In accordance with Chapter 2306, Subchapter FF of the Texas Government Code and the Texas Bootstrap Loan Program Rules and Manual, the Owner–Builder Applicant(s) have executed a Self-Help Agreement and have provided 65% of the labor necessary to build the proposed housing and/or other housing units through a state-certified owner-builder housing program.

☐ I, the Owner-Builder Applicant and/or Owner-Builder Co-Applicant, have provided through personal labor at least 65 percent of the labor necessary to build or rehabilitate the proposed housing by working through a state-certified owner-builder housing program;

☐ I, the Owner-Builder Applicant and/or Owner-Builder Co-Applicant, have provided personal labor at least 65 percent of the labor necessary through building or rehabilitating housing for others through a state-certified owner-builder housing program;

☐ I, the Owner-Builder Applicant and/or Owner-Builder Co-Applicant, have provided through the non-contract labor of friends, family, or volunteers and through personal labor at least 65 percent of the labor necessary to build or rehabilitate the proposed housing by working through a state-certified owner-builder housing program;

☐ I, the Owner-Builder Applicant and/or Owner-Builder Co-Applicant, cannot provide the amount of personal labor required due to a documented disability or other limiting circumstances; however, at least 65% of the labor necessary to build or rehabilitate the proposed housing has been provided through the non-contract labor of friends, family, or volunteers by working through a state-certified owner-builder housing program.
