of the Development Owner's reasonably expected basis must have been incurred pursuant to §42(h)(1)(E)(i) and (ii) of the Internal Revenue Code and Treasury Regulations, §1.42-6. The evidence to support the satisfaction of this requirement must be submitted to the Department no later than June 30 of the year following the execution of the Carryover Allocation Document in a format prescribed by the Department. At the time of submission of the documentation, the Development Owner must also submit a Management Plan and an Affirmative Marketing Plan as further described in the Carryover Allocation Procedures Manual. Evidence must be provided at this time of attendance of the Development Owner or management company at Department-approved Fair Housing training relating to leasing and management issues for at least five hours and the Development architect and engineer at Department-approved Fair Housing training relating to design issues for at least five hours on or before the time the 10% Test Documentation is submitted. Certifications must not be older than two years.

(c) **Commencement of Substantial Construction.** The Development Owner must submit evidence of having commenced and continued substantial construction activities as defined in §60 of this title. The evidence must be submitted not later than December 1 of the year after the execution of the Carryover Allocation Document with the possibility of an extension as described in §50.20 of this title.

#### §50.15.LURA, Cost Certification.

(a) **Land Use Restriction Agreement (LURA).** The Development Owner must request a LURA from the Department no later than the date specified in §60 of this title, the Department's Compliance Rules. The Development Owner must date, sign and acknowledge before a notary public the LURA and send the original to the Department for execution. The initial compliance and monitoring fee must be accompanied by a statement, signed by the Owner, indicating the start of the Development's Credit Period and the earliest placed in service date for the Development buildings. After receipt of the signed LURA from the Department, the Development Owner shall then record the LURA, along with any and all exhibits attached thereto, in the real property records of the county where the Development is located and return the original document, duly certified as to recordation by the appropriate county official, to the Department no later than the date that the Cost Certification Documentation is submitted to the Department. If any liens (other than mechanics' or materialmen's liens) shall have been recorded against the Development and/or the Property prior to the recording of the LURA, the Development Owner shall obtain the subordination of the rights of any such lienholder, or other effective consent, to the survival of certain obligations contained in the LURA, which are required by §42(h)(6)(E)(ii) of the Code to remain in effect following the foreclosure of any such lien. Receipt of such certified recorded original LURA by the Department is required prior to issuance of IRS Form 8609. A representative of the Department, or assigns, shall physically inspect the Development for compliance with the Application and the representations, warranties, covenants, agreements and undertakings contained therein. Such inspection will be conducted before the IRS Form 8609 is issued for a building, but it shall be conducted in no event later than the end of the second calendar year following the year the last building in the Development is placed in service. The Development Owner for Tax-Exempt Bond Developments shall obtain a subordination agreement wherein the lien of the mortgage is subordinated to the LURA. The LURA shall contain any provision which requires the Development Owner to restrict rents and incomes at any AMGI level, as approved by the Board. The restricted gross rents for any AMGI level outlined in the LURA will be calculated in accordance with §42(g)(2)(A), Internal Revenue Code.

(b) **Cost Certification.** The Cost Certification Procedures Manual sets forth the documentation required for the Department to perform a feasibility analysis in accordance with §42(m)(2)(C)(i)(II), Internal Revenue Code, and determine the final Credit to be allocated to the Development.

(1) To request IRS Forms 8609, Developments must have:

(A) Placed in Service by December 31 of the year the Commitment Notice was issued if a Carryover Allocation was not requested and received; or December 31 of the second year following the year the Carryover Allocation Agreement was executed;

(B) Scheduled a final construction inspection in accordance with §60 of this title, the Department's Compliance Monitoring Policies and Procedures;

(C) Informed the Department of and received written approval for all Development amendments in accordance with §50.17(c) of this title;

(D) Submitted to the Department the LURA in accordance with subsection §50.15(a) of this section;

(E) Paid all applicable Department fees; and

(F) Prepared all Cost Certification documentation as more fully described in the Cost Certification Procedures Manual including:

(i) Carryover Allocation Agreement/Determination Notice and Election Statement;

(ii) Owner's Statement of Certification;

(iii) Owner Summary;

- (iv) Evidence of Nonprofit and CHDO Participation;
- (v) Evidence of Historically Underutilized Business (HUB) Participation;
- (vi) Development Summary;
- (vii) As-Built Survey;
- (viii) Closing Statement;
- (ix) Title Policy;
- (x) Evidence of Placement in Service;
- (xi) Independent Auditor's Reports;
- (xii) Total Development Cost Schedule;
- (xiii) AIA Form G702 and G703, Application and Certificate for Payment;
- (xiv) Rent Schedule;
- (xv) Utility Allowance;
- (xvi) Annual Estimated Operating Expenses and 15-Year Proforma;
- (xvii) Current Annual Operating Statement and Rent Roll;
- (xviii) Final Sources of Funds;
- (xix) Executed Limited Partnership Agreement;
- (xx) Loan Agreement or Firm Commitment;
- (xxi) Architect's Certification of Fair Housing Requirements; and
- (xxii) TDHCA Compliance Workshop Certificate.

(2) Required Cost Certification documentation must be received by the Department no later than January 15 following the year the Credit Period begins. Any Developments issued a Commitment Notice or Determination Notice that fails to submit its Cost Certification documentation by this deadline will be reported to the IRS and the Owner will be required to submit a request for extension consistent with §50.20(l) of this title.

(3) The Department will perform an initial evaluation of the Cost Certification documentation within 45 days from the date of receipt and notify the Owner in a deficiency letter of all additional required documentation. Any deficiency letters issued to the Owner pertaining to the Cost Certification documentation will also be copied to the syndicator. The Department will issue IRS Forms 8609 no later than 90 days from the date that all required documents have been received.

(4) The Department will perform an evaluation to determine if the Applicant is in Material Noncompliance with the LURA (or any other document containing an Extended Low-income Housing Commitment) or the program rules in effect for the subject property, as described in Chapter 60 of the Department's Compliance Rules prior to issuance of IRS Forms 8609.

#### **§50.16.Housing Credit Allocations.**

(a) In making a commitment of a Housing Credit Allocation under this chapter, the Department shall rely upon information contained in the Application to determine whether a building is eligible for the credit under the Code, §42. The Development Owner shall bear full responsibility for claiming the credit and assuring that the Development complies with the requirements of the Code, §42. The Department shall have no responsibility for ensuring that a Development Owner who receives a Housing Credit Allocation from the Department will qualify for the tax credit.

(b) The Housing Credit Allocation Amount shall not exceed the dollar amount the Department determines is necessary for the financial feasibility and the long term viability of the Development throughout the affordability period. (§2306.6711(b)) Such determination shall be made by the Department at the time of issuance of the Commitment Notice or Determination Notice; at the time the Department makes a Housing Credit Allocation; and as of the date each building in a Development is placed in service. Any Housing Credit Allocation Amount specified in a Commitment Notice, Determination Notice or Carryover Allocation Document is subject to change by the Department based upon such determination. Such a determination shall be made by the Department based on its evaluation and procedures, considering the items specified in the Code, §42(m)(2)(B), and the department in no way or manner represents or warrants to any Applicant, sponsor, investor, lender or other entity that the Development is, in fact, feasible or viable.

(c) The General Contractor hired by the Development Owner must meet specific criteria as defined by the General Appropriation Act, Article VII, Rider 8(c). A General Contractor hired by a Development Owner or a Development Owner, if the Development Owner serves as General Contractor must demonstrate a history of constructing similar types of housing without the use of federal tax credits. Evidence must be submitted to the Department, in accordance with §50.9(h)(4)(I) of this title, which sufficiently documents that the General Contractor has constructed some housing without the use of Housing Tax Credits. This documentation will be required as a condition of the Commitment Notice or Carryover Allocation Agreement, and must be complied with prior to commencement of construction and at cost certification and final allocation of credits.

(d) An allocation will be made in the name of the Development Owner identified in the related Commitment Notice or Determination Notice. If an allocation is made to a member or Affiliate of the ownership entity proposed at the time of Application, the Department will transfer the allocation to the ownership entity as consistent with the intention of the Board when the Development was selected for an award of tax credits. Any other transfer of an allocation will be subject to review and approval by the Department consistent with §50.17(c) of this title. The approval of any such transfer does not constitute a representation to the effect that such transfer is permissible under §42 of the Code or without adverse consequences thereunder, and the Department may condition its approval upon receipt and approval of complete current documentation regarding the owner including documentation to show consistency with all the criteria for scoring, evaluation and underwriting, among others, which were applicable to the original Applicant.

(e) The Department shall make a Housing Credit Allocation, either in the form of IRS Form 8609, with respect to current year allocations for buildings placed in service, or in the Carryover Allocation Document, for buildings not yet placed in service, to any Development Owner who holds a Commitment Notice which has not expired, and for which all fees as specified in §50.20 of this title have been received by the Department and with respect to which all applicable requirements, terms and conditions have been met. For Tax-Exempt Bond Developments, the Housing Credit Allocation shall be made in the form of a Determination Notice. For an IRS Form 8609 to be issued with respect to a building in a Development with a Housing Credit Allocation, satisfactory evidence must be received by the Department that such building is completed and has been placed in service in accordance with the provisions of the Department's Cost Certification Procedures Manual. The Cost Certification documentation requirements will include a certification and inspection report prepared by a Third-Party accessibility specialist to certify that the Development meets all required accessibility standards. IRS Form 8609 will not be issued until the certifications are received by the Department. The Department shall mail or deliver IRS Form 8609 (or any successor form adopted by the Internal Revenue Service) to the Development Owner, with Part I thereof completed in all respects and signed by an authorized official of the Department. The delivery of the IRS Form 8609 will occur only after the Development Owner has complied with all procedures and requirements listed within the Cost Certification Procedures Manual. Regardless of the year of Application to the Department for Housing Tax Credits, the current year's Cost Certification Procedures Manual must be utilized when filing all cost certification materials. A separate Housing Credit Allocation shall be made with respect to each building within a Development which is eligible for a tax credit; provided, however, that where an allocation is made pursuant to a Carryover Allocation Document on a Development basis in accordance with the Code, §42(h)(1)(F), a housing credit dollar amount shall not be assigned to particular buildings in the Development until the issuance of IRS Form 8609s with respect to such buildings. The Department may delay the issuance of IRS Form 8609 if any Development violates the representations of the Application.

(f) In making a Housing Credit Allocation, the Department shall specify a maximum Applicable Percentage, not to exceed the Applicable Percentage for the building permitted by the Code, §42(b), and a maximum Qualified Basis amount. In specifying the maximum Applicable Percentage and the maximum Qualified Basis amount, the Department shall disregard the first-year conventions described in the Code, §42(f)(2)(A) and §42(f)(3)(B). The Housing Credit Allocation made by the Department shall

not exceed the amount necessary to support the extended low-income housing commitment as required by the Code, §42(h)(6)(C)(i).

(g) Development inspections shall be required to show that the Development is built or rehabilitated according to construction threshold criteria and Development characteristics identified at application. At a minimum, all Development inspections must meet Uniform Physical Condition Standards (UPCS) as referenced in Treasury Regulation §1.42-5 (d)(2)(ii) and include an inspection for quality during the construction process while defects can reasonably be corrected and a final inspection at the time the Development is placed in service. All such Development inspections shall be performed by the Department or by an independent Third Party inspector acceptable to the Department. The Development Owner shall pay all fees and costs of said inspections as described in §50.20 of this title. Details regarding the construction inspection process are set forth in the Department Rule §60 of this title, the Department's Compliance Monitoring Policies and Procedures (§2306.081; General Appropriation Act, Article VII, Rider 8(b)).

(h) After the entire Development is placed in service, which must occur prior to the deadline specified in the Carryover Allocation Document and as further outlined in §50.15 of this title, the Development Owner shall be responsible for furnishing the Department with documentation which satisfies the requirements set forth in the Cost Certification Procedures Manual. For purposes of this title, and consistent with IRS Notice 88-116, the placed in service date for a new or existing building used as residential rental property is the date on which the building is ready and available for its specifically assigned function and more specifically when the first Unit in the building is certified as being suitable for occupancy in accordance with state and local law and as certified by the appropriate local authority or registered architect as ready for occupancy. The Cost Certification must be submitted for the entire Development; therefore partial Cost Certifications are not allowed. The Department may require copies of invoices and receipts and statements for materials and labor utilized for the New Construction or Rehabilitation and, if applicable, a closing statement for the acquisition of the Development as well as for the closing of all interim and permanent financing for the Development. If the Development Owner does not fulfill all representations and commitments made in the Application, the Department may make reasonable reductions to the tax credit amount allocated via the IRS Form 8609, may withhold issuance of the IRS Form 8609s until these representations and commitments are met, and/or may terminate the allocation, if appropriate corrective action is not taken by the Development Owner.

(i) The Board at its sole discretion may allocate credits to a Development Owner in addition to those awarded at the time of the initial Carryover Allocation in instances where there is bona fide substantiation of cost overruns and the Department has made a determination that the allocation is needed to maintain the Development's financial viability.

(j) The Department may, at any time and without additional administrative process, determine to award credits to Developments previously evaluated and awarded credits if it determines that such previously awarded credits are or may be invalid and the owner was not responsible for such invalidity.

(k) If an Applicant returns a full credit allocation after the Carryover Allocation deadline required for that allocation, the Department will impose a penalty on the score for any Competitive Housing Tax Credit Applications submitted by that Applicant or any Affiliate of that Applicant for any Application in an Application Round occurring concurrent to the return of credits or if no Application Round is pending the Round immediately following the return of credits. The penalty will be assessed in an amount that reduces the Applicant's final awarded score by an additional 20%.

**§50.17. Board Reevaluation, Appeals Process; Provision of Information or Challenges Regarding Applications; Amendments; Housing Tax Credit and Ownership Transfers; Sale of Tax Credit Properties; Withdrawals; Cancellations; Alternative Dispute Resolution.**

(a) **Board Reevaluation.** (§2306.6731(b)) Regardless of development stage, the Board shall reevaluate a Development that undergoes a substantial change between the time of initial Board approval of the Development and the time of issuance of a Commitment Notice or Determination Notice for the Development. For the purposes of this subsection, substantial change shall be those items identified in subsection (d)(4) of this section. The Board may revoke any Commitment Notice or Determination Notice issued for a Development that has been unfavorably reevaluated by the Board.

(b) **Appeals Process.** (§2306.6715) An Applicant may appeal decisions made by the Department as follows.

(1) The decisions that may be appealed are identified in subparagraphs (A) - (D) of this paragraph.

(A) A determination regarding the Application's satisfaction of:

- (i) Eligibility Requirements;
- (ii) Disqualification or debarment criteria;
- (iii) Pre-Application or Application Threshold Criteria;
- (iv) Underwriting Criteria;

(B) The scoring of the Application under the Application Selection Criteria; and

(C) A recommendation as to the amount of Housing Tax Credits to be allocated to the Application.

(D) Any Department decision that results in termination of an Application.

(2) An Applicant may not appeal a decision made regarding an Application filed by another Applicant.

(3) An Applicant must file its appeal in writing with the Department not later than the seventh day after the date the Department publishes the results of any stage of the Application evaluation process identified in §50.9 of this title. In the appeal, the Applicant must specifically identify the Applicant's grounds for appeal, based on the original Application and additional documentation filed with the original Application. If the appeal relates to the amount of Housing Tax Credits recommended to be allocated, the Department will provide the Applicant with the underwriting report upon request.

(4) The Executive Director of the Department shall respond in writing to the appeal not later than the 14th day after the date of receipt of the appeal. If the Applicant is not satisfied with the Executive Director's response to the appeal, the Applicant may appeal directly in writing to the Board, provided that an appeal filed with the Board under this subsection must be received by the Board before:

(A) The seventh day preceding the date of the Board meeting at which the relevant commitment decision is expected to be made; or

(B) The third day preceding the date of the Board meeting described by subparagraph (A) of this paragraph, if the Executive Director does not respond to the appeal before the date described by subparagraph (A) of this paragraph.

(5) Board review of an appeal under paragraph (4) of this subsection is based on the original Application and additional documentation filed with the original Application. The Board may not review any information not contained in or filed with the original Application. The decision of the Board regarding the appeal is final.

(6) The Department will post to its web site an appeal filed with the Department or Board and any other document relating to the processing of the appeal. (§2306.6717(a)(5))

(c) **Provision of Information or Challenges Regarding Applications from Unrelated Entities to the Application.** The Department will address information or challenges received from unrelated entities to a specific 2008 active Application, utilizing a preponderance of the evidence standard, as stated in paragraph (1)-(3) of this subsection, provided the information or challenge includes a contact name, telephone number, fax number and e-mail address of the person providing the information or challenge and must be received by the Department no later than June 15, 2008:

(1) Within 14 business days of the receipt of the information or challenge, the Department will post all information and challenges received (including any identifying information) to the Department's website.

(2) Within seven business days of the receipt of the information or challenge, the Department will notify the Applicant related to the information or challenge. The Applicant will then have seven business days to respond to all information and challenges provided to the Department.

(3) Within 14 business days of the receipt of the response from the Applicant, the Department will evaluate all information submitted and other relevant documentation related to the investigation. This information may include information requested by the Department relating to this evaluation. The Department will post its determination summary to its website. Any determinations made by the Department cannot be appealed by any party unrelated to the Applicant.

(d) Amendment of Application Subsequent to Allocation by Board. (§2306.6712 and §2306.6717(a)(4))

(1) If a proposed modification would materially alter a Development approved for an allocation of a Housing Tax Credit, or if the Applicant has altered any selection criteria item for which it received points, the Department shall require the Applicant to file a formal, written request for an amendment to the Application.

(2) The Executive Director of the Department shall require the Department staff assigned to underwrite Applications to evaluate the amendment and provide an analysis and written recommendation to the Board. The appropriate party monitoring compliance during construction in accordance with §50.18 of this title shall also provide to the Board an analysis and written recommendation regarding the amendment. For amendments which require Board approval, the amendment request must be received by the Department at least 30 days prior to the Board meeting where the amendment will be considered.

(3) The Board must vote on whether to approve an amendment. The Board by vote may reject an amendment and, if appropriate, rescind a Commitment Notice or terminate the allocation of Housing Tax Credits and reallocate the credits to other Applicants on the Waiting List if the Board determines that the modification proposed in the amendment:

(A) would materially alter the Development in a negative manner; or

(B) would have adversely affected the selection of the Application in the Application

Round.

(4) Material alteration of a Development includes, but is not limited to:

(A) a significant modification of the site plan;

(B) a modification of the number of units or bedroom mix of units;

(C) a substantive modification of the scope of tenant services;

(D) a reduction of 3% or more in the square footage of the units or common areas;

(E) a significant modification of the architectural design of the Development;

(F) a modification of the residential density of the Development of at least 5%;

(G) an increase or decrease in the site acreage of greater than 10% from the original site under control and proposed in the Application; and

(H) any other modification considered significant by the Board.

(5) In evaluating the amendment under this subsection, the Department staff shall consider whether the need for the modification proposed in the amendment was:

(A) Reasonably foreseeable by the Applicant at the time the Application was submitted; or

(B) Preventable by the Applicant.

(6) This section shall be administered in a manner that is consistent with the Code, §42.

(7) Before the 15th day preceding the date of Board action on the amendment, notice of an amendment and the recommendation of the Executive Director and monitor regarding the amendment will be posted to the Department's web site.

(8) In the event that an Applicant or Developer seeks to be released from the commitment to serve the income level of tenants targeted in the Real Estate Analysis Report at the time of the Commitment Notice issuance, as approved by the Board, the following procedure will apply. For amendments that involve a reduction in the total number of low-income Units being served, or a reduction in the number of low-income Units at any level of AMGI, as approved by the Board, evidence must be presented to the Department that includes written confirmation from the lender and syndicator that the Development is infeasible without the adjustment in Units. The Board may or may

not approve the amendment request, however, any affirmative recommendation to the Board is contingent upon concurrence from the Real Estate Analysis Division that the Unit adjustment (or an alternative Unit adjustment) is necessary for the continued feasibility of the Development. Additionally, if it is determined by the Department that the allocation of credits would not have been made in the year of allocation because the loss of low-income targeting points would have resulted in the Application not receiving an allocation, and the amendment is approved by the Board, the approved amendment will carry a penalty that prohibits the Applicant and all persons or entities with any ownership interest in the Application (excluding any tax credit purchaser/syndicator), from participation in the Housing Tax Credit Program (for both the Competitive Housing Tax Credit Developments and Tax-Exempt Bond Developments) for 24 months from the time that the amendment is approved.

(e) **Housing Tax Credit and Ownership Transfers.** (§2306.6713) A Development Owner may not transfer an allocation of Housing Tax Credits or ownership of a Development supported with an allocation of Housing Tax Credits to any Person other than an Affiliate of the Development Owner unless the Development Owner obtains the Executive Director's prior, written approval of the transfer. The Executive Director may not unreasonably withhold approval of the transfer.

(1) Transfers will not be approved prior to the issuance of IRS Forms 8609 unless the Development Owner can provide evidence that a hardship is creating the need for the transfer (potential bankruptcy, removal by a partner, etc.). A Development Owner seeking Executive Director approval of a transfer and the proposed transferee must provide to the Department a copy of any applicable agreement between the parties to the transfer, including any third-party agreement with the Department.

(2) A Development Owner seeking Executive Director approval of a transfer must provide the Department with documentation requested by the Department, including but not limited to, a list of the names of transferees and Related Parties; and detailed information describing the experience and financial capacity of transferees and related parties. All transfer requests must disclose the reason for the request. The Development Owner shall certify to the Executive Director that the tenants in the Development have been notified in writing of the transfer before the 30th day preceding the date of submission of the transfer request to the Department. Not later than the fifth working day after the date the Department receives all necessary information under this section, the Department shall conduct a qualifications review of a transferee to determine the transferee's past compliance with all aspects of the Housing Tax Credit Program, LURAs; and the sufficiency of the transferee's experience with Developments supported with Housing Credit Allocations. If the viable operation of the Development is deemed to be in jeopardy by the Department, the Department may authorize changes that were not contemplated in the Application.

(3) As it relates to the Credit Cap further described in §50.6(d) of this title, the credit cap will not be applied in the following circumstances:

(A) In cases of transfers in which the syndicator, investor or limited partner is taking over ownership of the Development and not merely replacing the general partner; or

(B) In cases where the General Partner is being replaced if the award of credits was made at least five years prior to the transfer request date.

(f) **Sale of Certain Tax Credit Properties.** Consistent with §2306.6726, Texas Government Code, not later than two years before the expiration of the Compliance Period, a Development Owner who agreed to provide a right of first refusal under §2306.6725(b)(1), Texas Government Code and who intends to sell the property shall notify the Department of its intent to sell.

(1) The Development Owner shall notify Qualified Nonprofit Organizations and tenant organizations of the opportunity to purchase the Development. The Development Owner may:

(A) During the first six-month period after notifying the Department, negotiate or enter into a purchase agreement only with a Qualified Nonprofit Organization that is also a community housing development organization as defined by the Federal Home Investment Partnership Program (HOME);

(B) During the second six-month period after notifying the Department, negotiate or enter into a purchase agreement with any Qualified Nonprofit Organization or tenant organization; and

(C) During the year before the expiration of the compliance period, negotiate or enter into a purchase agreement with the Department or any Qualified Nonprofit Organization or tenant organization approved by the Department.

(2) Notwithstanding items for which points were received consistent with §50.9(i) of this title, a Development Owner may sell the Development to any purchaser after the expiration of the compliance period if a Qualified Nonprofit Organization or tenant organization does not offer to purchase the Development at the minimum price provided by §42(i)(7), Internal Revenue Code of 1986 (26 U.S.C. §42(i)(7)), and the Department declines to purchase the Development.

(g) **Withdrawals.** An Applicant may withdraw an Application prior to receiving a Commitment Notice, Determination Notice, Carryover Allocation Document or Housing Credit Allocation, or may cancel a Commitment Notice or Determination Notice by submitting to the Department a notice, as applicable, of withdrawal or cancellation, and making any required statements as to the return of any tax credits allocated to the Development at issue.

(h) **Cancellations.** The Department may cancel a Commitment Notice, Determination Notice or Carryover Allocation prior to the issuance of IRS Form 8609 with respect to a Development if:

(1) The Applicant or the Development Owner, or the Development, as applicable, fails to meet any of the conditions of such Commitment Notice or Carryover Allocation or any of the undertakings and commitments made by the Development Owner in the Applications process for the Development;

(2) Any statement or representation made by the Development Owner or made with respect to the Development Owner or the Development is untrue or misleading;

(3) An event occurs with respect to the Applicant or the Development Owner which would have made the Development's Application ineligible for funding pursuant to §50.5 of this title if such event had occurred prior to issuance of the Commitment Notice or Carryover Allocation; or

(4) The Applicant or the Development Owner or the Development, as applicable, fails to comply with these Rules or the procedures or requirements of the Department.

(i) **Alternative Dispute Resolution Policy.** In accordance with §2306.082, Texas Government Code, it is the Department's policy to encourage the use of appropriate alternative dispute resolution procedures ("ADR") under the Governmental Dispute Resolution Act, Chapter 2009, Texas Government Code, to assist in resolving disputes under the Department's jurisdiction. As described in Chapter 154, Civil Practices and Remedies Code, ADR procedures include mediation. Except as prohibited by the Department's ex parte communications policy, the Department encourages informal communications between Department staff and Applicants, and other interested persons, to exchange information and informally resolve disputes. The Department also has administrative appeals processes to fairly and expeditiously resolve disputes. If at anytime an Applicant or other person would like to engage the Department in an ADR procedure, the person may send a proposal to the Department's Dispute Resolution Coordinator. For additional information on the Department's ADR Policy, see the Department's General Administrative Rule on ADR at §1.17 of this title.

#### **§50.18.Compliance Monitoring and Material Noncompliance.**

The Code, §42(m)(1)(B)(iii), requires the Department as the housing credit agency to include in its QAP a procedure that the Department will follow in monitoring Developments for compliance with the provisions of the Code, §42 and in notifying the IRS of any noncompliance of which the Department becomes aware. Detailed compliance rules and procedures for monitoring are set forth in Chapter 60 of this title.

#### **§50.19.Department Records; Application Log; IRS Filings.**

(a) **Department Records.** At all times during each calendar year the Department shall maintain a record of the following:

- (1) The cumulative amount of the State Housing Credit Ceiling that has been committed pursuant to Commitment Notices during such calendar year;
  - (2) The cumulative amount of the State Housing Credit Ceiling that has been committed pursuant to Carryover Allocation Documents during such calendar year;
  - (3) The cumulative amount of Housing Credit Allocations made during such calendar year;
- and
- (4) The remaining unused portion of the State Housing Credit Ceiling for such calendar year.

(b) **Application Log.** (§2306.6702(a)(3) and §2306.6709) The Department shall maintain for each Application an Application Log that tracks the Application from the date of its submission. The Application Log will contain, at a minimum, the information identified in paragraphs (1) - (9) of this subsection.

- (1) The names of the Applicant and all General Partners of the Development Owner, the owner contact name and phone number, and full contact information for all members of the Development Team;
- (2) The name, physical location, and address of the Development, including the relevant Uniform State Service Region of the state;
- (3) The number of Units and the amount of Housing Tax Credits requested for allocation by the Department to the Applicant;
- (4) Any Set-Aside category under which the Application is filed;
- (5) The requested and awarded score of the Application in each scoring category adopted by the Department under the Qualified Allocation Plan;
- (6) Any decision made by the Department or Board regarding the Application, including the Department's decision regarding whether to underwrite the Application and the Board's decision regarding whether to allocate Housing Tax Credits to the Development;
- (7) The names of individuals making the decisions described by paragraph (6) of this subsection, including the names of Department staff scoring and underwriting the Application, to be recorded next to the description of the applicable decision;
- (8) The amount of Housing Tax Credits allocated to the Development; and
- (9) A dated record and summary of any contact between the Department staff, the Board, and the Applicant or any Related Parties.

(c) **IRS Filings.** The Department shall mail to the Internal Revenue Service, not later than the 28th day of the second calendar month after the close of each calendar year during which the Department makes Housing Credit Allocations, a copy of each completed (as to Part I) IRS Form 8609, the original of which was mailed or delivered by the Department to a Development Owner during such calendar year, along with a single completed IRS Form 8610, Annual Low-income Housing Credit Agencies Report. When a Carryover Allocation is made by the Department, a copy of the Carryover Allocation Agreement will be mailed or faxed to the Development Owner by the Department. The original of the Carryover Allocation Document will be retained by the Department and IRS Form 8610 Schedule A will be filed by the Department with IRS Form 8610 for the year in which the allocation is made. The Department shall be authorized to vary from the requirements of this section to the extent required to adapt to changes in IRS requirements.

#### **§50.20. Program Fees; Refunds; Public Information Requests; Adjustments of Fees and Notification of Fees; Extensions; Penalties.**

(a) **Timely Payment of Fees.** All fees must be paid as stated in this section, unless the Executive Director has granted a waiver for specific extenuating and extraordinary circumstances. To be eligible for a waiver, the Applicant must submit a request for a waiver no later than 10 business days prior to the deadlines as stated in this section. Any fees, as further described in this section, that are not timely paid will cause an Applicant to be ineligible to apply for tax credits and additional tax credits and ineligible to submit extension requests, ownership changes and Application amendments.

Payments made by check, for which insufficient funds are available, may cause the Application, commitment or allocation to be terminated.

(b) **Pre-Application Fee.** Each Applicant that submits a Pre-Application shall submit to the Department, along with such Pre-Application, a non refundable Pre-Application fee, in the amount of \$10 per Unit. Units for the calculation of the Pre-Application Fee include all Units within the Development, including tax credit, market rate and owner-occupied Units. Pre-Applications without the specified Pre-Application Fee in the form of a check will not be accepted. Pre-Applications in which a CHDO or Qualified Nonprofit Organization intends to serve as the managing General Partner of the Development Owner, or Control the managing General Partner of the Development Owner, will receive a discount of 10% off the calculated Pre-Application fee.
